SECTION 1: GENERAL INFORMATION

1.1 Background

The Early Learning Coalition of Miami-Dade/Monroe, Inc. (the “Early Learning Coalition”) is a Florida non-profit corporation and IRC §501(c)(3) charitable organization dedicated to ensuring quality early care and education for children in Miami-Dade and Monroe counties. Through a variety of affordable and innovative early education and voluntary pre-kindergarten programs, the Early Learning Coalition serves more than 50,000 children aged from birth to 12 years old and their families.

In 1999, the Florida Legislature enacted the School Readiness Act (s. 411.01, F.S.), which consolidated the state’s early childhood education and child care programs into one integrated program of school readiness services. The School Readiness Act directed that school readiness programs would be administered by school readiness Early Learning Coalitions (now known as the Early Learning Coalitions) at the county or multi-county level. The Early Learning Coalition is coordinated by the State of Florida’s Office of Early Learning, and is one of 31 Early Learning Coalitions in Florida.

In December 2014, the Early Learning Coalition was awarded the Early Head Start Child Care Partnership and Expansion grant to enhance and expand preschool programs, and improve access to high-quality infant and toddler care in high-need communities.

In addition, the Early Learning Coalition provides training and resources to advance the skills of early care and education providers and staff, enhancing their ability to inspire learning and prepare children for future academic success.

The Early Learning Coalition shall have the right, but not the obligation, to waive any minor irregularities in submitted Proposals if doing so would serve the best interests of the Early Learning Coalition as determined in its sole and absolute discretion. For purposes of this Section 2.5, a minor irregularity shall mean a variation from the RFP terms and conditions that does not affect the price of the Proposal, does not give the Proposer an advantage or benefit not enjoyed by other Proposers, and/or does not adversely impact the interest of the Early Learning Coalition.

2.6 Notice of Contract Award

The Contract shall be awarded to the Proposer whose Proposal is determined to be most advantageous to the Early Learning Coalition, taking into consideration price and technical merits.

Any Proposer desiring to file a formal written protest to this RFP must accompany such protest with a bond payable to the Early Learning Coalition in an amount equal to one percent (1%) of the estimated Contract amount in accordance with s. 287.042(2)(c), F.S. The bond shall be conditioned upon the payment of all costs which may be adjudged against the Proposer in any administrative hearing in which the action is brought and in any subsequent appellate court proceedings. In lieu of a bond, the Early Learning Coalition may accept a cashier’s check, official bank check, or a money order in the amount of the bond. Failure to file the proper bond at the time of filing the formal written protest will result in a denial of the protest.

2.9 Appeals

A. Unsuccessful Proposers affected by the denial, determination of eligibility, or ineligibility for contract award by the Early Learning Coalition with respect to any federal or state funded program or activity may appeal if the action or decision of the Early Learning Coalition is alleged by the Proposer to be:

1. In violation of applicable federal or state law;
2. Based upon an error of material and relevant facts; or
3. Invalid because of an alleged denial of procedural due process.

B. Unsuccessful Proposers affected by the denial, determination of eligibility, or ineligibility for contract award by the Early Learning Coalition with respect to any federal or state funded program or activity may not appeal if:

1. The Proposer agrees that the procurement process was fair;
The Proposer’s score was acceptable for funding but budget limitations, due to program allocations or the availability of funds, prevented the proposal from being funded;

No error of material and relevant fact occurred, but the Proposer does not agree that the proposed services failed to satisfy the technical requirements of the competitive procurement process; and/or

The Proposer was awarded funding, but the Proposer does not agree with the amount awarded.

2.10 Evaluation Process

The Early Learning Coalition shall conduct a comprehensive review of the responses to the solicitation by convening a proposal evaluation committee. The composition of the evaluation committee will depend on the total potential dollar value of the award and whether it is programmatic or administrative as determined by the Early Learning Coalition’s Finance Committee.

Responses will be evaluated using the RFP Evaluation Forms, which contains two sections, Initial Screening (Exhibit 2), and Quantitative Evaluation Criteria (Exhibit 3). The initial screening consists of a series of pass or fail questions that ensure respondents meet certain compliance items. Responses that are incomplete or do not satisfactorily address each and every requirement may be disqualified. The second portion, Quantitative Evaluation Criteria is based on the Minimum Programmatic Requirements set forth in Section 3 below, and assigns a maximum point value to a series of questions that ensure the respondents have satisfactorily addressed each and all requirements. Responses submitted by Proposer must be concise and comply with the RFP page limit requirements of 10 pages. The 10 page limit does not include the required exhibit forms. Proposer will be judged based on overall percentage achieved. Proposer will be required to present their proposal to the evaluation committee on March 17, 2016.

The evaluation process is designed to assess the Proposer’s ability to meet the Early Learning Coalition requirements and to identify the Proposer likely to satisfy those requirements. The evaluation process will be conducted in a thorough and impartial manner at a proposal evaluation committee meeting held according to Ch. 286, F.S. Proposers are advised to periodically check the Early Learning Coalition website calendar www.elcmdm.org for the scheduled date, time, and location of this session, should changes occur. Proposers should also reference Appendix “A”, which contains a list of the currently scheduled events in connection with this RFP.

Subsequent to the end of the evaluation process, the proposal evaluation committee will rate Proposers, who in their judgment, best meet the needs and requirements of the Early Learning Coalition. While price is an important factor in selecting Proposer(s) for an award, other factors in the competitive process will be considered and may take precedence over price. Those factors
may include, but are not limited to, the following: quality of service offered, operating characteristics, technical innovations, administrative capability, previous experience in providing the same or similar services, and the ability to achieve the deliverables as specified in Section 4.

The Early Learning Coalition’s Board of Directors, in its sole discretion, may elect not to award a Contract to any Proposer under this solicitation. Proposer(s) may be selected for further evaluation in the context of an oral presentation, in-person interview, conference calls, or a combination of the foregoing. References may be checked and background checks may be performed to verify information submitted in the Proposals.
