SECTION 1.0 INTRODUCTORY MATERIALS

1.1 Background

Section 945.025, Florida Statutes (F.S.), gives the Florida Department of Corrections (Department) the responsibility for the supervision, protective care, custody, and control of the inmates, buildings, grounds, property, and all other matters pertaining to facilities and programs for the imprisonment, correction, and rehabilitation of adult offenders. The State of Florida has a current total inmate population of approximately 98,000 inmates.

The Department’s Bureau of Programs, Online Career Education Program is designed to prepare incarcerated adults who are returning to the workplace from prison. According to the Bureau of Justice Assistance and the research conducted by the Safety and Justice Program within Research and Development (RAND) Justice, Infrastructure, and Environment, “students exposed to computer-assisted instruction relative to traditional instruction learned very slightly more in reading in the same amount of instructional time and substantially more in mathematics”.¹ Computer-assisted instruction also offers potential monetary savings to the Department, when used in lieu of a live classroom setting with teachers.

1.2 Statement of Purpose

The Department is requesting Proposals from qualified Vendors for the provision and implementation of an Online Career Education Program that will serve up to 1,000 inmates through an AdvancED/SACS accredited online school district that offers career-based online high school diplomas designed to prepare adults for transition into the workplace. The Online Career Education Program services shall include, but are not limited to:

a) Online career education program consisting of online high school course work;
b) Provision of any printed instructional materials and educational supplies required to secure access to course content;
c) Verification that inmates do not already have standard high school or General Education Development (GED) diplomas;
d) Determination and/or verification, through receipt of certified transcripts, of the number of high school credits inmates have earned and/or how many credits inmates will need to receive a standard high school diploma;
e) Provision of individualized instruction-based remediation to inmates struggling in core curriculum areas;
f) Secure final exam/end of course exam access capability;
g) Provide to the Department progress, fiscal, and inventory reports, and other reports as the Department may require within the term of the Contract;
h) All necessary network capabilities required to communicate across the System;
i) Network operations; and
j) Repair, maintenance, and updates of equipment and software.

The success of the Department depends on the availability of education in correctional institutions. The Vendor must be capable of supporting the Department in this mission. The Department’s objectives for issuing this RFP and entering into a Contract for an Online Career Education Program and related services are to:

a) Reduce recidivism while enhancing public safety and promoting post-release success;
b) Create an educational foundation that will enable inmates to become more employable, productive, and self-sufficient citizens;
c) Develop basic skills necessary to attain basic and functional literacy;
d) Improve grade level equivalency of inmates who demonstrate skills at a fifth (5th) grade level or higher, but below a ninth (9th) grade level;
e) Prepare inmates for entry into post-secondary academic institutions;
f) Obtain a Vendor that is sufficiently flexible and scalable to meet the Department’s security and technology requirements; and
g) Select a Vendor that has a demonstrated performance history of meeting and/or exceeding its clients’ expectations.

The Department intends to award one (1) Contract for the services outlined in this RFP.

1.3 Definitions

The following terms used in this RFP, unless the context otherwise clearly requires a different construction and interpretation, have the following meanings:

1.3.1 Breach of Contract: A failure of the Vendor to perform in accordance with the terms and conditions of the Contract resulting from this RFP.

1.3.2 Contract: The agreement between the successful Vendor and the Department resulting from this RFP.

1.3.3 Contract Non-Compliance: Failure to meet or comply with any requirement or term of the Contract.

1.3.4 Corrective Action Plan (CAP): A Vendor’s written comprehensive plan to remedy deficiencies discovered in the course of Contract monitoring and/or discovered at any time during the term of the Contract.

1.3.5 Day: Calendar day, unless otherwise stated.

1.3.6 Deliverables: Those services, items and/or materials provided, prepared and delivered to the Department in the course of performance of the Contract. Deliverables are specifically described in Section 2.10.

1.3.7 Department: The Florida Department of Corrections (FDC).

1.3.8 Evaluation Methodology: The process utilized by the Department to evaluate the portions of the Proposal against pre-determined established evaluation criteria to determine scores and final ranking of qualified Vendors.

1.3.9 HIPAA: Refers to the Administrative Simplification provisions of the Health Insurance Portability and Accountability Act of 1996 (HIPAA, Title II) requires the Department of Health and Human Services (HHS) to establish national standards for electronic health care transactions and national identifiers for providers, health plans, and employers. It also addresses the security and privacy of health data. The awarded Vendor shall comply with HIPAA, 1996 (42 U.S.C. 1320d-1329d-8), and all applicable regulations promulgated thereunder.
1.3.10 **Inmate**: Refers to an individual that is incarcerated by the Department.

1.3.11 **Mandatory Responsiveness Requirements**: Terms, conditions or requirements that must be met by the Vendor to be responsive to this solicitation. Failure to meet these responsiveness requirements will cause rejection of a Proposal. Any Proposal rejected for failure to meet mandatory responsiveness requirements will not be further evaluated.

1.3.12 **Material Deviations**: The Department has established certain requirements with respect to Proposals submitted. The use of shall, must, or will (except to indicate the future) in this RFP indicates a requirement, or condition, which may not be waived by the Department, except where the deviation is not material. A deviation is material if, in the Department’s sole discretion, the deficient response is not in substantial accord with the RFP’s requirements, provides an advantage to one (1) Vendor over other Vendors, has a potentially significant effect on the quality or quantity of services sought or on the cost to the Department. Material deviations cannot be waived and shall be the basis for determining a Proposal non-responsive.

