BIDDER SPECIFICATION INQUIRIES

If the specifications of this bid could restrict competition for vendors prior to award and contractors after award, the Bidder has 72 hours within which to request to the Commission that the specification(s) be changed. Requested changes to the Commission's specifications shall include the Bidder's concerns regarding restricting competition, provide detailed justification, and provide recommended changes to the specification(s). A Bidder's failure to request changes by the prescribed date and time shall be considered to constitute the Bidder's acceptance of the Commission's specifications.

The Commission shall determine what change(s) to the bid is acceptable to the Commission. If accepted, the Commission shall issue an addendum reflecting the change(s) to the bid, which shall be posted to the Vendor Bid Advertisement System ([http://vbs.dms.state.fl.us/vbs/main menu](http://vbs.dms.state.fl.us/vbs/main_menu)).

LIMITATION ON BIDDER CONTACT DURING SOLICITATION PERIOD

Bidders to this solicitation or persons acting on their behalf may not contact, between the release of the solicitation and the end of the 72-hour period following the agency posting the notice of intended award, (Note the 72-hour no contact period excludes Saturdays, Sundays, and state holidays) any employee or officer of the executive or legislative branch concerning any aspect of this solicitation, except in writing to the procurement manager or as provided in the Contract documents. Violation of this provision may be grounds for rejecting a response.

8. Maintain an official record of all correspondence between the Commission and the contractor.

NOTE: Execution of contract or issuance of purchase order does not constitute a Notice to Proceed with Permitting Process or a Notice to Proceed with Construction.

MONITORING

As defined within the Contract Documents. The Commission's Contract Manager shall actively monitor Contractor's performance and compliance with the terms of the Contract Documents. The Commission reserves the right for any Commission staff to make scheduled or unscheduled, announced or unannounced monitoring visits. Specific monitoring terms, conditions, and schedules may be included in the Contract Documents.

Contractor Performance. The Contractor shall perform the activities described in the Contract Documents in a proper and satisfactory manner. Unless otherwise provided for in the Contract Documents, any and all equipment, products or materials necessary or appropriate to perform under this Contract shall be supplied by the Contractor. Contractor shall obtain all necessary local, state, and federal authorizations necessary to complete this project, and the Contractor shall be licensed as necessary to perform under this Contract as may be required by law, rule, or regulation; the Contractor shall provide evidence of such compliance to the Commission upon request. The Contractor shall procure all supplies and pay all charges, fees, taxes and incidentals that may be required for the completion of this Contract. By acceptance of this Contract, the Contractor warrants that it has the capability in all respects to totally perform the requirements and the integrity and reliability that will assure good-faith performance as a responsible Contractor. Contractor shall immediately notify the Commission's Contract Manager in writing if its ability to perform under the Contract is compromised in any manner during the term of the Contract. The Commission shall take appropriate action, including potential termination of this Contract in the event Contractor's ability to perform under this Contract becomes compromised.

Contractor Responsibilities. Contractor agrees that all Contractor employees, subcontractors, or agents performing work under the Contract shall be properly trained technicians who meet or exceed any specified training qualifications. Upon request, Contractor shall furnish a copy of technical certification or other proof of qualification. All employees, subcontractors, or agents performing work under the Contract must comply with all security and administrative requirements of the Commission. The Commission may conduct, and Contractor shall cooperate in, a security background check or otherwise assess any employee, subcontractor, or agent furnished by Contractor. The Commission may refuse access to, or require replacement of, any personnel for cause, including, but not limited to, technical or training qualifications, quality of work, change in security status, or non-compliance with the Commission's security or other requirements. Such refusal shall not relieve Contractor of its obligation to perform all work in compliance

with the Contract. The Commission may reject and bar from any facility for cause any of Contractor's employees, subcontractors, or agents.

Commission Rights to Assign or Transfer. Contractor agrees that the State of Florida shall at all times be entitled to assign or transfer its rights, duties, or obligations under this Contract to another governmental agency in the State of Florida, upon giving prior written notice to Contractor.

ELIGIBILITY

The Contractor shall be licensed as necessary to perform under this contract as may be required by law, rule, or regulation; and shall provide evidence of such compliance to the Commission upon request.

