upon submission, and any resulting contract shall be the property of DEO except those parts asserted to be confidential or exempt pursuant to Chapter 119, Florida Statutes, and DEO, in its sole discretion, shall have the right to use, reproduce, and disseminate the proposal and contract.

B.16 Respondent's Duties to Assert Exemption from Disclosure as a Public Record

Any proposal content submitted to DEO which is asserted to be exempted by law from disclosure as a public record shall be set forth on a page or pages separate from the rest of the proposal, and clearly marked "exempt," "confidential," or "trade secret" (as applicable), with the statutory basis for such claim of exemption specifically identified in writing on each and every such page. Failure to segregate and so identify any such content shall constitute a waiver of any claimed exemption as applied to the portion of the proposal or other document in which the content is set forth.

Pursuant to section 215.985(14), F.S., the Department of Financial Services (DFS), has developed a web-based system that provides information and documentation about government contracts called the "Florida Accountability Contract Tracking System" or "FACTS." An important aspect of this system is the posting of contract images on the Internet, including contract attachments, which may include all or part of your proposal to this solicitation.

Any claim of exemption from public disclosure is waived upon submission, unless addressed as set forth above. DEO will attempt to afford protection from disclosure of any trade secret as defined in section 812.081(1)(c), F.S., or section 688.002, F.S., where identified as such in the reply, to the extent permitted under section 815.045, F.S., or section 288.075, F.S., and Chapter 119, F.S. Each Respondent acknowledges that the protection afforded by section 815.045, F.S., is incomplete, and hereby agrees that no remedy for damages may arise from any disclosure by DEO.

DEO takes its public records responsibilities under Chapter 119, F.S., and Article I, Section 24 of the Florida Constitution, very seriously. **If a Respondent considers any portion of the documents, data or records submitted in response to this solicitation to be exempted by law from disclosure as a public record, the Respondent must also provide DEO with a separate Redacted Copy of its proposal, in hard copy and on a CD ROM, at the time of proposal submission.**

This Redacted Copy shall contain DEO's solicitation name, number, and the name of the Respondent on the cover, and shall be clearly titled "Redacted Copy." The Redacted Copy shall be provided to DEO at the same time the Respondent submits its proposal to the solicitation and must only exclude or obliterate those exact portions which are exempted by law from public disclosure. **Each individual portion of the Redacted Copy that Respondent asserts is confidential must contain a citation to the specific law making the content of the redacted portion confidential.**

If it is determined that the proposal does not contain any information which is exempted by law from public disclosure, please provide as part of the proposal, a written statement to that effect which is executed by an authorized representative of the Respondent's company with legal authority to make this determination on behalf of the Respondent.

Respondent shall protect, defend, and indemnify, save and hold harmless, DEO from any and all claims, demands, liabilities and suits of any nature arising out of, because of, or due to failure of DEO to release information redacted by the Respondent, and to further indemnify DEO for any other loss DEO incurs due

to any claim being made against DEO regarding portions of its Redacted Copy being confidential, proprietary, trade secret or otherwise not subject to disclosure.

Confidential clients shall not be included. **Do not list DEO as a client reference (as explained below, if Respondent has performed work as a prime contractor of DEO during the timeframe specified above, DEO will be one of the two clients selected for contact). Proposals that list DEO as a client reference will result in the Respondent receiving a score of zero (0) points for the Past Performance References section of the evaluation criteria.**

The same client may not be listed for more than one (1) reference (for example, if the Respondent has completed a project for the Florida Department of Transportation – District One and one project for the Florida Department of Transportation – District Two, only one of the projects may be listed because the client, the Florida Department of Transportation, is the same).

Firms that are currently parent or subsidiary companies to the Respondent will not be accepted as Past Performance references under this solicitation.

In the event that the Respondent has had a name change since the time work was performed for a listed reference, the name under which the Respondent operated at the time the work was performed must be given at the end of the project description for that reference, on Attachment A.

B.40 Evaluation Criteria

1. General
 - a. DEO reserves the right to accept or reject any or all proposals received and reserves the right to make an award without further discussion of the proposals submitted.
 - b. Non-responsive proposals shall include, but not be limited to, those that:
 - Fail to meet any statutory requirements;
 - Are irregular or are not in conformance with the requirements and instructions contained herein;
 - Fail to utilize or complete prescribed forms; or
 - Have improper or undated signatures
 - c. In determining whether a Respondent is responsible, DEO may consider any information or evidence which comes to its attention and which reflects upon a Respondent's capability to fully perform the contract requirements and/or the Respondent's demonstration of the level of integrity and reliability which DEO determines to be required to assure performance of the Contract. DEO may deem the Respondent as non-responsible.

2. Evaluation Criteria

See Attachment I – Evaluation Criteria

3. Evaluation Scoring.

An equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities. All voice telephone numbers on this document may be reached by persons using TTY/TDD equipment via the Florida Relay Service at 711.

