EXHIBIT C - CHILDREN'S LEGAL SERVICES

For purposes of this Agreement only, Children's Legal Services within the Department of Children and Families, the Office of the Attorney General, and the State Attorney's Office will be collectively referred to herein as "CLS." Both the Lead Agency and the case management subcontractors are collectively referred to herein as "Lead Agency."

The Lead Agency and CLS agree to and acknowledge the following:

1. CLS will be responsible for all legal services to be performed on behalf of the Department of Children and Families in all Juvenile dependency and termination of parental rights proceedings governed by Chapter 39, F.S., the Florida Rules of Juvenile Procedure, or otherwise properly heard in dependency court as well as all proceedings pursuant to the Florida Rules of Appellate Procedure, including, but not limited to: shelter hearings, mediation, adjudicatory hearings, motions pertaining to care, placement, medication, modification of placements, protective supervision, foster care, case planning, judicial reviews, termination of parental rights and appeals of cases brought pursuant to Chapter 39, F.S.
2. All documents prepared and kept by the Lead Agency must be made available at the request of CLS. The request may be made in either written or oral form. No additional subpoena shall be required.
3. Prior to each court hearing, the CLS attorney and case manager must confer on any case to be heard in court. For dependency and termination of parental rights adjudicatory hearings, the CLS attorney and case manager must confer no later than 5 days before the hearing. For judicial review hearings, the CLS attorney and case manager must confer no later than 3 days before the hearing provided that CLS receives from the case manager the Judicial Review Social Study Report ten (10) business days prior to hearing as outlined in paragraph 8 below. For all other court hearings not scheduled on an emergency basis, the CLS attorney and case manager must confer no later than 2 days before the hearing. The CLS attorney and case manager will together prepare for court and will pursue all opportunities to form a unified position that is in the child's best interest and consistent with Florida law. In the event a unified position is not achieved, escalation is required and shall include CLS Management, Department Management designated by the Regional Managing Director in the region where the case derives, and Lead Agency Management.
4. CLS does not provide legal representation to the Lead Agency or any of its employees for any legal action, but rather relies on and works in collaboration with the Lead Agency and case management staff.
5. Reasonable written notification (including electronic mail) to any Lead Agency employee shall suffice to mandate the employee's presence at any dependency or termination of parental rights court proceeding. CLS's issuance of a subpoena shall not be a prerequisite to obtain the appearance of a Lead Agency employee at such a proceeding.

6. Payment and/or provision of items in this Section are to be negotiated by each Circuit.
 - 6.1. Diligent Searches
 - 6.2. Document Translations
 - 6.3. Paternity Testing Services
 - 6.4. Professional/Expert Witnesses
 - 6.5. Depositions (including transcriptions)
 - 6.6. Service of Process (Summons and Subpoena) on all witnesses, parties and other participants as determined by CLS, the court or statute (in state, out of state and out of country)
 - 6.7. Publications
 - 6.8. Court Records (Including transcripts from evidentiary hearings and trials)
 - 6.9. Lab fees
 - 6.10. Birth and Death Certificates
 - 6.11. Home Studies
 - 6.12. Documentation Physical and psychological/psychiatric evaluations including but not limited to CBHAs and behavioral evaluations
7. All documents requested by CLS and prepared by the Lead Agency, including, but not limited to: Judicial Review Social Study Report (JRSSRs), Pre-Disposition Studies, Family Assessments, Case Plans, Referrals, Status Reports, Permanency Goal Changes and Reports and Home Studies shall be in compliance with Chapter 39, F.S., and the Juvenile Rules of Procedure, and shall be fully completed at least ten (10) business days prior to hearing for consideration and/or filing. CLS shall file all timely received applicable documents within the statutorily prescribed filing deadline or within a reasonable time if no deadline is specified.
8. CLS shall upload legal documentation that establishes initial Title IV-E eligibility into the Legal Record for the case in the Florida Safe Families Network ("FSFN") within 2 business days of the order becoming available. The documentation shall be a digital copy of a signed and entered court order that documents the first court determination concerning the removal of a child from the home. The Lead Agency shall identify and notify CLS of the need for court orders that support a redetermination of IV-E eligibility. The Lead Agency, or CLS if the Lead Agency does not have access to the order, shall upload the court order that supports a redetermination into the Legal Record for the case in FSFN within a reasonable time after a digital copy of the order becomes available. The Lead Agency must upload case plans and the signature page of case plans and associate them to the case plan Legal Document record in FSFN.
9. The Lead Agency shall submit to CLS any additions or updates to its file in an ongoing fashion throughout all stages of dependency and termination of parental rights cases. All such updates can be provided electronically through email or other correspondence. The Lead Agency shall immediately notify CLS of any discovery request pertaining to a dependency or termination of parental rights proceeding made to the Lead Agency for any information or materials maintained by the Lead Agency, and CLS shall comply with all discovery requests.

