2.0 General Conditions: General Instructions to Respondents (PUR1001)

This section explains the General Instructions to Respondents (PUR 1001) of the solicitation process. This is a downloadable document. Please download and save this document to your computer for further review. There is no need to return the document to the Department of Military Affairs.

<http://dms.myflorida.com/content/download/2934/12120>

Exception: Item 3- DMA does not currently accept Electronic Submission of Responses.

Exception: Item 5 - Refer to Section 4.3

3.0 General Conditions: General Contract Conditions (PUR 1000)

This section explains the General Contract Conditions (PUR 1000) of the solicitation process. This is a downloadable document. Please download and save this document to your computer for further review. There is no need to return this document to the Department of Military Affairs.

<http://dms.myflorida.com/content/download/2933/11777>

4.0 Special Conditions

4.1 MyFloridaMarketPlace

Since July 1, 2003, the Department has used the State of Florida's web-based electronic procurement system, MyFloridaMarketPlace. BIDDERS MUST BE REGISTERED IN THE STATE OF FLORIDA'S MYFLORIDAMARKETPLACE SYSTEM BY DATE OF CONTRACT AWARD OR THEY WILL BE CONSIDERED NON-RESPONSIVE. All prospective bidders that are not registered should go to <https://vendor.myfloridamarketplace.com> to complete on-line registration, or call 1-866-352-3776 for assisted registration.

4.2 Minority Business Enterprise (MBE) Utilization

DMA encourages the recruitment and utilization of certified and non-certified minority businesses. DMA, its vendors, suppliers, and consultants should take all necessary and reasonable steps to ensure that minority businesses have the opportunity to compete for and perform contract work for the DMA in a nondiscriminatory environment.

To request certification or to locate certified MBEs, call the Office of Supplier Diversity, Department of Management Services at (850) 487-0915, or access their MBE directory on the Internet at www.osd.dms.state.fl.us.

4.3 Communications, Bid Questions and Answers

No negotiations, decisions or actions shall be initiated or executed by a vendor as a result of any discussion with any State employee. Only those communications that are in writing from the office of Purchasing & Contracts may be considered as duly authorized expressions on behalf of this Department. The only recognized exception is that questions will be answered during Mandatory Site Visits or Briefings.

Any questions arising from this ITB must be forwarded, in writing, to the procurement official designated in Sections 1.2 or 1.3 above. DMA's written response to written inquiries submitted timely by bidders will be posted on the Florida Vendor Bid System at www.myflorida.com (click on "BUSINESS", click on "Doing Business with the State", under "Everything for Vendors and Customers", click on "Vendor Bid System (VBS)", then click on "Search Advertisements"), under this bid number. It is the responsibility of all potential bidders to monitor this site for any changing information prior to submitting their bid/proposal.

Only written inquiries from vendors, which are signed by persons authorized to contractually bind that company, will be recognized by the Department as duly authorized expressions on behalf of the vendor.

4.4 Estimated Expenditures

It is anticipated that DMA will expend approximately \$300,000.00 as a result of this solicitation. This estimated figure is given only as a guideline for preparing your bid/proposal and should not be construed as representing actual contract pricing. Individual orders/contracts may be awarded based on funding availability and priority sequence. Contract award is contingent upon availability of funds.

4.5 Qualifications

4.5.1 General: The Vendor must prove to the satisfaction of DMA that their company has actively and normally been engaged in business for the services/items being procured under this solicitation for at least three (3) years of continuous operation. **(This shall be demonstrated through references which have been in place at least one (1) continuous year).** The Bidder shall have available under their direct supervision, the necessary organization, experience, equipment and staff to properly fulfill all the conditions, requirements, and specifications required under this solicitation. Complete and submit Attachment D.

4.5.2 Bidder Qualifications: When submitting the bid, each bidder must submit a written statement, detailing their qualifications that demonstrate they meet the minimum qualifications contained in 4.5.1. (Attachment D). Failure by the bidder to provide the above item(s) will constitute a non-responsive determination. Bids found to be non-responsive will not be considered.

4.5.3 Authorized to do Business in the State of Florida: In accordance with sections 607.1501, 608.501, and 620.169, Florida Statutes, foreign corporations, foreign limited liability companies, and foreign limited partnerships must be authorized to do business in the State of Florida. Such authorization should be obtained by the bid due date and time, but in any case, must be obtained prior to posting of the intended award of the contract. For authorization, contact:

Florida Department of State
Tallahassee, Florida 32399
(850) 245-6051

4.5.4 License to conduct services in the State of Florida: If the services being provided require that individuals be licensed by the Department of Business and Professional Regulation, such licenses should be obtained by the bid due date and time, but in any case, must be obtained prior to posting of the intended award of the contract. For licensing, contact:

Florida Department of Business and Professional Regulation
Tallahassee, Florida 32399-0797
(850) 487-1395

4.6 Department Reservations and Responsiveness of Bids

4.6.1 Valid Proposal: A responsive offer in full compliance with the Invitation to Bid specifications and conditions by a responsible person or firm. The responsiveness of a bid/proposal shall be determined based on the documents submitted with the proposal and attendance at the site visit. Vendors shall submit the original and two (2) copies of the bid/proposal. The responsiveness of the bid/proposal is the responsibility of the Offeror and will be determined during the evaluation process.

