No negotiations, discussions, or actions shall be initiated or executed by the Bidder as a result of any discussion with any Commission employee. Only those communications from the Commission that are in writing, may be considered as a duly authorized expression on behalf of the Commission.

ADDENDUMS

If the COMMISSION finds it necessary to supplement, modify or interpret any portion of the specifications or documents or answer any Bidder questions during the ITB period an addendum shall be posted on the Vendor Bid System internet site. **Each Bidder is responsible for monitoring the Vendor Bid System website (http://vbs.dms.state.fl.us/vbs/main_menu) for new or changing information relative to this procurement.** The Commission bears no responsibility for any delays, or resulting impacts, associated with a Bidder's failure to obtain the information made available through the Vendor Bid System.

IDENTICAL TIE BIDS

Preference shall be given to businesses with drug-free workplace programs. If two (2) or more bids which are equal with respect to price, quality, and service are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Contractors must complete the **Identical Tie Bid / Drug Free Workplace form (Attachment B)** provided and return it with their bid.

AWARDED BID/INSPECTION

The Commission will award the bid to the responsive, responsible bidder which submits the lowest total bid price. If deemed necessary, an interview with the bidder by the Contract Manager may be required before the bid is awarded.

The Commission reserves the right to inspect the prospective Contractor's materials and background record prior to making an award of the Contract. If the Contract Manager determines the lowest bidder does not have sufficient experience, equipment, etc. to meet the specifications of this ITB, the Commission reserves the right to reject the bidder and evaluate the next lowest bidder.

SUPPORTING/SUPPLEMENTAL INFORMATION

The Commission requires that bidders submit all required technical, specification, and other supporting information with their bid, so that a detailed analysis and determination can be made, by the Contract Manager that the product/service offered meets this ITB's specifications and that other requirements of this ITB have been met. However, provided a bid meets the requirements for a definite, firm, unqualified, and unconditional offer, the Commission reserves the right to request supplemental information from the bidder, after the bids have been opened, to ensure that the products/services offered completely meet this ITB's requirements. The requirement for such supplemental information will be at the reasonable discretion of the Commission and may include the requirement that a bidder will provide a sample product(s) so that the Commission can make a first-hand examination and determination.

A bidder's failure to provide this supplemental information or the product sample(s), within the time set by the Commission, will cause the Commission to consider the Contractor non-responsive and reject the Contractor's bid.

REFERENCES

Each prospective Bidder shall provide a minimum of three (3) references for similar projects completed. Current contact names and phone numbers shall be included with the bid package. See attached **reference form** for more detail.

DELIVERABLES

If the Contractor fails to complete the work or the conditions of the Purchase Order and/or Change Orders by the completion date, the Commission shall have the right to deduct liquidated damages from any amount due and payable to the Contractor. Liquidated damages shall be assessed in the amount of **\$100** per calendar day of delay. Exceptions to this provision may be made if a delay is attributable to circumstances that are clearly beyond the control of the Contractor. The burden of proof of unavoidable delay shall rest with the Contractor and shall be supplied in a written form and submitted to the Contract Manager.

PERMITTING

Permitting for this project, if needed, is the responsibility of **the Contractor**. A copy of all permits shall be posted at the work site location at all times during the project. The Contractor is responsible for complying with all permit conditions and the Contractor shall pay any penalties arising from the Contractor's permit violations.

SUBCONTRACTS

Subcontracting **IS** permitted pursuant to the Terms and Conditions of the **Purchase Order** with prior written approval from FWC.

AUTHORIZED COMPENSATION

It is understood and agreed that all compensation under this ITB is specifically limited to the Contractor's bid price accepted by the Commission, and to the specific procedure for payment established in this ITB and the **Purchase Order** executed pursuant to it. The Commission is not liable for any costs, fees, expenses or any other compensation whatsoever incurred or charged by the Contractor, other than the bid price paid for the work specifically described in the Scope of Work, which work is actually accomplished and invoiced by the Contractor subsequent to the Commission's notice to proceed (or other notice to begin work). Thus, the Commission is not liable for any costs incurred or charged by the Contractor in anticipation of responding to, or performing work described in, this ITB including, but not limited to, equipment or personnel procured by the Contractor in anticipation of such work. The Commission is not responsible to

USE OF CONTRACT BY OTHER STATE AGENCIES AND ELIGIBLE USERS

As provided in Chapter 60A-1.045, Florida Administrative Code (F.A.C.), and Section 287.042(16), F.S., other State of Florida agencies may purchase from the resulting contract of this ITB, provided that the Department of Management Services has determined the contract’s use is cost effective and in the best interest of the State, and with the Contractor’s consent.

