

ITB-DOT-18/19-1258-JA

Refurbishment of Message Boards

Technical Questions #2

Question: The description has extra parts that may not be needed on every unit. How are we to list the parts for this bid in Exhibit "B"? Will we need to list a price for a basic refurbish price, then a list for upgrades and/or extra parts?

Answer: Please bid as a unit rate as stated in Exhibit "B"- Price Proposal and Technical Specifications in Exhibit "B"- Scope of Service.
