Pursuant to section 215.985(14), F.S., the Department of Financial Services (DFS), has developed a web-based system that provides information and documentation about government contracts called the "Florida Accountability Contract Tracking System" or "FACTS." DEO will attempt to afford protection from disclosure of any trade secret as defined in section 812.081(1)(c), F.S., or section 688.002, F.S., where identified as such in the reply, to the extent permitted under section 815.045, F.S., or section 288.075, F.S., and Chapter 119, F.S. Each Respondent acknowledges that the protection afforded by section 815.045, F.S., is incomplete, and hereby agrees that no remedy for damages may arise from any disclosure by DEO.

DEO takes its public records responsibilities under Chapter 119, F.S., and Article I, Section 24 of the Florida Constitution, very seriously. **If a Respondent considers any portion of the documents, data or records submitted in response to this solicitation to be exempted by law from disclosure as a public record, the Respondent must also provide DEO with a separate Redacted Copy of its proposal, in hard copy and on a CD ROM, at the time of proposal submission.**

This Redacted Copy shall contain DEO's solicitation name, number, and the name of the Respondent on the cover, and shall be clearly titled "Redacted Copy." The Redacted Copy shall be provided to DEO at the same time the Respondent submits its proposal to the solicitation and must only exclude or obliterate those exact portions which are exempted by law from public disclosure. **Each individual portion of the Redacted Copy that Respondent asserts is confidential must contain a citation to the specific law making the content of the redacted portion confidential.**

If it is determined that the proposal does not contain any information which is exempted by law from public disclosure, please provide as part of the proposal, a written statement to that effect which is executed by an authorized representative of the Respondent's company with legal authority to make this determination on behalf of the Respondent.

Respondent shall protect, defend, and indemnify, save and hold harmless, DEO from any and all claims, demands, liabilities and suits of any nature arising out of, because of, or due to failure of DEO to release information redacted by the Respondent, and to further indemnify DEO for any other loss DEO incurs due to any claim being made against DEO regarding portions of its Redacted Copy being confidential, proprietary, trade secret or otherwise not subject to disclosure.

If Respondent fails to submit a Redacted Copy with its proposal, DEO is authorized to produce the entire document(s), data or records submitted by Respondent in answer to a public records request.

Confidential clients shall not be included. **Do not list DEO as a client reference (as explained below, if Respondent has performed work as a prime contractor of DEO during the timeframe specified above, DEO will be one of the two clients selected for contact). Proposals that list DEO as a client reference will result in the Respondent receiving a score of zero (0) points for the Past Performance References section of the evaluation criteria.**

The same client may not be listed for more than one (1) reference (for example, if the Respondent has completed a project for the Florida Department of Transportation – District One and one project for the Florida Department of Transportation – District Two, only one of the projects may be listed because the client, the Florida Department of Transportation, is the same).

In the event that the contact person cannot be reached following the specified number of attempts, the Respondent shall receive a score of zero (0) for that reference evaluation. DEO **will not** attempt to correct incorrectly supplied information and **will not** select a replacement for a non-responding reference.

Failure to provide the required information for a minimum of three (3) separate and verifiable clients in the spaces provided on Attachment A or failure to provide the required information for each reference shall result in the Respondent receiving a score of zero (0) for the Past Performance section of the evaluation criteria.

Section 287.087, Florida Statutes, provides that, where proposals which are equal with respect to price, quality, and service are received, preference shall be given to a proposal received from a respondent that certifies it has implemented a drug-free workforce program. 1. In the Proposal Preparation Phase, the Respondents will prepare and submit a proposal to the Procurement Officer based on the requirements identified previously in Section C of this RFP and any addenda to the RFP.
2. In the Evaluation Phase, an evaluation team will evaluate and score the proposals according to the evaluation criteria contained in the RFP and DEO will then post DEO's decision, as set out in Section B.6.

B.40 Evaluation Criteria

1. General
 - a. DEO reserves the right to accept or reject any or all proposals received and reserves the right to make an award without further discussion of the proposals submitted.
 - b. Non-responsive proposals shall include, but not be limited to, those that:
 - Fail to meet any statutory requirements;
 - Are irregular or are not in conformance with the requirements and instructions contained herein;
 - Fail to utilize or complete prescribed forms; or
 - Have improper or undated signatures
 - c. In determining whether a Respondent is responsible, DEO may consider any information or evidence which comes to its attention and which reflects upon a Respondent's capability to fully perform the contract requirements and/or the Respondent's demonstration of the level of integrity and reliability which DEO determines to be required to assure performance of the Contract. DEO may deem the Respondent as non-responsible.
2. Evaluation Criteria

See Attachment I – Evaluation Criteria

3. Evaluation Scoring.

Each proposal will be reviewed by at least three (3) evaluators who will independently score the proposal based on the criteria contained in Attachment I. The Issuing Office identified in Section B.4, will collect all of the completed evaluation scoring forms from the evaluators at the completion of the evaluation period, and will attempt to contact references via telephone to obtain the past performance reviews. The scores for the past performance reviews, cost, and the evaluators score sheets will be tabulated for inclusion on the summary score sheets for calculation of the total numerical rating. The Procurement Office will average the total point scores to convert to average rank, for each proposal for all evaluators. The Procurement Office shall present the average rankings to the program area and Agency Head, or his or her designee, who will then determine the recommended contract award or the short list of Respondents to participate in oral discussions.