Other State of Florida governmental entities and eligible users may also request of the Contractor to be able to use this contract. If the Contractor agrees to other entities to utilize this ITB contract, such agencies shall coordinate their use of this contract with the Florida Fish and Wildlife Conservation Commission in order to reduce scheduling conflicts.

CONFIDENTIALITY/PUBLIC RECORDS LAW

Bidders are cautioned that Florida law generously defines what constitutes a public record and grants broad rights of public access to those records; see, for example, section 119.07, F.S. If a Bidder believes that its response contains information that is confidential or exempt from disclosure under Florida Law, the Bidder shall clearly segregate and mark that information (for example, stamp each page "Confidential" and place it in an envelope marked "Confidential") and briefly describe in writing the grounds and specific legal citations for claiming exemption from the public records law. If after the notice of intended decision or thirty (30) days after bid opening, whichever is earlier, the Commission receives a public records request related to the solicitation, the Commission will provide copies of public records that are not exempt to the requester. The Commission will endeavor to provide notice to the Bidder of all public records requests received related to documents provided by the Bidder that were marked pursuant to this paragraph. In no event shall the Bidder hold the Commission or any of its employees or agents liable for disclosing, or otherwise failing to protect the confidentiality of, information submitted in response to this solicitation.

POSTING OF BID TABS

Bid Tabulations with Contractors identified as awarded bidders will be posted electronically as Agency Decisions on the Department of Management Services Vendor Bid System as a Public Notice. The Agency Decision may be viewed at http://vbs.dms.state.fl.us/vbs/main_menu, and will remain posted for a period of 72 hours. Failure to file a protest within the time prescribed in Section 120.57(3)(b), F.S., shall constitute a waiver of proceedings under Chapter 120, F.S.

Awarded Bidders are instructed not to proceed until a Purchase Order, Formal Written Contract, Lease, Notice to Proceed, or some other form of written notice is given to the Contractor by the Commission. A company or person who proceeds prior to receiving a Purchase Order, Formal Written Contract, Lease, Notice to Proceed, or some other form of written notice from the Commission does so without a contract and at their own risk.

Sealed bids, proposals, or replies received by an agency pursuant to a competitive solicitation are exempt from s. [119.07](#)(1) and s. 24(a), Art. I of the State Constitution until such time as the agency provides notice of an intended decision or until thirty (30) days after opening the bids, proposals, or final replies, whichever is earlier.

FLORIDA FISH & WILDLIFE CONSERVATION COMMISSION
PURCHASE ORDER TERMS & CONDITIONS

Last Updated: July 24, 2018

Section 1. PURCHASE ORDER.

A. Composition and Priority.

The Contractor agrees to provide commodities, contractual services, or professional services to the Commission within the manner and at the location specified in the Purchase Order, and any attachments to the Purchase Order. These Purchase Order Terms and Conditions, whether generic or specific, shall take precedence over any inconsistent or conflicting provision in the State of Florida, General Contract Conditions, PUR 1000. Additionally, the terms of the Purchase Order supersede the terms of any and all prior agreements with respect to this purchase.

B. Initial Term.

Unless otherwise specified, the Purchase Order begins on the date of issuance. Contractual services or commodities to be provided by the Contractor shall be completed by the date specified on the Purchase Order end date.

Section 2. PERFORMANCE.

A. Performance Standards.

The Contractor agrees to perform all tasks and provide deliverables as set forth in the Statement of Work and attachments to the Purchase Order. The Commission shall be entitled at all times, upon request, to be advised as to the status of work being done by the Contractor and of the details thereof. Coordination shall be maintained by the Contractor with representatives of the Commission, or of other agencies involved in the project on behalf of the Commission.

