1.05. Questions.

NOTE: This section supersedes Section 2.00, General Instructions to Respondents (PUR 1001), Paragraph#5, Questions.

Information will not be provided by telephone. Any questions from prospective Bidders concerning this Solicitation shall be submitted in writing to the Procurement Officer no later than the time and date specified in the Timeline of Events. No interpretation shall be considered binding unless provided in writing by the Department in response to a request in full compliance with this provision. All questions and answers will be posted on the VBS. Questions will not constitute a formal protest of the specifications or of the Solicitation.

Responses to all written inquiries, and clarifications or addenda if made to the Solicitation, will be made through the VBS. It is the prospective Bidder's responsibility to periodically check the VBS. The Department bears no responsibility for any delays, or resulting impacts, associated with a prospective Bidder's failure to obtain the information made available through the VBS.

Each submission shall have the ITB number 2019027 in the subject line of the email. Questions must be submitted in the following format to be considered:

– Remainder of Page Intentionally Left Blank –

Question #	ITB Section	ITB Page #	Question

Once the Department posts the answers to the questions, Bidders may begin submitting bids; however, Bidders are encouraged to submit their Bids no earlier than five (5) days prior to the submission deadline. Bids must be submitted by the deadline listed in the Timeline of Events.

1.06. Addenda. If the Department finds it necessary to supplement, modify, or interpret any portion of the Bid documents, a written “Addendum” will be posted on the VBS. It is the responsibility of the Bidder to be aware of any Addenda that might have a bearing on their Bid.

1.07. Price Sheet Form. Price Sheet Form must be completed and submitted, or the Bid will be rejected. The Department will not accept any other type of “Price Sheet Form” as a valid response to this Bid. By affixing authorizing signature, the Bidder hereby affirms and agrees to all terms, conditions, provisions, and specifications within the Bid.

1.08. Past Performance / Client References. In the space provided on the Client Reference Form, the Bidder must list all names under which it has operated during the last five (5) years. The Department will review its records to identify all contracts that the respondent has undertaken with the Department, where the Bidder was the prime contractor, during the last five (5) years (contracts in effect during or after May 2014).

In the spaces provided on Client Reference Form, the Bidder must provide the required information for three (3) separate and verifiable clients of the Bidder (not intended subcontractors) for projects similar to the project described in this Solicitation. The clients listed must be for work of similar scope and size to that specified in this Solicitation. Confidential clients shall not be included. Do not list projects completed for the Department as a reference on this form.

The same client may not be listed for more than one (1) reference (for example, if the Bidder has completed a project for the Florida Department of Transportation – District One and one project for the Florida Department of Transportation – District Two, only one of the projects may be listed because the client, the Florida Department of Transportation, is the same).

Clients that are listed as subcontractors in a Bid will not be accepted as Past Performance references under this Solicitation. Firms that are currently parent or subsidiary companies to the Bidder will not be accepted as Past Performance references under this Solicitation.

In the event that the Bidder has had a name change since the time work was performed for a listed reference, the name under which the Bidder operated at the time that the work was performed must be given, at the end of the project description for that reference, on the Client Reference Form.

In the event that the Bidder submits a Bid as a joint venture, at least one (1) past performance client must be listed for each member of the joint venture. However, the total number of clients to be listed remains three (3).

References should be available to be contacted during normal business hours (Monday-Friday, 8:00 a.m.– 5:00 p.m.), per the Timeline of Events. The Department will contact ALL three (3) of the Bidder’s references in order to complete an evaluation questionnaire as provided on the Client Reference Form.

A Department representative will contact the references via telephone and/or email to verify satisfactory Past Performance. The Department will attempt to contact each reference up to two (2) times during the duration of time listed on the Timeline of Events. In the event that the contact person cannot be reached following the specified number of attempts the reference will not be considered. The Department will not attempt to correct incorrectly supplied information. Each Bidder is required to have at least two (2) satisfactory references to be deemed responsible and considered for award.

Bidder must also complete and sign the **Client Reference Form** allowing the Department to evaluate and assess Vendor's eligibility for Contract Award pursuant to the indicated solicitation, and that any such information provided may be subject to disclosure under Chapter 119, F.S., the Florida Constitution, or other authority.

Failure to provide the required information for three (3) separate and verifiable clients in the spaces provided on the Client Reference Form, or failure to provide the required information for each reference shall result in the Bidder being deemed not responsible and their Bid will not be considered for award.

1.09. Vendor Principal Place of Business Attestation. The Bidder shall complete and submit the Vendor Principal Place of Business Attestation Form, indicating whether its principal place of business is within the State. For the purpose of this ITB, "principal place of business" means the state in which the Bidder's high-level officers direct, control, and coordinate the Bidder's activities.

Consistent with section 287.084 (2), F.S., if a Bidder indicates on its form that its principal place of business is outside of this State, it shall have an attorney provide the opinion on the Vendor Principal Place of Business Attestation Form.

1.10. Submittal of Bid.

NOTE: This section supersedes Section 2.00, General Instructions to Respondents (PUR 1001) Paragraph 3, Electronic Submission of Responses.

The Bidder must submit one (1) hard copy (Original) and one (1) duplicate electronic copy of the entire Bid to the Department. The hard copy of the Bid shall bear original signatures and be marked as the "Original." The electronic copy of the Bid may be submitted on CD, DVD, or USB-compatible memory stick and must be in .pdf format. The Department will reject Bids submitted in alternate file formats or which contain information different from that in the hard copy of the Bid.

Bidders shall deliver Bids to the Department's office designated in the Solicitation Acknowledgement Form before the date and time specified. Any Bid that is received after the exact time specified in the Timeline of Events is late. Bidder should be aware that the U.S. Postal Service does not guarantee on time delivery for any service other than Express Mail. Late Bids, as well as Bids submitted electronically or by facsimile, are Non-Responsive and will not be considered and are not eligible for Award. All Bid materials must be packaged so that each box shipped to the Department does not exceed 25 pounds.

