ADDENDUM 2

TO: Vendors

FROM: Michelle Faircloth, Purchasing Director

RE: **Invitation to Bid FF 19 20 25**
LIMEROCK ROAD MATERIAL FOR GOETHE STATE FOREST

This addendum is to provide all potential bidders with answers to questions received in reference to Invitation to Bid FFS 19 20 25.

Question / Answer

1. **Can you provide actual unit price rather than the total price to give comparison for material price?**

\$10.90 per ton delivered

2. **On page 9 under Purpose is shows the bid is for purchase, delivery, and spreading. We were under the impression that it is for material and freight only and NOT spreading. Can you please confirm?**

"Spreading" is only referring to the dump while rolling portion of the contract. Material and freight is all that is needed but delivery needs to "spread", not piled. The contract does not require for additional spreading beyond what a dump truck can perform with a dump while rolling.

All other terms, conditions and specifications of this Notice of Federal Financial Assistance will remain the same. If you have any questions regarding this addendum, please feel free to contact this office at (850) 617-7181.