- a. Responsive offer means a person or firm that has submitted a bid/proposal and conforms in all material respects to the Invitation to Bid.
- b. Responsible or qualified Offeror means a person or firm with the capability in all respects to perform fully the Contract requirements and the integrity and reliability to assure good faith performance. Failure to provide information to determine responsibility in response to a condition of a bid/proposal requiring information may be cause for such bid/proposal to be rejected.

4.6.2 General: DMA reserves the right to accept or reject any or all bids/proposals received and reserves the right to make an award without further discussion of the bids submitted. Therefore, the bidder should make sure that the bid package submitted is complete and accurate and ensure delivery on or before the bid opening time and date specified in this solicitation. It is understood that the bid will become a part of DMA's official file, without obligation to DMA.

4.6.3 Responsiveness of Bids: Proposals/bids will not be considered if not received by DMA on or before the date and time specified as the due date for submission. All proposals/bids must be

typed or printed in ink. Offers by facsimile or telephone are not acceptable. A responsive proposal/bid is an offer to perform the scope of services called for in this ITB in accordance with all requirements of this ITB. Proposals/bids found to be non-responsive will not be considered. Proposals/bids may be rejected if found to be irregular or not in conformance with the requirements and instructions herein contained. A proposal/bid may be found to be irregular or non-responsive by reasons that include, but are not limited to, failure to utilize or complete prescribed forms, modifying the bid requirements, submitting conditional bids or incomplete bids, submitting indefinite or ambiguous bids, or executing forms or the bid sheet with improper and/or undated signatures. All bid/proposal prices shown on the price sheets submitted are final and mistakes will be at proposer/bidder's risk.

4.6.4 BID SECURITY: Bids/Proposals in total excess of \$100,000.00, the bidder must provide with bid, a good faith deposit in the amount of 5% of the bid by way of a bid bond from a surety insurer authorized to do business in the STATE OF FLORIDA as surety or a certified check or cashier's check accompanying the bid.

4.6.5 Other Conditions: Other conditions which may cause rejection of bids include, evidence of collusion among bidders, obvious lack of experience or expertise to perform the required work, failure to perform or meet financial obligations on previous contracts, or in the event an individual, firm, partnership, or corporation is on the United States Comptroller General's List of Ineligible Contractors for Federally Financed or Assisted Projects.

4.7 Vendor's Contractual Obligations

The Vendor will be required to ensure that each individual, partnership, firm, corporation or subcontractor that performs on this contract, will be subject to, and comply with, the contractual requirements.

4.7.1 Employment Eligibility Verification: Executive Order 11-02, signed January 4, 2011, by the Governor of Florida, requires contracts to expressly require that Vendors utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of:

- (a) All persons employed during the Contract term by Vendor to perform employment duties within Florida; and,
- (b) All persons (including subcontractors) assigned by Vendor to perform work pursuant to this Contract, i.e., the Vendor must require its subcontractors to utilize the E-Verify system for its employees assigned to this Contract.

E-Verify is an Internet-based system that allows an employer, using information reported on an employee's Form I-9, Employment Eligibility Verification, to determine the eligibility of all new employees hired to work in the United States. There is no charge to employers to use E-Verify. The Department of Homeland Security's E-Verify system can be found at:

http://www.dhs.gov/files/programs/gc_1185222128150.shtm

Compliance with the requirements of this section is required prior to commencing performance under any Contract issued as a result of this solicitation.

4.7.2 Unauthorized Aliens: The employment of unauthorized aliens by any contractor is considered a violation of Section 274A(e) of the Immigration and Nationality Act (8 U.S.C. 1324a). If the contractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of the contract.

4.7.3 Vendor Certification Regarding Scrutinized Companies: Section 287.135, Florida Statutes prohibits agencies from contracting with companies, for goods or services over \$1,000,000.00 that are on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Section List. Both lists are created pursuant to section 215.473 Florida Statutes. The lists are updated quarterly and can be viewed at <http://www.sbafla.com/fsb/FundsWeManage/FRSPensionPlan/PFIA/tabid/1478/ItemId/3351/Default.aspx>.

4.7.4 Liability Insurance: The Vendor shall not commence any work until they have obtained the following types of insurance. Nor shall the Vendor allow any subcontractor to commence work on this project until all similar insurance required of the subcontractor has been so obtained. The Vendor shall submit the required Certificates of Insurance to the **Florida Department of Military Affairs, Procurement Office, Attention: Erin Lewis, 82 Marine Street, St. Augustine, Florida 32084** within ten (10) days after the ending date of the period for posting the intended award decision.

The Vendor must carry and keep in force during the period of this contract a general liability insurance policy or policies with a company authorized to do business in the state of Florida, affording public liability insurance with combined bodily injury limits of at least \$100,000.00 per person and \$300,000.00 each occurrence, and property damage insurance of at least \$100,000.00 each occurrence, for the services to be rendered in accordance with this contract.

All insurance policies shall be with insurers qualified and licensed to do business in the state of Florida. Such policies shall provide that the insurance is not cancelable except upon thirty (30) days prior written notice to DMA.

