13. Program Overview

On July 24, 2018, the Agency rebranded the Florida Medicaid Enterprise System (MES) to Florida Health Care Connections (FX). The decision was made to reflect this project as a broader project leveraging the Medicaid infrastructure to improve overall Agency functionality and to build better connections to other data sources and programs. Moving forward, the Agency intends to use the term FX when referencing the Florida MES. Some of these documents, the attachments, and the appendices may reference the MES name, as these documents were produced prior to the recent name change. In the future, documents will be updated as iterative revisions are made to reflect the FX update.

**Agency Procurement Restrictions Related to MES**

The Vendor awarded the IS/IP contract is precluded from being awarded any other modules except Enterprise Data Warehouse (EDW). The EDW Vendor is open to being awarded all functional modules, if not awarded IS/IP (see **Table 2, Procurement Restrictions, below for details**). Module Vendors are open to all functional modules but precluded from being awarded IS/IP. Also, Module Vendors are open to all functional modules but precluded from being awarded EDW if the EDW Vendor is also the IS/IP Vendor. The Vendor (including any subcontractors or company affiliates to the IS/IP Vendor) is also precluded from entering into a subcontractor agreement.
relationship for future Florida MES solicitations unless that sub-contract is solely for the provision of hardware and/or software.

The Agency encourages an acquisition approach that limits the potential for conflict of interest in choosing the modular solutions to be incorporated into the system. Any contract award remains subject to the restrictions placed on actual or potential organizational conflicts of interest as described in Chapter 48 Code of Federal Regulation (CFR) and Section 287.057(17), Florida Statutes.

d. If a public records request is submitted to the Agency for responses submitted to this solicitation, the respondent agrees that the Agency may release the redacted response without conducting any pre-release review of the redacted response.

e. Unless otherwise prohibited by law, the Agency will notify the respondent if a requestor contests the respondent’s determination that information is confidential or exempt and asserts a right to the information under Chapter 119, F.S. or other law. The respondent bears sole responsibility for supporting and defending its determination. If an action is brought against the Agency in any appropriate judicial forum contesting the respondent’s determination of confidentiality or the redactions made by the respondent to its response, the respondent agrees that the Agency has no duty to defend against such claims and may elect not to do so, and may elect to release an un-redacted version of the response. By submitting a response, the respondent agrees to protect, defend, hold harmless and indemnify the Agency for any and all claims arising from or relating to the respondent’s determinations of confidentiality or redaction, including the payment of any attorneys’ fees or costs assessed against the Agency.
D. Response Evaluation, Negotiations and Contract Award

1. Response Clarification

The Agency reserves the right to seek written clarification from a respondent of any information contained in the response or to request missing items from a response. However, it is a respondent’s obligation to submit an adequately written reply for the Agency to evaluate. The Agency will have no duty to conduct discussions or attempt to clarify ambiguities in the respondent’s reply if the respondent is not in the competitive range of respondents selected for negotiations.

2. Responsive Reply Determination

A “responsive reply” means a reply submitted by a responsible and responsible vendor, which conforms in all material aspects to the solicitation [Section 287.012(26), F.S.]. A “responsible vendor” means a vendor who has the capacity in all respects to fully perform the Contract requirements and the integrity and reliability that will assure good faith performance [287.012(25), F.S.]. The Procurement Officer may rely on any facts available to make a determination at any time prior to award as to whether a vendor is a responsible vendor. The Agency reserves the right to contact sources outside the reply to obtain information regarding past performance or other matters relevant to responsibility.

3. Non-Scored Requirements

The Agency will review responses to this solicitation to determine if the respondent included in its response, Exhibit A-2, Transmittal Letter from each required party.

b. Required Certifications and Statements

The Agency will review responses to this solicitation to determine if the respondent included in its response, Exhibit A-3, Required Certifications and Statements.

c. Original Proposal Guarantee

d. Cost Proposal and Detailed Budget

The Agency will review responses to this solicitation to determine if the respondent included in its response, the following, as specified in Section A.1., Instructions, Sub-Section B., Response Preparation and Content, Item 2., Mandatory Response Content, Sub-Items f. and g.:

4. Financial Evaluation - Pass/Fail

a. Financial Statements

The respondent will be deemed to have met the mandatory requirement of financial stability if it meets all three (3) of the minimum financial ratio thresholds listed below in the most recent year or if it meets two (2) of the three (3) minimum financial ratio thresholds for the two (2) most recent years.

