ADDENDUM – 1 -

****This serves as notice to all potential vendors and the public that due to the outbreak of COVID-19 and the mandated closure of state buildings to visitors until April 19, 2020, the public opening of this ITB will be conducted via teleconference. Potential vendors and the public are provided access to this public opening utilizing the below conference number:**

Dial-In Teleconference: 1 (888) 585 – 9008

Conference Room Number: 573-493-283 then # and follow prompts

Residents in the State of Florida who are hearing, sight or speech impaired, please contact Florida Relay at 1 (800) 955 – 8771 or via <https://www.ftri.org/relay> for assistance.

3.2 Current Need

Installation, repairs and replacements needed as follows:

- Section 1: From corner to gate + 2 panels to the right, approximately 22'. Gate is 7' tall X 48" wide and must be replaced.
- Section 2: Approximately 20' repair wire rail, line post and approximately 80' to be replaced.
- Section 3: 95% destroyed. Approximately 250' in length to be replaced.
- Section 4: 115' in length. 1st set of gates (closest to Sunland) to be replaced with fencing. 2nd set of gates to remain as is.
- Section 5: Approximately 80' of fencing and 40' of razor wire hanging down to be repaired.
- Section 6: Approximately 20' of razor wire to be repaired. No fence repair in this section.
- Section 7: ~~Replace corner to corner~~, demo and replace 80' and 4 panels of top rail.
- Section 8: ~~Replace corner to corner~~ – replace 4 top rails, 11' of razor wire plus 11' of fence to be replaced with existing posts.
- Section 9: Replace from edge of gate to corner. Gate does not need to be repaired.
- Section 10: Replace 20' razor wire, 6 panels of top rail, demo 33' of fence and replace with new and replace 1 post

Note: These measurements are not exact, and vendors are cautioned to visit the site and physically measure prior to submitting a bid. Vendors who fail to perform personal measurements and are awarded the bid will not be allowed to increase their cost based on the failure to fully validate the site and its conditions. **NOTE:** this is a secure facility and the only opportunity vendor will have to visit the site prior to bid submissions is during the official Site Visit as specified in Section 4.3.

ADDENDUM – 1 -

Questions and Answers: See vendor submitted questions and the Agency official answers.

	REFERENCE	QUESTION	ANSWER
1		Would you be willing to release the project allocation allowance expected for IT 19/20-016?	Budget is anticipated between \$45,000 - \$65,000.
2		Are there bonding requirements for the project?	No
3	4.3	What is the bid submittal due date?	See amended Section 4.2 above.
4	7.33	What are the requirements for background checks for personnel working at the jobsite? If any, who provides the background checks i.e. does the awarded Company provide the background checks or is the Agency for Persons with Disabilities responsible?	See Section 7.33. Awarded vendor is responsible for performing and paying for all the required background checks.
5	3.2	Could you share the expected measurements for the line posts, corner posts, gate posts and top/middle/bottom rail?	Vendor are responsible for determining the appropriate size for the posts, gate posts and rails.
6		I attended the pre bid yesterday for the fence repair bid and have a question. In looking over the documents, I did not see anything saying that you would be requiring a bid bond which is normally required by the state for any job over 50k and need to know if you are going to require this? I also need to know if a performance bond or a payment bond will be required if we should be awarded the job?	See question #2

To the extent this Addendum gives rise to a protest, failure to file a protest within the timer prescribed in Subsection 120.57(3), Florida Statutes, or failure to post the bond or other security requirement by laws within the time allowed for filing a bond shall constitute a waiver of proceedings under Chapter 120, Florida Statutes.