DMA shall be exempt from, and in no way liable for, any sums of money which may represent a deductible in any insurance policy. The payment of such deductible shall be the sole responsibility of the Vendor or subcontractor providing such insurance.

4.7.5 Preferred Price: The Vendor agrees to submit to the Department at least annually an affidavit from an authorized representative attesting that the Vendor is in compliance with the preferred pricing provision of Section 4(b) of form PUR 1000.

4.8 Intellectual Property

The parties do not anticipate that any intellectual property will be developed as a result of this solicitation. However, any pre-existing software, or other work of authorship used by the

Vendor, to create a deliverable but which exists as a work independently of the deliverable, shall remain the property of the Vendor.

4.9 Copyrighted Materials

Copyrighted material will be accepted as part of a proposal/bid only if accompanied by a waiver that will allow DMA to make paper and electronic copies necessary for the use of DMA staff and agents. It is noted that copyrighted material is not exempt from the Public Records Law, Chapter 119, Florida Statutes. Therefore, such material will be subject to viewing by the public, but copies of the material will not be provided to the public.

4.10 Costs Incurred in Responding

This Invitation to Bid does not commit the Department or any other public agency to pay any costs incurred by the bidder in the submission of a bid or to make necessary studies or designs for the preparation thereof, nor to procure or contract for any articles or services.

4.11 Bid Submission

4.11.1 General: Sealed Proposals/bids will be received until (2:00 PM), local time, on November 14, 2018. **Proposals/bids received after that time and date will not be considered.** By submitting a proposal/bid, the bidder represents that it understands and accepts the terms and conditions to be met and the character, quality and scope of services to be provided. The bidder must use the attached "Bid Sheet" to submit their Proposal/bid. All proposals/bids and associated forms must be signed and dated in ink by a duly authorized representative of the bidder. Each bidder must fully acquaint themselves with the conditions relating to the performance of services under the conditions of this solicitation. Bidder shall submit the original and two (2) copies of the bid/proposal. The ITB number, opening date and time should appear on the envelope of the proposal/bid. **DMA does not currently accept electronic submissions.**

4.11.2 Mail or Deliver Proposals/Bids to: (DO NOT FAX)

Florida Department of Military Affairs
SQM, Purchasing & Contracts
82 Marine Street
St. Augustine, Florida 32084
Attention: Erin Lewis

4.11.3 Modifications, Re-submittal and Withdrawal: Bidders may modify submitted proposals/bids at any time prior to the due date. Requests for modification of a submitted proposal/bid shall be in writing and must be signed by an authorized signatory of the bidder. Upon receipt and acceptance of such a request, the entire proposal/bid will be returned to the bidder and not considered unless resubmitted by the due date and time. Bidders may also send a change in a sealed envelope to be opened at the same time as the bid. The ITB number, opening date and time should appear on the envelope of the modified proposal/bid.

4.11.4 Attachment to ITB Submittal – Confidential Material: The Bidder must include any materials it asserts to be exempted from public disclosure under Chapter 119, Florida Statutes, in a separate bound document labeled "Attachment to Invitation to Bid, Number DMA-ITB - 232- Confidential Material". The Bidder must identify the specific Statute that authorizes exemption from the Public Records Law. Any claim of confidentiality on materials the Bidder asserts to be exempt from public disclosure and placed elsewhere in the proposal will be considered waived by the Bidder upon submission, effective after opening.

4.12 Bid Opening

The sealed bids will be opened by the DMA's Procurement Office personnel at 82 Marine Street, St. Augustine, Florida 32084 on November 14, 2018 at 2:00 PM. All bid openings are open to the public, if you plan on attending the opening, please plan accordingly as parking is limited.

4.13 Identical Evaluation (Tied Score) of Responses

In the event the evaluation/bid process results in identical scores, DMA will select a respondent based on the criteria identified in Rule 60A-1.011 F.A.C. and applicable Florida Law.

4.14 Posting of Intended Award

4.14.1 General: DMA's decision will be posted on the Florida Vendor Bid System at www.myflorida.com, (click on "BUSINESS", click on "Doing Business with the State", under "Everything for Vendors and Customers", click on "Vendor Bid System (VBS)", on November 16, 2018 and will remain posted for a period of seventy two (72) hours. Any bidder who is adversely affected by the DMA's recommended award or intended decision must file protest in accordance with Florida Statute Section 120.57(3).

4.14.2 Inability to Post: If DMA is unable to post as defined above, DMA will notify all bidders by electronic notification on the Florida Vendor Bid System, by mail, and/or by fax.

4.14.3 Request to Withdraw Bid: Requests for withdrawal will be considered if received by DMA, in writing, within seventy two (72) hours after the bid opening time and date. Requests received in accordance with this provision will be granted by the Department upon proof of the impossibility to perform based upon obvious error on the part of the bidder. Bidders that do not withdraw as stated above will forfeit their bid bond, if applicable.

4.15 Award of the Contract

Services will be authorized to begin when the Vendor receives a written document incorporating the terms and conditions of the solicitation, the vendor's proposal/bid indicating the encumbrance of funds, award of the contract and submission of Performance Bond and Insurance certifications. Contract award is contingent upon funding availability.

