Comprehensive Surgical and Medical Procedures Entity

DMS 17/18-008

ADDENDUM # 1

The Department's response to a timely submitted question is below.

Question Number	Question	Response
1	A question in the RFI requests the list of providers, our Network is exclusive to BridgeHealth and typically we request an NDA to be signed before we release this type of information to our potential clients. Would it be possible to have an NDA (non disclosure agreement) signed prior to our release of this information?	No. The Department is subject to chapter 119, Florida Statutes, so any information that is a public record must be made available for inspection upon request unless there is an applicable exemption from disclosure. See Section XIII of the Request for Information regarding the redaction of information that is considered trade secret and exempt from chapter 119..