In addition to whatever markings are required for shipment, Bid packages must be marked to show the Bidder's name and address, the solicitation number, and the date and time Bids are due. If multiple packages are shipped, package sequences (i.e. 1 of 3, 2 of 4, etc.) must also be indicated on the outside of the package.

The Bid package shall contain the following:

- Solicitation Acknowledgement Form;
- Price Sheet Form(s);
- Product Description Form;
- Vendor Financial Attestation;
- Vendor Responsibility Disclosure;
- Vendor Conflicts of Interest Attestation;
- Vendor Principal Place of Business Attestation;
- Vendor Drug-Free Workplace Attestation;
- Vendor Scrutinized Companies Lists Attestation;
- Client Reference Forms; and
- Bidder/Subcontractor Summary Form

If a Bidder asserts that any portion of the Bid is exempt from disclosure under the Florida Public Records law, Bidder must submit a redacted version of the Bid along with the un-redacted version. The redacted copy shall be clearly titled "Redacted Copy."

CAUTION: Bids received by the Department after the exact time specified for receipt will not be considered.

1.11. Alternate Replies. A Bidder may not submit more than one (1) bid. The Department seeks each Bidder's single-best bid.

1.12. General Evaluation Information. The Department reserves the right to accept or reject any or all Bids received; waive any minor irregularity, technicality, or omission if the Department determines that doing so will serve in the State's best interest; and reserves the right to make an award without further discussion of the bids submitted. No allowances will be made to the bidder because of a lack of knowledge of conditions or requirements and any such lack of knowledge will not relieve any liabilities and obligations.

A non-responsive submittal shall include, but not be limited to, those that: a) are irregular or are not in conformance with the requirements and instructions contained herein; b) fail to utilize or complete prescribed forms; or c) have improper or undated signatures. A NON-RESPONSIVE SUBMITTAL WILL NOT BE CONSIDERED.

The Department objects to and shall not consider any additional terms or conditions submitted by a Bidder, including any appearing in documents attached as part of a Bid. In submitting its Bid, a Bidder agrees that any additional terms or conditions, whether submitted intentionally or inadvertently, shall have not force or effect.

1.13. Administrative Review. All Bids will be reviewed by the Procurement Officer to ensure that complete Bids have been submitted and to ensure that the Bids meet the minimum requirements as outlined in this ITB. In order to foster maximum competition, the Department will seek to minimize Bidders disqualifications resulting from non-responsiveness during the administrative review process. Therefore, the Department may, in its sole discretion, notify Bidders whose qualifying information or documentation does not meet the requirements of the ITB and will allow the correction of errors and omissions prior to making a final determination of responsiveness. Timely cures will be accepted by the Department.

1.14. Administrative Cure Process. In the interest of maximizing competition, the Bid qualification and cure process seeks to minimize, if not eliminate, Bidders disqualifications resulting from nonmaterial, curable deficiencies in the Bid. During the Administrative Review portion of the evaluation, if the Department determines that a nonmaterial, curable deficiency in the bid will result in the disqualification of a Bidder, the Department may notify the Bidder of the deficiency and a timeframe within which to provide the information. This process is at the sole discretion of the Department; therefore, the Bidder is advised to ensure that its Bid is compliant with the ITB at the time of submittal.

1.15. Basis of Award. The Department intends to award to the lowest responsible, responsive Bidder meeting all specifications and conditions of this solicitation.

1.16. Posting of Agency Decision.

NOTE: This section supersedes Section 2.00, General Instructions to Respondents (PUR-1001), Paragraph #3, Electronic Posting of Notice of Intended Award.

The Department will post a Notice of Intent to Award, stating its intent to enter into a Contract with the Bidder identified therein, on the Vendor Bid System (VBS) website. If the Department decides to reject all Bids, it will post its notice on the same VBS website. The Notice of Intent to Award will be posted for review by interested parties on the VBS on or after the date listed on the Timeline of Events.

1.17. Department's Reserved Rights.

The Department reserves the right to:

- A.** Reject all bids at any time, including after an award is made when doing so would be in the best interest of the State of Florida.
- B.** Determine a bid non-responsive.
- C.** Waive any minor irregularity, technicality, or omission if the Department determines that doing so will be in the best interest of the State of Florida.
- D.** Make no award, as determined to be in the best interest of the State of Florida.
- E.** Award to the next lowest responsible, responsive Bidder if the lowest Bidder is unable to meet the terms and conditions of the Solicitation.
- F.** Withdraw the ITB at any time, including after an award is made, when doing so would be in the best interest of the State of Florida.

By exercising the above listed rights, the Department assumes no liability to any vendor.

1.19. Type of Contract Contemplated. A fixed fee schedule contract is proposed based on the prices submitted by the selected Bidder on the Price Sheet Form; however, the Department reserves the right to award another type contract if such will be most advantageous to the Department and the State. The selected Contractor shall be paid for the services rendered under the contract resulting from this Solicitation upon satisfactory completion of these services.

A copy of the proposed Contract containing all requirements is included in this Solicitation. The requirements contained in the proposed Contract should be closely reviewed by the Bidder since modifications proposed by the Bidder will not be considered.

1.20. Anticipated Contract Term and Renewal. The term of the Contract will begin upon execution by both parties and remain in effect for a period of five (5) years, unless cancelled earlier in accordance with the terms of the Contract. The Department reserves the right to renew any Contract resulting from this Solicitation. Renewal(s) shall be in writing and subject to the same terms and conditions as the original

1.22. Convicted Vendor List. A company placed on the Convicted Vendor List may not submit a Bid or be awarded a contract to provide any goods or services pursuant to Rule 60A-1.006 F.A.C. The "Convicted Vendor List" is published at MyFlorida.com.

