For the purposes of this section, property belonging to the Commission shall include, but shall not be limited to, all books and records kept on behalf of the Commission.

ELIGIBILITY

The Contractor shall be licensed as necessary to perform under this contract as may be required by law, rule, or regulation; and shall provide evidence of such compliance to the Commission upon request.

By acceptance of this contract, the Contractor warrants that it has the capability in all respects to fully perform the contract requirements and the integrity and reliability that will assure good-faith performance as a responsible contractor, and that the Contractor shall comport with Chapter 287, F.S., and all other applicable rules and laws.

RELATIONSHIP OF THE PARTIES

The parties agree that there is no conflict of interest or any other prohibited relationship between the Contractor and the Commission.

PROHIBITION OF UNAUTHORIZED ALIENS

In accordance with federal Executive Order 96-236, the Commission shall consider the employment by the Contractor of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationalization Act. Such violation shall be cause for unilateral cancellation of this Contract if the Contractor knowingly employs unauthorized aliens.

EMPLOYMENT ELIGIBILITY VERIFICATION

Requirement to Use E-Verify. Executive Order 11-116, signed May 27, 2011, by the Governor of Florida, requires Commission contracts in excess of nominal value to expressly require the Contractor to: 1.) utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by Contractor during the Contract term; and, 2.) include in all subcontracts under this Contract, the requirement that subcontractors performing work or providing services pursuant to this Contract utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the term of the subcontract.

E-Verify Online. E-Verify is an Internet-based system that allows an employer, using information reported on an employee's Form I-9, Employment Eligibility Verification, to determine the eligibility of all new employees hired to work in the United States after the effective date of the required Memorandum of Understanding (MOU); the responsibilities and elections of federal contractors, however, may vary, as stated in Article II.D.1.c. of the MOU. There is no charge to employers to use E-Verify. The Department of Homeland Security's E-Verify system can be found online at http://www.dhs.gov/files/programs/gc_1185221678150.shtm

Enrollment in E-Verify. If Contractor does not have an E-Verify MOU in effect, the Contractor must enroll in the E-Verify system prior to hiring any new employee after the effective date of this Contract.

E-Verify Recordkeeping. The Contractor further agrees to maintain records of its participation and compliance with the provisions of the E-Verify program, including participation by its subcontractors as provided above, and to make such records available to the Commission or other authorized state entity consistent with the terms of the Contractor's enrollment in the program. This includes maintaining a copy of proof of the Contractor's and subcontractors' enrollment in the E-Verify Program (which can be accessed from the "Edit Company Profile" link on the left navigation menu of the E-Verify employer's homepage).

Employment Eligibility Verification. Compliance with the terms of the Employment Eligibility Verification provision is made an express condition of this Contract and the Commission may treat a failure to comply as a material breach of the Contract.

DISCRIMINATION

Non-Discrimination in Performance. No person, on the grounds of race, creed, color, national origin, age, sex, or disability, shall be excluded from participation in, be denied the proceeds or benefits of, or be otherwise subjected to discrimination in performance of this Contract.

Contractor has a continuing duty to disclose to the Commission whether they appear on the discriminatory vendor list.

PUBLIC ENTITY CRIMES

Convicted Vendor List. Pursuant to Subsection 287.133(2)(a), F.S., a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not be awarded or perform work as a contractor, supplier, subcontractor or consultant under a contract with any public entity and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, F.S., for Category Two for a period of thirty-six (36) months from the date of being placed on the convicted vendor list.

Notice of Conviction of Public Entity Crime. Any person must notify the Department of Management Services and the Commission within 30 days after conviction of a public entity crime applicable to that person or an affiliate of that person as defined in Section 287.133, F.S.

