If additional terms and conditions of the Vendor are attached, only those provisions not in conflict with the State of Florida Purchase Order Conditions and Instructions and Purchase Order Terms and Conditions herein may be made a part of this Purchase Order. The Purchase Order Terms and Conditions, whether generic or specific, shall take precedence over and supersede any inconsistent or conflicting provision in the State of Florida Purchase Order Conditions and Instructions, and any attached terms and conditions of the Vendor.
- B. Before making any additions or deletions to the work described in this Purchase Order, and before undertaking any changes or revisions to such work, the parties shall negotiate any necessary cost changes and the Department shall issue a Change Order covering such work and compensation. Reference herein to this Purchase Order shall be considered to include any Change Orders.

Upon delivery to the Department of said document(s), the Department shall become the custodian thereof in accordance with Chapter 119, Florida Statutes. The Department shall have the right to visit the site for inspection of the work and the products of the Vendor at any time.

The Department shall be entitled at all times to be advised, at its request, as to the status of work being done by the Vendor and of the details thereof. 2. TERM

- A. Initial Term. Unless otherwise specified, this Purchase Order begins on the date of issuance.

Services to be rendered by the Vendor shall be completed by the date specified on the Purchase Order.

- B, EXTENSIONS. In the event that circumstances arise which make performance by the Vendor impracticable or impossible within the time allowed or which prevent a new contract from being executed, the Department, in its discretion, may grant an extension of this Purchase Order. Extension of this Purchase Order must be in writing for a period not to exceed six (6) months and is subject to the same terms and conditions set forth in this Purchase Order and any written amendments signed by the parties; provided the Department may, in its discretion, grant a proportional increase in the total dollar amount based on the method and rate established herein. There may be only one extension of this Purchase Order unless the failure to meet the criteria set forth in this Purchase Order for completion of this Purchase Order is due to events beyond the control of the Vendor.

It shall be the responsibility of the Vendor to ensure at all times that sufficient time remains in the Project Schedule within which to complete services on the project. In the event there have been delays which would affect the project completion date, the Vendor shall submit a written request to the Department which identifies the reason(s) for the delay and the amount of time related to each reason. The Department shall review the request and make a determination as to granting all or part of the requested extension.

3. COMPENSATION AND PAYMENT

- A. Payment shall be made only after receipt and approval of goods and services unless advance payments are authorized by the Chief Financial Officer of the State of Florida under Chapters 215 and 216, Florida Statutes. Deliverable(s) must be received and accepted in writing by the Contract Manager on the Department's invoice transmittal forms prior to payment. If the Department determines that the performance of the Vendor is unsatisfactory, the Department shall notify the Vendor of the deficiency to be corrected, which correction shall be made within a time-frame to be specified by the Department. The Vendor shall, within five days after notice from the Department, provide the Department with a corrective action plan describing how the Vendor will address all issues of contract non-performance, unacceptable performance, failure to meet the minimum performance levels, deliverable deficiencies, or contract non-compliance. If the corrective action plan is unacceptable to the Department, the Vendor shall be assessed a non-performance retainage equivalent to 10% of the total invoice amount. The retainage shall be applied to the invoice for the then-current billing period. The retainage shall be withheld until the vendor resolves the deficiency. If the deficiency is subsequently resolved, the Vendor may bill the Department for the retained amount during the next billing period. If the Vendor is unable to resolve the deficiency, the funds retained will be forfeited at the end of the agreement period.
- B. Vendors providing goods and services to the Department should be aware of the following time frames. Upon receipt, the Department has five (5) working days to inspect and approve the goods and services, unless the Purchase Order specifies otherwise. The Department has 20 days to deliver a request for payment (voucher) to the Department of Financial Services. The 20 days are measured from the latter of the date the invoice is received or the goods or services are received, inspected, and approved. Interest penalties of less than one (1) dollar shall not be enforced unless the Vendor requests payment. Invoices which have to be returned to a Vendor because of Vendor preparation errors shall result in a delay in the payment. The invoice payment requirements do not start until a properly completed invoice is provided to the Department.
- C. The State of Florida, through the Department of Management Services, has instituted MyFloridaMarketPlace, a statewide eProcurement system. Pursuant to Section 287.057(23), Florida Statutes, all payments shall be assessed a transaction fee of one percent (1%), which the Vendor shall pay to the State. For payments within the State accounting system (FLAIR or its successor), the transaction fee shall, when possible, be automatically deducted from payments to the Vendor. If automatic deduction is not possible, the Vendor shall pay the transaction fee pursuant to Rule 60A-1.031(2), Florida Administrative Code. By submission of these reports and corresponding payments, Vendor certifies their correctness. All such reports and payments shall be