1.3.13 **Minor Irregularity**: A variation from the RFP terms and conditions which does not affect the price of the Proposal, give the Vendor an advantage, or benefit not enjoyed by the other Vendors or does not adversely impact the interests of the Department. A minor irregularity will not result in a rejection of a Proposal.

1.3.14 **Offender**: Refers to an individual who is under community supervision with the Department.

1.3.15 **Prison Rape Elimination Act (PREA)**: Where used herein, refers to Title 28 of the Code of Federal Regulations (C.F.R.), Part 115, National Standards to Prevent, Detect, and Respond to Prison Rape, under the “Prison Rape Elimination Act of 2003." The Act provides for analysis of the incidence and effects of prison rape in federal, state, and local institutions, and for information, resources, recommendations, and funding to protect individuals from prison rape.

1.3.16 **Quarterly**: Where used herein, refers to the periods of January – March, April – June, July – September, and October – December, unless otherwise stated.

1.3.17 **Responsible Vendor**: A Vendor who has the capability in all respects to fully perform the Contract requirements, and the integrity and reliability that will assure good faith performance.

1.3.18 **Responsive Proposal**: A Proposal, submitted by a responsive and responsible Vendor that conforms in all material respects to the solicitation.

1.3.19 **Subcontract**: An agreement entered into by the Vendor with any other person or organization that agrees to perform any performance obligation for the Vendor specifically related to securing or fulfilling the Vendor’s obligations to the Department under the terms of the Contract resulting from this RFP.

1.3.20 **Value-Added Services**: Additional services the Vendor may offer to provide to the Department, in addition to providing services which meet the minimum services
requirements and specifications of this RFP, and offered at no additional cost to the Department.

1.3.21 **Vendor, Respondent and Bidder:** A legally qualified corporation, partnership or other entity submitting a response/offer to the Department pursuant to this RFP.

1.4 **Start-up**

The Vendor must have the capability to implement service delivery, as described herein, no later than March 19, 2018.

1.5 **Contract Term**

The initial term of the Contract resulting from this RFP shall be for three (3) years.

1.6 **Contract Renewal**

The Department may renew the Contract resulting from this RFP for up to three (3) years, or portions thereof, in accordance with Section 287.057(13), F.S., at the same prices, terms, and conditions. If the Department makes the determination to renew the Contract resulting from this RFP, it will provide written notice to the Vendor, no later than 90 days prior to the Contract expiration date.

1.7 **Conflicts and Order(s) of Precedence**

Additionally, the Vendor shall provide the services described in this RFP in accordance with Chapter 1002, Part II, and Chapter 1003, Part V, F.S. and Title 20, United States Code, Section 1232g, Family Educational and Privacy Rights, and Chapter 33, Education of Individuals with Disabilities. Should the above laws, standards, rules or regulations, Department procedures, or directives change during the course of any resulting Contract, the updated regulations and requirements will take precedence. The above laws, rules, and regulations are incorporated herein by reference and are made part of any resulting Contract.

2.3 Confidentiality

The Vendor shall maintain confidentiality with reference to individual inmates receiving services in accordance with applicable local, State, and federal laws, rules, and regulations. The Department and Vendor agree that all information and records obtained in the course of providing services to inmates shall be subject to confidentiality and disclosure provisions of applicable federal and State statutes, and regulations adopted pursuant thereto.

2.4 Department Responsibilities

2.4.1 The Department will be solely responsible for permitting inmates who do not have a standard high school or general educational development diploma to participate in the Vendor’s program. The Department will work in partnership with the Vendor to coordinate the participation of each inmate referred to the program. The Department reserves the right to deny participation to inmates with a history of computer crimes, inappropriate use of computers, or any other risk factors as determined by the Department.

2.4.2 The Department will provide the Vendor with access to each enrolled exceptional inmate’s current Transition Plan/Individualized Education Plan. The Vendor may contact special education program consultants working in the Department’s Bureau of Programs for guidance and technical assistance relating to its compliance with such plans, but will ultimately assist in adherence to those plans.

2.4.3 The Department will provide the Vendor with access to all applicable Department rules and regulations. The Department will inform the Vendor of any regulatory or operational changes impacting the delivery of services to be provided pursuant to the resulting Contract.

2.4.4 The Department will provide classroom space within the secure perimeter of the service location(s), for the delivery of career-based online education programs leading to high school diplomas. The Department will provide 20 to 30 computer
workstations, with the capability to access the Vendor’s online career education program, at each service location.

2.4.5 The Department will provide one (1) Teacher Aide, per service location, to supervise inmate use of the computer workstations and inmate access to the internet. Upon request by the Vendor, the Department’s Teacher Aides will assist the Vendor in receiving signed authorization forms from inmates authorizing the Vendor to retrieve educational records from the appropriate educational authorities. The Vendor shall provide a copy of the signed authorization forms to the Department’s Contract Manager, or designee, and Teacher Aide(s).

2.4.6 The Department will provide a Contract Manager to coordinate online career education efforts and to monitor the resulting Contract.

2.4.7 To the extent possible, the Department will ensure that inmates enrolled in the online career education program remain at the same institution for the duration of the Contract. However, security requirements, medical and/or mental health treatment needs, court orders, etc., may require that the Department transfer an inmate to another correctional institution which will result in termination of his/her participation in the program.

2.5 Vendor Requirements

2.5.1 The Vendor shall be an AdvancED/SACS accredited online school district that can award career-based online high school diplomas designed to prepare adults for transition into the workplace. The Vendor shall maintain the accreditation throughout the term of the resulting Contract, and shall include proof of accreditation in their Proposal to this RFP.

