# 2017-18 SHUTTLE SERVICE

To help students get to and from class, UCF provides free shuttle service from 20 local student residential communities. The shuttles are a safe and convenient alternative to parking on campus.

In addition, shuttles allow students to travel between UCF's Main Campus, the Rosen College of Hospitality Management and the Health Sciences Campus at Lake Nona.

Campus drop-off and pickup points are strategically located to allow students a short travel distance to classrooms or campus activities.

Shuttles run continuously Monday through Friday when class is in session, excluding state and federal holidays. Schedules are subject to change depending on demand.

See [parking.ucf.edu/shuttle](http://parking.ucf.edu/shuttle) for the most current information.
