SECTION 1: GENERAL INFORMATION

1.1 Background

The Early Learning Coalition of Miami-Dade/Monroe, Inc. (the “Early Learning Coalition”) is a Florida non-profit corporation and IRC §501(c)(3) charitable organization dedicated to ensuring quality early care and education for children in Miami-Dade and Monroe counties. Through a variety of affordable and innovative early education and voluntary pre-kindergarten programs, the Early Learning Coalition serves more than 50,000 children aged from birth to 12 years old and their families.

In 1999, the Florida Legislature enacted the School Readiness Act (s. 411.01, F.S.), which consolidated the state’s early childhood education and child care programs into one integrated program of school readiness services. The School Readiness Act directed that school readiness programs would be administered by school readiness coalitions (now known as the Early Learning Coalitions) at the county or multi-county level. The Early Learning Coalition is coordinated by the State of Florida’s Office of Early Learning, and is one of 31 coalitions in Florida.

In December 2014, the Early Learning Coalition was awarded the Early Head Start Child Care Partnership and Expansion grant to enhance and expand preschool programs, and improve access to high-quality infant and toddler care in high-need communities.

In addition, the Early Learning Coalition provides training and resources to advance the skills of early care and education providers and staff, enhancing their ability to inspire learning and prepare children for future academic success.

1.2 Statement of Purpose

The purpose and intent of this invitation to negotiate (hereinafter referred to as “ITN”) by the Early Learning Coalition is to solicit proposals from qualified firms for the provision and installation of IT Equipment for the Early Learning Coalition offices in Miami-Dade and Monroe counties. Through this ITN, the Early Learning Coalition will select a single or multiple Proposer(s) to provide the services described herein.

It is the Respondent’s responsibility to examine this ITN, to understand the Early Learning Coalition’s requirements and to submit its proposal (“Proposal”) in a timely, complete, and procedurally correct manner. The services described in this ITN will be procured in accordance with Sec. 287.057, Florida Statutes.

1.3 Amount of Funding

The Early Learning Coalition forecasted funding amount in this ITN is \$1,300,000.00 per Fiscal Year, which is subject to change contingent upon the agency’s necessities and the availability of funding. **The total forecasted amount shall be prorated for the initial six (6) month term and shall not exceed \$650,000.00.**

1.4 Service Dates

Contract(s) resulting from this solicitation, if any, are anticipated to commence **January 1, 2018** and end on **June 30, 2018**, and will be awarded through written notice to qualified and responsive Proposer(s) whose proposal is determined to be most advantageous to the Early Learning Coalition, taking into consideration price, quality and other criteria. The initial term of the contract shall be for a period of six (6) months and may be renewed for a period not to exceed the greater of three (3) years or the term of the original contract, subject to Respondent's successful performance under the contract and the availability of funding. A copy the proposed contract is attached as **Exhibit 13**, which may be subject to change at the Early Learning Coalition's sole discretion.

2.5 Rejection of Proposals and Waiver of Minor Irregularities

The Early Learning Coalition reserves the right to reject any or all Proposals received pursuant to the ITN at any time until a final contract is executed and approved by the Early Learning Coalition if such action is in the best interest of the Early Learning Coalition as determined in its sole and absolute discretion. The Early Learning Coalition shall have the right, but not the obligation, to waive any minor irregularities in submitted Proposals if doing so would serve the best interests of the Early Learning Coalition, as determined in its sole and absolute discretion. For purposes of this Section 2.5, a minor irregularity shall mean a variation from the ITN terms and conditions that does not affect the price of the Proposal, does not give the Proposer an advantage or benefit not enjoyed by other Proposer(s), and/or does not adversely impact the interest of the Early Learning Coalition.

2.6 Notice of Contract Award

The Contract shall be awarded to the Proposer whose Proposal is determined to be most advantageous to the Early Learning Coalition, taking into consideration price and technical merits.

2.7 Protests and Disputes

Any unsuccessful Proposer who is adversely affected by the Early Learning Coalition's decision concerning a procurement solicitation or contract award under this ITN may protest such decision by filing a protest in compliance with s. 120.57(3), F.S. A Proposer may file a notice of protest in writing within seventy-two (72) hours after the posting of the notice of decision (or intended decision), and may file a formal written protest within 10 days after the date the notice of protest is filed as required by s. 120.57(3), F.S. Failure to file a timely notice of protest shall constitute a waiver of the Respondent's rights to protest.