2.5.2 The Vendor shall comply with the Department’s policy regarding “Non-Discrimination,” which states, “No person on the grounds of race, creed, color, national origin, age, gender, marital status or disability, shall be excluded from participation in, be denied the benefits or the proceeds of, or be otherwise subjected to, discrimination in the performance of any Contract.”

2.5.3 The Vendor shall provide instructional support services, accommodations, modifications and/or interventions, including assistive technology devices or services, for exceptional inmates and inmates with disabilities that may be required for their participation, and successful completion of coursework. b) Determine and/or verify through receipt of certified transcripts the number of high school credits inmates have earned and/or how many credits inmates will need to receive a standard high school diploma;

c) Provide the Department’s supervising Teacher Aide with a report of credits accepted from the previous educational institution. The Vendor shall supply a copy to the Department’s Contract Manager, or designee, upon request; and

d) Provide the Department a copy of any transcripts received from inmates’ previous educational institution.

The Vendor shall maintain a copy of each signed authorization form and provide copies to the Department upon request.

2.5.6 The Vendor shall be responsible for provision of the following supplies:

a) All software and courseware to provide the required services under the resulting Contract;
b) Instructional materials, as needed, to provide the required services under the resulting Contract; and

c) Educational supplies required for inmates’ participation and completion of coursework, including, but not limited to, writing materials (pens, pencils, paper, and highlighters), and headphones, if the program has auditory portions.

2.5.7 The Vendor shall be responsible for providing and updating all program materials, including Department-approved curriculum, audiovisual materials, workbooks, and other materials (writing tablets, pens, pencils, pocket portfolios, six (6) part participant files, file labels, etc.) for each inmate, on a quarterly basis as needed, and/or as requested by the Department. This shall include materials for inmates with exceptional educational or disability needs.

2.5.8 The Vendor shall issue an unofficial transcript to every inmate upon graduation and provide a copy to the supervising Teacher Aide at the correctional institution. The Vendor shall supply a copy to the Department’s Contract Manager, or designee, upon request. If the graduated inmate requests an official transcript be sent to a post-secondary institution, the Vendor will send an official transcript to that institution. If the inmate should transfer to another high school prior to graduating from the Vendor’s high school, the Vendor will provide the gaining high school with an official transcript upon request.

2.5.9 The Vendor shall issue a standard high school diploma to every inmate who successfully completes the program in accordance with the AdvancED/SACS accreditation requirements, and shall provide a copy to the supervising Teacher Aide at the correctional institution. The Vendor shall supply a copy to the Department’s Contract Manager, or designee, upon request.

2.5.10 The Vendor’s staff providing on-site services under the resulting Contract shall complete any Department required mandatory training, as directed by the Warden of the correctional institution.
2.6 Program Services to be Provided

The Vendor shall meet or exceed the following requirements for the delivery of the Online Career Education Program.

2.6.1 Research and Development of Program

2.6.2 Curriculum, Assessments, and Remediation

The Vendor’s online career education program shall include the following standards for development of a curriculum, assessing inmate progress, and providing remediation for inmates:

a) The Vendor’s curriculum shall be research and evidence driven, that is aligned with college and career expectations.

b) The Vendor’s curriculum shall be based on rigorous content and application of knowledge through higher-order thinking skills.

c) The Vendor’s curriculum shall be based upon the strengths and lessons of current Common Core standards.

f) The Vendor shall have the resources, capability, and procedures for individualized instructional remediation for inmates who receive failing grades on assessments.

2.6.3 Readiness for Delivery and Operation

The Department requires that every software item in the proposed configuration already be operational in some education setting, with the exception that equivalent or improved newer releases or updates of the proposed services and their architectures are acceptable.

The Department will not consider or accept configuration items that are at the specifications or concept stage only, early in development, or are services announced but not engineered, and ready for general audience and delivery. The Department understands that a Vendor’s Program would require adaptation to the Department’s requirements and that software may require additional developments. However, Proposals to this RFP that are based solely on undeveloped services will be rejected.
2.6.4 Training

The Vendor shall provide a minimum of one (1) web-based or face-to-face training, with any newly-assigned Department employee within two (2) weeks of their assignment.

The Vendor will meet with all local Department staff assigned to an online career education program location via conference call, or in person, at least once per month, or more frequently if requested by the Department’s Contract Manager, or designee, to provide any guidance, coaching, program updates, and to monitor and discuss the program related topics, to ensure success of the Department’s objectives. The Department reserves the right to request the Vendor provide face-to-face training with Department staff.

2.6.6 Graduation Rate

The Vendor shall maintain a rate of no less than two (2) graduates per institution per month. The graduation rate shall be based on a rolling 12 month period. The rate shall be calculated as the weighted mean of each correctional institution’s average

2.6.7 Post-Graduation Performance

The Vendor shall ensure that inmates who graduate from the Online Career Education Program demonstrate post-secondary readiness. The Department shall administer to graduates an Advanced “A” level Test of Adult Basic Education (TABE) assessment. Inmates who graduate from the Vendor’s program shall score a total battery score of “10.0” on the TABE assessment, or receive an equivalent score on another Department approved assessment, as requested and distributed by the Vendor, such as the Post-secondary Education Readiness Test (PERT), to be considered as demonstrating post-secondary readiness. 3.6.6 Tab E – Cost Information Sheet

The Cost Information Sheet, Attachment I, should be submitted with the most favorable terms the Vendor can offer. The Department may reject any and all Proposals that are conditional, incomplete or which contain irregularities, as these will be deemed a counteroffer.
By submitting an offer under this RFP, each Vendor warrants its agreement to the prices submitted. Any qualifications, counter offers, deviations, or challenges may render the entire Proposal non-responsive.