1.23. Diversity. The Department is dedicated to fostering the continued development and economic growth of small, minority-owned, veteran-owned, and women-owned businesses. Participation of a diverse group of Bidders doing business with the State is central to the Department's effort.

To this end, small, minority-owned, veteran-owned, and women-owned business enterprises are encouraged to participate in the State's procurement process as both prime Bidders and subcontractors under prime contracts. Bidders are encouraged to partner with certified small, minority-owned, veteran-owned, and women-owned businesses for contract performance. Enterprises that desire to be certified as a small, minority-owned, veteran-owned, or women-owned business and prime contractors who wish to partner with these entities can request certification information from the State's Office of Supplier Diversity (OSD) within the Florida Department of Management Services.

1.24. Bidder Responsibility. In determining Bidder responsibility, the Department may consider any information or evidence which comes to its attention and which reflects upon a Bidder's capability to fully perform the Bid requirements and/or the Bidder's demonstration of the level of integrity and reliability which the Department determines to be required to assure performance of the Bid.

1.25. Protest Rights. Failure to file a protest within the time prescribed in section 120.57(3), Florida Statutes, or failure to post a bond or other security required by law within the time allowed for filing a bond shall constitute a waiver of proceedings under Chapter 120, Florida Statutes.

SECTION 2.00 –INSTRUCTIONS TO BIDDERS

This section contains the General Instructions and Special Instructions to Bidders. The “General Instructions to Respondents” Form PUR 1001 is incorporated by reference and can be accessed at MyFlorida.com or at:

https://www.dms.myflorida.com/content/download/2934/11780/PUR_1001_General_Instructions_to_Respondents.pdf. The remaining instructions are “Special Instructions.”

2.01 Assertion of Confidentiality Regarding Submitted Materials.

- A. If Bidder asserts that any portion of their Bid is proprietary, trade secret, intellectual property, or otherwise confidential (“Confidential Information”) and which Bidder claims as exempt from disclosure under Chapter 119 Florida Statutes, the Florida Constitution or other authority (“Florida Public Records Law”), then Bidder must submit a redacted version of the Bid along with the un-redacted version. The redacted copy shall be clearly titled “Redacted Copy.”
- B. Any relevant and responsive information submitted which is asserted by Bidder to be Confidential Information that Bidder claims as exempt from disclosure from applicable Florida Public Records Law must be clearly marked as such in the un-redacted version of your Bid, and either removed from or obliterated in the Redacted Copy.
- C. The Redacted Copy should redact all, but only, those portions of material that Bidder asserts are Confidential Information. Bidder must identify the statutory citation supporting its claim of confidentiality for each and every redaction. Bidder shall not mark the entire Bid as confidential, trade secret or otherwise not subject to Florida Public Records Law. Any Bid with more than fifty percent (50%) of the documents, data or records so marked will be deemed non-responsive and will not be considered.
- D. Failure to identify asserted Confidential Information in Bids, and/or to redact such information in the Redacted Copy, shall constitute a waiver of any claim of confidentiality or exemption to such information, document or Bid.

2.02 Conflict of Interest. The Bidder covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of the services required to be performed under the contract.

2.03 Disclosure. Information will be disclosed to Bids in accordance with State statutes and rules applicable to this ITB after evaluations are complete.

2.04 Firm Response.

NOTE: This section supersedes Section 2.00, General Instruction to Bidders (PUR1001), Paragraph 14, Firm Response.

The Department may make an award within one hundred eighty (180) days after the date of the Bid opening, during which period the Bid submitted shall remain firm and shall not be withdrawn. If an award is not made within one hundred eighty (180) days after the Bid opening date, the Bid shall remain firm until either the Department posts an Agency Decision, or the Department receives a written notice from the Bidder that the Bid is withdrawn, whichever occurs first. Any Bid that expresses a shorter duration shall be rejected.

2.05 Misrepresentations. All information submitted, and representations made by the Bidder are material and important and will be relied upon by the Department in awarding the contract. Any misstatement or

omission (a “Misrepresentation”) shall be treated as a fraudulent concealment of the true facts relating to submission of the ITB. A misrepresentation shall be a basis for Department to disqualify the Bidder from participating in this ITB, and any re-bid pertaining to this subject matter (regardless of whether the re-bid resulted from Bidder’s misrepresentation) and shall be punishable under law, including, but not limited to, Chapter 817, F.S.

2.06 Public Requests for Bids.

- A. If a public records request for the Bids is made, the Department will provide the requestor access to the Redacted Copy, bearing Bidder’s assertion of exemption from disclosure. If Bidder failed to submit a Redacted Copy, the Department is authorized to produce the entire un-redacted document submitted to the Department in response to a public records request encompassing the Bid.
- B. If a public records request is made for the un-redacted Bids challenging the assertion of Bidder’s exemption, the Department will notify Bidder. Bidder shall be solely responsible for taking whatever action it deems appropriate to legally defend its claim of exemption from disclosure under the Public Records Law.
- C. EXHIBIT I

