Things to Keep in Mind When Responding to a Solicitation

1. Read the entire document. Note critical items such as: mandatory requirements; sample(s) required; supplies/services required; submittal dates; number of copies required for submittal; funding amount and source; contract requirements (i.e., contract performance security, insurance requirements, performance and/or reporting requirements, etc.).
2. Note the Procurement Officer's name, address, phone numbers and e-mail address. This is the only person you are allowed to communicate with regarding the Solicitation and is an excellent source of information for any questions you may have.
3. Attend the mandatory pre-bid conference/site visit. (If applicable)
4. Take advantage of the "question and answer" period. Submit your questions to the Procurement Officer by the due date listed in the Solicitation Timeline and view the answers given in the formal "addenda" issued for the Solicitation. All addenda issued for a Solicitation are posted on the Vendor Bid System (VBS) website (http://vbs.dms.state.fl.us/vbs/search.criteria_form) and will include all questions asked and answered concerning the Solicitation.
5. Follow the format required in the Solicitation when preparing your Bid. Provide point-by-point response to the required sections in a clear and concise manner.
6. Provide complete answers/descriptions. Read and answer all questions and requirements. Don't assume the Department or evaluation committee will know what your company capabilities are or what items/services you can provide, even if you have previously contracted with the Department. The Replies are evaluated based solely on the information and materials provided in the Bid.
7. Check the VBS website for Solicitation addenda. Before submitting your Bid, check the VBS website to see whether any addenda were issued for the Solicitation. Some addenda require that you sign and return them with the Bid.
8. Review and read the Solicitation document again to make sure that you have addressed all requirements. Your original Bid and the requested copies must be identical and be complete.
9. Submit your Bid on time. Note all the dates and times listed in the Solicitation Timeline and within the document, and be sure to submit all required items on time. Faxed, emailed or late Replies will not be considered.

If the Respondent has any issue with the requirements or terms and conditions of this solicitation, such issues shall be presented to the Department and addressed by the Department during the question and answer phase of the solicitation. Including alternate replies or exceptions to this solicitation in any bid may result in the bid being deemed non-responsive to the solicitation.

2.5 **Terms and Conditions**

All Replies are subject to the terms of the following sections of this solicitation, which, in case of conflict, shall have the order of precedence listed:

- A. Any Addenda to the ITB;

- D. General Conditions (PUR 1000); and
- E. General Instructions to Vendors (PUR 1001).

Failure to comply with terms and conditions found in this solicitation or incorporated by reference, including those specifying information that must be submitted with a Bid, may result in rejection of a Bid.

2.6 Business Registration Requirement

Under the provisions of Title 36, Chapters 605-623, Florida Statutes, in order to do business in the State of Florida, corporations (and other business designations) are required to be registered and in good standing with the Department of State, Division of Corporations prior to any execution of a contract agreement. Contact the Division of Corporations at (850) 245-6900 for additional registration information.

2.7 MyFloridaMarketPlace (MFMP) Registration

Respondents desiring to sell commodities or contractual services to the State of Florida are required by Rule 60A-1.030, Florida Administrative Code, to register in MyFloridaMarketPlace. Also see, State of Florida PUR 1000 General Contract Conditions. The registration process requires the Vendor to electronically register a valid W-9 with the Department of Financial Services (DFS) at <https://flvendor.myfloridacfo.com>. Contact the DFS Customer Service Desk at (850) 413-5519 or FLW9@myfloridacfo.com with any questions. Respondent must be registered on the MyFloridaMarketPlace website prior to DOS posting of the intent to award the contract.

2.8 Certification of Drug-Free Workplace Program

The State supports and encourages initiatives to keep the workplaces of Florida's suppliers and vendors drug-free. Section 287.087, Florida Statutes, provides that, where identical tie bids are received, preference shall be given to a bid received from a Respondent that certifies it has implemented a drug-free workforce program. If applicable, Respondent shall sign and submit the Attachment D (Drug-Free Workplace Certificate) form to certify that the Respondent has a drug-free workplace program. The Vendor shall describe how it will address the implementation of a drug-free workplace in offering the items of bid.

