

**Exhibit C
Price Proposal Form**

The proposal price(s) will apply to the initial term and any renewal periods.

The proposal price(s) provided must be stated specifically in dollars and cents. If a "0" (zero) is entered, then that is the fee that the proposer will receive if awarded this contract. If a space is left blank, or a space is marked N/A, or the Department's Exhibit "C", Price Proposal Form is not utilized by the Proposer, the proposal may be considered non-responsive.

The quantities are estimated for bidding purposes only and are not necessarily a representation of the actual quantities that will be authorized under this Agreement.

- **Do Not Re-Create, Modify or Replace the Department's Exhibit "C" Price Proposal Form with your own version.**
- **Do Not Change the Department's Estimated Quantity.**
- **Do Not Change the Unit Type.**
- **The Proposer MUST bid on ALL items in all sections.**
- **A Price Proposal Form (in Excel format) is attached separately to this RFP Advertisement in the Vendor Bid System.**
- **Download the Price Proposal Form, and electronically enter a Unit Rate for all each item.**
- **Save the completed Price Proposal Form (in Excel Format) to a CD-ROM and submit the Excel file with your Bid submission.**
- **INCLUDE A PRINTED HARD COPY OF THE COMPLETED EXCEL BID SHEET AND A SIGNED COPY OF THIS PRICE PROPOSAL FORM WITH YOUR PROPOSAL.**

Section 1, DIRECT LABOR & FIELD OPERATIONS*:

These rates are to include overhead, fringe benefits and operating margin. Some projects may require work shift modification due to corridor access, traffic patterns, and/or the reduction of impact to the traveling public. Overtime is not anticipated for these shift change modifications. All cost for Quality Assurance / Quality Control and Accounting / Financial Management are overhead and are not billable.

**Scientist classification includes those of Engineer, Chemist, Geologist, Hydrogeologist and Scientist.

Section 2, EQUIPMENT VEHICLES*:

*Where applicable, item equivalent can be used (if so, please note) in the column specified. *Price of equipment shall include all costs to operate and maintain. A weekly rate is based on five (5) working

Exhibit C
Price Proposal Form

days, the monthly rate is based on twenty (20) working days. Any special equipment or attachment additions are to be listed under Non-Contract Items. Items listed in this section may not be subcontracted at a higher rate or cost.

Section 3, SAMPLING AND TREATMENT EQUIPMENT*:

*Where applicable, item equivalent can be used (if so, please note) in the column specified. Price of equipment shall include all costs to operate and maintain. A weekly rate is based on four (4) working days, the monthly rate is based on twenty (20) working days. Items listed in this section may not be subcontracted at a higher rate or cost.

Section 4, DRILLING*:

*Monitoring wells are to be installed by a certified environmental well driller and according to regulatory agency specifications. Wells and soil borings that are installed using a hand auger will be paid for on the basis of labor plus equipment rate. Hand augering or digging DPT, TMW or MS to clear locations for utilities is to be paid for on the basis of labor plus equipment rate. This hand-clearing interval cannot be included in Items 4-1 thru 4-7. All drilling cost shall include cost to restore the area to pre-existing condition (sod, asphalt, concrete, etc.). A weekly rate is based on four (4) working days, the monthly rate is based on twenty (20) working days. Rates are to include decontamination of equipment, steam cleaning where applicable and locking will cap with lock (installed). Monitoring wells are to be installed by a certified environmental well driller and according to regulatory agency specifications. Soil Boring rates (4-7) cannot be applied in conjunction with DPT installations.

Section 5, ON-SITE RECOVERY AND TREATMENT EQUIPMENT*:

*Price of equipment shall include all costs to operate and maintain. A weekly rate is based on four (4) working days, the monthly rate is based on twenty (20) working days. Where applicable, item equivalent can be used (if so, please note) in the column specified. Items listed in this section may not be subcontracted at a higher rate or cost. Soil, groundwater and mobile treatment and recovery systems to be designed on a case by case basis; as needed.