FLORIDA PARK SERVICE ROUTINE RESTROOM CLEANING PROCEDURES

b.	Restrooms
	The care of restrooms and their related fixtures is a high priority. Clean, sanitary facilities lead to the physical and mental comfort of all people using them. Maintaining clean, sanitary facilities is a continuous task and all areas including fixtures will be carefully cleaned at least once each day and more often if use patterns dictate.
1.	Restroom Cleaning Tools and Equipment
	The items required for restroom cleaning are relatively few and simple. The basic items listed should, in most cases, be all that are required to accomplish a satisfactory job. When possible, needed items should be stored in each restroom storage room for immediate availability.
	<ul style="list-style-type: none"> • Wet mop and pail • Toilet brush • Cleaning cloths and sponge • Hose
2.	Routine Restroom Cleaning Procedure
	A routine daily procedure in the cleaning operation will increase efficiency and tend to decrease the possibility of oversight of areas to be cleaned. The following procedure will normally accomplish the entire cleaning job with a minimum of time and effort:
	<ul style="list-style-type: none"> • Pick up waste paper and empty waste containers. • Dust window sills, walls, rafters, louvers and other surfaces, remove cobwebs/insect nests from interior and exterior walls. • Sweep and mop floor with a disinfectant cleaner and remove all stuck substances with a putty knife. • Wash walls, doors and compartments with a cloth or sponge, saturated with a cleaner/disinfectant solution, making a special effort to remove all graffiti. The use of a mild abrasive powdered cleanser may be necessary to remove difficult stains. All surfaces should be rinsed to remove cleaning agent sediments. Spot cleaning of these surfaces should be done on a daily basis and the entire room washed in this manner at least bi-monthly. • Wash windows and mirrors using clear water and cloth. Dry with clean cloth. • The cleaning of toilet bowls and urinals is the most important job in the restroom. Special attention is to be given these fixtures. Using a toilet brush, mop, cloth or sponge, and an approved bowl cleaner/disinfectant, thoroughly clean the interior making sure to clean the surfaces under the lip of the bowl or urinal and at the waterline. The occasional use of a mild abrasive powdered cleanser on a mop, cloth or sponge may be

		<p>necessary to remove stubborn stains. Rinse and flush the unit. The exterior surfaces and seats should then be washed with a cleaner/disinfectant solution, rinsed and dried with a clean cloth.</p> <ul style="list-style-type: none">• Urinals and toilets will have encrustation form in fixture traps, under toilet flush rings, and behind urinal lips on the top, sides and bottom. Weekly inspection of these areas with a small hand-held mirror will ensure they are being cleaned thoroughly. Encrustations are a major source of offensive odor in restrooms. To avoid this problem, the cleaning frequency with a bowl cleaner will be established so these fixtures are odor free at all times.• Carefully wash exposed surfaces of the lavatories or wash basins using a cleaner/disinfectant solution and a cloth or sponge. Rinse and dry with a clean cloth. The occasional use of a powdered cleanser may be necessary to remove stains.• All faucets, flush valves and other polished metal surfaces should be washed and dried. Wiping these surfaces with a treated cloth once a week will inhibit the formation of corrosion.• All floor drains should be flushed with a bucket of water or hose at weekly intervals. Floor drain covers should be removed regularly and cleaned.• All paper dispensing units should be checked and filled daily or more often as required.• Check and fill soap dispensers daily or as required by use.• The entire floor area should be mopped with a cleaner/disinfectant solution daily. An occasional scrubbing with a deck brush may be required to remove stubborn dirt.• Light fixtures should be cleaned on a regular basis and burned out bulbs replaced at once.• Window screens should be cleaned regularly.

B. Contractor shall submit, with each invoice for Work where subcontractors or suppliers performed Work during the previous invoice period, lien waivers or other documentation of payment from each subcontractor or supplier for Work done during the previous invoice period.

10. PROMPT PAYMENT.

A. Department's Contract Manager shall have five (5) business days, unless a greater period is specified herein, to inspect and approve an invoice. Department shall submit a request for payment to DFS within twenty (20) business days; and DFS shall issue a warrant within ten (10) business days thereafter. Days are calculated from the latter of the date the invoice is received or services received, inspected, and approved. Invoice payment requirements do not start until a proper and correct invoice has been received. Invoices which have to be returned to the Contractor for correction(s) will result in an uncompensated delay in payment. A Vendor Ombudsman has been established within DFS who may be contacted if a Contractor is experiencing problems in obtaining timely payment(s) from a State agency. The Vendor Ombudsman may be contacted at (850) 413-5516, per section 215.422, F.S.

B. If a warrant in payment of an invoice is not issued within forty (40) business days after receipt of a correct invoice and receipt, inspection, and approval of the goods and services, the Department shall pay the Contractor interest at a rate as established by section 55.03(1), F.S., on the unpaid balance of the invoice. Interest payments of less than \$1 will not be issued unless Contractor requests such payment. The interest rate for each calendar year for which the term of this Contract is in effect can be obtained from DFS' Vendor Ombudsman at the telephone numbers provided above, per section 215.422, F.S.

11. RELEASE OF CLAIMS. Upon payment for satisfactory completion of any portion of the Work, the Contractor shall execute and deliver to the Department a release of all claims against the Department arising under, or by virtue of, the Work, except claims which are specifically exempted by the Contractor to be set forth therein (**Contractor Release**, using **Attachment E**, - Contractor Affidavit/Release of Claims). Receipt by the Department of the Contractor's Release is a condition of final payment under this Contract. Unless otherwise provided in this Contract, by State law or otherwise expressly agreed to by the parties to this Contract, final payment or settlement upon termination of this Contract shall not constitute a release or waiver of the Department's claims against the Contractor, or the Contractor's sureties, subcontractors, successors or assigns under this Contract or as against applicable performance and payment bonds.

12. PHYSICAL ACCESS AND INSPECTION. As applicable, the Department personnel shall be given access to and may observe and inspect Work being performed under this Contract, including by any of the following methods:

All Change Orders are subject to the mutual agreement of both parties as evidenced in writing. CONSEQUENCES FOR FAILURE TO PERFORM

16. DISPUTE RESOLUTION. Any dispute concerning performance of the Contract shall be decided as follows:

A. All claims or disputes (Claims) must be presented to the Department in writing within thirty (30) days of the date such Claim arises (Notice of Dispute). C. Within ten (10) days of the informal conference, the Department shall provide Contractor a detailed written response to the Claim. - 1) All persons necessary to resolution of the claim or disputed matter shall attend the formal conference.
- 2) Minutes of the formal conference shall be taken, recorded, transcribed, and signed by the Department and the Contractor. Any terms of settlement and/or resolution reached shall be signed by all persons authorized to resolve the Claim.