In the event that the Department receives identical bids from two or more responsive Respondents with drug-free workplace programs, the final determination of the award shall be decided through the toss of a coin in a public meeting.

2.9 Diversity

The Department encourages minority and women-owned business (MWBE) and service-disabled veteran business enterprise (SDVBE) participation in all its solicitations. Respondents are encouraged to contact the Office of Supplier Diversity (see contact information below) or visit their website at <http://osd.dms.state.fl.us> for information on becoming a certified MWBE or SDVBE or for names of existing businesses who may be available for subcontracting or supplier opportunities.

Email Address: osdhelp@dms.myflorida.com

2.10 Office of Supplier Diversity

The Office of Supplier Diversity has standing to protest, pursuant to Section 287.09451, F.S., in a timely manner, any proposed contract award in competitive bidding for contractual services and construction contracts that fail to include minority business enterprise participation, if any responding respondent has demonstrated the ability to achieve any level of participation, or any contract award for commodities where, a reasonable and economical opportunity to reserve a contract statewide or district level, for minority participation was not executed or, an agency failed to adopt applicable preference for minority participation. Any low respondent with no participation may be deemed not in “good faith.”

2.11 Licenses, Permits, Other Charges

The successful respondent shall pay for any and all licenses, permits, other charges and taxes required for the Contract, and shall comply with all laws, ordinances or other requirements applicable to the work specified during the term of this contract.

2.12 Employment Eligibility Verification (E-Verify)

Pursuant to State of Florida Executive Order No. 11-116, Vendor is required to utilize the U.S. Department of Homeland Security’s E-Verify system to verify the employment of all new employees hired by the Vendor during the contract term.

Only individuals who may legally work in the United States – either U.S. citizens, or foreign citizens who have the necessary authorization may perform work on this contract. E-Verify is an Internet-based system that allows businesses to determine the eligibility of their employees to work in the United States. E-Verify is fast, free and easy to use – and it’s the best way employers can ensure a legal workforce.

2.13 Subcontracting

The successful vendor shall not subcontract, assign, or transfer any work identified under the resulting Contract without prior written consent of the Department. The awarded Vendor will be the prime service provider and shall be responsible for all work performed and all Contract deliverables.

2.14 Copyrighted Material

Copyrighted material will be accepted as part of a technical bid only if accompanied by a waiver that will allow the Department to make paper and electronic copies necessary for the use of Department staff and agents. It is noted that copyrighted material is not exempt from the Public Records Law, Chapter 119, Florida Statutes.

2.15 Vendor’s Duties to Assert Exemption from Disclosure as a Public Record

Any Bid content submitted to DOS which is asserted to be exempted by law from disclosure as a public record shall be clearly marked “exempt,” “confidential,” or “trade secret” (as applicable), with the statutory basis for such claim of exemption specifically identified in writing on each and every such page. Failure to segregate and so clearly identify any such content shall constitute a waiver of any claimed exemption as applied to the portion of the Bid or other document in which the content is set forth.

An entire page or paragraph in which such information appears should not be marked “EXEMPT”, “confidential” or “trade secret” unless the entire page or paragraph consists of such confidential information. Only the confidential portions(s) should be identified and marked. Vendors are to indicate where confidential information begins and ends.

Any claim of exemption from public disclosure is waived upon submission, unless addressed as set forth above. DOS will attempt to afford protection from disclosure of any trade secret as defined in Section 812.081(1)(c), Florida Statutes, or Section 688.002, Florida Statutes, where identified as such in the Bid, to the extent permitted under Section 815.045, Florida Statutes, and Chapter 119, Florida Statutes. Each Responding Vendor acknowledges that the protection afforded by Section 815.045, Florida Statutes, is incomplete, and hereby agrees that no remedy for damages may arise from any disclosure by DOS.