10. The Lead Agency shall be responsible for ensuring the assigned CLS attorney receives timely copies of all reports, narratives, studies, CPT reports and materials, psychological and psychiatric reports, correspondence, multidisciplinary reports, notices and accountings concerning Client Trust Funds as required by Florida law, and copies of any and all other documents of whatever nature resulting from or relating to the cases and investigation(s) which are the subject matter of each file. Timely receipt in this context shall mean on or before the time requirements contained in this Exhibit, Chapter 39, F.S., the Juvenile Rules of Procedure, and the Florida Administrative Code.
11. CLS and the Lead Agency will work as expeditiously as possible to ensure the best interests of the child are paramount. When relief is sought under emergency circumstances, the Lead Agency will provide CLS with any evidence reasonably available to the Lead Agency in order for CLS to advocate for or defend against the relief requested. CLS and the Lead Agency also recognize that motions for return to the home because conditions for return have been met, modification of placement, travel requests, passport requests, or removal of the disability of nonage may require expedited action to promote the welfare of the child. CLS will file such a motion in an expedited fashion when a Lead Agency requests the filing of such a motion, so long as the Lead Agency provides CLS with the evidentiary support to advocate for the relief requested, and Florida law supports the filing.
12. The Lead Agency shall maintain the confidentiality of CLS's legal opinions, mental impressions, conclusions or theories regarding litigation and commentary regarding litigation provided that doing so does not violate a court order requiring disclosure or existing state or federal law. CLS shall maintain the confidentiality of communications with the Lead Agency when doing so does not violate a court order requiring disclosure or existing state or federal law.

To the extent possible, all case planning and permanency staffings should be inclusive of the family and be scheduled in accordance with the necessary parties' availability. The Lead Agency shall ensure the assigned CLS attorney receives reasonable advance notice.

13. In non-emergency situations, CLS shall provide reasonable notice to the lead agency of upcoming hearing dates in each dependency case. CLS's obligation to provide such notice will be satisfied if the Lead Agency is present at a hearing during which the court announces the next hearing date, CLS provides the case manager with a copy of an order setting the next hearing date within five (5) days of the issuance of the order, or CLS otherwise provides notice to the case manager assigned to the case. The Lead Agency and CLS shall ensure all employees arrive promptly and are prepared for all court hearings. The use of case managers and/or CLS attorneys not assigned to a case for courtroom appearances is strongly discouraged. Proper courtroom attire is mandatory. On a mutually-agreed upon schedule, CLS and the Lead Agency will jointly train all employees and case management subcontractors on courtroom procedure, courtroom etiquette, and witness testimony.