The Cost Information Sheet should identify the name of the Vendor’s Organization, and date of submission, and shall bear the signature of a Business/Corporate Representative authorized to bind the Vendor to the prices submitted. The Cost Information Sheet should be sealed separately, but should be able to be easily inserted into Tab E upon the Cost Proposal opening.

Responses received late (after opening date and time) will not be accepted or considered, and no modification by the Vendor of the submittal will be allowed, unless the Department has made a request for additional information. No Department staff will be held responsible for the inadvertent opening of a Proposal not properly sealed, addressed or identified. The name of all Vendors submitting Proposals will be made available to interested parties, after the Proposal opening, upon written request to the Procurement Officer.

3.8 Evaluation Criteria

In order to assist the Vendor in the development of their Proposal and to facilitate Proposal review, and evaluation by the Department, the Vendor shall provide the page number(s) (in column 2) for the requested information located in the Evaluation Criteria (Attachment VI), which shall cross reference the contents of Vendor’s Proposal, and will be used by the Department for the review and evaluation of Proposals. The Vendor shall indicate at the bottom of each sheet the Vendor name. The Vendor shall also leave remaining fields blank for completion by evaluators.

3.8.1 Evaluation of Proposals

Following the opening, the Department will conduct a review of Mandatory Requirements/Fatal Criteria as a pass or fail. If the Proposal passes, the Proposal will then be evaluated and scored, based on the established criteria defined in Attachment VI, Evaluation Criteria. Evaluation sheets will be used by the Evaluation Team to designate the point value assigned to each Proposal for Category I - Business/Corporate Experience and Qualifications, Category II - Project Staffing, and Category III - Service Delivery Approach.

The evaluation will involve the point scoring of each criterion in each category. The following shows the maximum number of points that may be awarded for each category:

| Category I - Business/Corporate Experience and Qualifications – Tab B | 250 points |
| Category II - Project Staffing – Tab C | 50 points |
| Category III - Service Delivery Approach – Tab D | 500 points |
| Cost Points – Tab E | 400 points |
| **TOTAL POSSIBLE POINTS** | **1,200 points** |
3.8.1.1 Evaluators will independently score each criterion within a category. Each Evaluator's score for each category will be combined and averaged to determine the point value. Each Vendor's point value for each category will then be combined, and added to the Cost Point value to determine final scores.

Attachment VI, Evaluation Criteria, includes the questions that have been developed for each category. A score should be assigned by the Department's evaluators to each question as follows:

Poor: Not included in the Proposal or below minimum requirements; demonstrates insufficient understanding of the project, demonstrates poor programmatic capability, and is not clearly presented.

Adequate: Meets minimum requirements; demonstrates general understanding of the project, acceptable programmatic capability.

Good: Above minimum requirements; Vendor(s) has a good approach with above-average understanding of the project, and above average programmatic capability.

Exceptional: Exceeds minimum requirements; demonstrates superior understanding of the project, excellent and innovative programmatic capability, an outstanding approach and clarity in presentation.

3.8.1.2 For Cost Points, the Vendor submitting the lowest Grand Total will receive 400 points. All other Proposals will receive Cost Points according to the following formula:

\[(N / X) \times 400 = Z\]

Where: \(N = \) Lowest Grand Total received by any Proposal
\(X = \) Vendor's Grand Total
\(Z = \) Points Awarded

3.9 Disclosure of Response Contents

All documentation produced as part of this RFP shall become the exclusive property of the Department and may not be removed by the Vendor or its agents. All Proposals shall become the property of the Department and shall not be returned to the Vendor. The Department shall have the right to use any or all ideas or adaptations of the ideas presented in any Proposal. Selection or rejection of a Proposal shall not affect this right.

3.10 Basis of Award

A Contract will be awarded to the responsible and responsive Vendor who receives the highest Final Score. The Department reserves the right to award a Contract, in whole, or for part of the work provided by this Solicitation. The Department reserves the right to accept, or reject any and all offers, or separable portions, and to waive any minor irregularity, technicality, or omission if the Department determines doing so will serve the best interest of the State.

3.13 Rules for Withdrawal

A submission may be withdrawn by submitting a written request for its withdrawal to the Department, signed by an authorized representative of the Vendor, within 72 hours after the Proposal submission date indicated in the Timeline. Any submitted response shall remain valid for 365 days after the opening date.

3.14 Rejection of Proposals

The Department shall reject any or all Proposals containing material deviations. In determining whether a Proposal contains a material deviation or a minor irregularity, the Department will use the definitions of those terms set forth in Section 1.3.

In addition, the Department reserves the right to reject all Proposals to this RFP.

3.15 Non-Mandatory Pre-Proposal Conference

The Department will conduct a Pre-Proposal Conference on the date, time and location specified in the Timeline. Attendance at the Pre-Proposal Conference is not mandatory, but is highly recommended.

The purpose of the conference is to discuss the contents of this RFP and accept verbal questions from potential Vendors. The Department will make a reasonable effort to provide answers during this event. Impromptu questions will be permitted and spontaneous answers provided; however, parties should clearly understand that the Department will issue a written response ONLY to those verbal questions subsequently submitted in writing in accordance with Section 3.2 of this RFP, Vendor Inquiries. The Department’s written response will be provided to all prospective Vendors via posting on the VBS as an addendum to the RFP and shall be considered the Department’s official answers. Verbal answers and discussions shall not be binding upon the Department.