The Commission is not liable for any costs, fees, expenses or any other compensation whatsoever incurred or charged by the Contractor, other than the bid price paid for the work specifically described in the Scope of Work, which work is actually accomplished and invoiced by the Contractor subsequent to the Commission's notice to proceed (or other notice to begin work). Thus the Commission is not liable for any costs incurred or charged by the Contractor in anticipation of responding to, or performing work described in, this ITB, including but not limited to equipment or personnel procured by the Contractor in anticipation of such work. The Commission is not responsible to the Contractor for any loss or damages resulting from circumstances unforeseen at the time of publication of this ITB including, but not limited to, those resulting from a "force majeure".

With the exception of payments to health care providers for hospital, medical, or other health care services, if payment is not available within 40 days, measured from the latter of the date the invoice is received or the goods or services are received, inspected and approved, a separate interest penalty set by the Comptroller pursuant to Section 55.03, F.S., will be due and payable in addition to the invoice amount. To obtain the applicable interest rate, please contact the Agency's Fiscal Section at 850/488-3323. PUBLIC RECORDS OF NONGOVERNMENT CONTRACTORS

All records in conjunction with this contract shall be public records and shall be treated in the same manner as other public records are under Chapter 119, Florida Statutes.

PUBLIC RECORDS

This Contract may be unilaterally canceled by the Commission for refusal by the Contractor to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the Contractor in conjunction with this Contract, unless exemption for such records is allowable under Florida law.

Any federal funds awarded under this Contract must comply with the Federal Funding Accountability and Transparency Act (FFATA) of 2006. The intent of the FFATA is to empower every American with the ability to hold the government accountable for each spending decision. The result is to reduce wasteful spending in the government. The FFATA legislation requires that information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website: www.USASpending.gov. Grant recipients awarded a new Federal grant greater than or equal to \$25,000 awarded on or after October 1, 2010 are subject to the FFATA. The Contractor also hereby agrees to unconditionally transfer and assign to the Commission all copyright claims, trade secrets or other proprietary rights with respect to such documents. Upon request by the Commission at any time during and for 5 years after the expiration of this agreement, Contractor shall immediately deliver, transfer, and transmit to the Commission all originals and all copies of said documents and materials referenced herein.

INDEMNIFICATION.

If Contractor is a state agency or subdivision, as defined in Subsection 768.28(2), F.S., pursuant to Subsection 768.28(19), F.S., neither Party indemnifies nor insures the other Party for the other Party's negligence. If Contractor is not a state agency or subdivision as defined above, Contractor shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless the State and the Commission, and their officers, agents, and employees, from suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused

in whole or in part by Contractor, its agents, employees, partners, or subcontractors, provided, however, that Contractor shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of the State or the Commission.

INTELLECTUAL PROPERTY RIGHTS

Contractor's Preexisting Intellectual Property (Proprietary) Rights. Unless specifically addressed otherwise in the Scope of Work, intellectual property rights to the Contractor's preexisting property will remain with the Contractor. If Contractor is a state agency or subdivision, as defined in Subsection 768.28(2), F.S., pursuant to Subsection 768.28(19), F.S., neither Party indemnifies nor insures the other Party for or on account of any copyrighted, patented, or un-patented invention, process or article manufactured or supplied by Contractor. If Contractor is not a state agency or subdivision as defined above, Contractor shall indemnify and hold harmless the Commission and its employees from any liability, including costs, expenses, and attorney's fees, for or on account of any copyrighted, patented, or un-patented invention, process or article manufactured or supplied by Contractor.

Proceeds derived from the sale, licensing, marketing or other authorization related to any intellectual property right created or otherwise developed by the Contractor under this Contract for the Commission shall be handled in the manner specified by applicable state statute.

Commission Intellectual Property Rights. Where activities supported by this Contract produce original writing, sound recordings, pictorial reproductions, drawings or other graphic representation and works of any similar nature, the Commission and the State of Florida have the unlimited, royalty-free, nonexclusive, irrevocable right to use, duplicate and disclose such materials in whole or in part, in any manner, for any purpose whatsoever and to have others acting on behalf of the Commission to do so. If this Contract is supported by federal funds, the federal awarding agency reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for federal purposes, and to authorize others to do so.

