Last day for receipt of information: 02/26/2019

This description of commodities or contractual services intended for purchase from a single source is posted in accordance with section 287.057(3)(c), Florida Statutes and will remain posted for a period of at least 7 business days.

Commodity or Service Required (commodity class and group, manufacturer, model, and description, as appropriate):

81112200, Information Builders, Inc., Enhancement, maintenance and customer support services on Focus and WebFocus Software Products

Quantity or Term (as appropriate): 07/01/2019-06-30-2020

Requestor (division, bureau, office, individual, as appropriate): Office of Information Technology, Tim Ellinor, Contract Administrator

Performance and/or Design Requirements (intended use, function or application, compatibility etc. requirements; reference to policy, rule, statute or other act of the Legislature, etc., as appropriate): The Information Builders FOCUS and WebFocus suite of reporting products was designed such that a Non-IT individual with only an understanding of an Application Data model, can design, test, and deploy accurate, complex reports utilizing a wide variety of data platforms, output formats, and delivery mechanisms without having to rely on FDOT IT resources.

Intended source (vendor, contractor): Information Builders Inc.

Estimated Dollar Amount: \$162,234.55

Justification for single source acquisition (what is necessary and unique about the product, service or source; steps taken to confirm unavailability of competition, as appropriate): The Information Builders suite for reporting software utilization is ingrained in core processes throughout the department providing primary support to most of its core functions including but not limited to: Gaming, Financial Management, Work Program Management, Right of Way Management. Until such time as FDOT has successfully transitioned off of this suite of products (should it choose to do so) it is critical that FDOT continues to have full access to this software and its vendor support mechanisms. Esri is the only sole source to provide the enhancements and maintenance software support.

Approved By: (names & titles, as appropriate to Post on Vendor Bid System (VBS), e.g., requestor, requestor management, information system subject, purchasing):