1) A positive current ratio of at least one (1.0). The current ratio is determined by dividing current liabilities into current assets.

   a) Current assets are those held for conversion within a year or less, such as cash, temporary investments, receivables, inventory, and prepaid expenses. Board designated assets of cash or near cash instruments, where the board of directors has the option to change the authorized use of the assets and the assets are otherwise unencumbered as disclosed by the auditor, can be considered current assets for this calculation.
ATTACHMENT A
INSTRUCTIONS AND SPECIAL CONDITIONS

b) Current liabilities are short-term debts and unearned revenues to be paid out of current assets within a year or less.

2) A positive tangible net worth as determined by the balance sheet. This shall be determined as equity (total assets less total liabilities) net of intangible assets. An intangible asset is a capital asset having no physical existence, its value being dependent on the rights that possession confers upon the owner. Examples include goodwill and trademarks.

3) A positive operating cash flow. This shall be determined by whether or not the cash flow from operations reported on the statement of cash flows is positive.

b. Dunn & Bradstreet (D&B) Report

Agency staff will evaluate the respondent on its Paydex, Financial Stress, and Credit Scores from the D&B report. Scores will be based on Table 3, Responsibility Stability Score, below, for each category. A score of 5 in any of the three (3) categories will result in a determination that financial stability is not met. In order to be deemed financially stable, the respondent’s average score of the three (3) categories must be 3.0 or lower.

   a. The scores from the evaluation process shall be used to determine the respondents with whom the negotiation team will negotiate. The negotiation team shall not utilize the evaluation scores in determining best value.

   b. The Agency will negotiate with the two (2) highest ranked respondents (competitive range). However, the Agency may choose not to negotiate with a respondent whose score is lower than seventy-five percent (75%) of the highest score earned by any respondent to this solicitation.

   e. Negotiation sessions will include discussions of the scope of services to be provided by the respondent until acceptable terms and conditions are agreed upon, or it is determined that an acceptable agreement cannot be reached. The Agency will negotiate the terms and conditions determined to be the best value to the State according to Section 287.012(4), F.S., including, but not limited to price/cost, quality, design, and service delivery.

   f. At least one (1) authorized official who has the authority to bind the respondent to a contract must be present at each negotiation session. The authorized official(s) must be the Official Contact Person or Alternate Contact Person named in **Exhibit A-2**, Transmittal Letter.

i. In the event the Agency cannot reach agreement with a respondent who has been invited to negotiation and/or a respondent withdraws its response during the negotiation phase, the Agency reserves the right to invite the next top ranking respondent to negotiations to ensure that the Agency can enter into a contract.

E. Prohibition of Gratuities

To certify that no elected official or employee of the State of Florida has or shall benefit financially or materially from this Contract in violation of the provisions of Chapter 112, F.S. F. Audits/Monitoring

1. The Agency may conduct, or have conducted, performance and/or compliance reviews, reviews of specific records or other data as determined by the Agency. The Agency may conduct a review of a sample of analyses performed by the Vendor to verify the quality of the Vendor’s analyses. Reasonable notice shall be provided for reviews conducted at the Vendor’s place of business.

2. The Vendor shall retain all financial records, medical records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to performance under this Contract for a period of ten (10) years after termination of this Contract, or if an audit has been initiated and audit findings have not been resolved at the end of ten (10) years, the records shall be retained until resolution of the audit findings.

J. Communications

1.    b. Obtain written approval, signed and notarized by the Agency Contract Manager, approving the Privacy Compliance Plan.