14. The Lead Agency shall collaborate with CLS to prepare petitions for shelter, petitions for dependency, petitions for the termination of parental rights, and any other document CLS deems necessary for filing in a Chapter 39 proceeding. When the Lead Agency has knowledge of the facts alleged in the petition or filing, the Lead Agency will execute an oath as to its knowledge or will otherwise work cooperatively with CLS to ensure all statutory requirements of Chapter 39 are satisfied.
15. Prior to any request for CLS to prepare a motion and order for extraordinary medical care and treatment, such as prescribing psychotropic medication, the Lead Agency shall use all reasonable efforts to assist the prescribing physician in obtaining written express and informed consent for the provision of the required psychotropic medication or treatment from the parent or legal custodian.
16. CLS will ensure all court orders are provided to the Lead Agency timely so the Lead Agency is aware of what has been ordered by the Court. If permitted by the court, the local rules, and Florida Rules of Procedure, CLS will support the Lead Agency's request to be added to the list of service recipients to receive any court orders that are electronically served. In the event the Lead Agency determines it is unable to comply with a court order, the Lead Agency shall immediately provide written notification to the CLS attorney with a detailed written explanation as to why the Lead Agency is unable to comply. As a courtesy and at the request of the Lead Agency, CLS may notify the court of the Lead Agency's inability to comply and request adequate relief or stay from the court if CLS is of the legal opinion that the circumstances justify such relief or stay. If CLS deems it necessary, a representative of the Lead Agency will be available to testify to the Lead Agency's inability to comply with the court order or to prepare and execute an affidavit of such inability.
17. The Lead Agency shall provide CLS with the physical address for all known parents and shall be responsible for attesting to the completed Diligent Search Affidavit. The Lead Agency shall conduct all such diligent searches in an ongoing fashion to locate and identify any missing parent(s) and the diligent search efforts shall continue until excused by the court or by Chapter 39, F.S.
18. In an effort to expedite adoptions, CLS and the Lead Agency will work together and share all necessary information regarding the status of all adoptions. The Lead Agency shall be responsible for meeting all requirements regarding adoptions as set forth in Chapter 63, F.S., as well as any other CLS requirements, such as completion of adoption clearance forms for CLS review. The Lead Agency is also responsible for presentation of all potential adoptions to the Adoption Review Committee when the adoption process has identified issues for resolution according to Rule 65C-16.005, F.A.C.
19. Whenever it appears that a child in out-of-home care has a possible need for attorney representation in a specific legal issue outside the scope of the dependency system or pursuant to Section 39.01305, F.S., the Lead Agency shall work together with CLS to identify and assess the legal need in a timely fashion to protect the child's legal rights prior to the expiration of any deadline imposed by a notice, summons or other

document provided to the child or the child's caretaker or case manager. Examples of potential legal needs include, but are not limited to: children with special needs (residential treatment, skilled nursing, victim of human trafficking, developmental disabilities or psychotropic medication), education, school discipline, special education, Social Security (including denial or termination of benefits and overpayments), personal injuries and medical malpractice, juvenile delinquency, adult arrests and/or prosecutions, life insurance and probate matters, Medicaid coverage and services denials. When made aware of the issue, CLS will, through contacts with legal aid services, help provide the child with access to a pro bono attorney to represent the child in the matter identified.

20. CLS and the Lead Agency will share all available information related to a delinquency proceeding concerning a dependent child and will partner to comply with any court order directed to the Department of Children and Families.

In the event a Memorandum of Understanding or other agreement setting forth obligations between CLS and the Lead Agency exists and contradicts this Agreement in any way, the terms and conditions of this Agreement shall govern.

The recipient agrees to provide a copy of the single audit to the Department's Single Audit Unit and its contract manager. In the event the recipient expends less than \$750,000 in Federal awards during its fiscal year, the recipient agrees to provide certification to the Department's Single Audit Unit and its contract manager that a single audit was not required. In determining the Federal awards expended during its fiscal year, the recipient shall consider all sources of Federal awards, including Federal resources received from the Department of Children & Families, Federal government (direct), other state agencies, and other non-state entities. The determination of amounts of Federal awards expended should be in accordance with guidelines established by 2 CFR §§ 200.500-200.521. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR Part 200 §§ 200.500-200.521 will meet the requirements of this part. In connection with the above audit requirements, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR § 200.508.

The schedule of expenditures should disclose the expenditures by contract number for each contract with the Department in effect during the audit period. The Waivers are for the following provisions of the Social Security Act, and Program Regulations are provided to the State of Florida to operate a child welfare demonstration project: *the Department is requesting an extension to September 30, 2019.

1. Section 472 (a) –Expanded Eligibility: To allow the State to expend title IV-E funds for children and families who are not normally eligible under Part E of title IV of the Act as described in the Terms and Conditions.
2. Section 474(a)(1) – Regarding the calculation of payments to States for foster care maintenance expenses.
3. Section 474(a)(3)(E) and 45 CFR 1356.60(c)(3) –Expanded Services: To allow the State to make payments for services that will be provided that are not normally covered under Part E of title IV of the Act; and to allow the State to use title IV-E funds for these costs and services as described in the Terms and Conditions, Section 2.0.
4. All waivers are granted only to the extent necessary to accomplish the project as described in the Terms and Conditions.