B. Performance Deficiency.

If the Commission determines that the performance of the Contractor is unsatisfactory, the Commission may notify the Contractor of the deficiency to be corrected, which correction shall be made within a time frame specified by the Commission. The Contractor shall provide the Commission with a corrective action plan describing how the Contractor will address all issues of Purchase Order non-performance, unacceptable performance, and failure to meet the minimum performance levels, deliverable deficiencies, or Purchase Order non-compliance. If the corrective action plan is unacceptable to the Commission, the Contractor will be assessed a non-performance retainage equivalent to ten (10) percent of the total invoice amount or as specified in the contractual documents. The retainage will be applied to the invoice for the then-current billing period. The retainage will be withheld until the Contractor resolves the deficiency. If the deficiency is subsequently resolved, the Contractor may invoice the Commission for the retained amount during the next billing period. If the Contractor is unable to resolve the deficiency, the funds retained will be forfeited.

C. Contractor Responsibilities.

The Contractor agrees that all Contractor employees, subcontractors, or agents performing work under the Purchase Order shall be properly trained technicians who meet or exceed any specified

training qualifications. Upon request, the Contractor shall furnish a copy of technical certification or other proof of qualification. All employees, subcontractors, or agents performing work under the Purchase Order must comply with all security and administrative requirements of the Commission. The Commission may conduct, and the Contractor shall cooperate in, a security background check or otherwise assess any employee, subcontractor, or agent furnished by the Contractor. The Commission may refuse access to, or require replacement of, any personnel for cause, including, but not limited to, technical or training qualifications, quality of work, change in security status, or non-compliance with the Commission's security or other requirements. Such refusal shall not relieve the Contractor of its obligation to perform all work in compliance with the Purchase Order. The Commission may reject and bar from any facility for cause any of the Contractor's employees, subcontractors, or agents.

D. Assignment.

The Contractor shall not sell, assign or transfer any of its rights, duties or obligations under the Purchase Order without the prior written consent of the Commission. In the event of any assignment, the Contractor remains secondarily liable for performance of the Purchase Order, unless the Commission expressly waives such secondary liability. The Commission may assign the Purchase Order with prior written notice to the Contractor.

E. Damages to State Property.

Any damages to state property (e.g. structures, roads, culverts, fences, trees, or other natural resources) caused by the Contractor while working on this project shall be the responsibility of the Contractor to remedy, as determined by the Commission. The Contractor shall be responsible for the conduct of all Contractor personnel at all times while on the job site.

Should any historical or cultural artifacts be uncovered, the Contractor shall immediately halt work and notify the Commission's Contract Manager. **Please note:** The State Archaeologist has the power to halt work if he or she has reason to believe artifacts are being disturbed.

F. Quarterly Minority and Service-Disabled Veteran Business Enterprise Report.

The Contractor shall provide a quarterly Minority and Service-Disabled Veteran Business Enterprise Report to the Commission's Contract Manager, summarizing the participation of certified and non-certified minority and service-disabled veteran subcontractors/material suppliers for the current quarter and project to date. The report shall include the names, addresses and dollar amount of each certified and non-certified Minority Business Enterprise and Service-Disabled Veteran Enterprise participant and a copy must be forwarded to the Commission's Contract Manager. The Department of Management Services, Office of Supplier Diversity at (850) 487-0915 will assist in furnishing names of qualified minorities. The Commission's Minority Coordinator at (850) 488-6551 will assist with questions and answers.

G. Independent Contractor.

The Contractor shall perform as an independent contractor and not as an agent, representative, or employee of the Commission. The Contractor covenants that it presently has no interest and shall not acquire any interest that would conflict in any manner or degree with the performance of services required. Each party hereto covenants that there is no conflict of interest or any other prohibited relationship between the Contractor and the Commission. The Contractor agrees to include this provision in all its subcontracts under the Purchase Order.

H. Commission Rights to Undertake or Award Supplemental Contracts.

The Contractor agrees that the Commission may undertake or award supplemental contracts for work related to the Purchase Order. The Contractor and its subcontractors shall cooperate with such other contractors and the Commission in all such cases.