subject to audit by the State or its designee. The Vendor shall receive a credit for any transaction fee paid by the Vendor for the purchase of any item(s) if such item(s) are returned to the Vendor through no fault, act, or omission of the Vendor. Notwithstanding the foregoing, a transaction fee is non-refundable when an item is rejected or returned, or declined, due to the Vendor's failure to perform or comply with specifications or requirements of the Purchase Order. Failure to comply with these requirements shall constitute grounds for declaring the Vendor in default and recovering procurement costs from the Vendor in addition to all outstanding fees. VENDORS DELINQUENT IN PAYING TRANSACTION FEES MAY BE EXCLUDED FROM CONDUCTING FUTURE BUSINESS WITH THE STATE.

- D. Records of costs incurred under terms of this Purchase Order shall be maintained and made available upon request to the Department at all times during the period of this Purchase Order and for three years after final payment for the work pursuant to this Purchase Order is made. Copies of these documents and records shall be furnished to the Department upon request. Records of costs incurred shall include the Vendor's general accounting records and the project records, together with supporting documents and records, of the Vendor and all subcontractors performing work on the project, and all other records of the Vendor and subcontractors considered necessary by the Department for a proper audit of project costs.
- E. The Department, during any fiscal year, shall not expend money, incur any liability, or enter into any contract which, by its terms, involves the expenditure of money in excess of the amounts budgeted as available for expenditure during such fiscal year. Any contract, verbal or written, made in violation of this subsection is null and void, and no money may be paid on such contract. The Department shall require a statement from the comptroller of the Department that funds are available prior to entering into any such contract or other binding commitment of funds. Nothing herein contained shall prevent the making of contracts for periods exceeding one year, but any contract so made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years. Accordingly, the State of Florida's performance and obligation to pay under this Contract is contingent upon an annual appropriation by the Legislature.
- F. The bills for any travel expenses, when authorized by terms of this Agreement and the Department, will be submitted in accordance with Section 112.061, Florida Statutes. In addition, if compensation for travel is authorized by terms of this Agreement and the Department, then the Department shall not compensate the Vendor for lodging/hotel expenses in excess of \$150.00 per day (excluding taxes and fees). The Vendor may expend their own funds to the extent the lodging/hotel expense exceeds \$150.00 per day. The Department, in its sole discretion and pursuant to its internal policies and procedures, may approve compensation to the Vendor for lodging/hotel expenses in excess of \$150.00 per day.

4. INDEMNITY AND PAYMENT FOR CLAIMS

- A. **INDEMNITY:** To the extent permitted by Florida Law, the Vendor shall indemnify and hold harmless the Department, and its officers and employees from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorney's fees, to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of the Vendor and persons employed or utilized by the Vendor in the performance of this Purchase Order.

It is specifically agreed between the parties executing this Purchase Order that it is not intended by any of the provisions of any part of the Purchase Order to create in the public or any member thereof, a third party beneficiary hereunder, or to authorize anyone not a party to this Purchase Order to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this Purchase Order.

