AB Sciex, LLC

Estimated Dollar Amount:

\$67,397.03

Justification for single source acquisition (what is necessary and unique about the product, service or source; steps taken to confirm unavailability of competition, as appropriate):

This request is for maintenance and repair services by the original equipment manufacturer (OEM) for analytical laboratory instrumentation. Maintaining this equipment in operational condition is critical to the mission of the FL DEP Laboratories. Experience has demonstrated the OEM service contracts are necessary to ensure that critical laboratory equipment is promptly and adequately maintained to carry out the laboratories mission. No other vendors are authorized to provide OEM certified repair and maintenance services for this equipment.

Approved By (names & titles, as appropriate, e.g., requestor, requestor management, information systems, budget, purchasing):

Reflacher Maddox, Administrative Assistant II

Kerry Tate, Environmental Administrator

Liang Lin, Envoronmental Administrator

Colin Wright, Program Administrator

Sara Armour, Environmental Scientist III

David D. Whiting, Deputy Director

Sabina Flanagan, Purchasing Specialist

Fran Spivey, Procurement Administrator

Prospective vendors are requested to provide information regarding their ability to supply the commodities or contractual services described. If it is determined in writing by the agency, after reviewing any information received from prospective vendors, that the commodities or contractual services are available only from a single source, the agency shall: provide notice of its intended decision to enter a single-source purchase contract in the manner specified in Section 120.57(3), F.S.