5.0 Statement of Work

The objective of this solicitation is to award one contract for the purchase and installation of perimeter fencing for the Tavares Readiness Center. Refer to Exhibit I - Aerial Map and site specific description and Exhibit II -specification diagrams.

This requirement is being issued concurrently with seven other solicitations for fencing requirements located throughout the State of Florida. DMA reserves the right to stagger, delay or delete installations based on funding availability and established priority lists. (Current Priority List: 1-Homestead, FL-Southern Region; 2-Brooksville, FL – West Central Region; 3-Brooksville, FL- Northern Region; 4-Titusville, FL – East Central Region; 5-Tavares, FL – West Central Region; 6-Marianna, FL-Panhandle; 7-Crystal River, FL–W Central Region and 8-Deland, FL-East Central Region.) This priority list is subject to change based on actual bids received, funds available, and/or unforeseeable conditions or issues.

5.1 Introduction

The Contractor shall furnish labor, materials, equipment, miscellaneous items as may be necessary to clear impeding vegetation, remove identified old fencing, to obtain required permits and/or licenses required for the complete project and to install a new fencing w/access gates in accordance with the minimum requirements of this Statement of Work.

5.2 Scope of Work

The contractor shall be responsible for the boundary fence per the specifications contained herein. Refer to Exhibit I - Aerial Map and site specific descriptions and Exhibit II - specification diagrams.

5.2.1 General Specifications: The Contractor will be responsible for knowing and complying with federal, state, and local laws pertaining to the project activities, especially concerning licenses and permitting requirements.

- A. It shall be the responsibility of the Contractor to obtain any/all permits or licenses that may apply to the job(s) at no additional cost to DMA.
- B. The Contractor shall be responsible for contacting all utility owners to request that the responsible parties mark their underground utilities or facilities.
- C. Contractor shall be responsible for clearing all vegetation at a maximum of eight inches (8") or less in diameter when measured at 4 feet (4') in height from soil in the area immediately adjacent to the fence and a maximum of 8 feet (8') from fence structure. There will be site specific exceptions based on property abutments. The Contractor will consult with the Project Manager prior to removing vegetation greater than eight inches (8") in diameter. All vegetation cleared from the fence line shall be disposed of offsite at an approved facility in a legal manner.
- D. Disturbance of vegetation not limited to the fence should be avoided. If excessive ground disturbance seems necessary to complete the job, the Contractor should confer with the project coordinator before proceeding.

- E. The Contractor will remove all fencing, barbed wire, and posts from designated areas identified and dispose of said debris offsite at an approved facility in a legal manner.
- F. The Contractor will notify the Project Manager immediately if historical/cultural artifacts are discovered.
- G. The contractor will move concrete barriers and store them at a location designated by the site building manager or a representative.
- H. Contractors that are removing fencing are required to provide some sort of temporary fencing or barrier until the requested fencing is complete. No areas will be left unsecured. The contractor will relay this information immediately to the building manager onsite.

5.2.2 Technical Specifications: The awarded contractor shall provide all labor and materials necessary to complete the perimeter fencing requirements as identified and described herein and further explained in Exhibits I & II. Estimated linear footage may vary up or down when actual measurements are taken. All fencing and gate requirements are explained in Exhibit I. Security barbed wire top chain-link fencing and gates will have anti-ramming cables attached to those areas identified and explained in Exhibit I “ONLY”. Gates for all areas have been specified in Exhibit I.

5.2.2.1 The following is a generic specification and does not release contractor from state, federal or local jurisdictions for the installation of this fence.

Chain Link Fencing: (UFC 4-022-03), UFC-700/701/702/703

- A. Fabric: The standard fence fabric shall be black vinyl, zinc or aluminum-coated steel wire chain-link with mesh openings not larger than two inches per side and a twisted and barbed selvage at top and bottom in accordance with the specifications. Utilize 6-gauge for base perimeter or heightened security zones and 9-gauge for base interior or when joining an existing fence which is already 9-gauge.
- B. Fabric Ties: Only 12-gauge steel ties shall be used. Coating or plating will be electronically compatible with the fence fabric to inhibit corrosion.
- C. Reinforcement: Tension wires shall be installed and interwoven (or affixed with fabric ties) along the top & bottom of the fence for stabilization for the fence fabric.
- D. Fence Height: Chain link fabric shall be 7’ high with an additional 1’ in height composed of 3 strands of barbed wire and as required. The total fence height shall be 8’.
- E. Ground Clearance: Bottom of the fence fabric shall be within two inches of firm soil.
- F. Top Guards: A top guard is an overhang of barbed wire along the top of a fence, facing outward (away from protected site) and upward at approximately at a 45 degree angle.

Top guard supporting arms will be permanently affixed to the top of the fence post to increase the overall height of the fence at least 1 foot. Three strands of 12-gauge barbed wire, equally spaced, shall be installed on the supporting arms.

- G. Fence Post: Shall be ASTM F1043 or F1083 round pipe or square tube and shall be galvanized in accordance with the specifications. Fence post spacing and size (diameter) shall be determined in accordance with chain-link fence manufacturers institute (WLG 2445). Spacing shall not exceed 10'-0 OC. Size (diameter) shall not be less than that specified.