Section 3. PAYMENT AND FEES.

A. Payment.

The Contractor will be paid upon submission of properly certified invoice(s) to the Commission after delivery and acceptance of commodities or contractual services is confirmed in writing by the Commission.

B. Invoicing.

Invoices may be submitted electronically to the Commission's designated Contract Manager, as identified in this Purchase Order. The Contractor acknowledges that the Commission's Contract Manager shall reject invoices lacking documentation necessary to justify invoiced expenses.

C. Invoices, Continued.

All invoices shall be processed in accordance with Section. 215.422, Florida Statutes (F.S.), and Rule 69I-24, Florida Administrative Code (F.A.C.), upon receipt of a proper invoice and approval and inspection of goods or services. The Commission shall record the date of receipt of an invoice on the date on which a proper invoice is first received at the place designated by the Commission. Approval and inspection of goods or services shall take no longer than five (5) working days unless the bid specifications, purchase order, or contract specifies otherwise. Invoices must be legible and shall contain the items below in detail sufficient for a proper audit.

- The invoice number
- The date of the invoice
- "Bill To" information, including address
- The vendor's name and payment remittance address
- The purchase order number
- The Contractor's Federal Employer Identification Number (FEIN) or Social Security Number (SSN)
- Date(s) of service (beginning date – ending date)
- Invoices for commodities must provide a clear description of the item(s), number of units and cost per unit. Numerical code descriptions alone will not be accepted.
- Invoices for services must provide a clear description of the specific deliverables that must be provided and accepted prior to payment.
- Invoices for fixed unit rate agreements must show the number of units and cost per unit.
- Invoices for agreements paid out on a reimbursement basis or a fixed rate for a specific time period (e.g. quarterly, monthly, etc.) must identify the deliverables provided.

D. Payment Timeframe.

Section 215.422, F.S. provides that agencies have five (5) working days to inspect and approve goods and services, unless applicable solicitation specifications or this Purchase Order specify otherwise.

With the exception of payments to health care providers for hospital, medical, or other health care services, if payment is not available within forty (40) days, measured from the latter of the date the invoice is received or the goods or services are received, inspected and approved a separate interest penalty as described in Section 215.422, F.S., will be due and payable in addition to the amount authorized for payment. Interest penalties less than one dollar (\$1.00) will not be paid unless the Provider requests payment. A Vendor Ombudsman has been established within the Department of Financial Services and may be contacted at (850) 413-5516, or by calling the Department of Financial Services Consumer Hotline at 1-800-342-2762.

Vendors shall submit monthly reports required by the rule. All reports shall be subject to audit. Failure to pay Transaction Fees or submit reports shall constitute grounds for default and exclusion from business with the State of Florida.

F. Annual Appropriation.

Pursuant to Section 287.0582, F.S., if this Purchase Order binds the Commission for the purchase of services or tangible personal property for a period in excess of one (1) fiscal year, the State of Florida's performance and obligation to pay under this Purchase Order is contingent upon an annual appropriation by the Legislature. The Parties hereto understand that this Purchase Order and any renewal thereof is not a commitment to future appropriations but is subject to appropriation and authority to spend provided by the Legislature. The Commission shall be the final authority as to the availability of funds for this Purchase Order, and as to what constitutes an "annual appropriation" of funds to complete this Purchase Order. If such funds are not appropriated or available for the agreed-upon purpose, such event will not constitute a default on behalf of the Commission or the State. The Commission's Contract Manager shall notify the Contractor in writing at the earliest possible time if funds are not appropriated or available.

G. Travel.

Travel expenses are not reimbursable unless specifically authorized in writing, and shall be reimbursed only in accordance with Section 112.061, F.S.

J. Return or Recoupment of Funds – Overpayments to Contractor.

In the event that the Contractor or its independent auditor discovers that overpayment has been made, the Contractor shall repay said overpayment within forty (40) calendar days without prior notification from the Commission. In the event that the Commission first discovers an overpayment has been made, the Commission will notify the Contractor in writing. Should repayment not be made in a timely manner, the Commission shall be entitled to charge interest at the lawful rate of interest established pursuant to Subsection 55.03(1), F.S., on the outstanding balance beginning forty (40) calendar days after the date of notification or discovery. Refunds should be sent to the Commission's Contract Manager and made payable to "Florida Fish and Wildlife Conservation Commission."

