- g. scanning and indexing hard copy title reports into eTitle, color plotting and color scanning of parent tracts (parcel under search) on aerial atlas maps, tax maps and/or right of way maps

4.23 Document Preparation

The consultant may be requested to provide the District with document preparation services. The documents to be prepared will be related to acquisitions, conveyances, satisfactions, releases, or any other document(s) necessary for the District to obtain clear and marketable title.

5.0 CONTRACTOR RESPONSIBILITIES

5.1 Coordination with the Department

5.1.1 All aspects of this **CONTRACT/AGREEMENT** and/or of each authorization or task shall be coordinated through the **Department's Project Manager, District Right of Way Surveyor (or his/her designee)**. All authorizations and approvals shall be in writing and executed by the **DEPARTMENT** prior to the commencement of work.

The **Project Manager** is Cristina Albury, PSM.

Located at:

Florida Department of Transportation
Right-Of-Way Engineering
1000 Northwest. 111th Avenue
Room 6212A
Miami, Florida 33172
Telephone (305) 470-5458.

The following **person** in addition to the **Department's Project Manager and the District Right of Way Surveyor** is authorized to issue Letters of Authorization initiating services under this **CONTRACT/AGREEMENT**:

Marlene Fadragas Title & Document Specialist

5.1.2 In the **Department's Project Manager** temporary absence from the office, the **District R/W Surveyor** shall authorize another individual to perform the **Department's Project Manager's** duties.

5.1.3 The **District R/W Surveyor** may replace the **Department's Project Manager (or his/her designee)** at any time during the term of this **CONTRACT/AGREEMENT**.

5.2 Service to be provided

5.2.1 The **CONTRACTOR** shall be responsible for the contractual services being performed/provided by the **CONTRACTOR** as described in this **CONTRACT/AGREEMENT**. These responsibilities shall be carried out through planning, assignment, coordination, inspections, quality control, field operations, reporting, and other forms of administrative management required to optimize services and support in compliance with terms specified in this **CONTRACT/AGREEMENT**.

5.2.2 The **CONTRACTOR** certifies that the services that they shall provide under this **CONTRACT/AGREEMENT** shall include, but not be limited to any of the following **which are applicable**: those operations necessary for mobilization, the movement of personnel, equipment, supplies, expertise, incidentals, permits, notifications, and fees associated with such notifications, if any. These services will be required on an as-needed basis with no minimum amount of work guaranteed.

5.2.3 The **CONTRACTOR** shall furnish to the Florida Department of Transportation (FDOT) the services required at the rates that are depicted in the **Exhibit "C" Price Proposal** attached hereto and made a part hereof.

5.2.4 The **CONTRACTOR** agrees to bill the **DEPARTMENT** for the services provided at the rates established in the **Exhibit “C” Price Proposal/Bid Blank**. Pay rates include overhead, profits, travel, administrative expenses, materials, equipment, insurance, bonding and all other incidentals and all direct and indirect costs required to complete the contractual services under this **CONTRACT/AGREEMENT**.

5.2.5 If the procedural regulations referenced herein are revised or superceded before the services by the **CONTRACTOR** are rendered, compliance with the most up-to-date version and/or amendments/statutes will be required.

5.2.6 The consultant must have the appropriate amount of staff, resources, technological capabilities, experience and ability to provide said services. The consultant must be able to follow out and plot complex legal descriptions and determine whether an instrument of record impacts the property under search. The consultant will be responsible for providing a full search and examination (**beginning from the earliest public record**) in order for the District to obtain clear and marketable title, unless the Project Manager requests otherwise. The consultant will be responsible for discovering and disclosing the record title holder and all instruments related to the subject property which create or purport to create an interest in, a lien against, an encumbrance and/or potential encumbrance, clouds, judgments and defects for the subject property under the examination of title.

All work shall be coordinated with the District and will be subject to review. The consultant must be able to provide the subject services to the District by the date specified on each work order.

The consultant must establish and implement a quality assurance review plan on all products to be delivered to the District. The consultant must respond to comments and any resolution meetings as required. It shall be the responsibility of the consultant to utilize professional judgment, practices and principles during the performance of the work commissioned under this contract. The consultant shall be aware that as the project develops, certain modifications and/or additional information may be required which may result in additional work to be performed by the consultant and provided to the District.

