Question / [Answer](#)

- 1. Regarding the Florida Urban and Community Forestry Grant, can the match dollars come from another grant or must they be county dollars? I am exploring this option for Liberty County Board of County Commissioners.**

[Matching funds may come from another grant as long as the funding source for that grant is not federal. As the funding for the 2020 Urban and Community Forestry Grant Program comes from the USDA Forest Service, all matching funds are required to be non-federally sourced.](#)