By acceptance of this contract, the Contractor warrants that it has the capability in all respects to fully perform the contract requirements and the integrity and reliability that will assure good-faith performance as a responsible contractor, and that the Contractor shall comport with Chapter 287, F.S., and all other applicable rules and laws.

COMMITMENT OF FUNDS

The State of Florida's performance and obligation to pay under this contract is contingent upon an annual appropriation by the Legislature. The Parties hereto understand that this Contract and any renewal thereof is not a commitment to future appropriations but is subject to appropriation and authority to spend provided by the Legislature. The Commission shall be the final authority as to the availability of funds for this Contract, and as to what constitutes an "annual appropriation" of funds to complete this Contract. If such funds are not appropriated or available for the Contract purpose, such event will not constitute a default on behalf of the Commission or the State. The Commission's Contract Manager shall notify Contractor in writing at the earliest possible time if funds are not appropriated or available.

AUTHORIZED COMPENSATION

It is understood and agreed that all compensation under this bid is specifically limited to the Contractor's bid price accepted by the Commission, and to the specific procedure for payment established in this bid and the **Purchase Order** executed pursuant to it. The Commission is not liable for any costs, fees, expenses or any other compensation whatsoever incurred or charged by the Contractor, other than the bid price paid for the work specifically described in the Contract Documents, which work is actually accomplished and invoiced by the Contractor subsequent to the Commission's Notice to Proceed with Construction (or other notice to begin work). Thus, the Commission is not liable for any costs incurred or charged by the Contractor in anticipation of responding to, or performing work described in, this bid, including but not limited to equipment or personnel procured by the Contractor in anticipation of such work. The Commission is not responsible to the Contractor for any loss or damages resulting from circumstances unforeseen at the time of publication of this bid including, but not limited to, those resulting from a "force majeure".

INDEMNIFICATION

If Contractor is a state agency or subdivision, as defined in Subsection 768.28(2), F.S., pursuant to Subsection 768.28(19), F.S., neither Party indemnifies nor insures the other Party for the other Party's negligence. If Contractor is not a state agency or subdivision as defined above, Contractor shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless the State and the Commission, and their officers, agents, and employees, from suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by the Contractor, its agents, employees, partners, or subcontractors, provided, however, that Contractor shall not indemnify for that portion of any loss or damages proximately caused by the negligent

act or omission of the State or the Commission. This agreement does not constitute a waiver of sovereign immunity or consent by the agency for the state of Florida or its subdivisions to suit by third parties. If this is a Professional Services contract as defined in Subsection 725.08 F.S., then notwithstanding the provisions of Subsection 725.06 F.S., the design professional shall only be liable for, and fully indemnify, defend, and hold harmless the State, the Commission, and their officers, agents, and employees, for actions caused in whole or in part, by the negligence, recklessness, or intentionally wrongful conduct of the design professional and other persons employed or utilized by the design professional in the performance of the contract.

CONFIDENTIALITY/PUBLIC RECORDS LAW

Bidders are cautioned that Florida law generously defines what constitutes a public record and grants broad rights of public access to those records; see, for example, section 119.07 of the Florida Statutes. If a Bidder believes that its response contains information that is confidential or exempt from disclosure under Florida Law, the Bidder shall clearly segregate and mark that information (for example, stamp each page "Confidential" and place it in an envelope marked "Confidential") and briefly describe in writing the grounds and specific legal citations for claiming exemption from the public records law. If after the notice of intended decision or 30 days after bid opening, whichever is earlier, the Commission receives a public record request related to the solicitation, the Commission will provide copies of public records that are not exempt to the requester. The Commission will endeavor to provide notice to the Bidder of all public records requests received related to documents provided by the Bidder that were marked pursuant to this paragraph. In no event shall the Bidder hold the Commission or any of its employees or agents liable for disclosing, or otherwise failing to protect the confidentiality of, information submitted in response to this solicitation.

SECURITY AND CONFIDENTIALITY

The Contractor shall maintain the security of any information created under this Contract that is identified or defined as "confidential" in the Contract Documents. The Contractor shall not divulge to third parties any confidential information obtained by the Contractor or its agents, distributors, resellers, subcontractors, officers or employees in the course of performing Contract work. To ensure confidentiality, the Contractor shall take appropriate steps regarding its personnel, agents, and subcontractors. The warranties of this paragraph shall survive the Contract.