The consultant shall demonstrate good project management practices. These include timely communication, resources, accurate tracking of funds, financial records, invoices, contract amendments, contract supplemental(s), overall professional accounting practices, etc. The consultant shall be responsible for setting up and maintaining records of all work order transactions, e.g., correspondence, quality assurance reviews, meeting minutes, etc. As necessary, the consultant must have the ability to reproduce any reports, documents, products, electronic files, etc.

5.3 Requirements for Services to be Provided

5.3.1 Requirements for Title Search Report

5.3.1.1 The Title Search Report **MUST** contain the certification of the Abstractor and include all attachments as herein required.

5.3.1.2 Each Report shall reflect the complete parent tract legal description of the determined subject parcel on the typewritten report.

5.3.1.3 Every copy of the Title Report must cite all parties involved in every instrument reported, date of instrument, filing date, book and page of the

instrument, all instruments referenced by another, and all pertinent remarks which help in deciphering the purpose of the instrument.

5.3.1.4 If the subject parent tract does not exactly match the legal description on the document of conveyance, documentation must be shown as to that difference (e.g., right-of-way conveyance, sell-off parcel, etc.).

5.3.1.5 Each title search report must be assigned a unique search number and shall reflect the Department's Section (Project) Number, State Road Number and local name, if known, W. P. I. Number, F.A. P. Number and F.I.N. Number when applicable.

5.3.2 Requirements for Recertification and Updates

5.3.2.1 Each report must include attachments of all the instruments, including encumbrances affecting the subject parcel since the original search or most recent updated.

5.3.2.2 It must also include the acquisition document(s).

5.3.2.3 Each report must reflect the complete legal description of the subject parent tract on the report. If the subject parent tract does not exactly match the document of conveyance, documentation must be shown as to the difference (e.g., right of way conveyance, sell off parcel, etc.).

5.3.2.4 The **CONTRACTOR** may be requested to update a report from prior **CONTRACTOR**. If the present **CONTRACTOR** has knowledge of errors, and/or omissions in the prior report, the present **CONTRACTOR** is required to contact the **Department's Project Manager, District Right of Way Surveyor (or his/her designee)** immediately. A decision on how to proceed with correcting the errors and/or omissions will be made by the **Department's Project Manager, District Right of Way Surveyor (or his/her designee)**

5.3.3 Requirements for Ownership Search

5.3.3.1 Each ownership search shall include a complete legal description of the subject parent tract, and legible and complete copies of all instruments relative to the search.

5.3.3.2 If the subject parent tract does not exactly match the legal description on the document of conveyance, documentation must be shown as to that difference (e.g., right-of-way conveyance, sell-off parcel, etc.).

5.3.3.3 Name / personal judgment searches must also be done for an ownership report. Judgments or liens are to be reported, including divorces, certificated of death, corporate merges, etc. that are required in order to accurately report the present title holder of a parent tract.

5.3.4 Requirements for Parent Tract Parcel

5.3.4.1 Noncontiguous lots within a subdivision or acreage under a single ownership will be considered separate parcels and separate reports must be prepared. The exception to this is when the noncontiguous real property has been acquired through the same acquisition document. Then one title report must

be prepared.

5.3.4.2 For invoicing purposes, if research indicates that the real properties have separate and distinct chains of title then each chain of title may be considered as a separate parcel for the purposes of payment only.

5.3.4.3 Only one report will be prepared showing the documentation of said separate chains of title under the heading of “**TITLE HISTORY**”. No exception to a Title History report will be granted in a multiple billing for one (1) report.

5.3.5 **Specific Requirements:**

5.3.5.1 **Contiguous Lands**

5.3.5.1.1 All contiguous lands held by record owner is to be researched and considered one (1) report despite whether or not it lies outside the requested area. Subject to PARCEL definition in Section 4.0 indicated above.

5.3.5.1.2 Each Report must contain complete information regarding all open encumbrances and potential encumbrances for all contiguous lands held by record owner. An exception may be made, but only after notification from the **CONTRACTOR** to the **Department’s Project Manager, District Right of Way Surveyor (or his/her designee)**. Any exceptions to full parent tract reporting is solely the decision of the **Department’s Project Manager, District Right of Way Surveyor (or his/her designee)**.