CONFIDENTIALITY/PUBLIC RECORDS LAW

Bidders are cautioned that Florida law generously defines what constitutes a public record and grants broad rights of public access to those records; see, for example, section 119.07 of the Florida Statutes. If a Bidder believes that its response contains information that is confidential or exempt from disclosure under Florida Law, the Bidder shall clearly segregate and mark that information (for example, stamp each page "Confidential" and place it in an envelope marked "Confidential") and briefly describe in writing the grounds and specific legal citations for claiming exemption from the public records law. If after the notice of intended decision or 30 days after bid opening, whichever is earlier, the Commission receives a public records request related to the solicitation, the Commission will provide copies of public records that are not exempt to the requester. The Commission will endeavor to provide notice to the Bidder of all public records requests received related to documents provided by the Bidder that were marked pursuant to this paragraph. In no event shall the Bidder hold the Commission or any of its employees or agents liable for disclosing, or otherwise failing to protect the confidentiality of, information submitted in response to this solicitation.

SECURITY AND CONFIDENTIALITY

The Contractor shall maintain the security of any information created under this Contract that is identified or defined as "confidential" in the Scope of Work. The Contractor shall not divulge to third parties any confidential information obtained by the Contractor or its agents, distributors, resellers, subcontractors, officers or employees in the course of performing Contract work. To ensure confidentiality, the Contractor shall take appropriate steps regarding its personnel, agents, and subcontractors. The warranties of this paragraph shall survive the Contract.

COMPLIANCE WITH LAWS

The Contractor shall comply with all laws, rules, codes, ordinances, and licensing requirements that are applicable to the conduct of its business, including those of federal, State, and local agencies having jurisdiction and authority. By way of non-exhaustive example, Chapter 287 of the Florida Statutes and Chapter 60A-1 of the Florida Administrative Code govern the Contract. By way of further non-exhaustive example, the Contractor shall comply with section 247A(e) of the Immigration and Nationalization Act, the Americans with Disabilities Act, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran's status. Contractors submitting responses to this solicitation must also provide electronic and information technology resources in complete compliance with the accessibility standards provided in Rule 60-8.002, F.A.C.; these standards establish a minimum level of accessibility. Violation of such laws shall be grounds for Contract termination.

PROHIBITION AGAINST LOBBYING

The Contractor certifies that no Federal appropriated funds have been paid or will be paid, on or after December 22, 1989, by or on behalf of the Contractor, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress, in connection with the awarding, renewal, amending or modifying of any Federal contract, grant, or cooperative agreement. If any non-Federal funds are used for lobbying activities as described above in connection with this Contract, the Contractor shall submit Standard Form-LLL, "Disclosure Form to Report Lobbying", and shall file quarterly updates of any material changes. The Contractor shall require the language of this certification to be included in all subcontracts, and all subcontractors shall certify and disclose accordingly.

Pursuant to the Lobbying Disclosure Act of 1995, the Contractor agrees to refrain from entering into any subcontracts under this Agreement with any organization described in Section 501(c)(4) of the Internal Revenue Code of 1986, unless such organization warrants that it does not, and will not, engage in lobbying activities prohibited by the Act as a special condition of the subcontract.

SEVERABILITY AND CHOICE OF VENUE

This Contract has been delivered in the State of Florida and shall be construed in accordance with the laws of Florida. Wherever possible, each provision of this Contract shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Contract shall be prohibited or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Contract. Any action in connection herewith, in law or equity, shall be brought in Leon County, Florida.

JURY TRIAL WAIVER

As consideration of this Contract, the parties hereby waive trial by jury in any action or proceeding brought by any party against any other party pertaining to any matter whatsoever arising out of or in any way connected with this Contract.

CERTIFICATE OF CONTRACT COMPLETION

The Contractor will be required to complete a Certificate of Contract Completion form when all work has been completed and accepted. This form must be submitted to the Commission Contract Manager with the Contractor's final invoice for payment to be authorized. The Contract Manager shall supply copies of these forms to the Contractor upon request. The Contract Manager shall submit the completed form with the invoice to the Commission's Accounting Services.
