Email: DFSPurchasing@myfloridacfo.com

Internal tracking number, if any: DFS FM SS 1718-05

DMS Single Source number, if applicable: N/A

Date posted: 12/8/2017 Time posted: 4:30 PM (ET)

Commodity or Contractual Service (commodity or United Nation Standard Products and Services Code (UNSPSC), manufacturer, model, and description, as appropriate):

Furnish and install equipment (solar power kit, power supply, hardware, cameras and equipment), provide system setup, perform test and inspection, provide customer training, provide owner's manuals, provide completed drawing showing device locations, and provide Lenel Network video recorder software, license, and all supporting hardware.

Requestor (division, bureau, office, individual, as appropriate):

Division of State Fire Marshal, Bureau of Fire Standards and Training, Florida State Fire College

Performance and/or Design Requirements (intended use, function or application, compatibility, requirements; reference to policy, rule, statute or other act of the Legislature, as appropriate):

The cameras, solar power kit, and hardware and software will tie into the existing system installed on the Florida State Fire College campus. The original system was installed by Stanley Convergent Security Solutions, Inc. (Stanley CSS), and the system is proprietary.

Intended Single Source:

Stanley Convergent Security Solutions, Inc

Price:

\$43,032.32

Justification for Single Source Purchase (what is necessary and unique about the commodity, contractual service, or source; steps taken to confirm unavailability of competition, as appropriate):

The STANLEY CSS-LENEL-BASIS Access Control System and software currently installed throughout Florida State Fire College campus is exclusive to Stanley CSS. Stanley CSS does not authorize other organizations or technicians to perform software programming/updates, maintenance, or services for this equipment or make other additions to this equipment, and Stanley CSS is the only authorized subcontractor of Lenel Systems International Inc. that can perform additional installation or other security integrations.

LENEL-BASIS ET 694- VER.7.1.481 is the current software platform listed below:

BASSWSADV - Basis Adv. Server Software License Basis Server Software Licenses for System Administration, License Server, Import, Communication Server, Alarm Monitoring, Map designer.

BBASSWCADV Basis Adv. Client Software License Basis Software Licenses for System Administration, License Server, Import, Communication Server, Alarm Monitoring, Map designer.

Approved By (names & titles, as appropriate, e.g., requestor, requestor management, information systems, budget, purchasing):

Nikki Willis-Somerset, Office of Purchasing and Contractual Services

Laura Jennings, Office of Purchasing and Contractual Services

Linda Reel, Office of the General Counsel

Mike Tucker, Bureau of Fire Standards and Training

Julius Halas, Division of State Fire Marshal

Jay Etheridge, Deputy Chief Financial Officer

Failure to file a protest within the time prescribed in Section 120.57(3), Florida Statutes, or failure to file a bond or other security within the time allowed for filing a bond, shall constitute a waiver of proceedings under Chapter 120, Florida Statutes.
