Maintenance and Inspection Services for Fire Extinguishers,  
Fire Suppression Systems and Emergency Lighting

- 1) Do the emergency lights near the roof in the TV video wall room need an inspection tag/sticker?

The current vendor notified the project manager that those are in fact not emergency lights, and therefore do not need inspection tags/stickers.

- 2) Can a copy of the current contract with pricing please be provided?

Yes, please see the additional attached documents.

- a) Current Contract's Standard Written Agreement
- b) Bid Tab
