 PROCUREMENT
 01/16

AGENCY: DEPARTMENT OF TRANSPORTATION

TITLE: Esri EEAP Products

Short description of the commodity or service desired: Esri Enterprise Advantage Program (EEAP) Products

CONTACT

Name: Katie Wagner

Address: 605 Suwannee Street, MS 20, Tallahassee, Florida 32399-0450

Telephone: 850-414-4956

Email: katie.wagner@dot.state.fl.us

Internal tracking number, if any: SS-DOT-17/18-9105-KW

Date posted: 6/14/2018

Last day for receipt of information: 6/25/2018

This description of commodities or contractual services intended for purchase from a single source is posted in accordance with section 287.057(3)(c), Florida Statutes and will remain posted for a period of at least 7 business days.

Commodity or Service Required (commodity class and group, manufacturer, model, and description, as appropriate):
8111805 – Proprietary or licensed systems maintenance or support

Quantity or Term (as appropriate): One (1) Year

Requestor (division, bureau, office, individual, as appropriate): Office of Information Systems, Tim Ellinor, Project Manager

Performance and/or Design Requirements (intended use, function or application, compatibility etc. requirements; reference to policy, rule, statute or other act of the Legislature, etc., as appropriate): It is the policy of the Department to deploy enterprise-wide GIS applications to support its engineering, operational, planning and administrative functions. Therefore, a carefully planned enterprise GIS complements existing business processes and provides an efficient way to plan, analyze, and manage transportation infrastructure and related elements to support the Department's Mission. In addition, enterprise GIS provides the Department with a critical framework for improving communication and collaboration of shared GIS resources. These services are required to fully implement the enterprise GIS platform.

Intended source (vendor, contractor): Environmental Systems Research Institute, Inc.

Estimated Dollar Amount: \$338,150.00

Justification for single source acquisition (what is necessary and unique about the product, service or source; steps taken to confirm unavailability of competition, as appropriate): Esri has been the sole provider of an integrated suite of products the Department needs to accomplish all GIS tasks, from mapping, data production, basemap maintenance, web mapping to application development. . There are currently over 10 customer numbers the Department of Transportation own and pay maintenance on. As the sole provider of our GIS Enterprise Platform, Esri offers the Enterprise Advantage Program as a way for organizations to better utilize their services in regards to their software and tools.

Approved By: (names & titles, as appropriate to Post on Vendor Bid System (VBS), e.g., requestor, requestor management, information systems, budget, purchasing):

Deputy General Counsel

Legal review by the Deputy General Counsel is required prior to posting. Please coordinate with District Legal Counsel prior to submission to the Deputy General Counsel, MS-58.

Prospective vendors are requested to provide information regarding their ability to supply the commodities or contractual services described. If it is determined in writing by the agency, after reviewing any information received from prospective vendors, that the commodities or contractual services are available only from a single source, the agency shall:

1. Provide notice of its intended decision to enter a single-source purchase contract in the manner specified in s.120.57 (3) F.S.