PAYMENT FOR CLAIMS: The Vendor guarantees the payment of all just claims for materials, supplies, tools, or labor and other just claims against the Vendor or any subcontractor, in connection with the Purchase Order. E. CERTIFICATION. With respect to any general liability insurance policy required pursuant to this Purchase Order, all such policies shall be issued by companies licensed to do business in the State of Florida. The Vendor shall provide to the Department certificates showing the required coverage to be in effect with endorsements showing the Department to be an additional insured prior to commencing any work under this Contract. Policies that include Self Insured Retention (SIR) will not be accepted. The certificates and policies shall provide that in the event of any material change in or cancellation of the policies reflecting the required coverage, thirty days advance notice shall be given to the Department or as provided in accordance with Florida law.

5. COMPLIANCE WITH LAWS

A. The Vendor agrees that it shall make no statements, press releases, or publicity releases concerning this Purchase Order or its subject matter or otherwise disclose or permit to be disclosed any of the data or other information obtained or furnished in compliance with this Purchase Order, or any particulars thereof, during the period of the Purchase Order, without first notifying the Department's Contract Manager and securing prior written consent.

Such payment, however, may not exceed an amount which is the same percentage of the agreement price as the amount of work satisfactorily completed is a percentage of the total work called for by this Purchase Order. All work in progress shall become the property of the Department and shall be turned over promptly by the Vendor.

BACKGROUND CHECK FOR VENDOR STAFF

Florida Department of Transportation (Department) requires Vendor employees working on systems identified by the Department with a risk factor of moderate or higher to undergo an FBI Level II background check. The Vendor will pay the cost of their employee background checks. The Vendor will utilize the Department's Originating Agency Identifier (ORI). Contract employees must successfully pass the Level II background check before beginning work on the project.

CHAPTER 74-1, F.A.C. – INFORMATION TECHNOLOGY PROJECT MANAGEMENT AND OVERSIGHT STANDARDS

Governed by the Agency for State Technology (AST), [Chapter 74-1](#), Florida Administrative Code (F.A.C.), Florida Information Technology Project Management and Oversight Standards, establishes project management principles that State Agencies are required to follow when implementing information technology projects. The Department must adhere to the State project management standards and ensure that all project documentation created by the Vendor, the Department, or in collaboration, is developed and maintained in accordance with Chapter 74-1 F.A.C. The Vendor must be familiar with the State project management standards and be prepared to satisfy all requirements. It is important for the Vendor to recognize that documentation, monitoring, or reporting requirements may change mid-project, based on the project's AST Risk and Complexity Assessment, outlined in 74-1.002. The Vendor must be adaptable to changes required by Chapter 74-1 F.A.C., without increasing cost to the Department.

CHAPTER 74-2, F.A.C. – FLORIDA CYBERSECURITY STANDARDS

Governed by the Agency for State Technology (AST), [Chapter 74-2](#) F.A.C., Information Technology Security, also known as the Florida Cybersecurity Standards (FCS), establishes cybersecurity standards for information technology (IT) resources. State Agencies are required to follow these standards in the management and operations of state IT resources. The Department must adhere with the Florida Cybersecurity Standards for all IT projects created by the Vendor, Department, or in collaboration. The Vendor must be familiar with the State cybersecurity standards and be prepared to work with the Department to satisfy all requirements.

In support of the Florida Cybersecurity Standards, 74-2 F.A.C. Section 74-2.002, the Department requires that all IT systems have a system security plan (SSP). The SSP must address the security setup of the system, ensuring that security controls required by Section 74-2.003(5)(g)(4) are in place. The SSP must be submitted by the Vendor and approved by the Department Information Security Manager (ISM) prior to system implementation. The SSP must be completed using the SSP template made available from the Department ISM. The SSP must be submitted during the System Design/Configuration phase to allow time for changes in the security design that may be required. Upon receipt of the SSP, the Department will have ten (10) business days to review. The ISM will respond with feedback, approval, or denial of the plan. The Vendor must allow time for adjustments to the plan and resubmittal to the ISM. After the SSP is approved, the Vendor shall keep the SSP updated as necessary or upon notification by the Department of a deficiency in the SSP. Any change to the SSP must be reviewed by the Department and approved by the ISM.