Gates: (UFC 4-022-03), UFC-703

- A. Single cantilever sliding gate should use full support and suspension of gate frame by four rollers secured to two posts inside the restricted area. The gate “will not” exceed 12 ft. When the gate rest parallel to the existing fence, a straight and level line 1.5 times the size of the opening will be made to accommodate when the gate is fully open.

Anti-ramming Cables: (UFC 4-022-03), UFC-710/711/712/713/714,

- A. Reinforce cables shall be US Domestic minimum ¾” 6x19 class wire rope, regulatory lay, extra improved plow steel (EIP), independent wire rope core (IWRC), conforming to ASTM A1023 and galvanized in accordance with ASTM A475 class A, & have a minimum breaking strength of 40,000 pounds (20 tons). Cables with a black vinyl coating shall not be impregnated.
- B. Cables shall be continuous from Deadman to Deadman. No splices in cable shall be allowed. Cable barrier shall be installed between fence post and fence fabric as per plans. U-Bolt shall be installed perpendicular to the lay of the strands of the wire rope and shall be tightened after sag in cable barrier has been removed. Unless indicated otherwise, concrete Deadman spacing shall be at maximum 200’ intervals & turning points (extremal).
- C. Wire rope ends shall terminate around turnbuckles, gate posts or extra heavy-duty wire rope thimbles (At gate). These terminations require 18”, minimum of rope for turn back and a minimum of (4)- clips each (equal spacing).
- D. Contractor shall field verify all dimensions prior to ordering materials.
- E. Deadman shall be installed on the secured side (interior) of the fence: while cables shall be installed on the exterior side of the post.

- F. Provide necessary slack in the cables (Gates only) to allow for full swing of all gate leaves.
- G. Offset Deadman systems from fence line (plan view) to avoid conflict with existing fence post.
- H. Allow epoxy anchor bolts (min 2 days) & concrete Deadman (min 7 days) to cure, prior to applying the loads (installing turnbuckles & straightening cables).
- I. All welding shall be done in accordance with AWAS D1.1. All weld material shall be E70XX electrodes.
- J. Structural steel construction shall be in accordance with the ninth edition of the AISC manual of steel construction for allowable stress design.
- K. Structural steel shall conform to ASTM A36 and shall have a minimum yield stress of 36000 PSI.
- L. All structural steel members and hardware used in cable anchoring system shall be hot-dipped galvanized. Any areas where coating is damaged or removed shall be covered with a zinc rich compound.
- M. Turnbuckles shall be 1 ¼ “x 18”, type 1, galvanized in accordance with ASTM F1145.
- N. Wire rope clamps shall be type 1, galvanized, and conform to FS FF-C-450.
- O. All threaded rods, U-Bolts. And bolts shall conform to ASTM A307 and shall be installed with F844 washers and A563 nuts. Entire bolts assembly shall be galvanized in accordance with ASTM A153. Install per manufacturers recommendations.
- P. Zinc rich compound for repairs shall be 95% metallic zinc, by weight in dried film,; install at least two coats, 4 mils min total thickness.
- Q. All concrete work shall be in accordance with the latest edition of ACI 318. Concrete shall have a minimum 28-day compressive strength of 4000 PSI. The minimum concrete cover shall be 3”, unless otherwise noted.

- R. At cable reinforcing gates, provided= twist – off metal ties to secure cable to gate fabric @ 24 “OC % U-Bolt to secure to gate uprights. Modify as needed to facilitate operation of gate.

5.2.2.2 Warranty: The contractor shall guarantee workmanship and materials for one year from the date of completion and final acceptance. If the project provided materials are covered by extended manufacturer’s warranty, the contractor will provide manufacturer’s warranty documentation.

5.2.3 Contractor Use of Premises:

5.2.3.1 The Contractor will confine operations to areas specified within contract as indicated. Portions of the site beyond areas in which installation/fencing are indicated, are not to be disturbed and may only be assessed as coordinated with DMA’s Site Representative.

5.2.3.2 It is the Contractor’s responsibility to perform all work in a manner that prevents damage to any underground utilities or facilities that exist within and around the proposed fencing perimeter. The Contractor shall take all precautions to prevent any damage within the work area.

Before excavating, boring holes or driving posts into the ground, the Contractor shall be responsible for contacting all utility owners to request that the responsible parties mark their underground utilities or facilities. In the event, the Contractor encounters underground utilities or facilities not previously identified, the Contractor shall stop work at the location and notify the DMA/FLARNG Project Manager.

The Contractor shall be responsible for any fees or charges associated with having the utilities/facilities marked or identified. The Contractor shall be responsible for any damage caused to underground utilities/facilities during the performance of this project and as such shall be responsible for any fees or charges associated with the repairs.

5.2.3.3 The Contractor will keep existing driveways and entrances serving the premises clear and available to the facility personnel at all times; with the exception to the areas designated.

- A. Do not use these areas for parking or storage of materials.