SEVERABILITY AND CHOICE OF VENUE

This Contract has been delivered in the State of Florida and shall be construed in accordance with the laws of Florida. Wherever possible, each provision of this Contract shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Contract shall be prohibited or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Contract. Any action in connection herewith, in law or equity, shall be brought in Leon County, Florida.

JURY TRIAL WAIVER

As consideration of this Contract, the parties hereby waive trial by jury in any action or proceeding brought by any party against any other party pertaining to any matter whatsoever arising out of or in any way connected with this Contract.

SCOPE OF WORK

COLLIER COUNTY WATERWAY MARKER

The contractor shall remove, repair or install a total of one hundred and seventy-eight (178) regulatory waterway markers to post boating safety and manatee protection zones within the Intracoastal Waterway (ICW) and adjacent waterways including Little Hickory Bay, Venetian Bay, Moorings Bay, Naples Bay, Big Marco River, Goodland Bay, Gullivan Bay, and Chokoloskee Bay in Collier County, Florida.

There are eleven (11) new markers (three (3) 1-pile markers, five (5) 2-pile markers, and three (3) new sign installs on other structures). There are nine (9) marker removals (including six (6) 1-pile markers, and three (3) 2-pile markers), fourteen (14) marker replacements (replacing four (4) 1-pile markers, nine (9) 2-pile markers, and one (1) 3-pile marker), and one hundred and forty-four (144) marker repairs (sign replacements).

Please see the *Waterway Marker Work Plan* for complete repair and install quantities and refer to Technical Specifications for more details (accessible by following instructions provided in *Technical Specifications and Construction Plans* on page 2 of this document).

SUPPLEMENTARY TERMS AND CONDITIONS
COLLIER COUNTY WATERWAY MARKER

The following supplementary terms and conditions shall be added to the Contract Documents in accordance with the General Terms and Conditions, Section A – Definitions, for the Collier County Waterway Marker project:

1. In accordance with the General Terms and Conditions, the Liquidated Damages amount is **\$2,500.00 per calendar day**.
2. In accordance with the General Terms and Conditions, the number of days from Notice to Proceed with Construction to Substantial Completion shall be ninety (90) days and Final Completion shall be thirty (30) days thereafter. Substantial completion shall be accomplished when the Project is sufficiently completed in accordance with the Contract Documents, so that Owner can occupy or utilize the work or designated portions thereof for the use for which it is intended, as expressed in the Contract Documents. The term "Substantial Completion" shall not mean the inclusion of such minor alterations and patching as the Final Inspection shall disclose. Final completion shall be accomplished when all work has been accomplished by the vendor in accordance with the specifications in the solicitation, purchase order, and attachments and the Owner has provided the vendor/contractor written notification that the work is complete.
3. FWC has ordered the necessary signs and will coordinate delivery to the awarded contractor. The Contractor is responsible for any damages once the signs have been received. The awarded contractor will not be responsible for repairs to any sign(s), piling(s) or associated hardware and cross members outside the project area, except that the contractor shall be responsible for repairing any damages caused by the negligence of the Contractor or his agents.
4. In addition to General Terms and Conditions, Exhibits 6 and 7, FWC will supply US Army Corp. of Engineers, USCG, FDEP, and FDOT permits. The Contractor shall be responsible for obtaining any local building code permits, and any/all other permit(s), required for the completion of this project.
5. The contract/agreement shall be a purchase order and payment shall be made through MyFloridaMarketPlace (MFMP). See **Attachment A, Purchase Order Terms and Conditions**.
6. Bids will be accepted from **Certified General or Marine Contractors**, if the bid is in the individual's own name or a fictitious name where the individual is doing business as a sole proprietorship. If the bidder is a business organization, including any partnership, corporation, business trust, or other legal entity, or in any name other than the bidder's legal name or a fictitious name where the bidder is doing business as a sole proprietorship, the bidder must be an agent of a qualified construction business organization as required by F.S. 489.119.(2). Please provide a copy of certification or registration with submittal of bid.
7. Because failure to complete the Project timely will result in substantial injury to Owner, and as damages arising from such failure cannot be calculated with any degree of certainty, it is hereby agreed that if Contractor does not secure all required permits within 30 days of receiving the Notice to Proceed with Permitting Process or request an extension for good cause shown as provided herein, Contractor shall pay to Owner as liquidated damages for such delay, and not as a penalty, the amount set forth in Section 1 of these "Supplementary Terms and Conditions" for each