D. Either party may request mediation of unresolved Claims, with the party seeking mediation to bear the expense of mediation.

E. Any Claim not resolved at formal conference or mediation, may be the subject of a complaint filed in a court of competent jurisdiction in Leon County, Florida.

17. FINANCIAL CONSEQUENCES FOR UNSATISFACTORY PERFORMANCE.

A. No payment will be made for deliverables deemed unsatisfactory by the Department. In the event that a deliverable is deemed unsatisfactory by the Department, the Contractor shall re-perform the services needed for submittal of a satisfactory deliverable, at no additional cost to Department, within thirty (30) days of being notified of the unsatisfactory deliverable.

B. If a satisfactory deliverable is not submitted within the specified time frame, the Department may, in its sole discretion: 1) assess liquidated damages if specified in the Contract or its attachments; 2) request from the Contractor agreement to a reduction in the amount payable; 3) suspend all Work until satisfactory performance is achieved, or 4) terminate the Contract for failure to perform.

18. CORRECTIVE ACTION PLAN. In the event that deliverables are unsatisfactory or are not submitted within the specified timeframe, the Department Contract Manager may, by letter specifying the failure of performance under the Contract, request that a proposed Corrective Action Plan (**CAP**) be submitted by the Contractor to the Department. All CAPs must be able to be implemented and performed in no more than sixty (60) days.

A. A CAP shall be submitted within ten (10) calendar days of the date of the letter request from the Department. The CAP shall be sent to the Department Contract Manager for review and approval. Within ten (10) calendar days of receipt of a CAP, the Department shall notify the Contractor in writing whether the CAP proposed has been accepted. If the CAP is not accepted, the Contractor shall have ten (10) calendar days from receipt of the Department letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain the Department approval of a CAP as specified above shall result in the Department's termination of the Contract for cause as authorized in the Contract.

B. Upon the Department's notice of acceptance of a proposed CAP, the Contractor shall have ten (10) calendar days, or longer if specified in the approved CAP, to commence implementation of the accepted plan. Acceptance of the proposed CAP by the Department does not relieve the Contractor of any of its obligations under the Contract. In the event the CAP fails to correct or eliminate performance deficiencies by the Contractor, the Department shall retain the right to require additional or further remedial steps, or to terminate the Contract for failure to perform. No actions approved by the Department or steps taken by the Contractor shall estop the Department from subsequently asserting any deficiencies in performance. Contractor shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to the Department as requested by the Department Contract Manager.

C. Failure to respond to a Department request for a CAP shall result in suspension or termination of the Contract.

19. PAYMENT AND PERFORMANCE BONDS. An "X" beside the correct provision in this section signifies that the provision is applicable to the Contract.

- No Payment or Performance bonds are required.
- Contractor shall provide executed Payment and Performance Bonds naming the Department as obligee, issued by a surety acceptable to the Department, in the amount(s) of \$ *insert amount*.
- Contractor may be required to provide executed Payment and/or Performance Bonds naming the Department as obligee, issued by a surety acceptable to the Department, in an amount of up to one hundred and twenty percent (120%) of the total anticipated cost of any Work.

20. LIQUIDATED DAMAGES. An "X" beside the correct provision in this section signifies that the provision is applicable to the Contract.

- No liquidated damages will be assessed.
- In addition to other remedies elsewhere in this Contract, and as provided by law, unless otherwise stipulated in the Scope, the Contractor hereby covenants and agrees to pay liquidated damages to the Department as follows:
 - A. Contractor acknowledges that time is of the essence for all services provided under this Contract, and whereas the actual damages to be suffered by late performance are incapable of accurate calculation, the parties agree to the following as a reasonable estimation thereof as liquidated damages. In addition to any other provisions of this Contract, in the event that the deliverable identified in the Scope, is not completed and submitted by the close of business on the date the deliverable is due, the compensation amount stated for that portion of the Work may be reduced by five percent (5%) per week for each week the deliverable is late, with the total amount of the liquidated damages not to exceed the total compensation amount of the Scope deliverable.
 - B. The date of submission shall be the date of receipt by the Department.
 - C. If no Department receipt date appears or the date is illegible, the date of submission shall be deemed to be five (5) days prior to receipt by the Contract Manager.
 - D. If completion is or will be justifiably delayed due to reasons as set out in paragraph contained herein, the Department may grant an extension of time as evidenced by a properly executed Amendment.
 - E. If the deliverable(s) fail to comply with the requirements of this Contract, or if questions arise from review and the Contractor is so notified and requested to respond, the Contractor shall furnish the required additions, deletions, or revisions in accordance with the Scope at no additional cost to the Department.

- F. If the additions, deletions, and revisions are not submitted to the Department's Contract Manager in accordance with the Scope, the compensation stated for that portion of the Work may be reduced by five percent (5%) for each week that the requested deliverable is late, as specified. The total reduction shall not exceed the total amount of the Work.
- G. Contractor's failure to respond to a request to correct the deliverables will result in termination of the Work and **forfeiture** of any unpaid balance for such deliverables. Additionally, the Department, at its discretion, may re-assign future Work.

21. RETAINAGE

A. Department reserves the right to establish the amount and application of retainage on the Work to a maximum of 5% of the monthly payment for each day work is not completed per the scope of work. Any retainage to be applied shall be specified in the Scope. Retainage shall be withheld from each payment to the Contractor pending satisfactory completion of Work and approval of all deliverables.