- B. Schedule deliveries to minimize space and time requirements for storage of materials and equipment on site. Proposed storage locations to be approved by the DMA/FLARNG Project Manager, his designee or the Site Representative. NO wood chipping will be allowed onsite in lieu of complete haul off.

5.2.3.4 The Contractor will not dispose of any material on site. It is the responsibility of the contractor to control all generated waste and provide offsite disposal at an approved facility in a legal manner. Waste materials shall be removed from the site daily unless authorized otherwise by the site representative.

5.2.4 Working Hours:

A. Perform work only between the hours of 8:00 a.m. and 5:00 p.m. on weekdays Tuesday through Friday. The facilities are open on alternating Mondays, any work on these days to be coordinated with the DMA/FLARNG Project Manager, his designee or the Site Representative.

B. Work on Saturdays, Sundays, Holidays, or beyond the workday time limits require prior written consent of the FLARNG Project Manager, his designee or the Site Representative and then only in compliance with the DMA/FLARNG Project Manager’s directions. Soldiers are only required to be onsite between the hours of 0800-1700. Any work desired outside these hours must be coordinated with and approved by the facility manager prior to any work initiated to ensure the availability of Soldiers to remain onsite

5.3 On Site Inspections:

There will be an on-site inspection period for all prospective bidders. The on-site inspection period will be held at each site based on the schedule below. The purpose of the site inspection period is to provide prospective bidders the opportunity to become familiar with the site conditions. Note: This is not a mandatory site visit, but vendors that have not taken the opportunity to visit the site previously (Solicitation DMA-ITB-223, which was cancelled), are encouraged to do so.

Site – Address-Contact	Time Period	Date
Tavares Readiness CTR 12408 Woodleaf Rd. Tavares, FL. 32778	9:00-11:00 AM	October 17, 2018

The representatives providing the facility access will NOT answer any questions pertaining to this solicitation. Any questions arising after the site inspection shall be submitted in writing, identifying the submitter, to John Connor and Erin Lewis at the address specified in Sections 1.3/1.4 above or by email to John.D.Connor2.nfg@mail.mil, Rannah.E.Lewis.nfg@mail.mil or by facsimile to (904) 823-0153 by 2:00 PM ET on October 24, 2018. Email inquiries are preferred; however hard copy or facsimile are acceptable. All question and/or changes to the solicitation will be posted on the DMS Vendor Bid System (VBS). It is the prospective vendor’s responsibility to periodically check the VBS. DMA bears no responsibility for any delays, or resulting impacts, associated with a prospective vendor’s failure to obtain the information made available through the DMS Vendor Bid System.

INFORMATION WILL NOT BE PROVIDED BY TELEPHONE. Any information received via telephone shall not be binding on DMA and shall not be relied upon by any prospective bidder.

5.4 Vendor Responsibilities and Deliverables:

The Contractor will supply all personnel, materials, and transportation required to perform the tasks described in this Statement of Work. The Contractor will conduct management and planning functions, perform internal quality control, and conduct all necessary project

management duties to ensure that the project is delivered within budget, on schedule and satisfies the DMA requirements.

5.4.1 The contractor shall provide a written plan of action and schedule which will be the primary facility access schedule. Any changes to the approved schedule will require a minimum of 24 hours' notice to ensure facility access. The plan shall be submitted to the Project Manager for approval within ten (10) days of contract/purchase order award. Written notice may be provided via email communications.

5.4.2 The Contractor shall provide a Performance Bond and Labor and Material Payment Bond(s) in accordance with Section 5.6.3.

5.4.3 The Contractor shall have adequate personnel employed within his/her organization to perform all phases of the contract requirements, excluding authorized subcontractors. Note: Subcontractors and their intend portion of the requirement shall be identified in the bid proposal. Any subcontractor changes during the contracted period of performance will require authorization in accordance with Section 5.8.4.

5.4.4 The Contractor shall furnish labor, materials, equipment, miscellaneous items as may be necessary to clear impeding vegetation, remove identified old fencing, provide and install new fencing with access gates and obtain and provide all permits and/or licenses necessary to complete the project in accordance with the minimum requirements of this Statement of Work.

5.4.5 The Contractor shall clean and dispose of materials and debris from the work area each day of service unless otherwise authorized by the site representative. Upon completion of project the contractor will participate in a visual inspection to confirm that the project has been completed and all debris has been removed from the work site.

5.4.6 DMA shall not be liable or responsible for any accidents, loss of personal property or any other damages that may arise as a result of this contract. Furthermore, the contractor shall agree to indemnify and hold harmless the DMA for any and all claims, demands, lawsuits or any other action arising from the services/labor under this contract.

5.4.7 The Contractor must remain in compliance with all state, local and/or Federal laws currently in effect.

5.5 DMA Responsibilities:

A. DMA staff members/representatives will provide facility access as needed. The contractor's written plan of action and schedule will be the primary access schedule. The Project Manager will provide written notice of acceptance of the plan of action and schedule within five (5) business days of submission. Any changes to the approved schedule will require a minimum of 24 hours' notice. Written notice may be provided via email communications.

B. DMA will assign a project manager as the primary point of contact for length of the project and a site representative at each location for facility access and control.

C. DMA Project Manager or his designee along with the Site Representative will provide visual inspection upon notification from the Contractor that the installation has been completed.