Each proposal will be reviewed by at least three (3) evaluators who will independently score the proposal based on the criteria contained in Attachment I. The Issuing Office identified in Section B.4, will collect all of the completed evaluation scoring forms from the evaluators at the completion of the evaluation period, and will attempt to contact references via telephone to obtain the past performance reviews. The scores for the past performance reviews, cost, and the evaluators score sheets will be tabulated for inclusion on the summary score sheets for calculation of the total numerical rating. The Procurement Office will average the total point scores to convert to average rank, for each proposal for all evaluators. The Procurement Office shall present the average rankings to the program area and Agency Head, or his or her designee, who will then determine the recommended contract award or the short list of Respondents to participate in oral discussions.

DEO reserves the right to short list Respondents deemed to be in the competitive range to conduct oral discussions prior to the final determination of contract award. If DEO exercises the right, the short list will be posted on the Vendor Bid System. In the event DEO exercises the right to hold oral discussions, the scores given for each evaluation criterion will be added to the score given for that same criterion initially.

For example:

<u>Firm</u>	<u>Raw Points Received</u>	<u>Rank</u>
Company A	90	2
Company B	100	1
Company C	80	3.5*
Company D	75	5
Company E	80	3.5*

*In the event that multiple Respondents have the same raw point score, the rank positions needed to cover those Respondents are averaged and each Respondent receives that rank. In this case the third and fourth ranks are tied so $3 + 4 = 7$; $7 \text{ divided by } 2 = 3.5$. Each Respondent receives a rank of 3.5.

In the best interest of the State, DEO reserves the right to reject any and all proposals or waive any minor irregularity or technicality in proposals received.

B.41 Award

Upon completion of the evaluations, the Contract, if awarded, shall be awarded to the responsible and responsive Respondent(s) whose proposal is determined to be the most advantageous to DEO. DEO reserves the right to award any or all parts of the solicitation to a single or multiple Respondents.

A printed copy of the score tabulation(s) and DEO’s intended award decision will be posted for 72 hours in the Purchasing Office, Room B-047 Caldwell Building, locate at 107 E. Madison Street, Tallahassee, Florida, and on the Vendor Bid system at the following website URL address:

(1) Proposals that certify that a drug-free workplace has been implemented in accordance with Section 287.087, F.S.;

(2) In accordance with Section 287.057(11), F.S. which states that “if two equal responses to a solicitation or a request for quote are received and one response is from a certified minority business enterprise, the agency shall enter into a contract with the certified minority business enterprise”;

(3) If (1) and (2) above fail to resolve the identical evaluations, then the award shall be made in accordance with what DEO deems to be in the best interest of the State, considering factors such as prior performance on state contracts or other governmental contracts; and

(4) If the application of (1), (2), and (3) fails to resolve the identical evaluations, then the award shall be made by a means of random selection (e.g., a coin toss or drawing of numbers).

B.43 Terms and Conditions *(This section supersedes Section A, PUR 1001, Instruction #4, Terms and Condition).*

CONTRACTS/SUBCONTRACTS**

This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, signed February 18, 1986. The guidelines were published in the May 29, 1987, Federal Register (52 Fed. Reg., pages 20360-20369).

INSTRUCTIONS

1. Each provider whose contract/subcontract equals or exceeds \$25,000 in federal monies must sign this certification prior to execution of each contract/subcontract. Additionally, providers who audit federal programs must also sign, regardless of the contract amount. The Department of Economic Opportunity cannot contract with these types of providers if they are debarred or suspended by the federal government.
2. This certification is a material representation of fact upon which reliance is placed when this contract/subcontract is entered into. If it is later determined that the signer knowingly rendered an erroneous certification, the Federal Government may pursue available remedies, including suspension and/or debarment.
3. The provider shall provide immediate written notice to the contract manager at any time the provider learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "debarred," "suspended," "ineligible," "person," "principal," and "voluntarily excluded," as used in this certification, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the contract manager for assistance in obtaining a copy of those regulations.
5. The provider agrees by submitting this certification that, it shall not knowingly enter into any subcontract with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this contract/subcontract unless authorized by the Federal Government.
6. The provider further agrees by submitting this certification that it will require each subcontractor of this contract/subcontract, whose payment will equal or exceed \$25,000 in federal monies, to submit a signed copy of this certification.
7. The Department of Economic Opportunity may rely upon a certification of a provider that it is not debarred, suspended, ineligible, or voluntarily excluded from contracting/subcontracting unless it knows that the certification is erroneous.
8. This signed certification must be kept in the contract manager's contract file. Subcontractor's certifications must be kept at the contractor's business location.

CERTIFICATION

1. The prospective provider certifies, by signing this certification, that neither he nor his principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this contract/subcontract by any federal department or agency.
2. Where the prospective provider is unable to certify to any of the statements in this certification, such prospective provider shall attach an explanation to this certification.