Vendors may choose to call-in for the Vendor’s conference instead of physically attending. The conference call number is identified in the Timeline.
3.16 Addenda

If the Department deems it necessary to supplement, modify or interpret any portion of the solicitation or exhibits, addenda and materials relative to this procurement, it will be posted on the Vendor Bid System at http://vbs.dms.state.fl.us/vbs/main_menu. The Vendor shall not initiate or execute any negotiation, decision, or action arising from any verbal discussion with any State employee. Only written communications from the Department's Procurement Officer may be considered a duly authorized expression on behalf of the State. Additionally, only written communications from Vendors are recognized as duly authorized expressions on behalf of the Vendor.

3.18 No Prior Involvement and Conflict of Interest

Section 287.057(17)(c), F.S., provides, "A person who receives a Contract that has not been procured pursuant to subsections (1)-(3) to perform a feasibility study of the potential implementation of a subsequent Contract, who participates in the drafting of a solicitation or who develops a program for future implementation, is not eligible to Contract with the agency for any other Contracts dealing with that specific subject matter, and any firm in which such person has any interest is not eligible to receive such Contract. However, this prohibition does not prevent a Vendor who responds to a request for information from being eligible to Contract with an agency."

The Department considers participation through decision, approval, disapproval, recommendation, preparation of any part of a purchase request, influencing the content of any specification or procurement standard, rendering of advice, investigation, or auditing or any other advisory capacity to constitute participation in drafting of the solicitation.

Acknowledge acceptance on the Certification/Attestation Form, Attachment III.

The Vendor shall not compensate in any manner, directly or indirectly, any officer, agent or employee of the Department for any act or service which he/she may do, or perform for, or on behalf of, any officer, agent, or employee of the Vendor. No officer, agent, or employee of the Department shall have any interest, directly or indirectly, in any Contract or purchase made, or authorized to be made, by anyone for, or on behalf of, the Department.

4.2 State Initiatives

4.2.1 Diversity in Contracting

The State of Florida is committed to supporting its diverse business industry and population through ensuring participation by minority-owned, women-owned, and service-disabled veteran-owned business enterprises in the economic life of the State. The State of Florida’s Mentor Protégé Program connects these business
enterprises with private corporations for business development mentoring. We strongly encourage firms doing business with the State of Florida to consider this initiative. For more information on the Mentor Protégé Program, please contact the Office of Supplier Diversity at (850) 487-0915.

To this end, the Department considers it vital that minority-owned, women-owned, and service-disabled veteran-owned business enterprises participate in the State’s procurement process as both Bidders, and subcontractors, of this solicitation.

Information on Certified Minority Business Enterprises (CMBE), and Certified Service-Disabled Veteran Business Enterprises (CSDVBE), is available from the Office of Supplier Diversity at: http://www.dms.myflorida.com/agency_administration/office_of_supplier_diversity_osd

Documentation regarding Diversity in Contracting must be submitted to the Contract Administrator, and should identify participation by diverse Vendors and suppliers as prime vendors, subcontractors, vendors, resellers, distributors, or such other participation as the parties may agree. This documentation shall include the timely reporting of funds expended to certified, and other, minority-owned/service-disabled veteran-owned business enterprises. Such reports must be submitted at least monthly, and must include the period covered, the name, minority code and Federal Employer Identification Number of each minority-owned/service-disabled veteran-owned Vendor utilized during the period, the commodities and services provided by each, and the amount paid to each under the terms of any Contract resulting from this solicitation.

If applicable, the Vendor shall submit a plan to support the procurement of products and materials with recycled content, and the intent of Section 403.7065, F.S. The Vendor shall also provide a plan, if applicable, for reducing, and or handling of any hazardous waste generated by the Vendor’s company, in accordance with Rule 62-730.160, F.A.C.

It is a requirement of the Florida Department of Environmental Protection (DEP) that a generator of hazardous waste materials that exceeds a certain threshold must have a valid, and current Hazardous Waste Generator Identification Number. This identification number shall be submitted as part of Vendors explanation of its company’s hazardous waste plan, and shall explain in detail its handling and disposal of this waste.

4.3 Subcontracts

The Vendor may, only with prior written consent of the Department, enter into written subcontracts for the delivery or performance of services as indicated in this RFP. Anticipated subcontract agreements known at the time of Proposal submission and the amount of the subcontract must be identified in the Proposal. If a subcontract has been identified at the time of submission, a copy of the proposed subcontract must be submitted to the Department. No subcontract, which the Vendor enters into with respect to performance of any of its functions under the resulting Contract, shall in any way relieve the Vendor of any responsibility for the performance of its duties. All subcontractors, regardless
of function, providing services on Department property, shall comply with the Department’s security requirements, as defined by the Department, including background checks, and all other Contract requirements. All payments to subcontractors shall be made by the Vendor.

If a subcontractor is utilized by the Vendor, the Vendor shall pay the subcontractor within seven (7) working days after receipt of full or partial payments from the Department, in accordance with Section 287.0585, F.S. It is understood and agreed that the Department shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Vendor shall be solely liable to the subcontractor for all expenses and liabilities under the Contract resulting from this RFP. Failure by the Vendor to pay the subcontractor within seven (7) working days will result in a penalty to be paid by the Vendor to the subcontractor in the amount of one-half of one percent (0.5%) of the amount due per day from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed and shall not exceed 15% of the outstanding balance due.

4.4 Insurance

The Vendor shall obtain insurance to cover those liabilities which are necessary to provide reasonable financial protection for the Vendor and the Department under the Contract resulting from this RFP. This shall include, but is not limited to, workers’ compensation, general liability, and property damage coverage. The Department must be an additional named insured on the Vendor’s insurance related to the Contract. Upon the execution of the resulting Contract, the Vendor shall furnish the Contract Manager, or designee, with written verification of such insurance coverage. Such coverage may be provided by a self-insurance program established and operating under the laws of the State of Florida. The Department reserves the right to require additional insurance where appropriate.