5.3.5.2 **Attachments to Reports**

5.3.5.2.1 Each title search report must include **legible** copies of all instruments which are listed on the Title Report. **Copies of Plats must be included. See Attachment 2 to Exhibit “A”, Scope of Services – Copy of Plat**

5.3.5.2.2 Copies of an instrument shown within the report which refers to another instrument, such as a Deed referencing a Mortgage, must be included within the report, unless said referenced instruments has been satisfied or released. The Abstractor must note on the title search report that the instrument has been released and a copy of the release, satisfaction, or termination document must be included.

5.3.5.2.3 Every type of report (Title Report, Update, Ownership, etc.,) must cite all parties involved in every instrument reported, date of instrument, filing date, book and page of the instrument, all instruments referenced by another, and all pertinent remarks which help in deciphering the purpose of the instrument.

5.3.5.3 **Additional Documentation**

5.3.5.3.1 Copies of additional documentation may be requested by the **DEPARTMENT** or the **Department’s Project Manager,**

District Right of Way Surveyor (or his/her designee) when it is necessary to obtain further information in order to clearly define the boundaries of parcels or the full extent and nature of encumbrances and/or ownership.

5.3.5.3.2 The additional copies, along with any research, will be considered part of the original research by the **CONTRACTOR** and will be delivered in a timely manner at no additional cost to the **DEPARTMENT**.

5.3.5.4 Documentary Stamps

State and Federal Documentary Stamps (where applicable) shall be shown on all written reports for all conveyances listed in the search.

5.3.5.5 Record Owner

5.3.5.5.1 Each title report must determine and reflect the exact way title is held; including the full name, marital status (if it can be determined), type of corporation (e.g., a Florida corporation), and the present address of the present fee title holder of record.

5.3.5.5.2 A complete examination of documents of record, including Probate and Divorce Settlements, must be done.

5.3.5.5.3 It is the responsibility of the **CONTRACTOR** to determine how fee title is held, and to show all documentation.

5.3.5.5.4 The report must be prepared as if a Title Insurance Policy was to be issued and closing documents were to be prepared.

5.3.5.6 Title History

5.3.5.6.1 A Title History must be shown within all Title Reports. This history must report all of the documents of conveyance going back to the earliest public records available. This includes judgments, divorces, probate documents, mergers, etc. which clearly determines the fee simple title chain. Right of Way dedications and Easements should be reported to the earliest public County records. Right of Way dedications often appear in conveyance documents such as deeds found in the earliest public records.

5.3.5.6.2 A **"NOTE"** must be made on the report, citing the following: **"A full chain of title has been run on the subject property dating back to the earliest public records available"**, if that was requested.

5.3.5.7 Reporting Conveyance

5.3.5.7.1 For each conveyance, the report must clearly reflect the name(s) of the parties, the type of deed or document transferring title, the date of execution, filing dates of transfer, and book and page of recordation.

5.3.5.7.2 When a reported conveyance contains a reference to another recorded instrument, the referenced instrument must be included and marked "**SHOWN FOR REFERENCE**".

5.3.5.7.3 If the referenced instrument has been released then a copy of the release, satisfaction, termination, etc. which relates to the referenced instrument must be reported.

5.3.5.8 Reporting Encumbrances:

All encumbrances and potential encumbrances to the title of a parcel shall be reported completely. The names of presidents and secretaries of corporations shall be reported if available. The following are specific requirements on certain types of encumbrances:

5.3.5.8.1 Easements

A complete copy of the recorded easement shall be shown within the title search.

5.3.5.8.2.2 Tax sales certificates and all exemptions, type and amount, must be cited.

5.3.5.8.2.3 The Tax Folio Number (Property Control number) must be reflected on the title report and must include the amount paid or due.

5.3.5.8.2.4 The year of the taxes, exemptions, the amounts of the exemptions, the names of parties holding the tax sales certificates, etc. must be typed on the reports.

5.3.5.8.3 Oil, Gas and Mineral Rights

All leases, deeds and/or royalty transfers which include any surface rights shall be reported.

5.3.5.8.4 Reservations

5.3.5.8.4.1 All **TRUSTEE INTERNAL IMPROVEMENT TRUST FUND** Reservations, including Murphy Act; rights in reserve; reversionary clauses; life estates; etc. must be reported in detail.

5.3.5.8.4.2 The exact extent of the reservations and the deed number, where used, must be shown.

5.3.5.8.5 Individual and Corporate Name Search

5.3.5.8.5.1 Each Title Report must report all certified

judgments within a twenty (20) year period against the present title holder.