and every calendar day elapsing between the 30 days after issuance of the Notice to Proceed with Permitting Process and the Contractor's having obtained all necessary permits. Said liquidated damages shall be payable in addition to any excess expenses or costs payable by Contractor to Owner under Section C-38 ("Termination") and shall not exclude the recovery of damages by Owner under other provisions of the Contract Documents, except for Contractor's delay. This provision of liquidated damages for delay shall in no manner affect Owner's right to terminate the contract as provided in Section C-38 or elsewhere in the Contract Documents. Owner's exercise of the right to terminate shall not release Contractor from its obligation to pay said liquidated damages in the amounts set out above.

8. If Contractor proceeds with staging, mobilization, or construction prior to receiving the Notice to Proceed with Construction, Owner may unilaterally cancel the Agreement and shall not be required to pay for any staging, mobilization, or construction completed by Contractor prior to issuance of the Notice to Proceed with Construction. Issuance of a purchase order shall not be approval to begin construction, and Contractor shall not, under any circumstances, begin construction until the Notice to Proceed with Construction has been issued by Owner.
9. Because failure to complete the Project timely will result in substantial injury to Owner, and as damages arising from such failure cannot be calculated with any degree of certainty, it is hereby agreed that if Final Completion does not occur by the Final Completion Date, Contractor shall pay to Owner as liquidated damages for such delay, and not as a penalty, the amount set forth in Section 1 of these "Supplementary Terms and Conditions" for each and every calendar day elapsing between the Final Completion Date and the date such final completion shall have been fully accomplished. Said liquidated damages shall be payable in addition to any excess expenses or costs payable by Contractor to Owner under Section C-38 ("Termination") and shall not exclude the recovery of damages by Owner under other provisions of the Contract Documents, except for Contractor's delay. This provision of liquidated damages for delay shall in no manner affect Owner's right to terminate the contract as provided in Section C-38 or elsewhere in the Contract Documents. Owner's exercise of the right to terminate shall not release Contractor from its obligation to pay said liquidated damages in the amounts set out above.
10. All markers removed shall be disposed of properly and lawfully in a landfill or other waste disposal site or recycling center, and vendor shall provide owner proof of such disposal prior to final payment under this Agreement. Vendor shall not sell, trade, or give away these markers, or commit them to any use, or dispose of them in any manner other than properly and lawfully in a landfill or other waste disposal site or recycling center.

Last Updated: July 24, 2018

Section 1. PURCHASE ORDER.

A. Composition and Priority.

The Contractor agrees to provide commodities, contractual services, or professional services to the Commission within the manner and at the location specified in the Purchase Order, and any attachments to the Purchase Order. These Purchase Order Terms and Conditions, whether generic or specific, shall take precedence over any inconsistent or conflicting provision in the State of Florida, General Contract Conditions, PUR 1000. Additionally, the terms of the Purchase Order supersede the terms of any and all prior agreements with respect to this purchase.

B. Initial Term.

Unless otherwise specified, the Purchase Order begins on the date of issuance. Contractual services or commodities to be provided by the Contractor shall be completed by the date specified on the Purchase Order end date.

Section 2. PERFORMANCE.

A. Performance Standards.

The Contractor agrees to perform all tasks and provide deliverables as set forth in the Statement of Work and attachments to the Purchase Order. The Commission shall be entitled at all times, upon request, to be advised as to the status of work being done by the Contractor and of the details thereof. Coordination shall be maintained by the Contractor with representatives of the Commission, or of other agencies involved in the project on behalf of the Commission.