3. No modifications to an approved Privacy Compliance Plan may be implemented by the Vendor unless an amended Privacy Compliance Plan is submitted to the Agency, and written approval of the amended Privacy Compliance Plan is signed and notarized by the Agency Contract Manager. Agency approval of the Vendor’s Privacy Compliance Plan in no way constitutes a representation by the Agency that the Privacy Compliance Plan is in full compliance with applicable Communication Privacy Laws, or otherwise shifts or diminishes the Vendor’s sole burden to ensure full compliance with applicable Communication Privacy Laws in all aspects of the Vendor’s performance of this Contract. Violation of this term may result in sanctions to include termination of this Contract and/or liquidated damages.

4. The Vendor agrees that it is the custodian of any and all recordings for purposes of the Public Records Act, Chapter 119, F.S., and is solely responsible for responding to any public records requests for recordings. This responsibility includes gathering, redaction, duplication and provision of the recordings as well as defense of any actions for enforcement brought pursuant to Section 119.11, F.S.

3. If the Vendor employee or managing employee was employed prior to the execution of this Contract, the Vendor shall ensure that the County, State, and Federal criminal background screening comparable to a level 2 background screening is completed with results prior to the employee accessing any PII, PHI, or financial information.

5. Direct access is defined as having, or expected to have, duties that involve access to PII, PHI, or financial information by any means including, but not limited to, network shared drives, email, telephone, mail, computer systems, and electronic or printed reports.

6. To ensure that all Vendor employees including managing employees that have direct access to any PII, PHI or financial information have a County, State, and Federal criminal background screening comparable to a level 2 background screening completed with results every five (5) years.

7. 2. To permit persons duly authorized by the Agency to inspect any records, papers, documents, facilities, goods and services of the Vendor which are relevant to this Contract.

3. To ensure that each of its employees or subcontractors who performs activities related to the services associated with this Contract will report to the Agency any health care facility that is the subject of these services that may have violated the law. To report concerns pertaining to a health care facility, the Vendor employee or subcontractor may contact the Agency Complaint Hotline by calling 1-888-419-3456 or by completing the online complaint form found at https://apps.ahca.myflorida.com/hcfc.

4. Reports that reflect noncompliance that does not rise to the level of concern noted above shall be reported to the Agency within ten (10) calendar days of the observation.

M. Indemnification

The Vendor agrees to indemnify, defend, and hold harmless the Agency, as provided in this Clause.

1. Scope. The Duty to Indemnify and the Duty to Defend, as described herein (collectively known as the “Duty to Indemnify and Defend”), extend to any completed, actual, pending or threatened action, suit, claim or proceeding, whether civil, criminal, administrative or investigative (including any action by or in the right of the Vendor), and whether formal or informal, in which the Agency is, was or becomes involved and which in any way arises from, relates to or concerns the Vendor’s acts or omissions related to this Contract (inclusive of all attachments, etc.) (collectively “Proceeding”).

a. Duty to Indemnify. The Vendor agrees to hold harmless and indemnify the Agency to the full extent permitted by law against any and all liability, claims, actions, suits, judgments, damages and costs of whatsoever
name and description, including attorneys’ fees, arising from or relating to any Proceeding.

b. **Duty to Defend.** With respect to any Proceeding, the Vendor agrees to fully defend the Agency and shall timely reimburse all of the Agency’s legal fees and costs; provided, however, that the amount of such payment for attorneys’ fees and costs is reasonable pursuant to rule 4–1.5, Rules Regulating The Florida Bar. The Agency retains the exclusive right to select, retain and direct its defense through defense counsel funded by the Vendor pursuant to the Duty to Indemnify and Defend the Agency.

2. **Expense Advance.** The presumptive right to indemnification of damages shall include the right to have the Vendor pay the Agency’s expenses in any Proceeding as such expenses are incurred and in advance of the final disposition of such Proceeding.

3. **Enforcement Action.** In the event that any claim for indemnity, whether an Expense Advance or otherwise, is made hereunder and is not paid in full within sixty (60) calendar days after written notice of such claim is delivered to the Vendor, the Agency may, but need not, at any time thereafter, bring suit against the Vendor to recover the unpaid amount of the claim (hereinafter “Enforcement Action”). In the event the Agency brings an Enforcement Action, the Vendor shall pay all of the Agency’s attorneys’ fees and expenses incurred in bringing and pursuing the Enforcement Action.

