ADVERTISEMENT NUMBER: RFI-DOT-18-19-5001-UCF

DESCRIPTION: District Five District Five PedSafe/Greenway Deployment Project-
Autonomous Shuttle for University of Central Florida Campus

DATE: August 24, 2018

- 1) I am wondering whether or not the department has conducted any other solicitations related to autonomous vehicles?

Answer: No, the Department has not conducted a solicitation related to autonomous vehicles (AV) to date. However, similar solicitations have been issued around the state, including solicitations released by the Central Florida Regional Transportation Authority (or, LYNX), City of Gainesville, and Hillsborough Area Regional Transit (HART).

- 2) Is there any indication of when the department may decide to issue a full solicitation for this project? Is this something that is likely to happen in 2019?

Answer: Yes, this project is funded for the fiscal year (FY) 2018-2019, which correlates to July 1, 2018 to June 30, 2019.

- 3) What level of autonomy, vehicle platform, and number of passengers are you interested in?

Answer: Please refer to the RFI Draft Exhibit "A", Scope of Services, Enclosure 1 – Technical Requirements for general autonomous vehicle specifications.
