

MEMORANDUM

ADDENDUM NO. 3

Date:

May 6, 2019

To:

Bidders

From:

Amanda Cruz

Procurement Specialist

Florida's Turnpike Enterprise

Subject:

DOT-ITB-19-8010-AC

Replacement of Emergency Standby Generator, Fuel Tank and Automatic Transfer Switch (ATS) at Various

Locations Along the Florida's Turnpike System for the North Region

Bidders and other interested parties are informed that the above referenced documents are hereby revised, changed and supplemented as set forth below:

- Attachment "C," Scope of Services and General Requirements Page 1, Section 1.01 has been revised to add an additional scope of work to Site No. 1 – Orlando South Maintenance Yard/FHP POST 7, Building 5260, SR 91 MP 254.0.
- 2. Attachment "C," Scope of Services and General Requirements Page 2, Section 1.01 has been revised to add an additional scope of work to Site No. 7 SR 434 Southbound On Ramp, Building 5439, SR 417, MP 44.0 and to change the KW requirement from 50 to 30.

Please remove Attachment "C," Scope of Services and General Requirements Pages 1 and 2 and replace with the revised Attachment "C," Scope of Services and General Requirements Pages 1 and 2, dated May 6, 2019.

The Bidder shall acknowledge receipt of each addenda to this Invitation to Bid by completing Form No. 6, Addenda Acknowledgement Form and enclosing the same with your Bid Package. Please remember to replace the pages in your bid package with the attached revised pages.

Failure to file a protest within the time prescribed in Section 120.57(3), Florida Statutes, or failure to post the bond or other security required by law within the time allowed for filing a bond shall constitute a waiver of proceedings under Chapter 120, Florida Statutes.