4. **Contribution.** In any Proceeding in which the Vendor is held to be jointly liable with the Agency for payment of any claim of any kind (whether for damages, attorneys’ fees, costs or otherwise), if the Duty to Indemnify provision is for any reason deemed to be inapplicable, the Vendor shall contribute toward satisfaction of the claim whatever portion is or would be payable by the Agency in addition to that portion which is or would be payable by the Vendor, including payment of damages, attorneys’ fees and costs, without recourse against the Agency. No provision of this part or of any other section of this Contract (inclusive of all attachments, etc.), whether read separately or in conjunction with any other provision, shall be construed to: (i) waive the State or the Agency’s immunity to suit or limitations on liability; (ii) obligate the State or the Agency to indemnify the Vendor for the Vendor’s own negligence or otherwise assume any liability for the Vendor’s own negligence; or (iii) create any rights enforceable by third parties, as third party beneficiaries or otherwise, in law or in equity.

N. **Insurance**

1. To the extent required by law, the Vendor shall be self-insured against, or shall secure and maintain during the life of this Contract, Worker’s Compensation Insurance for all its employees connected with the work of this Contract and, in case any work is subcontracted, the Vendor shall require the subcontractor similarly to provide Worker’s Compensation Insurance for all of the latter’s employees unless such employees engaged in work under this Contract are covered by the Vendor’s self-insurance program. Such self-insurance or
insurance coverage shall comply with the Florida Worker’s Compensation law. In the event hazardous work is being performed by the Vendor under this Contract and any class of employees performing the hazardous work is not protected under Worker’s Compensation statutes, the Vendor shall provide, and cause each subcontractor to provide, adequate insurance satisfactory to the Agency, for the protection of its employees not otherwise protected.

2. The Vendor shall secure and maintain Commercial General Liability insurance including bodily injury, property damage, personal and advertising injury and products and completed operations. This insurance will provide coverage for all claims that may arise from the services and/or operations completed under this Contract, whether such services and/or operations are by the Vendor or anyone directly, or indirectly employed by it. Such insurance shall include a Hold Harmless Agreement in favor of the State of Florida and also include the State of Florida as an Additional Named Insured for the entire length of this Contract and hold the State of Florida harmless from subrogation. The Vendor shall set the limits of liability necessary to provide reasonable financial protections to the Vendor and the State of Florida under this Contract.

3. All insurance policies shall be with insurers licensed or eligible to transact business in the State of Florida. The Vendor’s current insurance policy(ies) shall contain a provision that the insurance will not be canceled for any reason except after thirty (30) calendar days written notice. The Vendor shall provide thirty (30) calendar days written notice of cancellation to the Agency’s Contract Manager.

4. The Vendor shall submit insurance certificates evidencing such insurance coverage prior to execution of this Contract.

O. Assignments and Subcontracts

To neither assign the responsibility of this Contract to another party nor subcontract for any of the work contemplated under this Contract without prior written approval of the Agency. No such approval by the Agency of any assignment or subcontract shall be deemed in any event or in any manner to provide for the incurrence of any obligation of the Agency in addition to the total dollar amount agreed upon in this Contract. All such assignments or subcontracts shall be subject to the conditions of this Contract and to any conditions of approval that the Agency shall deem necessary.

P. Subcontracting

1. To not subcontract, assign, or transfer any work identified under this Contract, without prior written consent of the Agency.

2. To not subcontract with any provider that would be in conflict of interest to the Vendor during the term of this Contract in accordance with applicable Federal and/or State laws.

3. Changes to approved subcontracts and/or subcontractors require approval in writing by the Agency’s Contract Manager prior to the effective date of any subcontract.
4. The Agency encourages Vendors to partner with subcontractors who can provide best value and the best in class solutions. However, the Vendor is responsible for all work performed under this Contract. No subcontract that the Vendor enters into with respect to performance under this Contract shall in any way relieve the Vendor of any responsibility for performance of its duties. The Vendor shall assure that all tasks related to the subcontract are performed in accordance with the terms of this Contract. If the Agency determines, at any time, that a subcontract is not in compliance with a Contract requirement, the Vendor shall promptly revise the subcontract to bring it into compliance. In addition, the Vendor may be subject to sanctions and/or liquidated damages pursuant to this Contract and Section 409.912(4), F.S. (related to sanctions).

