Intended Single Source:

AB Sciex, LLC

Price:

\$67,397.03

Justification for Single Source Purchase (what is necessary and unique about the commodity, contractual service, or source; steps taken to confirm unavailability of competition, as appropriate):

This request is for maintenance and repair services by the original equipment manufacturer (OEM) for analytical laboratory instrumentation. Maintaining this equipment in operational condition is critical to the mission of the FL DEP Laboratories. Experience has demonstrated the OEM service contracts are necessary to ensure that critical laboratory equipment is promptly and adequately maintained to carry out the laboratories mission. No other vendors are authorized to provide OEM certified repair and maintenance services for this equipment.

Approved By (names & titles, as appropriate, e.g., requestor, requestor management, information systems, budget, purchasing):

Reflacher Maddox, Administrative Assistant II

Kerry Tate, Environmental Administrator

Liang Lin, Environmental Administrator

Colin Wright, Program Administrator

Sara Armour, Environmental Scientist III

David D. Whiting, Deputy Director

Sabina Flanagan, Purchasing Specialist

Fran Spivey, Procurement Administrator

**Failure to file a protest within the time prescribed in Section 120.57(3), Florida Statutes, or failure to file a bond or other security within the time allowed for filing a bond, shall constitute a waiver of proceedings under Chapter 120, Florida Statutes.**
