Intended Single Source:

DMT Solutions Global Corporation d/b/a BlueCrest Equipment

Estimated Dollar Amount:

\$1,500,000.00

Justification for single source acquisition (what is necessary and unique about the product, service or source; steps taken to confirm unavailability of competition, as appropriate):

The BlueCrest mailing equipment to be covered by this maintenance agreement is critical to the daily operations of the Agency. BlueCrest asserts they are the sole provider for all their equipment and do not operate through any dealerships or third parties within the United States. BlueCrest is the only vendor that is authorized to provide maintenance and copyrighted software updates on BlueCrest equipment.

Modification of or maintenance on any BlueCrest equipment by anyone other than BlueCrest service personnel would void any hardware/software maintenance agreement(s).

Approved By (names & titles, as appropriate, e.g., requestor, requestor management, information systems, budget, purchasing):

Emily Greene, General Tax Administration

Thomas McCaffrey, General Tax Administration

Zachary Hoskins, Purchasing

Prospective vendors are requested to provide information regarding their ability to supply the commodities or contractual services described. If it is determined in writing by the agency, after reviewing any information received from prospective vendors, that the commodities or contractual services are available only from a single source, the agency shall: provide notice of its intended decision to enter a single-source purchase contract in the manner specified in s.120.57(3), FS.
