Performance and/or Design Requirements (e.g. intended use, function or application, compatibility, requirements; reference to policy, rule, statute or other act of the Legislature, etc., as appropriate):

The Florida Department of Law Enforcement is in need of email archive software migration services from the current email server which is approaching the useful end of life.

The Office of Information Technology Services (ITS) is responsible for operating and maintaining FDLE's mission critical information systems. Among these is the agency's email/calendaring system. Currently, FDLE utilizes the Capax NearPoint for Microsoft Exchange Enterprise software products to archive, optimize and recover Microsoft Exchange files and data for public records requests and other investigative requirements.

Capax Discovery has proprietary support and obligations for the NearPoint Enterprise Archive Solution. FDLE needs to purchase consulting assistance from Capax Discovery to migrate to Capax Archive Solution (CAS) Software. The CAS Implementation and Migration Services shall be completed without data loss or corruption by Capax Discovery.

Intended Single Source:

Capax Discovery LLC  
10 Sylvan Way  
Parsippany, NJ 07054

Estimated Dollar Amount:

\$114,600

Justification for single source acquisition (what is necessary and unique about the product, service or source; steps taken to confirm unavailability of competition, as appropriate):

Capax Discovery is the exclusive licensee for both Capax Archive Solutions (CAS) and Nearpoint Enterprise Archive Solutions, and is also the intellectual property owner for the migration solution. Capax Discovery is the only vendor that can offer a point to point migration from NearPoint to Capax Archive Solutions, and the only vendor that can offer a one for one licensee exchange.

Approved By (names & titles, as appropriate, e.g., requestor, requestor management, information systems, budget, purchasing):

Sonya Avant, Chief of General Services

Prospective vendors are requested to provide information regarding their ability to supply the commodities or contractual services described. If it is determined in writing by the agency, after reviewing any information received from prospective vendors, that the commodities or contractual services are available only from a single source, the agency shall: provide notice of its intended decision to enter a single-source purchase contract in the manner specified in Section 120.57(3), F.S.