If the Vendor is a state agency or subdivision, as defined in Section 768.28, F.S., the Vendor shall furnish the Department, upon request, written verification of liability protection in accordance with Section 768.28, F.S. Nothing herein shall be construed to extend any party’s liability beyond that provided in Section 768.28, F.S.

4.5 Copyrights, Right to Data, Patents and Royalties

Where activities produce original writing, sound recordings, pictorial reproductions, drawings or other graphic representation and works of any similar nature, the Department has the right to use, duplicate and disclose such materials in whole or in part, in any manner, for any purpose whatsoever and to have others acting on behalf of the Department to do so. If the materials developed are subject to copyright, trademark, or patent, legal title and every right, interest, claim or demand of any kind in and to any patent, trademark or copyright, or application for the same, will vest in the State of Florida, Department of State for the exclusive use and benefit of the state. Pursuant to Section 286.021, F.S., no person, firm or corporation, including parties to the resulting Contract, shall be entitled to use the copyright, patent, or trademark without the prior written consent of the Department of State.

The Department shall have unlimited rights to use, disclose or duplicate, for any purpose whatsoever, all information and data developed, derived, documented, or furnished by the Vendor. All computer programs and other documentation produced as part of the resulting Contract shall become the exclusive property of the State of Florida, Department of State, with the exception of data processing software developed by the Department pursuant to
Section 119.084, F.S., and may not be copied or removed by any employee of the Vendor without express written permission of the Department.

The Vendor, without exception, shall indemnify and save harmless the Department and its employees from liability of any nature or kind, including costs and expenses for or on account of any copyrighted, patented, or unpatented invention, process, or article manufactured or supplied by the Vendor. The Vendor has no liability when such claim is solely and exclusively due to the combination, operation, or use of any article supplied hereunder with equipment or data not supplied by the Vendor or is based solely and exclusively upon the Department’s alteration of the article. The Department will provide prompt written notification of a claim of copyright or patent infringement and will afford the Vendor full opportunity to defend the action and control the defense of such claim.

Further, if such a claim is made or is pending, the Vendor may, at its option and expense, procure for the Department the right to continue use of, replace, or modify the article to render it non-infringing. (If none of the alternatives are reasonably available, the Department agrees to return the article to the Vendor upon its request and receive reimbursement, fees and costs, if any, as may be determined by a court of competent jurisdiction.) If the Vendor uses any design, device, or materials covered by letter, patent or copyright, it is mutually agreed and understood without exception that the resulting Contract prices shall include all royalties or costs arising from the use of such design, device, or materials in any way involved in the work to be performed hereunder.

4.6 Independent Contractor Status

The Vendor shall be considered an independent Contractor in the performance of its duties and responsibilities. The Department shall neither have nor exercise any control or direction over the methods by which the Vendor shall perform its work and functions other than as provided herein. Nothing is intended to, nor shall be deemed to constitute, a partnership or a joint venture between the parties.

4.7 Assignment

The Vendor shall not assign its responsibilities or interests to another party without prior written approval of the Department’s Contract Manager, or designee. The Department shall, at all times, be entitled to assign or transfer its rights, duties and obligations to another governmental agency of the State of Florida upon giving written notice to the Vendor.

4.8 Severability

The invalidity or unenforceability of any particular provision shall not affect the other provisions hereof and shall be construed in all respects as if such invalid or unenforceable provision was omitted, so long as the material purposes can still be determined and effectuated.

4.9 Use of Funds for Lobbying Prohibited

The Vendor agrees to comply with the provisions of Section 216.347, F.S., which prohibits the expenditure of state funds for the purposes of lobbying the Legislature, the Judicial Branch, or a state agency.
4.10 Reservation of Rights

The Department reserves the exclusive right to make certain determinations regarding the service requirements. The absence of the Department setting forth a specific reservation of rights does not mean that any provision regarding the services to be performed is subject to mutual agreement. The Department reserves the right to make any and all determinations exclusively which it deems are necessary to protect the best interests of the State of Florida and the health, safety and welfare of the Department’s inmates and of the general public which is served by the Department, either directly or indirectly, through these services.

4.15 Employment of Department Personnel

The Vendor shall not knowingly engage, employ or utilize, on a full-time, part-time, or other basis during the period of the Contract resulting from this RFP, any current or former employee of the Department where such employment conflicts with Section 112.3185, F.S.

4.16 Legal Requirements

Applicable provision of all Federal, State, county and local laws, and all ordinances, rules, and regulations shall govern development, submittal and evaluation of all Proposals received in response hereto and shall govern any and all claims and disputes which may arise between person(s) submitting a Proposal response hereto and the State of Florida, by and through its officers, employees and authorized representatives, or any other person, natural or otherwise; and lack of knowledge by any Vendor shall not constitute a cognizable defense against the legal effect thereof.

4.18 **Prison Rape Elimination Act (PREA)**

4.19.3 **Termination for Cause**

If applicable, the Department may employ the default provisions in Rule 60A-1.006, F.A.C. The provisions herein do not limit the Department’s right to remedies at law or to damages.

4.19.4 **Termination for Unauthorized Employment**

Violation of the provisions of Section 274A of the Immigration and Nationality Act shall be grounds for unilateral cancellation of the Contract resulting from this solicitation.

4.20 **Retention of Records**

BUSINESS ASSOCIATE AGREEMENT FOR HIPAA
FDC RFP-18-005

This Business Associate Agreement supplements and is made a part of this Agreement between the Florida Department of Corrections ("Department") and [Insert Contractor Name] ("Contractor"), (individually, a “Party” and collectively referred to as "Parties").