5.3.5.8.5.2 All pertinent affidavits, certificates of death, divorces, corporate information, etc. must be shown as to fee owners, mortgagees, and other lien holders.

5.3.5.8.5.3 All corporations must be researched and name changes, mergers, corporate statuses, including officers and general partnerships, etc. be reported. This includes mortgagees named in documents.

5.3.5.8.5.4 Detailed information must be supplied in order for the **DEPARTMENT** to prepare closing documents and contact all those parties holding an interest in the parent tract.

5.3.5.8.6 **Leases**

All Leases, Assignment of Leases, and Termination of Leases must be reported. All pages of the instruments must be included within the report.

5.3.5.8.7 **Mortgages**

4.3.5.8.7.1 All mortgages encumbering the parent tract must be reported.

5.3.5.8.7.2 All mortgages must include pertinent information as described within this scope of services, Title Search Requirements.

5.3.5.9 **Estates**

When the owner is deceased, the Title Search report shall show:

5.3.5.9.1 Death Certificate, if applicable.

5.3.5.9.2 If probate proceedings have been initiated, the following items, if available, shall be included:

5.3.5.9.2.1 Life Estates must be reported.

5.3.5.9.2.2 The will and any codicils. Case Number

Any changes to the **CONTRACTOR'S** Project Manager or any of the other indicated personnel in charge of the work shall be subject to review and approval by the **DEPARTMENT** in writing before performing any billable services.

5.14 Contractor's Warranty

5.14.1 The **CONTRACTOR** warrants to the **DEPARTMENT** that all services, work materials and supplies (if applicable) furnished under this **CONTRACT/AGREEMENT** shall be free from defects in material and/or workmanship upon delivery, and shall be performed in a competent, good workmanlike manner and in accordance with good trade practices and local, state and federal codes.

5.14.2 The **CONTRACTOR** agrees that satisfactory completion of each job assignment will be performed and approved by the **DEPARTMENT** and/or the **Department's Project Manager, District Right of Way Surveyor (or his/her designee)** before the **DEPARTMENT** and/or the **Department's Project Manager, District Right of Way Surveyor (or his/her designee)** approve and process the **CONTRACTOR'S** invoices for payment.

5.14.3 If any failure to meet the foregoing warrant appears the **CONTRACTOR** will, upon written notification, either correctly re-perform the service identified, replace the defective material supplied, or credit the **DEPARTMENT** for the services not performed. The **Department's Project Manager, District Right of Way Surveyor (or his/her designee)** shall have the right to determine which course of correction should be taken. The risk of loss to any equipment being repaired or replaced shall be the responsibility of the **CONTRACTOR** having possession or control of the equipment at the time of the loss.

6.0 CONTRACT ADMINISTRATION

6.1 Delivery

Delivery of Title Search Reports under the provisions of this agreement shall be at intervals agreed to by the **Department's Project Manager, District Right of Way Surveyor (or his/her designee)** and the **CONTRACTOR**. Such reports must be received and accepted in writing by the **Department's Project Manager, District Right of Way Surveyor (or his/her designee)**.

6.2 Reviews

Throughout the term of the **CONTRACT/AGREEMENT**, the **DEPARTMENT** and/or the **Department's Project Manager, District Right of Way Surveyor (or his/her designee)** may conduct reviews of the work performed by the **CONTRACTOR** to verify that the project control and management procedures are assuring project performance with reasonable conformity with **DEPARTMENT** policies, specifications, and **CONTRACT/AGREEMENT** provisions. The **CONTRACTOR** will assist the **DEPARTMENT** and/or the **Department's Project Manager, District Right of Way Surveyor (or his/her designee)** in these reviews.

6.3 Correction of Deficiencies

When deficiencies are indicated in a review, the **CONTRACTOR** will immediately implement remedial action to eliminate the deficiencies. Remedial actions may include further training of the **CONTRACTOR'S** personnel (in scope and/or frequency), subdivision of staff responsibilities, addition of staff, or replacement of personnel whose performance is considered inadequate.

6.4 Financial Consequences

6.4.1 Failure to resolve these discrepancies within a reasonable time frame may result in **CONTRACTOR** placement in non-compliance status as described in the Non-Compliance sections of this **CONTRACT/AGREEMENT** and the Florida Department of Transportation Contractual Services Standard Agreement.

