Internal tracking number, if any: FWC SS 19/20-08

**Date posted: 09/19/2019    Last day for receipt of information: 9/30/2019**

This description of commodities or contractual services intended for purchase from a single source is posted in accordance with Sections 120.57(3) and 287.057(3), Florida Statutes, and will remain posted for a period of at least 7 business days.

Commodity or Contractual Service Required (commodity or United National Standard Products and Services Code (UNSPSC), manufacturer, model, and description, as appropriate):

43230000-Software

81112200-Software maintenance and support

81112201-Maintenance or support fees

81112202-Software patches or upgrades

81112220-Server software maintenance

Quantity or Term (as appropriate):

5 year term (October 1, 2019 to September 30, 2024)

Requestor (division, bureau, office, individual, as appropriate):

FWC Division of Law Enforcement, Fleet & Technical Services

Performance and/or Design Requirements (e.g. intended use, function or application, compatibility, requirements; reference to policy, rule, statute or other act of the Legislature, etc., as appropriate):

The Division of Law enforcement (LE), Support Service's Technology Services section has the need to purchase annual maintenance for their existing CTS America's software and additional licenses. This software is utilized for mapping in the LE units. In accordance with 60A-1.045 FAC, the Division of Law enforcement, Support Service's Technology Services section requests authority to purchase from Environmental Systems Research Institute (ESRI) as a sole source.

Intended Single Source:

Environmental Systems Research Institute (ESRI)

Estimated Dollar Amount:

Not to exceed \$500,000.00

Justification for single source acquisition (what is necessary and unique about the product, service or source; steps taken to confirm unavailability of competition, as appropriate):

In order to maintain continuity of the existing CTS America's system, this is the only software and license compatible to operate the mapping system.

ARCGIS is a proprietary software owned by ESRI.

Approved By (names & titles, as appropriate, e.g., requestor, requestor management, information systems, budget, purchasing):

Lieutenant Charles Field

Captain Chris Sella

Paul Ouellette - Section Leader

Rachel Korade - Assistant Purchasing Director

Renee Gregory - Purchasing Director

Prospective vendors are requested to provide information regarding their ability to supply the commodities or contractual services described. If it is determined in writing by the agency, after reviewing any information received from prospective vendors, that the commodities or contractual services are available only from a single source, the agency shall: provide notice of its intended decision to enter a single-source purchase contract in the manner specified in Section 120.57(3), F.S.