Section 6, CONSTRUCTION/EXCAVATION AND HEAVY EQUIPMENT*:

*Price of equipment shall include all costs to operate and maintain. A weekly rate is based on four (4) working days, the monthly rate is based on twenty (20) working days. Where applicable, item equivalent can be used (if so, please note) in the column specified. Items listed in this section may not be subcontracted at a higher rate or cost.

Section 7, MISCELLANEOUS EQUIPMENT*:

Exhibit C
Price Proposal Form

*Price of equipment shall include all costs to operate and maintain. A weekly rate is based on **four (4)** working days, the monthly rate is based on twenty (20) working days. Where applicable, item equivalent can be used (if so, please note) in the column specified. Items listed in this section may not be subcontracted at a higher rate or cost. All other commonly used tools are considered tools of the trade and are not billable.

Section 8, EXPENDABLES*:

*Where applicable, item equivalent can be used (if so, please note) in the column specified. Items listed in this section may not be subcontracted at a higher rate or cost. All other commonly used expendables (PPE, trash bags, decontamination equipment, disposable equipment) are considered tools of the trade and are not billable.

Section 9, ANALYTICAL*

* Provide analytical results within the standard laboratory turnaround time. Standard laboratory turnaround time shall be maximum of five (5) calendar days. Rush laboratory turnaround time for analytical results shall be a maximum of twenty-four (24) hours. For parameters/analytical tests where a twenty-four (24) hour turnaround time is not feasible/available then the earliest possible rush turnaround time applies.

Items indicating “No Rate Required” means that the services do not exist with the elements involved.

Section 10, ANALYTICAL (METALS)*:

* Provide analytical results within the standard laboratory turnaround time. Standard laboratory turnaround time shall be maximum of five (5) calendar days. Rush laboratory turnaround time for analytical results shall be a maximum of twenty-four (24) hours. For parameters/analytical tests where a twenty-four (24) hour turnaround time is not feasible/available then the earliest possible rush turnaround time applies.

**The TCLP/SPLP Extraction fee for metals is a per sample fee. Individual metal analysis will be billed separately.

Section 11, ANALYTICAL (OTHER)*:

*Provide analytical results within the standard laboratory turnaround time. Standard laboratory turnaround time shall be maximum of five (5) calendar days. Rush laboratory turnaround time for analytical results shall be a maximum of twenty-four (24) hours. For parameters/analytical tests where a twenty-four (24) hour turnaround time is not feasible/available then the earliest possible rush turnaround time applies.

Items indicating “No Rate Required” means that the services do not exist with the elements involved.

Section 12, Transportation and Disposal (T&D):

(No additional notes)

Exhibit C
Price Proposal Form

Section 13, Bridge Testing:

Unit Rates must be inclusive of all of the following, as respectively required on Exhibit C:

- | # | <u>Item</u> |
|---|--|
| 1 | Reports |
| 2 | Mobilization to and/or from |
| 3 | Personnel |
| 4 | Sample collection |
| 5 | Lead bulk- paint chip or wipe by SW-846-7000B (Flame AA) |
| 6 | Polarized Light Microscopy (PLM)-Asbestos bulk- EPA/600 (reporting limit < 1%) |

MFMP Transaction Fee:

All payment(s) to the vendor resulting from this competitive solicitation **WILL** be subject to the 1% MFMP Transaction Fee in accordance with the attached Form PUR 1000 General Contract Condition #14. However, all vendors should be aware, that effective July 1, 2018, through June 30, 2019, in accordance with House Bill 5003, the Transaction Fees imposed for use of the State of Florida's eProcurement systems will remain at seven-tenths of one percent (0.7 percent) of the payment issued.

NOTES:

Execution of this Agreement does not guarantee that the work will be authorized. The Department reserves the right to assign and remove Work Items from the project. The Department will select and assign Work Items after a Vendor is selected, based on the Evaluation Criteria specified in the Request for Proposal, and awarded the Contract.

In submitting a response, the bidder acknowledges they have read and agree to the solicitation terms and conditions and their submission is made in conformance with those terms and conditions.

ACKNOWLEDGEMENT: I certify that I have read and agree to abide by all terms and conditions of this solicitation and that I am authorized to sign for the bidder. I certify that the response submitted is made in conformance with all requirements of the solicitation.
