Clarifications from Pre-bid conference held on ITN 800:0421

1. Page 4 of 75 under item II – ITN Instructions and General Information – Include with each bid submittal a thumb drive along with the original complete ITN and three (3) photo copies.
2. Indoor Air Quality Addendum item number 1 that currently reads 62-2002 shall now reflect 62-2016. And item number 2 that currently reads ACR 2006 shall now reflect ACR 2013.
3. Please initial at the bottom right hand corner of the entire ITN document to begin with the page that references Section 1 – Introduction and overview. There is a total of 74 pages and I recommend signing prior to making photocopies.