B. Performance Deficiency.

If the Commission determines that the performance of the Contractor is unsatisfactory, the Commission may notify the Contractor of the deficiency to be corrected, which correction shall be made within a time frame specified by the Commission. The Contractor shall provide the Commission with a corrective action plan describing how the Contractor will address all issues of Purchase Order non-performance, unacceptable performance, and failure to meet the minimum performance levels, deliverable deficiencies, or Purchase Order non-compliance. If the corrective action plan is unacceptable to the Commission, the Contractor will be assessed a non-performance retainage equivalent to ten (10) percent of the total invoice amount or as specified in the contractual documents. The retainage will be applied to the invoice for the then-current billing period. The retainage will be withheld until the Contractor resolves the deficiency. If the deficiency is subsequently resolved, the Contractor may invoice the Commission for the retained amount during the next billing period. If the Contractor is unable to resolve the deficiency, the funds retained will be forfeited.

C. Contractor Responsibilities.

The Contractor agrees that all Contractor employees, subcontractors, or agents performing work under the Purchase Order shall be properly trained technicians who meet or exceed any specified training qualifications. Upon request, the Contractor shall furnish a copy of technical certification or other proof of qualification. All employees, subcontractors, or agents performing work under the Purchase Order must comply with all security and administrative requirements of the Commission. The Commission

may conduct, and the Contractor shall cooperate in, a security background check or otherwise assess any employee, subcontractor, or agent furnished by the Contractor. The Commission may refuse access to, or require replacement of, any personnel for cause, including, but not limited to, technical or training qualifications, quality of work, change in security status, or non-compliance with the Commission's security or other requirements. Such refusal shall not relieve the Contractor of its obligation to perform all work in compliance with the Purchase Order. The Commission may reject and bar from any facility for cause any of the Contractor's employees, subcontractors, or agents.

D. Assignment.

The Contractor shall not sell, assign or transfer any of its rights, duties or obligations under the Purchase Order without the prior written consent of the Commission. In the event of any assignment, the Contractor remains secondarily liable for performance of the Purchase Order, unless the Commission expressly waives such secondary liability. The Commission may assign the Purchase Order with prior written notice to the Contractor.

E. Damages to State Property.

Any damages to state property (e.g. structures, roads, culverts, fences, trees, or other natural resources) caused by the Contractor while working on this project shall be the responsibility of the Contractor to remedy, as determined by the Commission. The Contractor shall be responsible for the conduct of all Contractor personnel at all times while on the job site.

Should any historical or cultural artifacts be uncovered, the Contractor shall immediately halt work and notify the Commission's Contract Manager. **Please note:** The State Archaeologist has the power to halt work if he or she has reason to believe artifacts are being disturbed.

F. Quarterly Minority and Service-Disabled Veteran Business Enterprise Report.

The Contractor shall provide a quarterly Minority and Service-Disabled Veteran Business Enterprise Report to the Commission's Contract Manager, summarizing the participation of certified and non-certified minority and service-disabled veteran subcontractors/material suppliers for the current quarter and project to date. The report shall include the names, addresses and dollar amount of each certified and non-certified Minority Business Enterprise and Service-Disabled Veteran Enterprise participant and a copy must be forwarded to the Commission's Contract Manager. The Department of Management Services, Office of Supplier Diversity at (850) 487-0915 will assist in furnishing names of qualified minorities. The Commission's Minority Coordinator at (850) 488-6551 will assist with questions and answers.

G. Independent Contractor.

The Contractor shall perform as an independent contractor and not as an agent, representative, or employee of the Commission. The Contractor covenants that it presently has no interest and shall not acquire any interest that would conflict in any manner or degree with the performance of services required. Each party hereto covenants that there is no conflict of interest or any other prohibited relationship between the Contractor and the Commission. The Contractor agrees to include this provision in all its subcontracts under the Purchase Order.

H. Commission Rights to Undertake or Award Supplemental Contracts.

The Contractor agrees that the Commission may undertake or award supplemental contracts for work related to the Purchase Order. The Contractor and its subcontractors shall cooperate with such other contractors and the Commission in all such cases.

Section 3. PAYMENT AND FEES.

A. Payment.

The Contractor will be paid upon submission of properly certified invoice(s) to the Commission after delivery and acceptance of commodities or contractual services is confirmed in writing by the Commission.

B. Invoicing.

Invoices may be submitted electronically to the Commission's designated Contract Manager, as identified in this Purchase Order. The Contractor acknowledges that the Commission's Contract Manager shall reject invoices lacking documentation necessary to justify invoiced expenses.