5.6 Performance and Consequences: Includes requirement of Performance Bond

5.6.1 The services shall be scheduled to begin on or about December 3, 2018. The Contractor shall provide a company Point of Contact (POC) to ensure effective communications with the DMA Project Manager or his designee. This information shall include a name, business telephone number, cell phone number, if applicable, and an email address.

5.6.2 On-site work activities must be pre-coordinated and approved by the DMA designated Project Manager or his designee prior to commencement of activities. The Contractor is required to have frequent communication and closely coordinate all work with the DMA Project Manager or his designee to ensure the quality of the work being conducted while on the property.

5.6.3 PERFORMANCE BOND AND LABOR AND MATERIAL PAYMENT BOND- A Performance Bond and Labor and Material Payment Bond(s) shall be required from the Contractor by the DMA for this project. Prior to commencing any work, and within ten (10) days after issuance of a contract/purchase order, the Contractor shall furnish Bond(s) in the amount of 100 percent (100%) of the total contract price to ensure full and complete performance of the contract to the DMA's Purchasing Office to the attention of the Purchasing Director. The bond(s) must state on its front page, the name, principal business address, and phone number of the Contractor, the Surety, the DMA's full name, the contract/purchase order number assigned to the project by the DMA, and a description of the property being improved with a general description of the project. Please note: A Notice to Proceed will not be issued until the Contractor provides DMA with proof of the Bond and that the Bond has been recorded with the County in which the project is located.

5.6.3.1 The Bond(s) shall be issued from a reliable Surety Company acceptable to DMA, licensed to do business in the State of Florida and signed by a Florida Licensed Resident Agent. Bond(s) shall be accompanied by a duly authenticated power of attorney evidencing that the person executing the bonds in behalf of the Surety had the authority to do so on the date of the bond. The cost of the Bond(s) shall be borne by the Contractor.

5.6.3.2 In lieu of a Performance Bond and Labor and Material Payment Bond, DMA may prior approve an alternate form of security in the form of an irrevocable letter of credit. The alternative form of security shall be for the same purpose and be subject to the same conditions as those applicable to the Performance Bond and Labor and Material Payment Bond.

5.6.3.3 Work shall not begin before the DMA receives the Performance Bond and Labor and Material Payment Bond. Failure to provide a Bond(s) may be grounds to find the Contractor in default, which could include; cancellation of the contract, and/or the Contractor's removal from the State's approved Contractor list for future solicitations.

5.6.4 Installation of all fencing projects shall be completed on or before June 15, 2019. DMA anticipates that project completions should take no longer than 180 days from notice to proceed.

5.6.5 In the event the contractor fails to meet the minimum level of service identified in the Statement of Work, DMA will not pay invoices until the work is satisfactorily completed.

5.7 Invoicing and Payment

Payment shall be made in accordance with 215.422 and 287.0585 of the Florida Statutes, which govern time limits for payment of invoices. Invoices that must be returned to the Contractor due to preparation errors will result in a delay in payment.

A. Partial Payments - The contractor may submit partial invoices for up to 50% of the awarded amount for each site as follows:

- 1) 25% - When all brush and debris have been cleared and removed from the site specific facility, obtaining licensing or permits, and posting at facilities.
- 2) 25% - When fencing holes are dug, prepared for installation and fencing materials are delivered and positioned on site.

B. Final Payment - The contractor shall submit a final invoice for the remaining 50% upon completion and acceptance of the completed fencing installation project (including removal of all debris) for the site.

C. The services must be approved by DMA Project Manager and Contract Manager, or his/her designee, prior to payment authorization. Payment may be withheld until such time as all services have been approved by the Project Manager or his/her designee. Each of the eleven cities/sites must be billed separately.

D. The invoice shall contain the facility name, City/Site, ITB number, contract/purchase order number and the vendor's Federal identification number.

5.8 General Requirements

5.8.1. Familiarity and Compliance with Laws: The Contractor is required to be familiar and comply with all Federal, State and Local laws, ordinances, rules and regulations that in any manner affect the work. Ignorance on the part of the Contractor will in no way relieve him from responsibility. Violation of such laws shall be grounds for Contract termination

5.8.2. Permitting: Permitting for this project, if needed, is the responsibility of the Contractor, including costs. A copy of all permits shall be posted at the work site location at all times during the project. The Contractor is responsible for complying with all permit conditions and the Contractor shall pay any penalties arising from the Contractor's permit violations.

5.8.3. Damages to State Property: Any damages to state property (e.g. structures, roads, culverts, fences, trees, or other natural resources) caused by the Contractor while working on this

project shall be the responsibility of the Contractor to remedy, as determined by the DMA. The Contractor shall be responsible for the conduct of all Contractor personnel at all times while on the job site.

Should any historical or cultural artifacts be uncovered, the Contractor shall immediately halt work and notify the Contract Manager. Please note: The State Archeologist has the power to halt work if he or she has reason to believe artifacts are being disturbed.

5.8.4 Subcontracts: The Contractor shall ensure, and provide assurances to the DMA upon request, that any subcontractor selected for work under this Contract has the necessary qualifications and abilities to perform in accordance with the terms and conditions of this Contract.