DEO reserves the right to short list Respondents deemed to be in the competitive range to conduct oral discussions prior to the final determination of contract award. If DEO exercises the right, the short list will be posted on the Vendor Bid System. In the event DEO exercises the right to hold oral discussions, the scores given for each evaluation criterion will be added to the score given for that same criterion initially.

For example:

<u>Firm</u>	<u>Raw Points Received</u>	<u>Rank</u>
Company A	90	2
Company B	100	1
Company C	80	3.5*
Company D	75	5
Company E	80	3.5*

*In the event that multiple Respondents have the same raw point score, the rank positions needed to cover those Respondents are averaged and each Respondent receives that rank. In this case the third and fourth ranks are tied so $3 + 4 = 7$; $7 \div 2 = 3.5$. Each Respondent receives a rank of 3.5.

In the best interest of the State, DEO reserves the right to reject any and all proposals or waive any minor irregularity or technicality in proposals received.

B.41 Award

Upon completion of the evaluations, the Contract, if awarded, shall be awarded to the responsible and responsive Respondent(s) whose proposal is determined to be the most advantageous to DEO. DEO reserves the right to award any or all parts of the solicitation to a single or multiple Respondents.

A printed copy of the score tabulation(s) and DEO’s intended award decision will be posted for 72 hours in the Purchasing Office, Room B-047 Caldwell Building, locate at 107 E. (1) Proposals that certify that a drug-free workplace has been implemented in accordance with Section 287.087, F.S.;

(2) In accordance with Section 287.057(11), F.S. which states that “if two equal responses to a solicitation or a request for quote are received and one response is from a certified minority business enterprise, the agency shall enter into a contract with the certified minority business enterprise”;

(3) If (1) and (2) above fail to resolve the identical evaluations, then the award shall be made in accordance with what DEO deems to be in the best interest of the State, considering factors such as prior performance on state contracts or other governmental contracts; and

(4) If the application of (1), (2), and (3) fails to resolve the identical evaluations, then the award shall be made by a means of random selection (e.g., a coin toss or drawing of numbers).

SECTION C SCOPE OF WORK

C.1 Purpose

The Division seeks the services of a qualified firm to work with DEO to create a comprehensive plan for the region impacted by Hurricane Michael. The plan should include recommendations for future resiliency and rebuilding, as well as alternate funding sources that can be compounded and capitalized on to make a significant impact and lasting change that is embraced by the community.

C.2 Background/Overview

DEO is working to provide economic revitalization to the communities impacted by the devastation of Hurricane Michael which made landfall October 10, 2018 near Mexico Beach, FL.

The storm was classified as a category four hurricane with a more tightly defined eye than any storm in recent history. The hurricane pushed a mounting wall of water into the Big Bend area resulting in a massive storm surge during a normal hightide causing the water to rise faster than any storm that had hit that area. The winds were destructive as it tore through many Florida counties before the eye even reached the Florida line.

The winds, combined with the flooding, brought on mass destruction and long-term damage to the vital economic drivers of the region. Governor Rick Scott declared a State of Emergency and issued an Executive Order for counties in the Northwest Florida region. The area is home to some of Florida's most beautiful and resource-rich areas of the state. It is made up of diverse industries that will take years to recover. Housing needs are significant, but this storm has caused long term effects to major economic engines within the region from the coastal communities to rural areas.

This largescale devastation to communities in northwest Florida, hit key economic drivers such as Tyndall AFB and Panama City NAS; the oyster and fishing industry in Eastpoint and Apalachicola; the timber industry spread throughout the region; and the tourism industry in Panama City. It is crucial to begin immediate preparation for the economic recovery and revitalization of this region. Tyndall AFB and Panama City NAS alone, provide a \$2.5 billion-dollar economic impact to the region each year.

Communities need to develop a vision for how they will rebuild their economy, especially one as heavily impacted as Northwest Florida. It is important to have buy-in from community stakeholders to develop a post-disaster strategic plan that re-evaluates economic objectives in light of vulnerabilities to a disaster, and to take steps to make progress toward long-term recovery.

Time is a critical and key component of the proposal. The communities have suffered significant damage to their infrastructure, housing, environment, and economy. The firm must be able to demonstrate the capacity and manpower to provide a comprehensive and quality service in a matter that is responsive to the needs of the community and DEO.

C.3 General Description

DEO is seeking a Contractor to meet with communities affected by Hurricane Michael and to create a comprehensive recovery and resiliency plan for the region impacted by Hurricane Michael.
