Question(s) received on 5/7/2019 from Richard Root Investigations, Inc.:		
1.	Question:	I was reviewing the ITB and noticed this required covert type work. I did not see a requirement for an Florida Private Investigative Agency License "A", along with a Private Investigative License "C". Please let me know if I missed that.
	Answer:	The ITN states the following in Attachment H, page 17, at Section VIII.V.: "This Contract is executed and entered into in the state of Florida, and shall be construed, performed and enforced in all respects in accordance with the laws, rules and regulations of the state of Florida." Therefore, it is expected that a vendor will comply with the requirements of Chapter 493, Florida Statutes, in the delivery of contractual services resulting from this ITN.
