The written policy and information required in this subsection shall also be subject to immediate disclosure upon written or oral demand at any time by the Department or its designated agents or auditors.

Failure to compile, retain, and disclose the written policy and information as required in this subsection shall be considered a breach of the Contract. The resulting damages to the Department from a breach of this subsection are by their nature impossible to ascertain presently and will be difficult to ascertain in the future. The issues involved in determining such damages will be numerous, complex, and unreasonably burdensome to prove. The parties acknowledge that these financial consequences are liquidated damages, exclusive of any other right to damages, not intended to be a penalty and solely intended to compensate for unknown and

unascertainable damages. The Contractor therefore agrees to credit the Department the sum of \$1,000.00 for each breach of this subsection.
