A large yellow grid table with 10 columns and 48 rows. The grid is composed of small, uniform rectangular cells, all of which are filled with a light yellow color. The grid is positioned on the left side of the page, leaving a wide white margin on the right. There are no labels, text, or data within the cells.

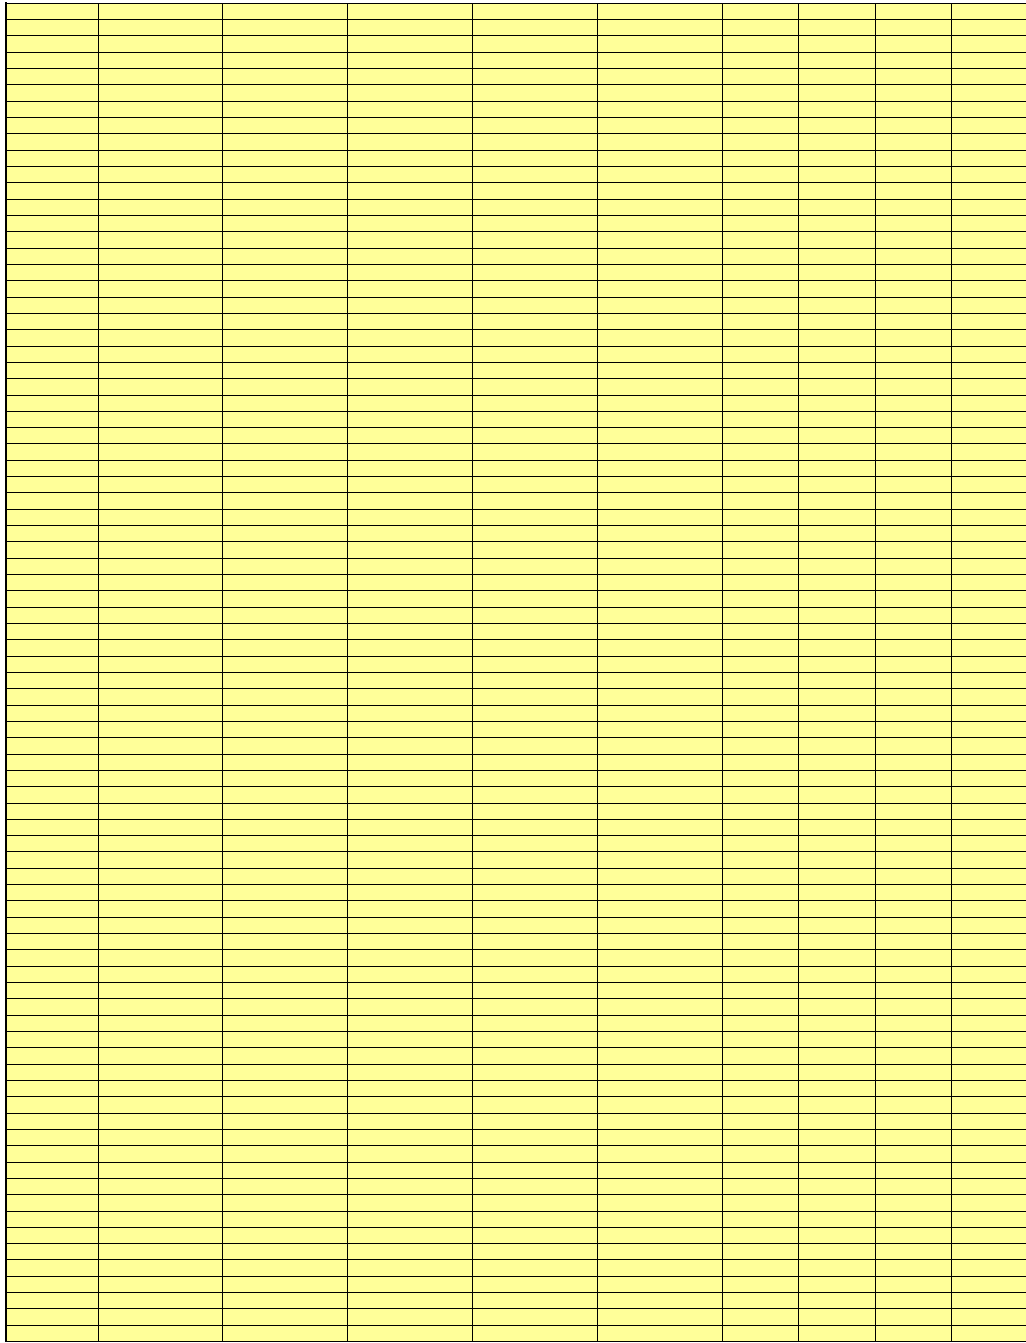

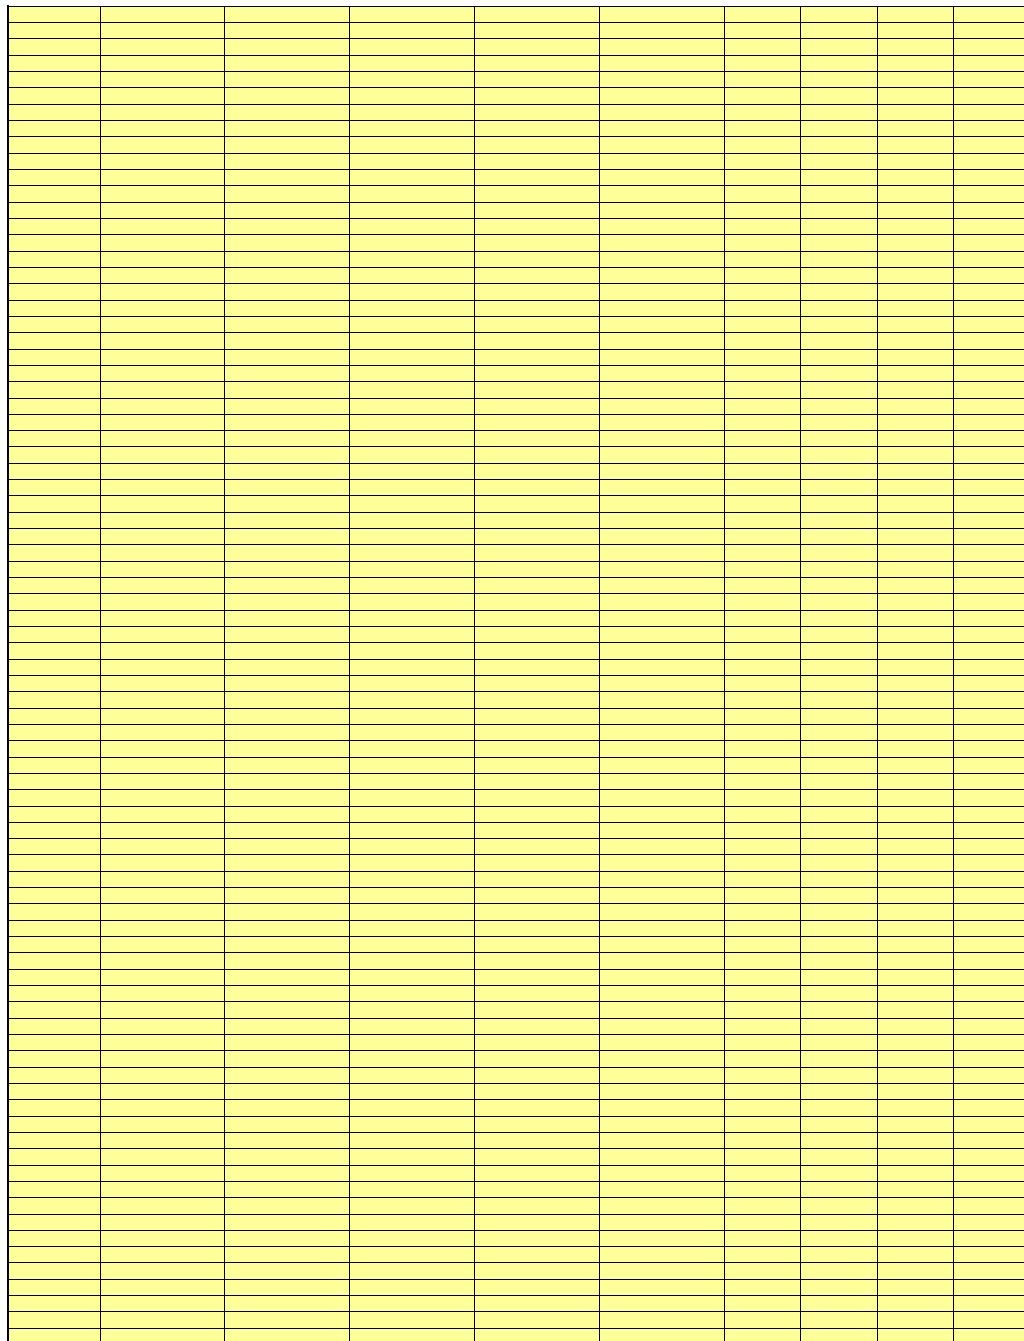

