State of Florida Fine Art Insurance

All Bidders are to refrain from blocking the insurance market. This certification confirms that the Bidder did not reserve more than a reasonable number of underwriters to prepare a response to this solicitation, and that this coverage was not reserved in advance of the solicitation advertisement, exclusively for a particular Bidder. The State of Florida encourages fair and open competition and participation by all Bidders. Failure to submit this form may result in the bid being disqualified or rejected. If it is determined that there are a limited number of insurance markets available and a Bidder has blocked the markets for other eligible Bidders, the Department reserves the right to reject all responses, and/or assign Bidders with an Agent of Record letter. In this event, the incumbent Contractor will always have the right to represent the incumbent insurer.

The undersigned affirms that the ITB submitted to (*insert name of insurance company*) for quote effective **December 31, 2018**, was not reserved for quoting in advance of the solicitation advertisement, exclusively for a particular Bidder.