6.4.2 Failure by the **CONTRACTOR** to comply with safety requirements accordance with **OSHA (Occupational Safety and Hazard Act [Administration])**, those identified by the **DEPARTMENT** or the **Department's Project Manager, District Right of Way Surveyor (or his/her designee)**, those stated in this **CONTRACT/AGREEMENT** and those that may later be added, shall result in the immediate suspension of work, **CONTRACTOR** placement in non-compliance status and/or **CONTRACT/AGREEMENT** termination.

6.4.3 Failure by the **CONTRACTOR** to comply with the rules and regulations stated in this **CONTRACT/AGREEMENT** and those that may later be added shall result in the immediate suspension of work, **CONTRACTOR** placement in non-compliance status and/or **CONTRACT/AGREEMENT** termination.

6.4.4 The parties recognize that timely performance by the **CONTRACTOR** is of the essence. Should the **CONTRACTOR** fail to perform the work specified in this **CONTRACT/AGREEMENT** and cause the **DEPARTMENT** to intervene to complete the work as specified, all costs incurred by the **DEPARTMENT** shall be charged to the **CONTRACTOR** and shall result in the immediate suspension of work, **CONTRACTOR** placement in non-compliance status and/or **CONTRACT/AGREEMENT** termination.

6.4.5 If the **DEPARTMENT** and/or the **Department's Project Manager, District Right of Way Surveyor (or his/her designee)** determines that the performance of the **CONTRACTOR** is not satisfactory, the **DEPARTMENT** may terminate this **CONTRACT/AGREEMENT** as described in Section 6, of the **State of Florida Department of Transportation Contractual Services Standard Agreement**. Any necessary default action will be processed in accordance with the Department of Management Services Rule 60A-1.006(3).

6.4.6 In either event, intervention or default, all payment to the **CONTRACTOR** shall stop during the time involved and the **DEPARTMENT** shall hold all payment due to the **CONTRACTOR** until cost to the **DEPARTMENT** is satisfied. The **DEPARTMENT** reserves the right to deduct such costs from any payment due to the **CONTRACTOR**.

- 6.4.7 If the **CONTRACTOR** fails to comply with the provisions of the section entitled **CONTRACTOR Responsibilities** in this **CONTRACT/AGREEMENT** and it is not immediately corrected, the **DEPARTMENT** shall construe that the **CONTRACTOR** is in non-compliance and shall result in the immediate suspension of work, **CONTRACTOR** placement in non-compliance status and/or **CONTRACT/AGREEMENT** termination.
- 6.4.8 If at any time during the course of this **CONTRACT/AGREEMENT** the **DEPARTMENT** or the **Department's Project Manager, District Right of Way Surveyor (or his/her designee)** brings to the attention of the **CONTRACTOR** a violation of any of the sections in this **CONTRACT/AGREEMENT** and the violation is not corrected within twenty four (24) hours the **DEPARTMENT** shall construe that the **CONTRACTOR** is in non-compliance and shall result in the immediate suspension of work, **CONTRACTOR** placement in non-compliance status and/or **CONTRACT/AGREEMENT** termination.
- 6.4.9 If the **CONTRACTOR** repeats any violation of this **CONTRACT/AGREEMENT** more than three (3) times the **DEPARTMENT** shall construe that the **CONTRACTOR** is in non-compliance and shall result in the immediate suspension of work, **CONTRACTOR** placement in non-compliance status and/or **CONTRACT/AGREEMENT** termination. Repeated failure to provide adequate or complete title search products constitutes a repeated violation of this **Contract/Agreement**. Although not mandatory, if the **Department** chooses to notify the **Contractor** in writing of a repeated violation, then upon the third such repeated violation the **DEPARTMENT** shall construe that the **CONTRACTOR** is in non-compliance which shall result in the immediate suspension of work, **CONTRACTOR** placement in non-compliance status and/or **CONTRACT/AGREEMENT** termination.
- 6.4.10 The **DEPARTMENT** shall at all times throughout the term of the **Contract/Agreement** retain the sole right and responsibility of choosing the work assignment which the **Department** deems appropriate for the **Contractor**. This choice of assignment shall be within the Department's sole discretion, although it may be based on past performance by the Contractor.

6.5 Project Records

The **CONTRACTOR** shall maintain complete and accurate project records, in hard copy of all activities and any other events relating to the **CONTRACT/AGREEMENT**.

