The Honorable Joe Negron President of the Senate 409 The Capitol 404 South Monroe Street Tallahassee, Florida 32399-1100

The Honorable Richard Corcoran Speaker of the House of Representatives 420 The Capitol 402 South Monroe Street Tallahassee, Florida 32399-1300

Dear President Negron and Speaker Corcoran:

The current contract maintained by the Department of Management Services for the operation of the Gadsden Correctional Facility will expire on July 31, 2019. Pursuant to Section 957.07(1), Florida Statutes, in letters dated March 30, 2018, and June 20, 2018, the Department of Corrections (Department) provided the 2016-17 fiscal year operating per diem for a similar correctional facility operated by the Department and requested a certification of the operating per diem amounts. In response to that request, we provide the following information.

The Auditor General performed selected procedures to evaluate the 2016-17 fiscal year operating costs provided by the Department for the State-operated Lowell Correctional Institution that was identified by the Department as substantially similar to the Gadsden Correctional Facility. Operating per diem is primarily a function of costs and inmate population. The operating cost data provided by the Department was primarily derived from Florida Accounting Information Resource Subsystem (FLAIR) Departmental accounting records and Offender Based Information System (OBIS) daily population counts. The Auditor General reviewed the completeness of the FLAIR expenditure data and evaluated the applicability of FLAIR expenditure data to the prescribed activities and inmate populations. We also evaluated the reasonableness of the reported inmate populations by comparing the average daily population, type of facility, and geographic location of the State-operated correctional institution to that of the privately operated correctional facility.

### **Lowell Correctional Institution**

The Department selected Lowell Correctional Institution, located in Ocala, Florida, as a State-operated correctional facility substantially similar in size, type, and location to the Gadsden Correctional Facility located in Quincy, Florida. Based on the procedures performed, we concluded, pursuant to Section 957.07(1), Florida Statutes, that the 2016-17 fiscal year Lowell Correctional Institution operating per diem of \$63.47 calculated by the Department was reasonably consistent with the State's accounting and budgeting records and OBIS data. The operating per diem was calculated utilizing the 2016-17 fiscal year Lowell Correctional Institution total operating costs of \$56.87 million and average daily population of 2,455 adult and youth

female inmates (1,260 housed at the Lowell Annex, 893 housed at the Lowell Correctional Institution, and 302 housed at the Lowell Work Camp). The Lowell Correctional Institution operating per diem of \$63.47 is an appropriate amount to which necessary adjustment may be made for variations in Gadsden Correctional Facility operations.

The Auditor General work performed regarding the operating per diem was conducted in accordance with applicable generally accepted government auditing standards. Those standards require that we plan and perform procedures to obtain sufficient, appropriate evidence to provide a reasonable basis for our conclusions based on our objectives. We believe that the evidence obtained provides a reasonable basis for our conclusions based on our objectives.

Respectfully submitted,