The Lead Agency agrees that its compliance with the Terms and Conditions referenced above is fundamental to the implementation of the Waiver authority. The Lead Agency recognizes that failure to operate the demonstration as approved and according to Federal and State statutes and regulations may result in withdrawal of waiver authority.

OVERALL GOALS OF THE WAIVER

The Lead Agency agrees that in implementing the authorized services under the Waiver Terms and Conditions, the overall goal is based on the ability to increase the array, intensity and accessibility of child welfare services that improve safety, permanency, and well-being outcomes for children who are in or at risk of entering out-of-home placement. The Lead Agency agrees that the overall goals of the waiver demonstration are to:

1. Improve child and family outcomes through the flexible use of title IV-E funds;
2. Provide a broader array of community-based services, and increase the number of children eligible for services; and

3. Reduce administrative costs associated with the provision of child welfare services by removing current restrictions on title IV-E eligibility and on the types of services that may be paid for using title IV-E funds.

The Lead Agency agrees to maintain the contractually required contact between case managers and children and their families and source documentation that provides a mechanism for regular review of progress toward achieving each child and family's safety, well-being, and permanency goals.

The Lead Agency agrees to expand the array of community-based services and programs using title IV-E funds as outlined in the Waiver Terms and Conditions. Expanded services, supports, and programs may include, but are not limited to:

1. Development and implementation of family-centered evidence-based programs and case management practices to assess child safety; support and facilitate parents and caregivers in taking responsibility for their children's safety and well-being; enhance parent and family protective factors and capacity; develop safety plans; and facilitate families' transition to formal and informal community-based support networks at the time of child welfare case closure.
2. Early intervention services in situations of developing family need to prevent crises that jeopardize child safety and well-being;
3. One-time payments for goods or services that reduce short-term family stressors and help divert children out-of-home placement (e.g., payments for housing, child care, etc.);
4. Evidence-based, interdisciplinary, and team-based in-home services to prevent out-of-home placement;
5. Services that promote expedited permanency through reunification when feasible, or other permanency options as appropriate;
6. Implementation of evidence-based practices to increase the effectiveness of mental health and substance abuse screening and treatment services for parents, as well as strategies to improve timely access to and engagement in these services.
7. Improved needs assessment practices that take into account the unique circumstances and characteristics of children and families; and
8. Long term supports for families to prevent placement recidivism.

DOCUMENTATION AND REPORTING REQUIREMENTS

1. The Lead Agency agrees to document progress of implementation as requested by the Department on the status of activities or tasks implemented as part of the IV-E Waiver Demonstration and any problems encountered that may have an impact on the implementation of the desired services.

1. **Definitions.** The definitions contained in s. 60A-1.001, F.A.C. shall apply to this agreement. The following additional terms are also defined:

- (a) "Contract" means the legally enforceable agreement that results from a successful solicitation. The parties to the Contract will be the Customer and Contractor.
- (b) "Customer" means the State agency or other entity identified in a contract as the party to receive commodities or contractual services pursuant to a contract or that orders commodities or contractual services via purchase order or other contractual instrument from the Contractor under the Contract. The "Customer" may also be the "Buyer" as defined in the PUR 1001 if it meets the definition of both terms.
- (c) "Product" means any deliverable under the Contract, which may include commodities, services, technology or software.
- (d) "Purchase order" means the form or format a Customer uses to make a purchase under the Contract (e.g., a formal written purchase order, electronic purchase order, procurement card, contract or other authorized means).

2. **Purchase Orders.** In contracts where commodities or services are ordered by the Customer via purchase order, Contractor shall not deliver or furnish products until a Customer transmits a purchase order. All purchase orders shall bear the Contract or solicitation number, shall be placed by the Customer directly with the Contractor, and shall be deemed to incorporate by reference the Contract and solicitation terms and conditions. Any discrepancy between the Contract terms and the terms stated on the Contractor's order form, confirmation, or acknowledgement shall be resolved in favor of terms most favorable to the Customer. A purchase order for services within the ambit of section 287.058(1) of the Florida Statutes shall be deemed to incorporate by reference the requirements of subparagraphs (a) through (f) thereof. Customers shall designate a contract manager and a contract administrator as required by subsections 287.057(15) and (16) of the Florida Statutes.