6.6 Documentation of Uncompleted Work

The **CONTRACTOR** shall document any uncompleted work and provide copies to the **Department's Project Manager, District Right of Way Surveyor (or his/her designee)** within one (1) business day that the work was supposed to be completed.

6.7 Additional Work

6.7.1 In the event that the **DEPARTMENT** or the **Department's Project Manager, District Right of Way Surveyor (or his/her designee)** request additional work not covered under this **CONTRACT/AGREEMENT**, a Supplemental Agreement signed by both the **CONTRACTOR** and the **DEPARTMENT** shall be executed and a Letter of Authorization issued prior to any additional work being undertaken.

6.7.2 The **CONTRACTOR** shall work closely with the **DEPARTMENT** or the **Department's Project Manager, District Right of Way Surveyor (or his/her designee)** in developing services for any additional work. The original **CONTRACT/AGREEMENT** may be amended to include any additional services required within the intent of the original **CONTRACT/AGREEMENT**.

- 6.7.3 Before making any additions or deletion to the work described in this **CONTRACT/AGREEMENT**, and before undertaking any changes or revisions to such work, the parties shall negotiate any necessary cost changes and shall enter into a Supplemental Agreement covering such work and compensation. Reference herein to this **CONTRACT/AGREEMENT** shall be considered to include any Supplemental Agreement(s).
- 6.7.4 The **DEPARTMENT** or the **Department's Project Manager, District Right of Way Surveyor (or his/her designee)** may authorize any unforeseen work which is essential to the satisfactory completion of the completion within the intent of the original scope of work. No unforeseen work shall be performed by the **CONTRACTOR** without prior authorization.
- 6.7.5 Any excess beyond the total **CONTRACT/AGREEMENT** amount shall require a Supplemental Agreement supplied by the **DEPARTMENT** and signed by both parties prior to the work being performed. Supplemental Agreements may extend the **CONTRACT/AGREEMENT** price beyond the original **CONTRACT/AGREEMENT** limit if approved by the **DEPARTMENT** or the **Department's Project Manager, District Right of Way Surveyor (or his/her designee)**. Execution of this Supplemental Agreement does not guarantee that the work will be authorized.

6.8 Status Report

The **CONTRACTOR** if required by the **Department's Project Manager, District Right of Way Surveyor (or his/her designee)** shall supply a status report consisting of all completed activities to the **DEPARTMENT** or the **Department's Project Manager, District Right of Way Surveyor (or his/her designee)** during the entire **CONTRACT/AGREEMENT** commencing with the **CONTRACT/AGREEMENT** Notice-to-Proceed. The report shall include a detailed description of the services performed including all special requirements. The report shall also include plans of action to correct any present or anticipated problems.

7.0 SUSPENSION OF WORK

- 7.1 The **DEPARTMENT** or the **Department's Project Manager, District Right of Way Surveyor (or his/her designee)** may suspend the contractual services being performed/provided by the **CONTRACTOR** as described in this **CONTRACT/AGREEMENT**, wholly or in part, for such period or periods as may be deemed necessary due to natural causes, or construction in areas or for any other reason deemed necessary by the **DEPARTMENT** or the **Department's Project Manager, District Right of Way Surveyor (or his/her designee)**.
- 7.2 Work shall also be suspended at the discretion of the **DEPARTMENT** or the **Department's Project Manager, District Right of Way Surveyor (or his/her designee)** at such time that the **CONTRACTOR** fails to comply with any or all provisions in this **CONTRACT/AGREEMENT**.
- 7.3 The **CONTRACTOR** shall not be entitled to extra compensation or adjustments to the **CONTRACT/AGREEMENT** proposal prices because of suspension or deletion of work caused by the condition described in this section. Suspension of work shall be ordered by the **DEPARTMENT** or the **Department's Project Manager, District Right of Way Surveyor (or his/her designee)** in writing, giving the reason for the suspension. The invoice payments shall be adjusted accordingly.

8.0 DEPARTMENT RESPONSIBILITIES

- 8.1 The **DEPARTMENT** shall provide a Project Manager (or his/her designee) to provide communication between the **CONTRACTOR** and the **DEPARTMENT**.
- 8.2 The **DEPARTMENT** and/or the **Department's Project Manager, District Right of Way Surveyor**

(or his/her designee) shall initiate a pre-start meeting to provide specifications for services to be provided and answer any questions the **CONTRACTOR** might have prior to such time as a Notice to Proceed is delivered to the **CONTRACTOR**.
