RE: RFP #: DOT-ITB-20-4010-JR

RFP TITLE: Districtwide Mowing, Debris Removal, and Tree Services

OPENING DATE: 5/8/2020

Notice is hereby given of the following responses to questions regarding the above-referenced RFP:

#	Question	Answer
1.	Can you tell me which geographic area or district this contract area covers?	See Addendum No. 1, change number 2.
2.	1. Mowing / Routine Mowing of a Lot – Are these estimated quantities over the 5 year contract?	See Addendum No. 1, change number 3.
3.	2. Mowing / Routine Mowing of a Lot – Are these lots to be mowed approximately every 2 months?	Frequency is determined on a per parcel/lot basis.
4.	3. The Estimated Lot Quantities for Mowing/Routine Mowing a Lot are the same as the Backhoeing a Lot. Does this mean the Project Manager will decide which lots will be mowed vs which lots will be Backhoed?	Yes, the project manager would decide the types of service performed on each lot.
5.	4. Is a map available to show the density of the lots by county, zip code, etc?	No, we do not have this information yet.
6.	5. For each Work Order issued, do you have an estimate of the farthest distance apart for each Work Order? We are trying to determine how much travel and towing of equipment is needed.	As exact lots/parcels are not currently identified, travel distance can be anywhere from Certain parts of Miami-Dade County (South Florida Rail Corridor) to Indian River County.

#	Question	Answer
7.	6. The Grand Total, or Bid Price, shown on the excel worksheet would be a total if all services were performed. Question – Is this Total supposed to be the proposed 5 year Contract Amount ? (Within the Budgeted Approval Amounts)	The “GRAND TOTAL FOR ALL SERVICES (Bid Price)” is for bidding and evaluation purposes only. Per Special Condition 35, <i>BUDGETARY LIMITATION</i> : “The Department has a total maximum budgetary amount of \$900,000.00 for the contract resulting from this solicitation.”

Bidders must acknowledge receipt of this Addendum by completing and returning to the Procurement Office with their bid via email at D4.Purch@dot.state.fl.us, by no later than the time and date of the bid opening. **Failure to do so may subject the bidder/Bidder to disqualification.**
