

5.20 References:

The evaluation committee will review written responsive proposals submitted, including evaluating your references defined below and completed Attachment A-2 surveys timely received before 5:00 p.m. 3/26/2019 directly from your clients to quantify both the quality of your services provided and similar services. The committee will assign up to 15 points for exceptional references. (0 – 15 points) As such, the committee will evaluate all reference check forms returned directly to the College by your client by the defined due date, add up each reference check numerical score to create a grand total, divide that grand total by the # of references received by the defined due date to calculate an average score and then mathematically convert the average to the scale range of 0 - 15 as defined in this solicitation. (0 - 15 points)

5.201 **Required Response Information:** In order to evaluate the abilities of the proposer to perform the Construction Delivery Order Contracting services requested, information about the proposer must be provided to determine your firm's ability to meet this entire RFP criterion, which is to be considered in the award(s) of this RFP. This section identifies specific reference information that **must be** included below in the proposal to be assigned RFP Evaluation Reference Points.

References: All proposers providing a response to this RFP **SHALL** list below a **minimum of three related references to be considered for the maximum RFP points**. If the College receives less than three completed Survey forms **directly from your client before the defined due date and time**, the College will proportionally reduce the maximum number of evaluation points (i.e. if the College only receives two (2) reference forms, then the firm would only be able to achieve up to 66% of the maximum number of points, etc.) Proposers must have their clients utilize the attached Performance Evaluation Survey form which is attached as Attachment A-2.

It is the proposer's responsibility to send this form with a transmittal cover letter (Attachment "A-1") to your reference clients providing the reference who in turn your client will complete the survey form and timely forward the completed reference form to the Purchasing Department at the College. All reference forms shall be submitted by your client directly to the College's Purchasing Department no later than the end of business (EOB) on 3/26/2019. **Forms submitted after EOB on 3/26/2019 will not be evaluated and your company will not receive consideration as part of the score by the evaluation committee.**

- a) These references should preferably be directly related in which the proposer provided the same services as being proposed to the College.

A reference from the College would be accepted, **IF:**

- 1) The FSCJ Representative is NOT an active Evaluation Committee Member;
- 2) The FSCJ Representative has NOT had any input in regards to the solicitation and;
- 3) The Reference Evaluation Survey Form is submitted directly from the FSCJ Representative providing the reference.

Prior to requesting a reference from ANY FSCJ Representative, it SHALL BE the submitters' responsibility to verify that all three of the above requirements are being complied with. ANY Reference Survey Form received in which DOES NOT comply with ALL 3 requirements will not be included in the reference evaluation point assignment.

ONLY ONE OF THE THREE TOTAL REFERENCES CAN BE OBTAINED FROM ANY SINGLE ENTITY. IF MORE THAN ONE IS RECEIVED, ONLY THE FIRST REFERENCE RECEIVED WILL BE CONSIDERED FOR EVALUATION.

- b) The references delivered must include as requested the name and address of your client and a contact person's telephone number/email address; a summary of the product offerings or services provided; and the approximate annual aggregate dollar volume of sales provided by your company to the specific client.
- c) It is the proposer's responsibility to follow-up with their proposed references to make sure timely responses are received from the references directly to the College.

5.202 Proposers **shall** list below 3-5 related references of clients your firm provided similar Construction Delivery Order Contracting services as defined in this RFP that was sent Attachment A-1 and A-2:
