MSAB Incorporated
Crystal Plaza One
2001 Jefferson Davis Highway, Suite 801
Arlington, VA 22202

Estimated Dollar Amount:

\$49,000.00

Justification for single source acquisition (what is necessary and unique about the product, service or source; steps taken to confirm unavailability of competition, as appropriate):

Micro Systemation (MSAB) has developed the XRY digital forensic software product that allows FDLE to carry out its investigative tactics not supported by other vendors.

The software is proprietary and as such, licenses, annual upgrades and training are not available from any other source or vendor. It is essential to FDLE's investigative mission that this software license be renewed to ensure smooth and uninterrupted operation.

Approved By (names & titles, as appropriate, e.g., requestor, requestor management, information systems, budget, purchasing):

Sonya Avant, Chief of General Services
Mike Phillips, Special Agent in Charge

Prospective vendors are requested to provide information regarding their ability to supply the commodities or contractual services described. If it is determined in writing by the agency, after reviewing any information received from prospective vendors, that the commodities or contractual services are available only from a single source, the agency shall: provide notice of its intended decision to enter a single-source purchase contract in the manner specified in s.120.57(3), F.S.