3. **Product Version.** Purchase orders shall be deemed to reference a manufacturer's most recently release model or version of the product at the time of the order, unless the Customer specifically requests in writing an earlier model or version and the contractor is willing to provide such model or version.

4. **Price Changes Applicable only to Term Contracts.** If this is a term contract for commodities or services, the following provisions apply.
- (a) **Quantity Discounts.** Contractors are urged to offer additional discounts for one time delivery of large single orders. Customers should seek to negotiate additional price concessions on quantity purchases of any products offered under the Contract. State Customers shall document their files accordingly.
 - (b) **Best Pricing Offer.** During the Contract term, if the Customer becomes aware of better pricing offered by the Contractor for substantially the same or a smaller quantity of a product outside the Contract, but upon the same or similar terms of the Contract, then at the discretion of the Customer the price under the Contract shall be immediately reduced to the lower price.
 - (c) **Sales Promotions.** In addition to decreasing prices for the balance of the Contract term due to a change in market conditions, a Contractor may conduct sales promotions involving price reductions for a specified lesser period. A Contractor shall submit to the Contract Specialist documentation identifying the proposed (1) starting and ending dates of the promotion, (2) products involved, and (3) promotional prices compared to then-authorized prices. Promotional prices shall be available to all Customers. Upon approval, the Contractor shall provide conspicuous notice of the promotion.
 - (d) **Trade-In.** Customers may trade-in equipment when making purchases from the Contract. A trade-in shall be negotiated between the Customer and the Contractor. Customers are obligated to actively seek current fair market value when trading equipment, and to keep accurate records of the process. For State agencies, it may be necessary to provide documentation to the Department of Financial Services and to the agency property custodian pursuant to Chapter 273, F.S.
 - (e) **Equitable Adjustment.** The Customer may, in its sole discretion, make an equitable adjustment in the Contract terms or pricing if pricing or availability of supply is affected by extreme and unforeseen volatility in the marketplace, that is, by circumstances that satisfy all the following criteria: (1) the volatility is due to causes wholly beyond the Contractor's control, (2) the volatility affects the marketplace or industry, not just the particular Contract source of supply, (3) the effect on pricing or availability of supply is substantial, and (4) the volatility so affects the Contractor that continued performance of the Contract would result in a substantial loss.
5. **Additional Quantities.** For a period not exceeding ninety (90) days from the date of solicitation award, the Customer reserves the right to acquire additional quantities up to the amount shown on the solicitation but not to exceed the threshold for Category Two at the prices submitted in the response to the solicitation.
6. **Packaging.** Tangible product shall be securely and properly packed for shipment, storage, and stocking in appropriate, clearly labeled, shipping containers and according to accepted

commercial practice, without extra charge for packing materials, cases, or other types of containers. All containers and packaging shall become and remain Customer's property.

7. **Inspection at Contractor's Site.** The Customer reserves the right to inspect, at any reasonable time with prior notice, the equipment or product or plant or other facilities of a Contractor to assess conformity with Contract requirements and to determine whether they are adequate and suitable for proper and effective Contract performance.
8. **Safety Standards.** All manufactured items and fabricated assemblies subject to operation under pressure, operation by connection to an electric source, or operation involving connection to a manufactured, natural, or LP gas source shall be constructed and approved in a manner acceptable to the appropriate State inspector. Acceptability customarily requires, at a minimum, identification marking of the appropriate safety standard organization, where such approvals of listings have been established for the type of device offered and furnished, for example: the American Society of Mechanical Engineers for pressure vessels; the Underwriters Laboratories and/or National Electrical Manufacturers' Association for electrically operated assemblies; and the American Gas Association for gas-operated assemblies. In addition, all items furnished shall meet all applicable requirements of the Occupational Safety and Health Act and state and federal requirements relating to clean air and water pollution.
9. **Americans with Disabilities Act.** Contractors should identify any products that may be used or adapted for use by visually, hearing, or other physically impaired individuals.
10. **Literature.** Upon request, the Contractor shall furnish literature reasonably related to the product offered, for example, user manuals, price schedules, catalogs, descriptive brochures, etc.
11. **Transportation and Delivery.** Prices shall include all charges for packing, handling, freight, distribution, and inside delivery. Transportation of goods shall be FOB Destination to any point within thirty (30) days after the Customer places an Order. A Contractor, within five (5) days after receiving a purchase order, shall notify the Customer of any potential delivery delays. Evidence of inability or intentional delays shall be cause for Contract cancellation and Contractor suspension.
12. **Installation.** Where installation is required, Contractor shall be responsible for placing and installing the product in the required locations at no additional charge, unless otherwise designated on the Contract or purchase order. Contractor's authorized product and price list shall clearly and separately identify any additional installation charges. All materials used in the installation shall be of good quality and shall be free of defects that would diminish the appearance of the product or render it structurally or operationally unsound. Installation includes the furnishing of any equipment, rigging, and materials required to install or replace the product in the proper location. Contractor shall protect the site from damage and shall repair damages or injury caused during installation by Contractor or its employees or agents. If any alteration, dismantling, excavation, etc., is required to achieve installation, the Contractor shall promptly restore the structure or site to its original condition. Contractor