It will be the responsibility of the Vendor to defend the confidentiality of its trade secrets through the judicial process.

DOS takes its public records responsibilities under chapter 119, Florida Statutes, and Article I, Section 24 of the Florida Constitution, very seriously. If a Vendor considers any portion of the documents, data or record submitted in response to this solicitation to be exempted by law from disclosure as a public record, the Vendor must also provide DOS with a separate Redacted Copy of its Bid, in hard copy and on a CD, DVD- ROM or USB flash drive, at the time of Bid submission.

This Redacted Copy should contain DOS's solicitation name, number, and the name of the Responding Vendor on the cover, and should be clearly titled "Redacted Copy." The Redacted Copy must be provided to DOS at the same time the Vendor submits its Bid and must only exclude or obliterate those exact portions which are exempted by law from public disclosure.

The Vendor shall protect, defend, and indemnify, save and hold harmless, DOS from any and all claims, demands, liabilities and suits of any nature arising out of, because of, or due to failure of DOS to protect information redacted by the Vendor, and to further indemnify DOS for any other loss DOS incurs due to any claim being made against DOS regarding portions of its Redacted Copy being confidential, proprietary, trade secret or otherwise not subject to disclosure.

If a Vendor fails to submit a Redacted Copy with its Bid as described herein, DOS is authorized to produce the entire document(s), data or records submitted by the Vendor in answer to a public records request.

2.16 Conflict of Interest and Disclosure

The award hereunder is subject to the provisions of Chapter 112, Florida Statutes. Respondents must disclose with their replies whether any officer, director, employee or agent is also an officer or an employee of the Department, the State of Florida, or any of its agencies. (Attachment E - Disclosure Statement Conflict of Interest Disclosure) All firms must disclose the name of any state officer or employee who owns, directly or indirectly, an interest of five percent (5%) or more in the Respondent's firm or any of its branches or affiliates. All Respondents must also disclose the name of any employee, agent, lobbyist, previous employee of the Department, or other person, who has received or will receive compensation of any kind, or who has registered or is required to register under Section 112.3215, Florida Statutes, in seeking to influence the actions of the Department in connection with this procurement. The selected Vendor shall be required to provide written notification to DOS within five (5) working days of the discovery of any potential conflict of interest. DOS reserves the right to make an independent determination as to whether or not a conflict of interest exists.

2.17 Scrutinized Companies Lists (Contracts for \$1 million or more)

Section 287.135, Florida Statutes, prohibits agencies from contracting with companies, for goods or services over \$1,000,000, that are on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with activities in the Iran Petroleum Energy Sector List, created pursuant to s. 215.473, or are engaged in business operations in Cuba or Syria.

In executing a contract, the Vendor certifies that it is not listed on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with activities in the Iran Petroleum Energy Sector List, and is not engaged in business operations in Cuba or Syria. The Vendor understands that pursuant to section 287.135, Florida Statutes, the submission of a false certification may subject it to civil penalties, attorney's fees, and/or costs; and that any contract with the Department for goods or services of \$1 million or more may be terminated at the option of the Department if the Vendor is found to have submitted a false certification or has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has been engaged in business operations in Cuba or Syria.

2.18 Cooperation with the Inspector General

Pursuant to subsection 20.055(5), F.S., Vendor, and any subcontractor to the Vendor, understand and will comply with their duty to cooperate with the Inspector General in any investigation, audit, inspection, review, or hearing. Upon request of the Inspector General or any other authorized State official, the Vendor shall provide any type of information the Inspector General deems relevant to the Vendor's integrity or responsibility. Such information may include, but shall not be limited to, the Vendor's business or financial records, documents, or files of any type or form that refer to or relate to the Contract. The Vendor shall retain such records for three (3) years after the expiration of the Contract, or the period required by the General Records Schedules maintained by the Florida Department of State (available at: <http://dos.myflorida.com/library-archives/records-management/general-records-schedules/>), whichever is longer. The Vendor agrees to reimburse the State for the reasonable costs of investigation incurred by the Inspector General or other authorized State official for investigations of the Vendor's compliance with the terms of this or any other agreement between the Vendor and the State which results in the suspension or debarment of the Vendor. Such costs shall include, but shall not be limited to: salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees.