C. Invoices, Continued.

All invoices shall be processed in accordance with Section. 215.422, Florida Statutes (F.S.), and Rule 69I-24, Florida Administrative Code (F.A.C.), upon receipt of a proper invoice and approval and inspection of goods or services. The Commission shall record the date of receipt of an invoice on the date on which a proper invoice is first received at the place designated by the Commission. Approval and inspection of goods or services shall take no longer than five (5) working days unless the bid specifications, purchase order, or contract specifies otherwise. Invoices must be legible and shall contain the items below in detail sufficient for a proper audit.

- The invoice number

- Date(s) of service (beginning date – ending date)
- Invoices for commodities must provide a clear description of the item(s), number of units and cost per unit. Numerical code descriptions alone will not be accepted.
- Invoices for services must provide a clear description of the specific deliverables that must be provided and accepted prior to payment.
- Invoices for fixed unit rate agreements must show the number of units and cost per unit.
- Invoices for agreements paid out on a reimbursement basis or a fixed rate for a specific time period (e.g. quarterly, monthly, etc.) must identify the deliverables provided.

D. Payment Timeframe.

Section 215.422, F.S. provides that agencies have five (5) working days to inspect and approve goods and services, unless applicable solicitation specifications or this Purchase Order specify otherwise. With the exception of payments to health care providers for hospital, medical, or other health care services, if payment is not available within forty (40) days, measured from the latter of the date the invoice is received or the goods or services are received, inspected and approved a separate interest penalty as described in Section 215.422, F.S., will be due and payable in addition to the amount authorized for payment. Interest penalties less than one dollar (\$1.00) will not be paid unless the Provider requests payment. A Vendor Ombudsman has been established within the Department of Financial Services and

The Contractor, at its expense, will defend the Commission against such claims. The following provisions apply, in addition to any terms and conditions included in the Scope of Work.

B. Subcontractors as Independent Contractors.

If subcontracting is permitted, the Contractor agrees to take such actions as may be necessary to ensure that each subcontractor will be deemed to be an independent contractor and will not be considered or permitted to be an agent, servant, joint venturer, or partner of the State of Florida.

C. Contractor Payments to Subcontractor.

If subcontracting is permitted, the Contractor agrees to make payments to its subcontractor(s) within seven (7) working days after receipt of full or partial payments from the Commission in accordance with Section 287.0585, F.S., unless otherwise stated in the contract between the Contractor and subcontractor(s). The Contractor's failure to pay its subcontractor(s) within seven (7) working days will result in a penalty charged against the Contractor and paid to the subcontractor(s) in the amount of one-half of one percent (0.5%) of the amount due per day from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen percent (15%) of the outstanding balance due.

Section 8. TERMINATION AND OTHER REMEDIES.

A. Financial Consequences.

In accordance with Subsection 287.058(1)(h), F.S., the Scope of Work contains clearly defined deliverables. If the Contractor fails to produce each deliverable within the time frame specified by the Scope of Work, the budget amount allocated for that deliverable will be deducted from the Contractor's payment. The Commission shall apply any of these additional financial consequences:

- a. Temporarily withhold payments pending correction of the deficiency by the Contractor
- b. Reduction of payment if correction of deficiency is not made by the Contractor.
- c. Disallow all or part of the cost of the activity or action not in compliance.
- d. Request refund of previously disbursed payments.
- e. Wholly or partly suspend or terminate this agreement.
- f. Withhold future awards for FWC projects.

- g. Take other remedies that may be legally available.

Further financial consequences may be identified in the Scope of Work.

B. Commission Unilateral Termination.

The Commission may unilaterally terminate this Purchase Order for convenience by providing the Contractor with fifteen (15) calendar days of written notice of its intent to terminate. The Contractor shall not be entitled to recover any cancellation charges or lost profits.

C. Termination – Fraud or Willful Misconduct.

This Purchase Order shall terminate immediately in the event of fraud or willful misconduct on the part of the Contractor. In the event of such termination, the Commission shall provide the Contractor with written notice of termination.

