DATE: August 29, 2018

RE: BID #: ITB-DOT-18/19-4004EY

BID TITLE: West Palm Beach Operations Center Air Conditioning System Renovation

OPENING DATE: September 13, 2018.

Notice is hereby given of the following changes to, and answers to the questions on the above-referenced BID:

**1. In the Invitation to Bid, Page 5 of 16, Introduction Section, 2) Timeline, the date for “Mandatory Pre-Bid Conference and Site Visit” is change to 09/04/2018:**

<u>ACTION / LOCATION</u>	<u>DATE</u>	<u>LOCAL TIME</u>
MANDATORY PRE-BID CONFERENCE AND SITE VISIT 7900 West Forest Hill Boulevard West Palm Beach, FL 33413	<b>09-04-2018</b>	10:00 AM

**2. QUESTION:** Can I please have the drawings for this job?

**ANSWER:** There are no drawings, it’s just a pull out and replace.

**3. QUESTION:** We are interested in learning if ITB-DOT-18/19-4004EY requires MEP and/or Fire protection engineering design.

**ANSWER:** We are simply replacing two (2) existing units. The engineering for the fire suppression system was done on the previous installment and the equipment is already there. We do not feel this is necessary for this installation unless it no longer meets code requirements. The component is currently functioning properly.

**Bidders must acknowledge receipt** of this Addendum by completing and returning to the Procurement Office, by no later than the time and date of the bid/proposal opening. **Failure to do so may subject the bidder/proposer to disqualification.**