2.19 Posting of Notice of Agency Decision

The Notice of Agency Decision will be posted on or about the date shown in the Solicitation Timeline (1.4) and will remain posted for a period of seventy-two (72) hours (Saturdays, Sundays and State holidays shall be excluded in the computation of the seventy-two (72) hour time period).

Posting will be made available on the Florida Vendor Bid System at http://vbs.dms.state.fl.us/vbs/main_menu and at the Department of State's Purchasing Office located in Tallahassee, Florida.

The Department shall not be obligated to pay for information obtained from or through any respondent prior to entering into a contract with the successful respondent.

Pursuant to Section 120.57(3), Florida Statutes and PUR 1001 #20, any Respondent who is adversely affected by the Department's recommended award or intended decision must file a Notice of Protest or Formal Written Protest with the Agency Clerk in the Department's Office of General Counsel, R.A. Gray Building, 500 S. Bronough Street, Tallahassee, Florida 32399-0250.

END OF SECTION

SECTION 3 – BID SUBMISSION INSTRUCTIONS

Each bid shall be prepared simply and economically, following the instructions contained herein. Note: Fancy binding of replies, colored displays in replies, and promotional material are not desired. There is no intent to limit the content of the bid and additional information deemed appropriate by the Respondent may be included. However, cluttering the bid with irrelevant material makes the review more difficult.

All Bids and associated forms must be signed and dated in ink by a duly authorized representative of the Respondent. All Bids and related documents submitted in response to this ITB shall become the property of the State of Florida.

3.0 Special Instructions for the Preparation of Bids

3.4 Bid Administrative Review

A. Non-Responsive Replies

Each Vendor shall submit a Bid that meets all material requirements of this ITB. DOS reserves the right to determine whether the Bid meets the material requirements as outlined in the ITB solicitation. Material requirements of this ITB are those without which adequate analysis and comparison of Replies is impossible, or those that affect the competitiveness of Replies. DOS seeks to maximize competition and reserves the right to seek clarification from responding Vendors to obtain non-material information to complete a responsiveness review. Failure of a Vendor to provide required information may cause a Vendor to be deemed Non-Responsive and therefore be disqualified from further consideration.

Non-Responsive Replies may include, but are not limited to, those which:

- fail to utilize, complete, and/or submit the mandatory prescribed forms;
- include terms and conditions contrary to the requirements of this solicitation;
- do not contain original authorized signatures;
- contain Technical or Bid information contrary to those outlined in this ITB; and
- are not in conformance with the requirements and instructions contained herein.

A NON-RESPONSIVE BID WILL NOT BE CONSIDERED UNLESS, AT DOS’S DISCRETION, THE DISCREPANCY DOES NOT PREVENT REVIEW OF THE BID BY DOS AND CAN BE EASILY AND QUICKLEY REMEDIED.

DOS reserves the right to wave minor irregularities in a Bid. A minor irregularity is a variation of a technical nature to this ITB which does not affect the price of the Bid or give the Vendors a substantial or unfair advantage over other Vendors. At its sole discretion, DOS may request a Vendor to provide clarifying information or additional materials to correct a minor irregularity. However, DOS will not request, and the Vendor shall not provide, additional materials that affect the price of the Bid or give the Vendor an advantage or benefit not provided to all responding Vendors.

B. Disqualification for Non-Responsibility

DOS reserves the right to utilize sources other than those identified by the Vendor to obtain additional information regarding the prospective vendor’s capability of fully performing a contract for the services outlined in this ITB as well as its integrity and reliability to assure good faith performance. Information obtained from additional sources may be used to determine whether the Vendor is a Responsible Vendor. DOS will reject the Bid submitted by any Vendor deemed not to be a Responsible Vendor.