K. Additional Costs or Monetary Loss Resulting from Contractor Non-Compliance.

If the Contractor's non-compliance with any provision of the Purchase Order results in additional cost or monetary loss to the Commission or the State of Florida, the Commission can recoup that cost or loss from monies owed to the Contractor under this Purchase Order or any other contract between the Contractor and the Commission. In the event that the discovery of this cost or loss arises when no monies are available under this Purchase Order or any other contract between the Contractor and the Commission, the Contractor will repay such cost or loss in full to the Commission within thirty (30) days of the date of notice of the amount owed, unless the Commission agrees, in writing, to an alternative timeframe. Providing and maintaining adequate insurance coverage is a material obligation of the Contractor, and failure to maintain such coverage may void the Purchase Order. The limits of coverage under each policy maintained by the Contractor shall not be interpreted as limiting the

Contractor's liability and obligations under the Purchase Order. All insurance policies shall be through insurers licensed and authorized to write policies in Florida.

B. Workers Compensation.

To the extent required by Chapter 440, F.S., the Contractor will either be self-insured for Workers' Compensation claims, or will secure and maintain during the life of this Purchase Order, Workers' Compensation Insurance for all of its employees connected with the work of this project, with minimum employers' liability limits of **\$100,000.00** per accident, **\$100,000.00** per person, and **\$500,000.00** policy aggregate. Within ten (10) days of the execution date of the Purchase Order, the Contractor shall furnish proof of applicable insurance coverage to the Commission's Contract Manager by standard Association for Cooperative Operations Research and Development (ACORD) form certificates of insurance. In the event that any applicable coverage is cancelled by the insurer for any reason, the Contractor shall immediately notify the Commission's Contract Manager in writing of such cancellation and shall obtain adequate replacement coverage conforming to the requirements herein and provide proof of such replacement coverage within fifteen (15) business days after the cancellation of coverage. Copies are acceptable and may be faxed to (850) 922-8060.

Upon request of the Inspector General or any other authorized State official, the Contractor shall provide any type of information the Inspector General deems relevant to the Contractor's integrity or responsibility. Such information may include, but shall not be limited to, the Contractor's business or financial records, documents, or files of any

type or form that refer to or relate to the Agreement. The Contractor agrees to reimburse the State for the reasonable costs of investigation incurred by the Inspector General or other authorized State official for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the State which results in the suspension or debarment of the Contractor. Such costs shall include, but shall not be limited to: salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees.

N. Employment Eligibility Verification.

- i. **Requirement to Use E-Verify.** Executive Order 11-116 signed May 27, 2011, by the Governor of Florida, requires Commission contracts in excess of nominal value to expressly require the Contractor to: 1.) utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the Contractor during the Purchase Order term; and 2.) include in all subcontracts under this Purchase Order, the requirement that subcontractors performing work or providing services pursuant to this Purchase Order utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the term of the subcontract.
- ii. **E-Verify Online.** E-Verify is an Internet-based system that allows an employer, using information reported on an employee's Form I-9, Employment Eligibility Verification, to determine the eligibility of all new employees hired to work in the United States after the effective date of the required Memorandum of Understanding (MOU); the responsibilities and elections of federal contractors, however, may vary, as stated in Article II.D.1.c. of the MOU. There is no charge to employers to use E-Verify. The Department of Homeland Security's E-Verify system can be found online at <https://www.e-verify.gov>.
- iii. **Enrollment in E-Verify.** If the Contractor does not have an E-Verify MOU in effect, the Contractor must enroll in the E-Verify system prior to hiring any new employee after the effective date of this Purchase Order.
- iv. **E-Verify Recordkeeping.** The Contractor further agrees to maintain records of its participation and compliance with the provisions of the E-Verify program, including participation by its subcontractors as provided above, and to make such records available to the Commission or other authorized state entity consistent with the terms of the Contractor's enrollment in the program. This includes maintaining a copy of proof of the Contractor's and subcontractors' enrollment in the E-Verify Program (which can be accessed from the "Edit Company Profile" link on the left navigation menu of the E-Verify employer's homepage).
- v. **Employment Eligibility Verification.** Compliance with the terms of the Employment Eligibility Verification provision is made an express condition of this Purchase Order and the Commission may treat a failure to comply as a material breach of the agreement.