B. Department reserves the right to withhold payment of retainage for the Contractor's failure to respond to or correct identified deficiencies within the timeframe stipulated in the Scope. Department shall provide written notification to the Contractor of identified deficiencies and the Department's intent to withhold retainage on the Work. Contractor's failure to rectify the identified deficiency within the timeframe stated in the Department's notice will result in forfeiture of retainage by the Contractor.

C. If the Contractor fails to perform the requested Scope, or fails to perform the Work in a satisfactory manner, Contractor shall forfeit its right to payment for the Work and the retainage called for under the entire Scope. Failure to perform includes, but is not limited to, failure to submit the required deliverables or failure to provide adequate documentation that the work was actually performed.

D. No retainage shall be released or paid for uncompleted Work while a Contract is suspended.

E. Except as otherwise provided above, the Contractor shall be paid the retainage associated with the Work, provided the Contractor has completed the work and submits an invoice for retainage held in accordance with paragraph contained herein above.

LIABILITY

22. INSURANCE.

A. Required Coverage. At all times during the Contract the Contractor, at its sole expense, shall maintain insurance coverage of such types and with such terms and limits described below. The limits of coverage under each policy maintained by the Contractor shall not be interpreted as limiting the Contractor's liability and obligations under the Contract. All insurance policies shall be through insurers licensed and authorized to issue policies in Florida, or alternatively, Contractor may provide coverage through a self-insurance program established and operating under the laws of Florida. Additional insurance requirements for this Contract may be required elsewhere in this Contract, however the minimum insurance requirements applicable to this Contract are:

- i. Commercial General Liability Insurance. The Contractor shall provide adequate commercial general liability insurance coverage and hold such liability insurance at all times during the Contract. The Department of Environmental Protection, its employees, and officers shall be named as an additional insured on any general liability policies. The minimum limits shall be \$200,000 each individual's claim and \$300,000 each occurrence.
- ii. Workers' Compensation and Employer's Liability Coverage. The Contractor shall provide workers' compensation, in accordance with Chapter 440, F.S., and employer's liability insurance with minimum limits of \$100,000 per accident, \$100,000 per person, and \$500,000 policy aggregate. Such policies shall cover all employees engaged in any work under the Contract.

- iii. Commercial Automobile Insurance. If the Contractor's duties include the use of a commercial vehicle, the Contractor shall maintain automobile liability, bodily injury, and property damage coverage. Insuring clauses for both bodily injury and property damage shall provide coverage on an occurrence basis. The Department of Environmental Protection, its employees, and officers shall be named as an additional insured on any automobile insurance policy. The minimum limits shall be as follows:
- \$200,000/300,000 Automobile Liability Combined Single Limit for Company-Owned Vehicles, if applicable
 - \$200,000/300,000 Hired and Non-owned Automobile Liability Coverage
- iv. Other Insurance. Additional insurance may be required by federal law, where applicable, if any work proceeds over or adjacent to water, including but not limited to Jones Act, Longshoreman's and Harbor Worker's, or the inclusion of any applicable rider to worker's compensation insurance, and any necessary watercraft insurance, with limits of not less than \$300,000 each. Questions concerning required coverage should be directed to the U.S. Department of Labor or to the parties' insurance carrier.

B. Insurance Requirements for Sub-Contractors. Department shall not be liable to any subcontractor for any expenses or liabilities incurred under any subcontract, regardless of whether the Department has approved such subcontract or subcontractor. Contractor shall be solely liable to its subcontractor(s) for all expenses and liabilities incurred under any subcontract. Any subcontracts made under or in performance of this Contract must include the same conditions specified in this Contract, with the exception of insurance requirements (paragraph contained herein), and shall include a release of any rights, claims or liabilities against the Department. The level of insurance to be carried by subcontractors performing work under this Contract shall be at the discretion of Contractor.

C. Exceptions to Additional Insured Requirements. If the Contractor's insurance is provided through an insurance trust, the Contractor shall instead add the Department of Environmental Protection, its employees, and officers as an additional covered party everywhere the Contract requires them to be added as an additional insured. Further, notwithstanding the requirements above, if Contractor is self-insured, then the Department of Environmental Protection, its employees, and officers do not need to be listed as additional insureds.

D. Deductibles. The Department shall be exempt from, and in no way liable for, any sums of money representing a deductible in any insurance policy. The payment of such deductible shall be the sole responsibility of the Contractor providing such insurance.

E. Proof of Insurance. Upon execution of this Contract, the Contractor shall provide the Department documentation demonstrating the existence and amount for each type of applicable insurance coverage **prior to** performance of any work under this Contract. Upon receipt of written request from the Department, the Contractor shall furnish the Department with proof of applicable insurance coverage by standard form certificates of insurance, a self-insured authorization, or other certification of self-insurance.

F. Failure to Maintain Coverage. In the event that any applicable coverage is cancelled by the insurer for any reason, the Contractor shall immediately notify the Department of such cancellation and shall obtain adequate replacement coverage conforming to the requirements herein and provide proof of such replacement coverage within ten (10) calendar days after the cancellation of coverage.

23. INDEMNIFICATION.

A. Contractor shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless the State of Florida, the Department, and the State of Florida Board of Trustees of the Internal Improvement Trust Fund, and their officers, agents, and employees, from suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by the Contractor, its agents, employees, partners, or subcontractors, provided, however, that the Contractor shall not indemnify for that portion of

any loss or damages proximately caused by the negligent act or omission of the State of Florida, the Department, and the State of Florida Board of Trustees of the Internal Improvement Trust Fund.