shall perform installation work so as to cause the least inconvenience and interference with Customers and with proper consideration of others on site. Upon completion of the installation, the location and surrounding area of work shall be left clean and in a neat and unobstructed condition, with everything in satisfactory repair and order.

- 13. Risk of Loss.** Matters of inspection and acceptance are addressed in s. 215.422, F.S. Until acceptance, risk of loss or damage shall remain with the Contractor. The Contractor shall be responsible for filing, processing, and collecting all damage claims. To assist the Contractor with damage claims, the Customer shall: record any evidence of visible damage on all copies of the delivering carrier's Bill of Lading; report damages to the carrier and the Contractor; and provide the Contractor with a copy of the carrier's Bill of Lading and damage inspection report. When a Customer rejects a product, Contractor shall remove it from the premises within ten days after notification or rejection. Upon rejection notification, the risk of loss of rejected or non-conforming product shall remain with the Contractor. Rejected product not removed by the Contractor within ten days shall be deemed abandoned by the Contractor, and the Customer shall have the right to dispose of it as its own property. Contractor shall reimburse the Customer for costs and expenses incurred in storing or effecting removal or disposition of rejected product.

- 14. Transaction Fee.** The State of Florida has instituted MyFloridaMarketPlace, a statewide eProcurement System ("System"). Pursuant to section 287.057(23), Florida Statutes (2002), all payments shall be assessed a Transaction Fee of one percent (1.0%), which the Contractor shall pay to the State, unless exempt pursuant to 60A-1.032, F.A.C.

For payments within the State accounting system (FLAIR or its successor), the Transaction Fee shall, when possible, be automatically deducted from payments to the Contractor. If automatic deduction is not possible, the Contractor shall pay the Transaction Fee pursuant to Rule 60A-1.031(2), F.A.C. By submission of these reports and corresponding payments, Contractor certifies their correctness. All such reports and payments shall be subject to audit by the State or its designee.

Contractor shall receive a credit for any Transaction Fee paid by the Contractor for the purchase of any item(s) if such item(s) are returned to the Contractor through no fault, act, or omission of the Contractor. Notwithstanding the foregoing, a Transaction Fee is non-refundable when an item is rejected or returned, or declined, due to the Contractor's failure to perform or comply with specifications or requirements of the agreement.

Failure to comply with these requirements shall constitute grounds for declaring the Contractor in default and recovering reprocurement costs from the Contractor in addition to all outstanding fees. **CONTRACTORS DELINQUENT IN PAYING TRANSACTION FEES MAY BE SUBJECT TO BEING REMOVED FROM THE DEPARTMENT OF MANAGEMENT SERVICES' VENDOR LIST AS PROVIDED IN RULE 60A-1.006, F.A.C.**

- 15. Invoicing and Payment.** Invoices shall contain the Contract number, purchase order number if applicable, and the appropriate vendor identification number. The State may require any

other information from the Contractor that the State deems necessary to verify any purchase order placed under the Contract.

At the State's option, Contractors may be required to invoice electronically pursuant to guidelines of the Department of Management Services. Current guidelines require that Contractor supply electronic invoices in lieu of paper-based invoices for those transactions processed through the system. Electronic invoices shall be submitted to the Customer through the Ariba Supplier Network (ASN) in one of the following mechanisms - EDI 810, cXML, or web-based invoice entry within the ASN.

