

To be eligible for award:

- Cells where rates or premiums are required are highlighted in yellow. The worksheet is locked and will move to these cells only.
- Bidders may bid for either Policy Period 1; Policy Periods 1 and 2; Policy Periods 1, 2 and 3; or Policy Periods 1, 2, 3 and 4. No other combination of policy periods will be accepted.
- Bids for multiple Policy Periods shall be discounted for evaluation purposes in accordance with Basis of Award section of the ITB.
- Bidders must provide pricing for both Indoor and Outdoor coverage.
- INDOOR COVERAGE:

- Bidders must provide an annual premium price for each aggregate limit shown in the table below.
- Bidders must provide an annual premium rate per \$100 of the total insured value for the addition of any new Named Insured values added after policy inception
- Transit shall be included at no additional cost.

6. OUTDOOR COVERAGE

- Bidders must provide an annual rate per \$100 of the total insured value
- Bids for multiple Policy Periods shall be discounted in accordance with Section 2.6 of the ITB.

Bidders not submitting pricing for Policy Periods 2, 3 or 4 should not input any data into those pricing fields; pricing fields are coded for a numeric response, and anything other than a numeric response will render an error code in the Calculated Premium cell. Non conforming price sheets may be deemed non-responsive.