D. Termination – Funds Unavailability.

In the event funds to finance this Purchase Order become unavailable or if federal or state funds upon which this Purchase Order is dependent are withdrawn or redirected, the Commission may terminate this Purchase Order upon no less than twenty-four (24) hours' notice in writing to the Contractor. Said notice shall be delivered by certified mail, return receipt requested or in person with proof of delivery. The Commission shall be the final authority as to the availability of funds and will not reallocate funds appropriated for this Purchase Order to another program thus causing "lack of funds." In the event of termination of this Purchase Order under this provision, the Contractor will be compensated for any work satisfactorily completed prior to notification of termination.

E. Prohibition of Unauthorized Aliens.

In accordance with Executive Order 96-236, signed August 1, 1996, by the Governor of Florida, the Commission shall consider the employment by the Contractor of unauthorized aliens a violation of Subsection 274A(e) of the federal Immigration and Nationalization Act. Such violation shall be cause for unilateral termination of this Purchase Order if the Contractor knowingly employs unauthorized aliens.

F. Termination – Other.

The Commission may terminate this Purchase Order if the Contractor fails to:

1. comply with all terms and conditions of this Purchase Order;
2. produce each deliverable within the time specified by the Purchase Order or extension;
3. maintain adequate progress, thus endangering the performance of the Purchase Order; or,
4. abide by any statutory, regulatory, or licensing requirement

Rule 60A-1.006(3), F.A.C., governs the procedure and consequences for default. The rights and remedies of the Commission in this clause are in addition to any other rights and remedies provided by law or under the Purchase Order. The Contractor shall not be entitled to recover any cancellation charges or lost profits.

G. Contractor Discontinuation of Activities Upon Termination Notice.

Upon receipt of notice of termination, the Contractor shall, unless the notice directs otherwise, immediately discontinue all activities authorized hereunder. Upon termination of this Purchase Order, the Contractor shall promptly render to the Commission all property belonging to the Commission. For the purposes of this section, property belonging to the Commission shall include, but shall not be limited to, all books and records kept on behalf of the Commission.

Section 9. RECORD-KEEPING REQUIREMENTS.

A. Contractor Responsibilities for Record-Keeping.

The Contractor shall maintain accurate books, records, documents and other evidence that sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Purchase Order, in accordance with generally accepted accounting principles.

B. State Access to Contractor Books, Documents, Papers, and Records.

The Contractor shall allow the Commission, the Chief Financial Officer of the State of Florida, the Auditor General of the State of Florida, the Florida Office of Program Policy Analysis and Government Accountability or authorized representatives of the state or federal government to have access to any of the Contractor's books, documents, papers, and records, including electronic storage media, as they may relate to this Purchase Order, for the purposes of conducting audits or examinations or making excerpts or transcriptions.

C. Contractor Records Retention.

Unless otherwise specified in the Scope of Work, these records shall be maintained for five (5) fiscal years following the completion of this Purchase Order, if the Purchase Order is for commodities or services; or for ten (10) years following the completion of this Purchase Order, if the Purchase Order is for construction; or for the period otherwise required for this particular type of project by the General Records Schedules maintained by the Florida Department of State (available at <http://dos.myflorida.com/library-archives/records-management/general-records-schedules/>). The Contractor shall cooperate with the Commission to facilitate the duplication and transfer of such records upon the Commission's request.

D. Contractor Responsibility to Include Records Requirements – Subcontractors.

In the event any work is subcontracted under this Purchase Order, the Contractor shall include the aforementioned audit and record keeping requirements in all subcontract agreements.

E. Compliance with Federal Funding Accountability and Transparency.

Any federal funds awarded under this Purchase Order must comply with the Federal Funding Accountability and Transparency Act (FFATA) of 2006. The intent of the FFATA is to empower every American with the ability to hold the government accountable for each spending decision. The result is to reduce wasteful spending in the government. The FFATA legislation requires that information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website: www.USASpending.gov. Grant recipients awarded a new Federal grant greater than or equal to \$25,000.00 are subject to the FFATA. The Contractor agrees to provide the information necessary, over the life of this Purchase Order, for the Commission to comply with this requirement.

Section 10. MISCELLANEOUS.