COMPUTER HARDWARE/SOFTWARE LIABILITY

In any Agreement for the purchase or maintenance of machines or computer hardware/software or licensed programs, the Vendor's entire liability and the Department's exclusive remedy for damages to the Department related to the machine or computer hardware/software or licensed program which is the subject of this Agreement, or maintenance thereof shall be limited to, at the Department's discretion, 1) the correction by the Vendor of the relevant defect(s); or 2) actual damages up to the greater of an amount equal to 12 months maintenance charges for said product or the purchase price of said product. Such maintenance charges will be those in effect for the specific product when the cause of action arose. The foregoing limitation of liability will not apply to (a) the payment of cost and damage awards resulting from liability in accordance with the Copyright and Patent Infringement paragraph below, or to (b) claims for procurement costs or the cost of cover pursuant to Rule 60A-1.006, Florida Administrative Code, or to (c) claims by the Department for personal injury or damage to real property or tangible personal property caused by the Vendor's negligence or tortious conduct.

CONFIDENTIAL INFORMATION

Trade secrets are not solicited or desired as submissions with responses. Respondents are advised to submit a redacted version of the quote if the Vendor deems any portion of the documents, data or records submitted in response to this solicitation to be confidential, trade secret or otherwise not subject to disclosure pursuant to [Chapter 119](#), Florida Statutes (F.S.), the Florida Constitution or other authority. Any confidential or trade secret submission must be conspicuously marked as such, and any redacted copy must be clearly titled "Proprietary and Confidential." Failure to provide a redacted version when confidentiality is claimed by the Vendor may be cause for determination of non-conformance.

CONFLICT OF INTEREST

To prevent any bias, unfair competitive advantage, conflict of interest, or the appearance of any type of impropriety, Vendor personnel must not have been directly or indirectly involved in the development of the Scope of Services or related solicitation documentation by the Department. If Vendor personnel worked in conjunction with the Department on the development of the solicitation document, the Vendor is prohibited from submitting a bid for this solicitation. Vendor personnel assigned to other Department projects outside this Contract,

shall hold and maintain any confidential information that could benefit the Vendor on future solicitations in strictest confidence. As a condition of the Agreement, the Department may require contracted personnel to sign a nondisclosure agreement. Violation of the non-disclosure agreement by contracted personnel may result in termination of the individual, and at the Department's discretion, disqualification of the Vendor from future solicitations.

COPYRIGHT OR PATENT INFRINGEMENT

To the extent permitted by Florida Law, the Vendor, without exception, shall save, defend and hold harmless the Department and its employees from liability of any nature or kind, including cost and expenses, for or on account of any copyrighted, patented or unpatented invention, process, or article manufactured or supplied by the Vendor. The Vendor has no liability when such claim is solely and exclusively due to the combination, operation or use of articles supplied hereunder with equipment or data not supplied by Vendor or is based solely and exclusively upon the Department's alteration of the article. The Department will provide prompt written notification of a claim of copyright or patent infringement. Further, if such claim is made or is pending, the Vendor may, at its option and expense, procure for the Department the right to continued use of, or replace or modify the article to render it non-infringing. If the Vendor uses any design, device, or materials covered by letters, patent or copyright, it is mutually agreed and understood that, without exception, the Agreement price shall include all royalties or other costs arising from the use of such design, device, or materials in any way involved in the work. Copyrighted material will be accepted, as part of a technical Quote, only if accompanied by a waiver that will allow the Department to make paper and electronic copies necessary for use by the Department staff and agents. It is noted that copyrighted material is not exempt from the Public Records Law, Chapter 119, F.S. Therefore, such material will be subject to viewing by the public.

DATA SECURITY AND CONFIDENTIALITY

The Vendor and its employees must comply with all Department security procedures while working on this Agreement.