B. Further, the Contractor shall fully indemnify, defend, and hold harmless the State and Department from any suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to violation or infringement of a trademark, copyright, patent, trade secret or intellectual property right, provided, however, that the foregoing obligation shall not apply to the Department's misuse or modification of the Contractor's products or the Department's operation or use of the Contractor's products in a manner not contemplated by this Contract. If any product is the subject of an infringement suit, or in the Contractor's opinion is likely to become the subject of such a suit, the Contractor may at its sole expense procure for the Department the right to continue using the product or to modify it to become non-infringing. If the Contractor is not reasonably able to modify or otherwise secure the Department the right to continue using the product, the Contractor shall remove the product and refund the Department the amounts paid in excess of a reasonable rental for past use. Department shall not be liable for any royalties.

C. The Contractor's obligations under the preceding two (2) paragraphs with respect to any legal action are contingent upon the State or the Department giving Contractor 1) written notice of any action or threatened action, 2) the opportunity to take over and settle or defend any such action at the Contractor's sole expense, and 3) assistance in defending the action at the Contractor's sole expense.

THIRD PARTIES

24. SUBCONTRACTING. An "X" beside the correct provision in this section signifies that the provision is applicable to the Contract.

- Contractor shall not subcontract any work under this Contract.
- A. Contractor shall not subcontract any work under this Contract without the prior written consent of the Department's Contract Manager. Department reserves the right to reject any proposed subcontractor based upon the Department's prior experience with subcontractor, subcontractor's reputation, or the Department's lack of adequate assurance of performance by subcontractor. Contractor agrees to be responsible for the fulfillment of all work elements included in any subcontract and agrees to be responsible for the payment of all monies due under any subcontract.
- B. Department shall not be liable to any subcontractor for any expenses or liabilities incurred under any subcontract, regardless of whether the Department has approved such subcontract or subcontractor. Contractor shall be solely liable to its subcontractor(s) for all expenses and liabilities incurred under any subcontract. Any subcontracts made under or in performance of this Contract must include the same conditions specified in this Contract, with the exception of insurance requirements (paragraph contained herein), and shall include a release of any rights, claims or liabilities against the Department. The level of insurance to be carried by subcontractors performing work under this Contract shall be at the discretion of Contractor.

25. NONASSIGNABILITY. Contractor shall not sell, assign or transfer any of its rights, duties or obligations under this Contract (its **Rights and Duties**), without the prior written consent of the Department. Contractor shall remain liable for performance of its Rights and Duties, regardless of any assignment to or assumption by any third party, notwithstanding any approval thereof by the Department. However, the Department may expressly release the Contractor from any and all Rights and Duties through a novation accompanying an approved assignment. Department may assign the Department's Rights and Duties but shall give prior written notice of its intent to do so to the Contractor. The foregoing notwithstanding, the Contractor hereby assigns to the State any and all claims it has with respect to the Contract under the antitrust laws of the United States and the State.

26. THIRD PARTY BENEFICIARIES. This Contract is neither intended nor shall it be construed to grant any rights, privileges or interest in any third party without the mutual written agreement of the parties hereto.

SUSPENSION AND TERMINATION

27. SUSPENSION.

A. Department may order the Contractor in writing to suspend, delay or interrupt all or any part of the Work for failure to perform, or as otherwise specified herein, such period of time as the Department may determine to be appropriate for any of the following reasons:

- 1.) Contractor fails to timely and properly correct deficiencies in or performs unsatisfactory work;
- 2.) Contractor's or subcontractor's insurer or surety notifies the Department that any of its required insurance or bonds has lapsed or will lapse, and the Contractor fails to provide replacement insurance or bonds acceptable to the Department before the insurance or bond cancellation or termination date;
- 3.) Contractor or subcontractor materially violates safety laws or other constraints;
- 4.) Department determines that there is a threat to the public health, safety or welfare that necessitates such suspension; or
- 5.) For the convenience of the Department.

B. If the performance of all or any part of the Work is suspended, delayed or interrupted for an unreasonable period of time by an act of the Department in administration of the Work, or by the Department's failure to act within a reasonable time to review or approve an invoice, the Department shall provide an equitable extension of the time allowed to complete the Work and modify the Scope accordingly. However, no adjustment shall be made under this clause for any suspension, delay or interruption if and to the extent that:

- 1.) Performance would have been suspended, delayed or interrupted by any other cause, including the fault or negligence of the Contractor; or
- 2.) Equitable adjustment is provided for (or excluded) under any other provision of this Contract.

C. Contractor shall not be compensated for Work performed subsequent to a notice of suspension by Department.

28. TERMINATION.

A. Department may terminate this Contract at any time for cause, in the event of the failure of the Contractor to fulfill any of its obligations. Prior to termination, the Department shall provide ten (10) calendar days written notice of its intent to terminate for cause, including the reasons for such, and shall provide the Contractor an opportunity to consult with the Department regarding the reason(s) for termination. Contractor may be afforded the possibility of curing any default at the sole discretion of the Department.

B. The Department may terminate this Contract without cause and for its convenience by giving thirty (30) calendar days written notice to the Contractor. Termination for convenience shall not entitle either party to any indirect, special or resulting damages, lost profits, costs or penalties, and the Contractor shall be entitled only to recover those amounts earned by it for authorized deliverables completed up to the date of termination (or as may be agreed to in writing by the Department for completion of all or any portion of the Work in process).

SPECIAL CONDITIONS

29. ADDITIONAL QUANTITIES. For a period not exceeding the term of this contract, the Department reserves the right to acquire additional quantities on an as-needed basis, depending on the availability of funds, at the same unit price(s), terms and conditions.

NOTE: This section supersedes Section 6.00, General Contract Conditions (PUR-1000), Paragraph 5, Additional Quantities.

30. ADDITIONS / DELETIONS. During the term of the contract resulting from this bid, the Department shall have the right to make product changes that result in additions, deletions, or revisions to awarded items / services. Specifications and prices of items added or revised must be agreed upon in writing by both the Department and Contractor. Prices of added or revised items shall be mutually agreed upon by the Department and Contractor.