D. Termination – Funds Unavailability.

In the event funds to finance this Purchase Order become unavailable or if federal or state funds upon which this Purchase Order is dependent are withdrawn or redirected, the Commission may terminate this Purchase Order upon no less than twenty-four (24) hours' notice in writing to the Contractor. Said notice shall be delivered by certified mail, return receipt requested or in person with proof of delivery. The Commission shall be the final authority as to the availability of funds and will not reallocate funds appropriated for this Purchase Order to another program thus causing "lack of funds." In the event of termination of this Purchase Order under this provision, the Contractor will be compensated for any work satisfactorily completed prior to notification of termination.

E. Prohibition of Unauthorized Aliens.

In accordance with Executive Order 96-236, signed August 1, 1996, by the Governor of Florida, the Commission shall consider the employment by the Contractor of unauthorized aliens a violation of Subsection 274A(e) of the federal Immigration and Nationalization Act. The Commission may terminate this Purchase Order if the Contractor fails to:

1. comply with all terms and conditions of this Purchase Order;
2. produce each deliverable within the time specified by the Purchase Order or extension;
3. maintain adequate progress, thus endangering the performance of the Purchase Order; or,
4. abide by any statutory, regulatory, or licensing requirement

Rule 60A-1.006(3), F.A.C., governs the procedure and consequences for default. Section 9. RECORD-KEEPING REQUIREMENTS.

A. Contractor Responsibilities for Record-Keeping.

The Contractor shall maintain accurate books, records, documents and other evidence that sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Purchase Order, in accordance with generally accepted accounting principles.

B. State Access to Contractor Books, Documents, Papers, and Records.

The Contractor shall allow the Commission, the Chief Financial Officer of the State of Florida, the Auditor General of the State of Florida, the Florida Office of Program Policy Analysis and Government Accountability or authorized representatives of the state or federal government to have access to any of the Contractor's books, documents, papers, and records, including electronic storage media, as they may relate to this Purchase Order, for the purposes of conducting audits or examinations or making excerpts or transcriptions.

C. Contractor Records Retention.

Unless otherwise specified in the Scope of Work, these records shall be maintained for five (5) fiscal years following the completion of this Purchase Order, if the Purchase Order is for commodities or services; or for ten (10) years following the completion of this Purchase Order, if the Purchase Order is for construction; or for the period otherwise required for this particular type of project by the General Records Schedules maintained by the Florida Department of State (available at <http://dos.myflorida.com/library-archives/records-management/general-records-schedules/>). The Contractor shall cooperate with the Commission to facilitate the duplication and transfer of such records upon the Commission's request.

D. Contractor Responsibility to Include Records Requirements – Subcontractors.

In the event any work is subcontracted under this Purchase Order, the Contractor shall include the aforementioned audit and record keeping requirements in all subcontract agreements.

E. Compliance with Federal Funding Accountability and Transparency.

Any federal funds awarded under this Purchase Order must comply with the Federal Funding Accountability and Transparency Act (FFATA) of 2006. The intent of the FFATA is to empower every American with the ability to hold the government accountable for each spending decision. The result is to reduce wasteful spending in the government. The FFATA legislation requires that information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website: www.USASpending.gov. Grant recipients awarded a new Federal grant greater than or equal to \$25,000.00 are subject to the FFATA. The Contractor agrees to provide the information necessary, over the life of this Purchase Order, for the Commission to comply with this requirement.

Section 10. MISCELLANEOUS.

A. Governing Law, Severability and Venue.

This Purchase Order has been delivered in the State of Florida and shall be construed in accordance with the laws of Florida. Wherever possible, each provision of this Purchase Order shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Purchase Order shall be prohibited or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Purchase Order. Any action in connection herewith, in law or equity, shall be brought in Leon County, Florida, to the exclusion of all other lawful venues.

