### Questions:

1. **Question:** We are not certified in all of the listed task under Group 10 that FDOT requires. We can hire subconsultant that will be certified in the areas we are not. I don't know if this is acceptable or not. Can you confirm if the prime firm is the one that needs to hold all required certifications?

**Response:** A prime consultant may use a qualified sub-consultant to meet the requirements of the major type(s) of work for which it is not currently qualified when responding.

**The Sealed Proposal submittal due date and Anticipated Posting of Recommended Short List for Oral Discussions posting date for this solicitation has been postponed per the below:**

**SEALED PROPOSAL SUBMITTAL DUE DATE:** No later than **4:00 PM (ET), Tuesday, July 3, 2018** to the below address: Florida Department of Environmental Protection, Bureau of Design and Construction, 3800 Commonwealth Blvd. MS520, Tallahassee, Florida 32399-3000, Attention Adam Browne, Government Operations Consultant II, Bureau of Design and Construction, (850) 245-2466. (For hand delivery: Carr Building, Welcome Desk.) The Department reserves the right to reject any or all proposals.

**Posting of Recommended Short List for Oral Discussions Posting Date:**  
No later than **4:00 PM (ET), Tuesday, July 10, 2018**, unless extended by the Department for good cause.

In all other respects, the contract documents of which this is an Addendum, and attachments relative thereto, shall remain in full force and effect.
