JUSTIFICATION FOR AWARD OF SINGLE BID: _____

Intended Award Ranking:

Indicates apparent awarded vendor rank, but does not constitute an acceptance of any offer created by vendor's bid. No binding contract will be deemed to exist until such time as a Purchase Order or written acceptance by the Department has been issued. If irregularities are subsequently discovered in the vendor's bid or if the vendor fails to submit required Bonds and Insurance, or otherwise fails to comply with the bid requirements, the Department has the Right to Award to the vendor that is second low, reject all bids, or act in the best interest of the Department.

The Department, at its sole discretion, may award more than one contract based on the bids received and the number of fuel resources needed. If more than one award is made, such award will be to the lowest bidder, and then to the next lowest bidder and activated in the same order based on availability of the vendors and the vendor's ability to satisfy the needs of the Department.