Whereas, the Department creates or maintains, or has authorized the Contractor to receive, create, or maintain certain Protected Health Information ("PHI") as that term is defined in 45 C.F.R. §164.501 and that is subject to protection under the Health Insurance Portability and Accountability Act of 1996, as amended. ("HIPAA");

Whereas, the Department is a “Covered Entity” as that term is defined in the HIPAA implementing regulations, 45 C.F.R. Part 160 and Part 164, Subparts A, C, and E, the Standards for Privacy of Individually Identifiable Health Information ("Privacy Rule") and the Security Standards for the Protection of Electronic Protected Health Information ("Security Rule");

Whereas, the Contractor may have access to PHI in fulfilling its responsibilities under its Contract with the Department;

Whereas, the Contractor is considered to be a “Business Associate” of a Covered Entity as defined in the Privacy Rule;

Whereas, pursuant to the Privacy Rule, all Business Associates of Covered Entities must agree in writing to certain mandatory provisions regarding the use and disclosure of PHI; and

Whereas, the purpose of this Agreement is to comply with the requirements of the Privacy Rule, including, but not limited to, the Business Associate Contract requirements of 45 C.F.R. §164.504(e).

Whereas, in regards to Electronic Protected Health Information as defined in 45 C.F.R. § 160.103, the purpose of this Agreement is to comply with the requirements of the Security Rule, including, but not limited to, the Business Associate Contract requirements of 45 C.F.R. §164.314(a).

Now, therefore, in consideration of the mutual promises and covenants contained herein, the Parties agree as follows:

1. **Definitions**
   Unless otherwise provided in this Agreement, any and all capitalized terms have the same meanings as set forth in the HIPAA Privacy Rule, HIPAA Security Rule or the Health Information Technology for Economic and Clinical Health (HITECH) Act.
   Contractor acknowledges and agrees that all PHI that is created or received by the Department and disclosed or made available in any form, including paper record, oral communication, audio recording, and electronic display by the Department or its operating units to Contractor or is created or received by Contractor on the Department's behalf shall be subject to this Agreement.

2. **Confidentiality Requirements**
   A. Contractor agrees to use and disclose PHI that is disclosed to it by the Department solely for meeting its obligations under its agreements with the Department, in accordance with the terms of this agreement, the Department's established policies rules, procedures and requirements, or as required by law, rule or regulation.
   B. In addition to any other uses and/or disclosures permitted or authorized by this Agreement or required by law, Contractor may use and disclose PHI as follows:
(1) if necessary for the proper management and administration of the Contractor and to carry out the legal responsibilities of the Contractor, provided that any such disclosure is required by law or that Contractor obtains reasonable assurances from the person to whom the information is disclosed that it will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the person, and the person notifies Contractor of any instances of which it is aware in which the confidentiality of the information has been breached;

(2) for data aggregation services, only if to be provided by Contractor for the health care operations of the Department pursuant to any and all agreements between the Parties. For purposes of this Agreement, data aggregation services means the combining of PHI by Contractor with the PHI received by Contractor in its capacity as a Contractor of another covered entity, to permit data analyses that relate to the health care operations of the respective covered entities.

(3) Contractor may use and disclose PHI that Contractor obtains or creates only if such disclosure is in compliance with every applicable requirement of Section 164.504(e) of the Privacy Act relating to Contractor Contracts. The additional requirements of Subtitle D of the HITECH Act that relate to privacy and that are made applicable to the Department as a covered entity shall also be applicable to Contractor and are incorporated herein by reference.

C. Contractor will implement appropriate safeguards to prevent use or disclosure of PHI other than as permitted in this Agreement. Further, Contractor shall implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of Electronic PHI that it creates, receives, maintains, or transmits on behalf of the Department. The Secretary of Health and Human Services and the Department shall have the right to audit Contractor’s records and practices related to use and disclosure of PHI to ensure the Department’s compliance with the terms of the HIPAA Privacy Rule and/or the HIPAA Security Rule.

Further, Sections 164.308 (administrative safeguards), 164.310 (physical safeguards), 164.312 (technical safeguards), and 164.316 (policies and procedures and documentation requirements) of the Security Rule shall apply to the Contractor in the same manner that such sections apply to the Department as a covered entity. The additional requirements of the HITECH Act that relate to security and that are made applicable to covered entities shall be applicable to Contractor and are hereby incorporated by reference into this Business Associate Agreement.

D. Contractor shall report to Department any use or disclosure of PHI, which is not in compliance with the terms of this Agreement as well as any Security incident of which it becomes aware. Contractor agrees to notify the Department, and include a copy of any complaint related to use, disclosure, or requests of PHI that the Contractor receives directly and use best efforts to assist the Department in investigating and resolving such complaints. In addition, Contractor agrees to mitigate, to the extent practicable, any harmful effect that is known to Contractor of a use or disclosure of PHI by Contractor in violation of the requirements of this Agreement.

Such report shall notify the Department of:
1) any Use or Disclosure of PHI (including Security Incidents) not permitted by this Agreement or in writing by the Department;
2) any Security Incident;
3) any Breach, as defined by the HITECH Act; or any other breach of a security system, or like system, as may be defined under applicable State law (Collectively a “Breach”).

Contractor will without unreasonable delay, but no later than 72 hours after discovery of a Breach, send the above report to the Department.