A. Governing Law, Severability and Venue.

This Purchase Order has been delivered in the State of Florida and shall be construed in accordance with the laws of Florida. Wherever possible, each provision of this Purchase Order shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Purchase Order shall be prohibited or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Purchase Order. Any action in connection herewith, in law or equity, shall be brought in Leon County, Florida, to the exclusion of all other lawful venues.

B. Waiver.

As part of the consideration for this Purchase Order, the Parties hereby waive trial by jury in any action or proceeding brought by any party against any other party pertaining to any matter whatsoever arising out of or in any way connected with this Purchase Order, or with the products or services provided under this Purchase Order, including but not limited to any claim by the Contractor of *quantum meruit*. The delay or failure by the Commission to exercise or enforce any of its other rights under the Purchase Order shall not constitute waiver of such rights.

C. Modification.

The Purchase Order may only be modified by a Change Order agreed to by the Commission and the Contractor. If a Purchase Order Change Order is required for any portion of any job, the Contractor shall not commence to purchase materials for the amended work to be performed, nor proceed with the outlined duties described without prior written approval and receiving a revised copy of the approved Purchase Order in his/her possession. The Contractor shall request a Change Order in writing, outlining the reasons and the itemized costs required for the Change Order. The Parties agree to renegotiate this agreement if federal and/or state revisions of any applicable laws or regulations make changes in the Purchase Order necessary.

D. Time is of the Essence.

Time is of the essence with regard to each and every obligation of the Contractor. Each such obligation is deemed material, and a breach of any such obligation (including a breach resulting from untimely performance) is a material breach.

E. Entire Agreement.

This Purchase Order, with all incorporated attachments and exhibits, represents the entire agreement of the Parties. Any alterations, variations, changes, modifications or waivers of provisions of this Purchase Order shall only be valid when they have been reduced to writing, and duly signed by each of the Parties hereto, unless otherwise provided herein. In the event of conflict, the following order of precedence shall prevail; this Purchase Order and its attachments, the terms of the solicitation, then the Contractor's response to the solicitation.

F. Force Majeure

Neither Party shall be liable to the other for any delay or failure to perform under this Purchase Order if such delay or failure is neither the fault nor the negligence of the Party or its employees or agents and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Party's control, or for any of the foregoing that affects subcontractors or suppliers if no alternate source of supply is available.

However, in the event of delay from the foregoing causes, the Party shall take all reasonable measures to mitigate any and all resulting delay or disruption in the Party's performance obligation under this Purchase Order. If the delay is excusable under this paragraph, the delay will not result in any additional charge or cost under the Purchase Order to either Party.

In the case of any delay, the Contractor believes is excusable under this paragraph, the Contractor shall notify the Commission's Contract Manager in writing of the delay or potential delay and describe the cause of the delay either: (a) within ten (10) calendar days after the cause that creates or will create the delay first arose, if the Contractor could reasonably foresee that a delay could occur as a result; or (b) within five (5) calendar days after the date the Contractor first had reason to believe that a delay could result, if the delay is not reasonably foreseeable. THE FOREGOING SHALL CONSTITUTE THE CONTRACTOR'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy.

The Commission, in its sole discretion, will determine if the delay is excusable under this paragraph and will notify the Contractor of its decision in writing. No claim for damages, other than for an extension of time, shall be asserted against the Commission. The Contractor shall not be entitled to an increase in the Purchase Order price or payment of any kind from the Commission for direct, indirect, consequential, impact, or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency arising because of delay, disruption, interference, or hindrance from any cause whatsoever.

If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist, the Contractor shall perform at no increased cost, unless the Commission determines, in its sole discretion, that the delay will significantly impair the value of the Purchase Order to the Commission or the State, in which case, the Commission may do any or all of the following: (1) accept allocated performance or deliveries from the Contractor, provided that the Contractor grants preferential treatment to the Commission with respect to products or services subjected to allocation; (2) purchase from other sources (without recourse to and by the Contractor for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Purchase Order quantity; or (3) terminate the Purchase Order in whole or in part.

G. Other Miscellaneous Provisions.

No firearms, alcohol or illegal substances are allowed on any Commission project site. Neither the Contractor nor any of its employees may possess firearms or alcohol while on the job site. The Parties do not intend, nor shall this Purchase Order be construed, to grant any rights, privileges or interest to any person not a party to this agreement.