5. All payments to subcontractors will be made by the Vendor.

6. To be responsible for monitoring the subcontractor’s performance. The results of the monitoring shall be provided to the Agency’s Contract Manager, fourteen (14) business days after the end of each month or as specified by the Agency. If the subcontractor’s performance does not meet the Agency’s performance standard according to the Agency’s monitoring report or the Vendor’s monitoring report, an improvement plan must be submitted to the Vendor and the Agency within fourteen (14) business days of the deficient report.

7. The State supports and encourages supplier diversity and the participation of small and minority business enterprises in State contracting, both as Vendors and subcontractors. The Agency supports diversity in its Procurement Program and requests that all subcontracting opportunities afforded by this Contract enthusiastically embrace diversity. The award of subcontracts should reflect the full diversity of the citizens of the State of Florida. Vendors can contact the Office of Supplier Diversity at (850) 487-0915 or online at http://osd.dms.state.fl.us/ for information on minority Vendors who may be considered for subcontracting opportunities.

8. A minority owned business is defined as any business enterprise owned and operated by the following ethnic groups: African American (Certified Minority Code H or Non-Certified Minority Code N); Hispanic American (Certified Minority Code I or Non-Certified Minority O); Asian American (Certified Minority Code J or Non-Certified Minority Code P); Native American (Certified Minority Code K or Non-Certified Minority Code Q); or American Woman (Certified Minority Code M or Non-Certified Minority Code R).

Q. Return of Funds

To return to the Agency any overpayments due to unearned funds or funds disallowed pursuant to the terms of this Contract that were disbursed to the Vendor by the Agency. The Vendor shall return any overpayment to the Agency within forty (40) calendar days after either discovery by the Vendor, its independent auditor, or notification by the Agency, of the overpayment.

8. The Vendor agrees that the Agency may unilaterally cancel this Contract for refusal by the Vendor to allow public access to all documents, papers, letters, or other material made or received by the Vendor in conjunction with this Contract, unless the records are exempt from Section 24(a) of Article I of the State Constitution and the Florida Public Records Act, Chapter 119, F.S.

9. To comply with Patents, Royalties, Copyrights, Right to Data, and Works for Hire/Software requirements as follows:

   a. The Vendor, without exception, shall indemnify and hold harmless the Agency and its employees from liability of any nature or kind, including cost and expenses for or on account of any copyrighted, patented, or unattended invention, process, or article manufactured or supplied by the Vendor. The Vendor has no liability when such claim is solely and exclusively due to the combination, operation or use of any article supplied hereunder with equipment or data not supplied by the Vendor or is based solely and exclusively upon the Agency’s alteration of the article.

   b. The Agency will provide prompt written notification of a claim of copyright or patent infringement and shall afford the Vendor full opportunity to defend the action and control the defense. Further, if such a claim is made or is pending, the Vendor may, at its option and expense procure for the Agency the right to continue the use of, replace or modify the article to render it non-infringing (if none of the alternatives is reasonably available, the Agency agrees to return the article on request to the Vendor and receive reimbursement, if any, as may be determined by a court of competent jurisdiction).

   c. Prior to the initiation of services under this Contract, the Vendor shall disclose, in writing, all intellectual properties relevant to the performance of this Contract which the Vendor knows, or should know, could give rise to a patent or copyright. The Vendor shall retain all rights and entitlements to any pre-existing intellectual property which is so disclosed. Failure to disclose will indicate that no such property exists. The Agency will then have the right to all patents and copyrights which
arise as a result of performance under this Contract as provided in this Sub-Section.