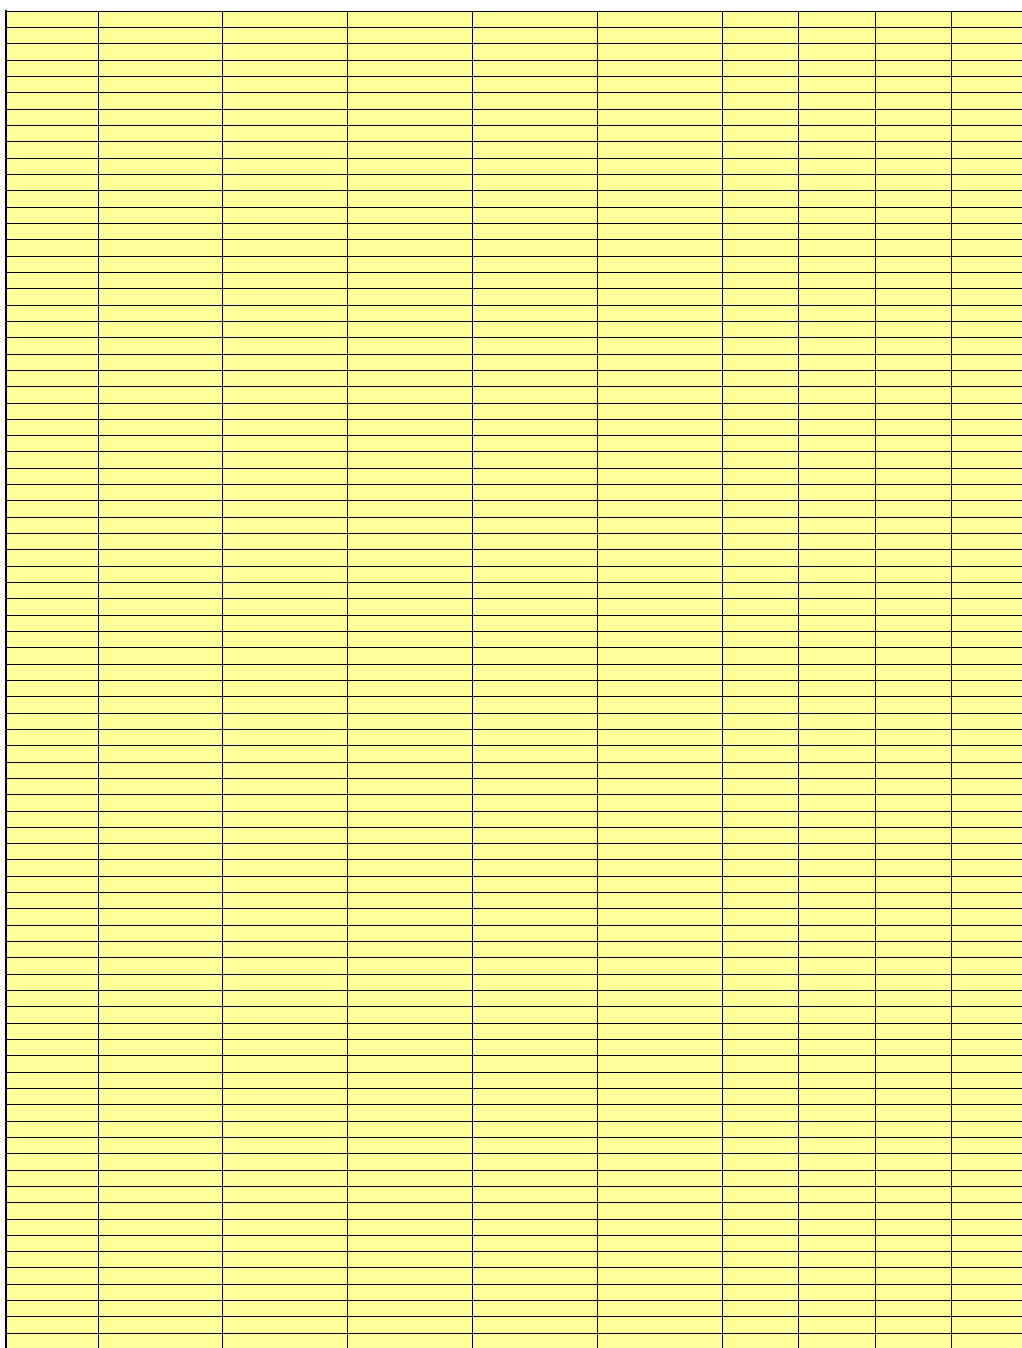

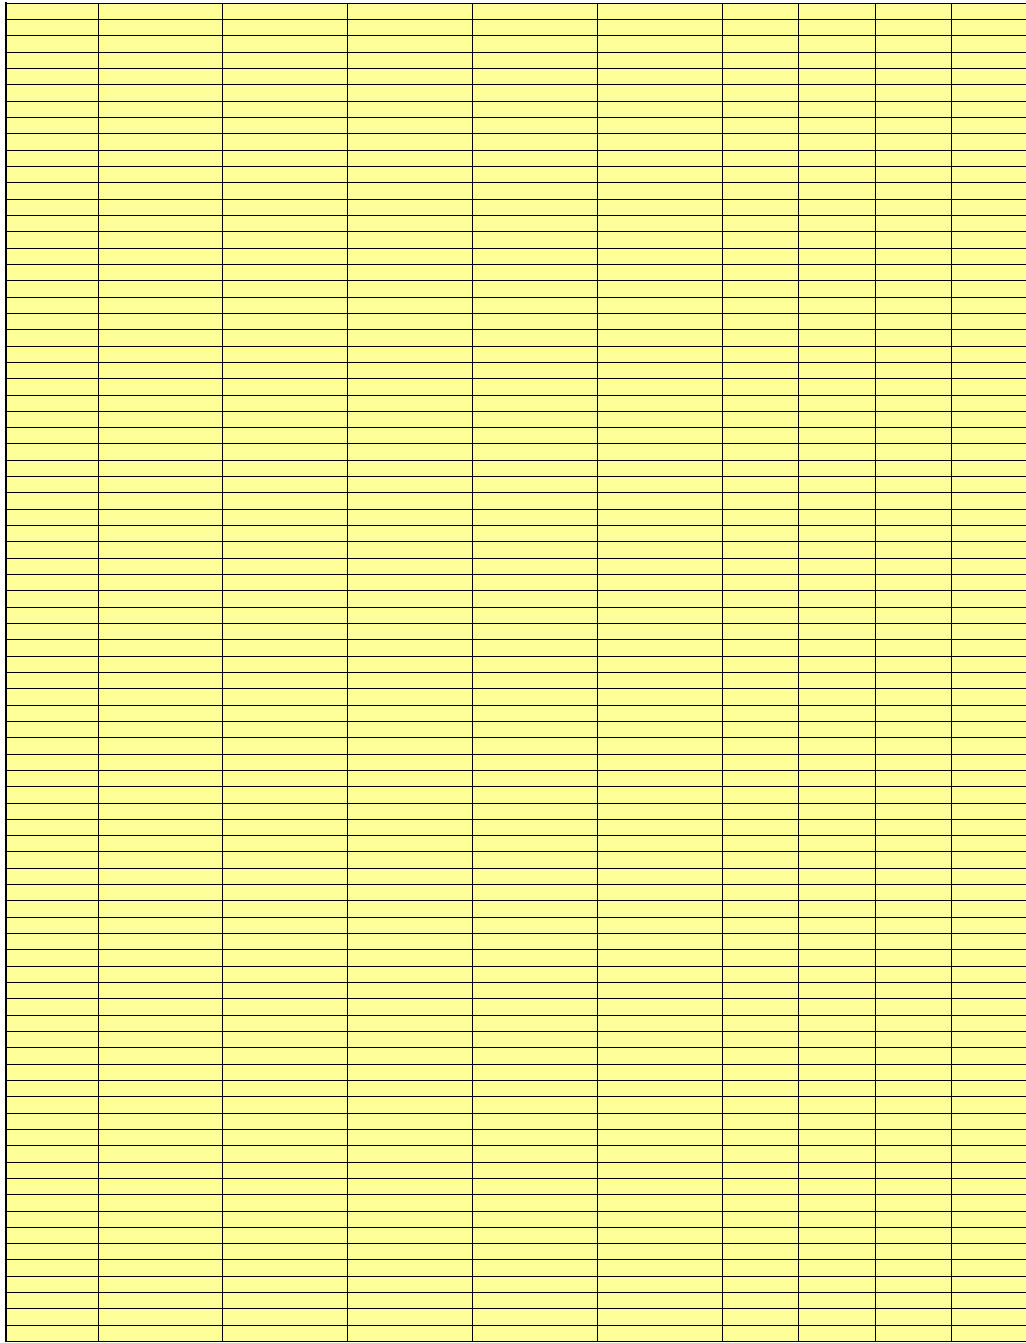

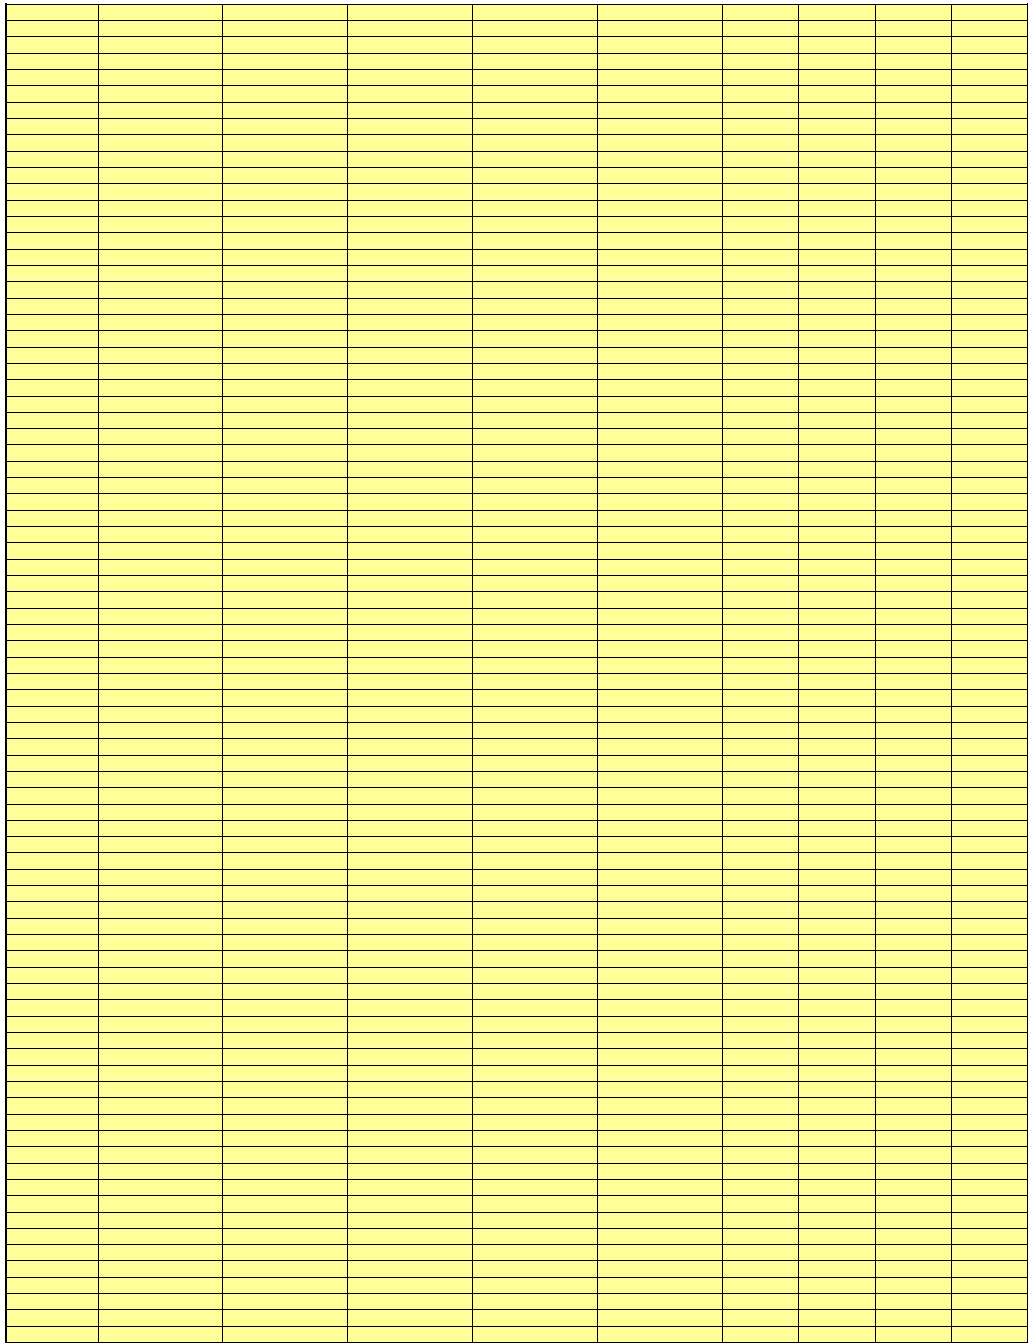

The image displays a large, empty grid of yellow cells, resembling a spreadsheet or a data table. The grid is composed of approximately 28 columns and 48 rows, totaling 1344 cells. The cells are arranged in a uniform, rectangular pattern. The grid is positioned on the left side of the page, leaving a significant white space on the right.

A large grid of yellow squares is positioned on the left side of the page. The grid consists of 10 columns and 35 rows, forming a rectangular area. Each square in the grid is a uniform yellow color with a thin black border. The grid is empty, with no text or markings inside the cells.