31. DISCLOSURE OF LITIGATION. The contractor shall promptly notify the Department of any criminal litigation, investigations or proceedings which arise during the term involving the contractor, or, to the extent the contractor is aware, any of the contractor's subcontractors or any of the foregoing entities' then-current officers or directors. In addition, the contractor shall promptly notify the Department of any civil litigation, arbitration or proceeding which arises during the term of the contract and extensions thereto, to which the contractor (or, to the extent the contractor is aware, any Subcontractor hereunder) is a party, and which involves:

A claim or written allegation of fraud against the contractor or, to the extent the contractor is aware, any subcontractor hereunder by a governmental or public entity arising out of their business dealings with governmental or public entities. All notices under this section must be provided to the Department within thirty (30) business days following the date on which the contractor first becomes aware of any such litigation, investigation, arbitration or other proceeding (collectively, a Proceeding). Details of settlements, which are prevented from disclosure by the terms of the settlement, may be annotated as such.

GENERAL CONDITIONS

32. ATTORNEY'S FEES. In the event of any legal action to enforce the terms of this Contract, each party shall bear its own attorney's fees and costs.

33. CONFLICT OF INTEREST. Contractor covenants and warrants that it presently has no interest, and shall not acquire any interest, which would conflict in any manner or degree with its performance of this Contract or the Services required hereunder.

34. COMPLIANCE WITH APPLICABLE LAW. Contractor shall comply with all applicable federal, state and local rules and regulations in providing services to the Department under this Contract including, but not limited to, local health and safety rules and regulations. This provision shall be included in all subcontracts issued as a result of this Contract.

35. DISQUALIFICATION.

A. The employment of unauthorized aliens by the Contractor/vendor is considered a violation of Section 274A(e) of the Immigration and Nationality Act. If the Contractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Contract. Contractor shall be responsible for including this provision in all subcontracts with private organizations issued as a result of this Contract.

B. Contractor is required to use the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all employees used by the Contractor under this Contract, pursuant to State of Florida Executive Order No.: 11-116. Also, the Contractor shall include in related subcontracts, if authorized under this Contract, a requirement that subcontractors performing work or providing services pursuant to this Contract utilize the E-Verify system to verify employment eligibility of all employees used by the subcontractor for the performance of the Work.

36. EXECUTION IN COUNTERPARTS. This Contract, and any Change Orders or Amendments thereto, may be executed in two or more counterparts, each of which together shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party

executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.

37. FORCE MAJEURE. Contractor shall not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of the Contractor or its employees, subcontractors or agents contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, hurricanes, or other similar cause wholly beyond the Contractor's control, or for any of the foregoing that affect subcontractors or suppliers if no alternate source of supply is available to the Contractor. In case of any delay the Contractor believes is excusable, the Contractor shall notify the Department in writing of the delay or potential delay and describe the cause of the delay either 1) within five (5) days after the cause that creates or will create the delay first arose, if the Contractor could reasonably foresee that a delay could occur as a result, or 2) if delay is not reasonably foreseeable, within ten (10) days after the date the Contractor first had reason to believe that a delay could result. **THE FOREGOING SHALL CONSTITUTE THE CONTRACTOR'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY.** Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages, other than for an extension of time, shall be asserted by the Contractor against the Department. Contractor shall not be entitled to an increase in the price or payment of any kind from the Department for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist the Contractor shall perform at no increased cost, unless the Department determines, in its sole discretion, that the delay will significantly impair the value of the Contract to the State or to the Department, in which case the Department may 1) accept allocated performance or deliveries from the Contractor, provided that the Contractor grants preferential treatment to the Department with respect to products subjected to allocation, or 2) purchase from other sources (without recourse to and by the Contractor for the related costs and expenses) to replace all or part of the products that are the subject of the delay, which purchases may be deducted from the Contract quantity, or 3) terminate the Contract in whole or in part.

38. FORUM SELECTION, SEVERABILITY, AND CHOICE OF LAW. This Contract has been delivered in the State of Florida and shall be construed in accordance with substantive and procedural laws of Florida. Wherever possible, each provision of this Contract shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Contract shall be prohibited or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Contract. Any action in connection with this Contract shall be brought in a court of competent jurisdiction located in Leon County, Florida.

39. GOVERNMENTAL RESTRICTIONS. If the Contractor believes that any governmental restrictions require alteration of the material, quality, workmanship or performance of the products offered under this Contract, the Contractor shall immediately notify the Department so in writing, identifying the specific restriction and alteration. Department reserves the right and the complete discretion to accept any such alteration or to cancel the Contract at no further expense to the Department. Contractor's failure to timely notify the Department of its asserted belief shall constitute a waiver of such claim.

40. HEADINGS. The headings contained herein are for convenience only, do not constitute a part of this Contract and shall not be deemed to limit or affect any of the provisions hereof.

41. INTEGRATION. This Contract contains all the terms and conditions agreed upon by the parties, which terms and conditions shall govern all transactions between the Department and the Contractor. Any alterations, variations, changes, modifications or waivers of provisions of this Contract shall only be valid when they have been reduced to writing, duly signed by each of the parties hereto, and attached to the original of this Contract, unless otherwise provided herein. No oral agreements or representations shall be valid or binding upon the Department or the Contractor. No alteration or modification of the Contract terms, including substitution of product, shall be valid or

binding against the Department. Contractor may not unilaterally modify the terms of this Contract by affixing additional terms to product upon delivery (e.g., attachment or inclusion of standard preprinted forms, product literature, "shrink wrap" terms accompanying or affixed to a product, whether written or electronic) or by incorporating such terms onto the Contractor's order or fiscal forms or other documents forwarded by the Contractor for payment. Department's acceptance of product or processing of documentation on forms furnished by the Contractor for approval or payment shall not constitute acceptance of the proposed modification to terms and conditions.