e. If any discovery or invention arises or is developed in the course of, or as a result of, work or services performed under this Contract, or in any way connected herewith, the Vendor shall refer the discovery or invention to the Agency for a determination whether patent protection will be sought in the name of the State of Florida. Any and all patent rights accruing under or in connection with the performance of this Contract are hereby reserved to the State of Florida. All materials to which the Agency is to have patent rights or copyrights shall be marked and dated by the Vendor in such a manner as to preserve and protect the legal rights of the Agency.

f. Where activities supported by this Contract produce original writing, sound recordings, pictorial reproductions, drawings or other graphic representation and works of any similar nature, the Agency has the right to use, duplicate and disclose such materials in whole or in part, in any manner, for any purpose whatsoever and to have others acting on behalf of the Agency to do so. g. The Agency will have unlimited rights to use, disclose, or duplicate, for any purpose whatsoever, all information and data developed, derived, documented, or furnished by the Vendor under this Contract.

h. All rights and title to works for hire under this Contract, whether patentable or copyrightable or not, shall belong to the Agency and shall be subject to the terms and conditions of this Contract.

i. The computer programs, data, materials and other information furnished by the Agency to the Vendor hereunder shall be and remain the sole and exclusive property of the Agency, free from any claim or right of retention by or on behalf of the Vendor. The services and products listed in this Contract shall become the property of the Agency upon the Vendor’s performance and delivery thereof. The Vendor hereby acknowledges that said computer programs, materials and other information provided by the Agency to the Vendor hereunder, together with the products delivered and services performed by the Vendor hereunder, shall be and remain confidential and proprietary in nature to the extent provided by Chapter 119, F.S., and that the Vendor shall not disclose, publish or use same for any purpose other than the purposes provided in this Contract; however, upon the Vendor first demonstrating to the Agency’s satisfaction that such information, in part or in whole, (1) was already known to the Vendor
prior to its receipt from the Agency; (2) became known to the Vendor from a source other than the Agency; or (3) has been disclosed by the Agency to third parties without restriction, the Vendor shall be free to use and disclose same without restriction. Upon completion of the Vendor's performance or otherwise cancellation or termination of this Contract, the Vendor shall surrender and deliver to the Agency, freely and voluntarily, all of the above-described information remaining in the Vendor's possession.

j. CERTIFICATION REGARDING
DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION
CONTRACTS/SUBCONTRACTS

This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, signed February 18, 1986. The guidelines were published in the May 29, 1987, Federal Register (52 Fed. Reg., pages 20360-20369).

INSTRUCTIONS

1. Each Vendor whose contract/subcontract equals or exceeds $25,000 in federal monies must sign this certification prior to execution of each contract/subcontract. Additionally, Vendors who audit federal programs must also sign, regardless of the contract amount. The Agency for Health Care Administration cannot contract with these types of Vendors if they are debarred or suspended by the federal government.

2. This certification is a material representation of fact upon which reliance is placed when this contract/subcontract is entered into. If it is later determined that the signer knowingly rendered an erroneous certification, the Federal Government may pursue available remedies, including suspension and/or debarment.

3. The Vendor shall provide immediate written notice to the contract manager at any time the Vendor learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

4. The terms "debarred," "suspended," "ineligible," "person," "principal," and "voluntarily excluded," as used in this certification, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the contract manager for assistance in obtaining a copy of those regulations.

5. The Vendor agrees by submitting this certification that it shall not knowingly enter into any subcontract with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this contract/subcontract unless authorized by the Federal Government.

6. The Vendor further agrees by submitting this certification that it will require each subcontractor of this contract/subcontract, whose payment will equal or exceed $25,000 in federal monies, to submit a signed copy of this certification.

7. The Agency for Health Care Administration may rely upon a certification of a Vendor that it is not debarred, suspended, ineligible, or voluntarily excluded from contracting/subcontracting unless it knows that the certification is erroneous.

8. This signed certification must be kept in the contract manager’s contract file. Subcontractor’s certifications must be kept at the contractor’s business location.

CERTIFICATION

(1) The prospective Vendor certifies, by signing this certification, that neither he nor his principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this contract/subcontract by any federal department or agency.

(2) Where the prospective Vendor is unable to certify to any of the statements in this certification, such prospective Vendor shall attach an explanation to this certification.