The Contractor must provide the DMA with the names of any subcontractor considered for work under this Contract; the DMA reserves the right to reject any subcontractor. The Contractor agrees to be responsible for all work performed and all expenses incurred with the project.

Any subcontract arrangements must be evidenced by a written document available to the DMA upon request. The Contractor further agrees that the DMA shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and the Contractor shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract. The Contractor, at its expense, will defend the DMA against such claims.

DMA Right to Reject Subcontractor Employees. The DMA shall retain the right to reject any of Contractor's or subcontractor's employees whose qualifications or performance, in the DMA's judgment, are insufficient.

Subcontractor as Independent Contractor. The Contractor agrees to take such actions as may be necessary to ensure that each subcontractor will be deemed to be an independent contractor and will not be considered or permitted to be an agent, servant, joint venture or partner of the State of Florida.

5.8.5 Information Releases: All submittals, meeting minutes, correspondence, and reports are to be held in the strictest confidence. The release of information (written, electronic, or verbal) pertaining to any aspect of the services is not to be released to the public without written permission from the DMA Contact Manager.

5.8.6 Security: PERFORMANCE OF SERVICES DURING CRISIS DECLARED BY THE NATIONAL COMMAND AUTHORITY OR OVERSEAS COMBATANT COMMANDER: Due to the instability of world events, there may be times during the performance period of this contract that the contractor might be asked to leave the base during higher threat level conditions.

6.0 Bid Submittal

Vendors shall provide a brief description of their company history, which shall include but not be limited to business certifications, number of years in business and other information that may

demonstrate company stability and reliability. Vendors must also include a chronological listing of services completed over the last year, minimum of three required. Provide a brief description of project plan and time lines. (Attachment D)

6.1 Price Sheet: Vendors shall complete the price sheet to proposal/bid (Attachment A). Only prices submitted on the supplied price sheet will be considered. Bid price shall be inclusive of all services, permit & licensing fees, materials, equipment and labor. Document must be signed and returned. Award is contingent upon funding availability.

6.2 Reference Sheet: Vendor shall provide three references. (Attachment B) – Must be completed and returned providing verifiable references.

6.3 Drug Free Workplace: Attachment “C” Drug-Free Workplace Compliance Form must be signed and returned.

6.4 Minimum Qualifications Statement: Vendors shall provide a brief description of their work history, which shall include, but not be limited to, business certifications, number of years in business and other information that may demonstrate company stability and reliability. Vendors must also identify and provide information on five (5) previous projects similar in nature to this fencing requirement. (Attachment D)

6.5 Vendor Certification Regarding Scrutinized Companies Lists: Attachment E must be signed and returned.

6.6 Attachment F – Bid Bond Surety & Performance Bond Forms

6.7 Vendor Checklist: Provided for convenience. (Attachment G)

DRUG-FREE WORKPLACE PROGRAM CERTIFICATION**

Procurement No. DMA-ITB-232 - Perimeter Security Fencing- Tavares

I, _____,
(Name) (Title)

of, _____ hereby certify that this firm has implemented
(Name of firm)
a drug-free workplace program in accordance with the provision of Section 287.087, Florida Statutes.

(Signature) Date: _____

287.087 Preference to businesses with drug-free workplace programs. Whenever two or more bids, proposals, or replies that are equal with respect to price, quality, and service are received by the state or by any political subdivision for the procurement of commodities or contractual services, a bid, proposal, or reply received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. In order to have a drug-free workplace program, a business shall:

- (1) Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
- (2) Inform employees about the dangers of drug abuse in the workplace, the business' policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
- (3) Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).
- (4) In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than 5 days after such conviction.
- (5) Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community by, any employee who is so convicted.
- (6) Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

VENDOR CERTIFICATIONS**

Certification Regarding Scrutinized Companies Lists

Section 287.135, Florida Statutes, prohibits agencies from contracting with companies, for goods or services over \$1,000,000, that are on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. Both lists are created pursuant to section 215.473, Florida Statutes.

As the person authorized to sign on behalf of Respondent, I hereby certify that the company identified above in the section entitled "Respondent Vendor Name" is not listed on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. I understand that pursuant to section 287.135, Florida Statutes, the submission of a false certification may subject company to civil penalties, attorney's fees, and/or costs.

Certification of Employment Eligibility Verification

Employment Eligibility Verification: Executive Order 11-02, signed January 4, 2011, by the Governor of Florida, requires contracts to expressly require that Vendor utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of:

- (a) All persons employed during the Contract term by Vendor to perform employment duties within Florida; and,
- (b) All persons (including subcontractors) assigned by Vendor to perform work pursuant to this Contract, i.e., the Vendor must require its subcontractors to utilize the E-Verify system for its employees assigned to this Contract.

E-Verify is an Internet-based system that allows an employer, using information reported on an employee's Form I-9, Employment Eligibility Verification, to determine the eligibility of all new employees hired to work in the United States. There is no charge to employers to use E-Verify. The Department of Homeland Security's E-Verify system can be found at:

http://www.dhs.gov/files/programs/gc_1185221678176.shtm

I, _____,