Payment shall be made in accordance with sections 213.422 and 287.0585 of the Florida Statutes, which govern time limits for payment of invoices. Invoices that must be returned to a Contractor due to preparation errors will result in a delay in payment. Contractors may call (850) 413-7269 Monday through Friday to inquire about the status of payments by State Agencies. The Customer is responsible for all payments under the Contract. A Customer's failure to pay, or delay in payment, shall not constitute a breach of the Contract and shall not relieve the Contractor of its obligations to the Department or to other Customers.

- 16. Taxes.** The State does not pay Federal excise or sales taxes on direct purchases of tangible personal property. The State will not pay for any personal property taxes levied on the Contractor or for any taxes levied on employees' wages. Any exceptions to this paragraph shall be explicitly noted by the Customer in the special contract conditions section of the solicitation or in the Contract or purchase order.
- 17. Governmental Restrictions.** If the Contractor believes that any governmental restrictions have been imposed that require alteration of the material, quality, workmanship or performance of the products offered under the Contract, the Contractor shall immediately notify the Customer in writing, indicating the specific restriction. The Customer reserves the right and the complete discretion to accept any such alteration or to cancel the Contract at no further expense to the Customer.
- 18. Lobbying and Integrity.** Customers shall ensure compliance with Section 11.062, FS and Section 216.347, FS. The Contractor shall not, in connection with this or any other agreement with the State, directly or indirectly (1) offer, confer, or agree to confer any pecuniary benefit on anyone as consideration for any State officer or employee's decision, opinion, recommendation, vote, other exercise of discretion, or violation of a known legal duty, or (2) offer, give, or agree to give to anyone any gratuity for the benefit of, or at the direction or request of, any State officer or employee. For purposes of clause (2), "gratuity" means any payment of more than nominal monetary value in the form of cash, travel, entertainment, gifts, meals, lodging, loans, subscriptions, advances, deposits of money, services, employment, or contracts of any kind. Upon request of the Customer's Inspector General, or other authorized State official, the Contractor shall provide any type of information the Inspector General deems relevant to the Contractor's integrity or responsibility. Such information may include, but shall not be limited to, the Contractor's business or financial records, documents, or files of any type or form that refer to or relate to the Contract. The Contractor shall retain such records for the longer of (1) three years after the expiration of the

Contract or (2) the period required by the General Records Schedules maintained by the Florida Department of State (available at: <http://dos.myflorida.com/library-archives/records-management/general-records-schedules/>). The Contractor agrees to reimburse the State for the reasonable costs of investigation incurred by the Inspector General or other authorized State official for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the State which results in the suspension or debarment of the Contractor. Such costs shall include, but shall not be limited to: salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The Contractor shall not be responsible for any costs of investigations that do not result in the Contractor's suspension or debarment.

19. Indemnification. The Contractor shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless the State and Customers, and their officers, agents, and employees, from suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by Contractor, its agents, employees, partners, or subcontractors, provided, however, that the Contractor shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of the State or a Customer.

Further, the Contractor shall fully indemnify, defend, and hold harmless the State and Customers from any suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to violation or infringement of a trademark, copyright, patent, trade secret or intellectual property right, provided, however, that the foregoing obligation shall not apply to a Customer's misuse or modification of Contractor's products or a Customer's operation or use of Contractor's products in a manner not contemplated by the Contract or the purchase order. If any product is the subject of an infringement suit, or in the Contractor's opinion is likely to become the subject of such a suit, the Contractor may at its sole expense procure for the Customer the right to continue using the product or to modify it to become non-infringing. If the Contractor is not reasonably able to modify or otherwise secure the Customer the right to continue using the product, the Contractor shall remove the product and refund the Customer the amounts paid in excess of a reasonable rental for past use. The customer shall not be liable for any royalties.

The Contractor's obligations under the preceding two paragraphs with respect to any legal action are contingent upon the State or Customer giving the Contractor (1) written notice of any action or threatened action, (2) the opportunity to take over and settle or defend any such action at Contractor's sole expense, and (3) assistance in defending the action at Contractor's sole expense. The Contractor shall not be liable for any cost, expense, or compromise incurred or made by the State or Customer in any legal action without the Contractor's prior written consent, which shall not be unreasonably withheld.