Such report shall identify each individual whose PHI has been, or is reasonably believed to have been, accessed, acquired, or disclosed during any Breach pursuant to 42 U.S.C.A. § 17932(b). Such report will:

1) Identify the nature of the non-permitted or prohibited access, use, or disclosure, including the nature of the Breach and the date of discovery of the Breach.
2) Identify the PHI accessed, used or disclosed, and provide an exact copy or replication of that PHI.
3) Identify who or what caused the Breach and who accessed, used, or received the PHI.
4) Identify what has been or will be done to mitigate the effects of the Breach; and
5) Provide any other information, including further written reports, as the Department may request.

E. In accordance with Section 164.504(e)(1)(ii) of the Privacy Rule, each party agrees that if it knows of a pattern of activity or practice of the other party that constitutes a material breach of or violation of the other party’s obligations under the Business Associate Agreement, the non-breaching party will take reasonable steps to cure the breach or end the violation, and if such steps are unsuccessful, terminate the Contract or arrangement if feasible. If termination is not feasible, the party will report the problem to the Secretary of Health and Human Services (federal government).

F. Contractor will ensure that its agents, including a subcontractor, to whom it provides PHI received from, or created by Contractor on behalf of the Department, agree to the same restrictions and conditions that apply to Contractor, and apply reasonable and appropriate safeguards to protect such information. Contractor agrees to designate an appropriate individual (by title or name) to ensure the obligations of this agreement are met and to respond to issues and requests related to PHI. In addition, Contractor agrees to take other reasonable steps to ensure that its employees’ actions or omissions do not cause Contractor to breach the terms of this Agreement.

G. Contractor shall secure all PHI by a technology standard that renders PHI unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute and is consistent with guidance issued by the Secretary of Health and Human Services specifying the technologies and methodologies that render PHI unusable, unreadable, or indecipherable to unauthorized individuals, including the use of standards developed under Section 3002(b)(2)(B)(vi) of the Public Health Service Act, pursuant to the HITECH Act, 42 U.S.C. § 300jj-11, unless the Department agrees
in writing that this requirement is infeasible with respect to particular data. These security and protection standards shall also apply to any of Contractor’s agents and subcontractors.

H. Contractor agrees to make available PHI so that the Department may comply with individual rights to access in accordance with Section 164.524 of the HIPAA Privacy Rule. Contractor agrees to make PHI available for amendment and incorporate any amendments to PHI in accordance with the requirements of Section 164.526 of the HIPAA Privacy Rule. In addition, Contractor agrees to record disclosures and such other information necessary, and make such information available, for purposes of the Department providing an accounting of disclosures, as required by Section 164.528 of the HIPAA Privacy Rule.

I. The Contractor agrees, when requesting PHI to fulfill its contractual obligations or on the Department’s behalf, and when using and disclosing PHI as permitted in this Contract, that the Contractor will request, use, or disclose only the minimum necessary in order to accomplish the intended purpose.

3. **Obligations of Department**

   A. The Department will make available to the Business Associate the notice of privacy practices (applicable to inmates under supervision, not to inmates) that the Department produces in accordance with 45 CFR 164.520, as well as any material changes to such notice.

   B. The Department shall provide Business Associate with any changes in, or revocation of, permission by an Individual to use or disclose PHI, if such changes affect Business Associate’s permitted or required uses and disclosures.

   C. The Department shall notify Business Associate of any restriction to the use or disclosure of PHI that impacts the business associate’s use or disclosure and that the Department has agreed to in accordance with 45 CFR 164.522 and the HITECH Act.

4. **Termination**

   A. **Termination for Breach** - The Department may terminate this Agreement if the Department determines that the Vendor has breached a material term of this Agreement. Alternatively, the Department may choose to provide Contractor with notice of the existence of an alleged material breach and afford Contractor an opportunity to cure the alleged material breach. In the event Contractor fails to cure the breach to the satisfaction of the Department, the Department may immediately thereafter terminate this Agreement.

   B. **Automatic Termination** - This Agreement will automatically terminate upon the termination or expiration of the original Contract between the Department and the Contractor.

   C. **Effect of Termination**

      (1) Termination of this agreement will result in termination of the associated Contract between the Department and the Contractor.

      (2) Upon termination of this Agreement or the Contract, Contractor will return or destroy all PHI received from the Department or created or received by Contractor on behalf of the Department that Contractor still maintains and retain no copies of such PHI; provided that if such return or destruction is not feasible, Contractor will extend the protections of this Agreement to the PHI and limit further uses and disclosure to those purposes that make the return or destruction of the information infeasible.
5. **Amendment** - Both parties agree to take such action as is necessary to amend this Agreement from time to time as is necessary to comply with the requirements of the HIPAA Privacy Rule, the HIPAA Security Rule, and the HITECH Act.

6. **Interpretation** - Any ambiguity in this Agreement shall be resolved to permit the Department to comply with the HIPAA Privacy Rule, the HIPAA Security Rule, and/or the HITECH Act.

7. **Indemnification** – The Contractor shall be liable for and agrees to be liable for, and shall indemnify, defend, and hold harmless the Department, its employees, agents, officers, and assigns from any and all claims, suits, judgments, or damages including court costs and attorneys’ fees arising out or in connection with any non-permitted or prohibited Use or Disclosure of PHI or other breach of this Agreement, whether intentional, negligent or by omission, by Contractor, or any subcontractor of Contractor, or agent, person or entity under the control or direction of Contractor. This indemnification by Contractor includes any claims brought under Title 42 USC §1983, the Civil Rights Act.

8. **Miscellaneous** - Parties to this Agreement do not intend to create any rights in any third parties. The obligations of Contractor under this Agreement shall survive the expiration, termination, or cancellation of this Agreement, or any and all other contracts between the parties, and shall continue to bind Contractor, its agents, employees, contractors, successors, and assigns as set forth herein for any PHI that is not returned to the Department or destroyed.