Any Proposer desiring to file a formal written protest to this ITN must accompany such protest with a bond payable to the Early Learning Coalition in an amount equal to one percent (1%) of the estimated Contract amount in accordance with s. 287.042(2)(c), F.S. The bond shall be conditioned upon the payment of all costs which may be adjudged against the Proposer in any administrative hearing in which the action is brought and in any subsequent appellate court proceedings. In lieu of a bond, the Early Learning Coalition may, at its sole discretion, accept a cashier's check, official bank check, or a money order in the amount of the bond. Failure to file the proper bond at the time of filing the formal written protest will result in a denial of the protest.

The notice of protest must be submitted to the Early Learning Coalition's President/CEO at 2555 Ponce de Leon Blvd., Suite 500, Coral Gables, FL 33134 in writing within seventy-two (72) hours of the Notification of Intent to Award. 2.8 Appeals

- A. Unsuccessful Proposers affected by the denial, determination of eligibility, or ineligibility for contract award by the Early Learning Coalition with respect to any federal or state funded program or activity may appeal if the action or decision of the Early Learning Coalition is alleged by the Proposer to be:
 - (1) In violation of applicable federal or state law;
 - (2) Based upon an error of material and relevant facts; or
 - (3) Invalid because of an alleged denial of procedural due process.

- B. Unsuccessful Proposers affected by the denial, determination of eligibility, or ineligibility for contract award by the Early Learning Coalition with respect to any federal or state funded program or activity may not appeal if:
 - (1) The Proposer agrees that the procurement process was fair;
 - (2) The Respondent's score was acceptable for funding but budget limitations, due to program allocations or the availability of funds, prevented the proposal from being funded;

(3) No error of material and relevant fact occurred, but the Proposer does not agree that the proposed services failed to satisfy the technical requirements of the competitive procurement process; and/or

(4) The Proposer was awarded funding, but the Proposer does not agree with the amount awarded.

2.9 Evaluation Process

The Early Learning Coalition shall conduct a comprehensive review of the responses to the solicitation by convening a proposal evaluation committee. The composition of the evaluation committee will depend on the total potential dollar value of the award and whether it is programmatic or administrative as determined by the Early Learning Coalition's Finance Committee.

Responses will be evaluated using the ITN Evaluation Forms, which contains two sections, Initial Screening (**Exhibit 2**), and Quantitative Evaluation Criteria (**Exhibit 3**). The initial screening consists of a series of pass or fail questions that ensure respondents meet certain compliance items. Responses that are incomplete or do not satisfactorily address each and every requirement may be disqualified. The second portion, Quantitative Evaluation Criteria is based on the Minimum Programmatic Requirements set forth in Section 3 below, and assigns a maximum point value to a series of questions that ensure the respondents have satisfactorily addressed each and all requirements. Responses submitted by respondents must be concise and comply with the ITN page limit requirements of 10 pages. Respondents will be judged based on overall percentage achieved.

The evaluation process is designed to assess the Respondent's ability to meet the Early Learning Coalition requirements and to identify the Proposer likely to satisfy those requirements. The evaluation process will be conducted in a thorough and impartial manner at a proposal evaluation committee meeting held according to Ch. 286, F.S. Proposers are advised to periodically check the Early Learning Coalition website calendar www.elcmdm.org for the scheduled date, time, and location of this session, should changes occur. Proposers should also reference **Appendix "A"**, which contains a list of the currently scheduled events in connection with this ITN.

Subsequent to the end of the evaluation process, the proposal evaluation committee will rate Proposers, who in their judgment, best meet the needs and requirements of the Early Learning Coalition. While price is an important factor in selecting Proposer(s) for an award, other factors in the competitive process will be considered and may take precedence over price. Those factors may include, but are not limited to, the following: Product design and performance, project approach, and related experience and references.

The Early Learning Coalition's Board of Directors, in its sole discretion, may elect not to award a Contract to any Proposer under this ITN. Proposer(s) may be selected for further evaluation in the context of an oral presentation, in-person interview, conference calls, or a combination of the foregoing. References may be checked and background checks may be performed to verify information submitted in the Proposals.