B. Waiver.

As part of the consideration for this Purchase Order, the Parties hereby waive trial by jury in any action or proceeding brought by any party against any other party pertaining to any matter whatsoever arising out of or in any way connected with this Purchase Order, or with the products or services provided under this Purchase Order, including but not limited to any claim by the Contractor of *quantum meruit*. The delay or failure by the Commission to exercise or enforce any of its other rights under the Purchase Order shall not constitute waiver of such rights.

C. Modification.

The Purchase Order may only be modified by a Change Order agreed to by the Commission and the Contractor. If a Purchase Order Change Order is required for any portion of any job, the Contractor shall not commence to purchase materials for the amended work to be performed, nor proceed with the outlined duties described without prior written approval and receiving a revised copy of the approved Purchase Order in his/her possession. The Contractor shall request a Change Order in writing, outlining the reasons and the itemized costs required for the Change Order. The Parties agree to renegotiate this agreement if federal and/or state revisions of any applicable laws or regulations make changes in the Purchase Order necessary.

D. Time is of the Essence.

Time is of the essence with regard to each and every obligation of the Contractor. Each such obligation is deemed material, and a breach of any such obligation (including a breach resulting from untimely performance) is a material breach.

E. Entire Agreement.

This Purchase Order, with all incorporated attachments and exhibits, represents the entire agreement of the Parties. Any alterations, variations, changes, modifications or waivers of provisions of this Purchase Order shall only be valid when they have been reduced to writing, and duly signed by each of the Parties hereto, unless otherwise provided herein. In the event of conflict, the following

order of precedence shall prevail; this Purchase Order and its attachments, the terms of the solicitation, then the Contractor's response to the solicitation.

F. Force Majeure

Neither Party shall be liable to the other for any delay or failure to perform under this Purchase Order if such delay or failure is neither the fault nor the negligence of the Party or its employees or agents and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Party's control, or for any of the foregoing that affects subcontractors or suppliers if no alternate source of supply is available.

However, in the event of delay from the foregoing causes, the Party shall take all reasonable measures to mitigate any and all resulting delay or disruption in the Party's performance obligation under this Purchase Order. If the delay is excusable under this paragraph, the delay will not result in any additional charge or cost under the Purchase Order to either Party.

In the case of any delay, the Contractor believes is excusable under this paragraph, the Contractor shall notify the Commission's Contract Manager in writing of the delay or potential delay and describe the cause of the delay either: (a) within ten (10) calendar days after the cause that creates or will create the delay first arose, if the Contractor could reasonably foresee that a delay could occur as a result; or (b) within five (5) calendar days after the date the Contractor first had reason to believe that a delay could result, if the delay is not reasonably foreseeable. THE FOREGOING SHALL CONSTITUTE THE CONTRACTOR'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy.

The Commission, in its sole discretion, will determine if the delay is excusable under this paragraph and will notify the Contractor of its decision in writing. No claim for damages, other than for an extension of time, shall be asserted against the Commission. The Contractor shall not be entitled to an increase in the Purchase Order price or payment of any kind from the Commission for direct, indirect, consequential, impact, or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency arising because of delay, disruption, interference, or hindrance from any cause whatsoever.

If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist, the Contractor shall perform at no increased cost, unless the Commission determines, in its sole discretion, that the delay will significantly impair the value of the Purchase Order to the Commission or the State, in which case, the Commission may do any or all of the following: (1) accept allocated performance or deliveries from the Contractor, provided that the Contractor grants preferential treatment to the Commission with respect to products or services subjected to allocation; (2) purchase from other sources (without recourse to and by the Contractor for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Purchase Order quantity; or (3) terminate the Purchase Order in whole or in part.

G. Other Miscellaneous Provisions.

No firearms, alcohol or illegal substances are allowed on any Commission project site. Neither the Contractor nor any of its employees may possess firearms or alcohol while on the job site. The Parties do not intend, nor shall this Purchase Order be construed, to grant any rights, privileges or interest to any person not a party to this agreement.