Such additional sources may include, but are not limited to, news sources; court filings; internet searches; and online-reports available from state or federal agencies. Factors that may result in finding that the prospective Vendor is not a Responsible Vendor include, but are not limited to, filing for bankruptcy or insolvency; conviction of a crime by any corporate officer involving fraud; dishonesty,

unfair or deceptive trade practices; bid or price fixing; or any other offense related to corporate business practices or having a contract with any state or governmental entity terminated for breach or for failure to perform within the past three (3) years.

3.5 Material Deviations

The Department has established certain requirements with respect to bids to be submitted by Respondents. The use of *shall*, *must*, or *will* (except to indicate simple futurity) in this Invitation to Bid indicates a requirement or condition from which a material deviation may not be waived by the Department. A deviation is material if, in the Department's sole discretion, the deficient bid is not in substantial accord with this Invitation to Bid requirements, provides an advantage to one Respondent over other Respondents, has a potentially significant effect on the quantity or quality of items proposed, or on the cost to the Department or otherwise adversely impact the Department's interest. Material deviations cannot be waived and shall be the basis for rejection of a bid.

3.6 Changes to Bid

No substitutions, variations or changes to contract terms, conditions or specifications will be permitted or acknowledged unless approved, in writing, by the Department of State Purchasing Office. Rule 60A-1.002(11), Florida Administrative Code (F.A.C.), specifically prohibits modification of a bid after bids are opened. Therefore, any changes or variations to the original contract terms, conditions or specifications must have the written approval of the Purchasing Office prior to the bid opening date.

3.7 Withdrawal of Bid

A Respondent may withdraw a Bid by written notice to the Department on or before the deadline specified for the receipt of Bid in the Solicitation Timeline of this Solicitation. Such written notice is to be submitted to the Procurement Officer at the address specified

3.8 Bid Disposal

All bids become the property of the State of Florida and will be a matter of public record subject to the provisions of Chapter 119, Florida Statutes. The State of Florida shall have the right to use all ideas, or adaptations of those ideas, contained in any bid received in bid to this ITB. Selection or rejection of the bid shall not affect this right.

3.9 Bid Preparation Cost

The Department is not liable for any costs incurred by a Respondent in responding to this ITB, including those for oral presentations, if applicable.

3.10 Right to Accept or Reject

The Department reserves the right to accept or reject any and all bids failing to meet mandatory responsiveness requirements, or containing material deviations, or separate portions, and to waive any minor irregularity, technicality, or omission if the Department determines that doing so will serve the State's best interest. Additionally, the Department reserves the right to reject any and all bids and to re-solicit if in the best interest of the Department.

END OF SECTION

SECTION 4 - AWARD PROCESS

4.0 Bid Award Determination

The Department shall review responsive replies and anticipates making award to the responsible and responsive Respondent who offers the lowest grand total price set forth in “*ATTACHMENT C - PRICE SHEET*”. The Department reserves the right to accept or reject any and all bids, or separate portions, and to waive any minor irregularity, technicality, or omission if the Department determines that doing so will serve the State’s best interest.

In the event that the lowest price bidder is found non-responsive, the Department will proceed to the next lowest priced responsive and responsible bidder and continue the award process. This process will continue until the Department is able to award a contract or until all eligible bidders have been eliminated.

4.1 Review of Bidder's Facilities & Qualifications

After the bid due date and prior to Contract execution, the Department reserves the right to perform or to have performed, an on-site review of the bidder's facilities and qualifications. This review will serve to verify data and representations submitted by the bidder and may be used to determine whether the bidder has adequate facilities, equipment, qualified and experienced staff, and overall management capabilities to provide the required services. The review may also serve to verify whether the bidder has financial capabilities adequate to meet the Contract requirements.

Should the Department determine that the bid package has material misrepresentations or that the size or nature of the bidder's facilities, equipment, management capabilities, or the number of experienced personnel (including technical staff) are not adequate to ensure satisfactory contract performance, the Department has the right to reject the bid.
