Performance and/or Design Requirements (e.g.. intended use, function or application, compatibility, requirements; reference to policy, rule, statute or other act of the Legislature, etc., as appropriate):

The Florida Department of Health, Division of Disease Control and Prevention has a need to purchase a comprehensive evaluation of the current Florida HIV Patient Care service delivery system, including allocation of resources, client eligibility process, provider procurement process, and delivery of core medical, ADAP and support services. In accordance with Chapter 60A-1.045 Florida Administrative Code, the Division of Disease Control and Health Protection requests authorization to purchase, as a single source, program evaluation services from Germain and Co. Inc, dba Germane Solutions.

Intended Single Source:

Germain and Co., Inc. dba Germane Solutions

Estimated Dollar Amount:

\$175,000

Justification for single source acquisition (what is necessary and unique about the product, service or source; steps taken to confirm unavailability of competition, as appropriate):

The evaluation of the Florida HIV Patient Care delivery system requires a comprehensive assessment and recommendations for improved efficiency in compliance with the federal Ryan White HIV/AIDS Treatment Extension Act of 2009 and the Department of Health and Human Services, Health Resources and Services Administration Ryan White HIV/AIDS Part B Program requirements.

Germane Solutions is the only vendor with a high degree of Ryan White Part B knowledge and experience.