20. Limitation of Liability. For all claims against the Contractor under any contract or purchase order, and regardless of the basis on which the claim is made, the Contractor's liability under a contract or purchase order for direct damages shall be limited to the greater of \$100,000, the dollar amount of the contract or purchase order, or two times the charges rendered by the

Contractor under the purchase order. This limitation shall not apply to claims arising under the Indemnity paragraph contain in this agreement.

Unless otherwise specifically enumerated in the Contract or in the purchase order, no party shall be liable to another for special, indirect, punitive, or consequential damages, including lost data or records (unless the contract or purchase order requires the Contractor to back-up data or records), even if the party has been advised that such damages are possible. No party shall be liable for lost profits, lost revenue, or lost institutional operating savings. The State and Customer may, in addition to other remedies available to them at law or equity and upon notice to the Contractor, retain such monies from amounts due Contractor as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against them. The State may set off any liability or other obligation of the Contractor or its affiliates to the State against any payments due the Contractor under any contract with the State.

- 21. Suspension of Work.** The Customer may in its sole discretion suspend any or all activities under the Contract or purchase order, at any time, when in the best interests of the State to do so. The Customer shall provide the Contractor written notice outlining the particulars of suspension. Examples of the reason for suspension include, but are not limited to, budgetary constraints, declaration of emergency, or other such circumstances. After receiving a suspension notice, the Contractor shall comply with the notice and shall not accept any purchase orders. Within ninety days, or any longer period agreed to by the Contractor, the Customer shall either (1) issue a notice authorizing resumption of work, at which time activity shall resume, or (2) terminate the Contract or purchase order. Suspension of work shall not entitle the Contractor to any additional compensation.
- 22. Termination for Convenience.** The Customer, by written notice to the Contractor, may terminate the Contract in whole or in part when the Customer determines in its sole discretion that it is in the State's interest to do so. The Contractor shall not furnish any product after it receives the notice of termination, except as necessary to complete the continued portion of the Contract, if any. The Contractor shall not be entitled to recover any cancellation charges or lost profits.
- 23. Termination for Cause.** The Customer may terminate the Contract if the Contractor fails to (1) deliver the product within the time specified in the Contract or any extension, (2) maintain adequate progress, thus endangering performance of the Contract, (3) honor any term of the Contract, or (4) abide by any statutory, regulatory, or licensing requirement. Rule 60A-1.006(3), F.A.C., governs the procedure and consequences of default. The Contractor shall continue work on any work not terminated. Except for defaults of subcontractors at any tier, the Contractor shall not be liable for any excess costs if the failure to perform the Contract arises from events completely beyond the control, and without the fault or negligence, of the Contractor. If the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is completely beyond the control of both the Contractor and the subcontractor, and without the fault or negligence of either, the Contractor shall not be liable for any excess costs for failure to perform, unless the subcontracted products were obtainable from other sources in sufficient time for the Contractor to meet the required delivery schedule. If, after termination, it is determined that

the Contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the Customer. The rights and remedies of the Customer in this clause are in addition to any other rights and remedies provided by law or under the Contract.

- 24. Force Majeure, Notice of Delay, and No Damages for Delay.** The Contractor shall not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of the Contractor or its employees or agents contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Contractor's control, or for any of the foregoing that affect subcontractors or suppliers if no alternate source of supply is available to the Contractor. In case of any delay the Contractor believes is excusable, the Contractor shall notify the Customer in writing of the delay or potential delay and describe the cause of the delay either (1) within ten (10) days after the cause that creates or will create the delay first arose, if the Contractor could reasonably foresee that a delay could occur as a result, or (2) if delay is not reasonably foreseeable, within five (5) days after the date the Contractor first had reason to believe that a delay could result. **THE FOREGOING SHALL CONSTITUTE THE CONTRACTOR'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY.** Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages, other than for an extension of time, shall be asserted against the Customer. The Contractor shall not be entitled to an increase in the Contract price or payment of any kind from the Customer for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist the Contractor shall perform at no increased cost, unless the Customer determines, in its sole discretion, that the delay will significantly impair the value of the Contract to the State or to Customers, in which case the Customer may (1) accept allocated performance or deliveries from the Contractor, provided that the Contractor grants preferential treatment to Customers with respect to products subjected to allocation, or (2) purchase from other sources (without recourse to and by the Contractor for the related costs and expenses) to replace all or part of the products that are the subject of the delay, which purchases may be deducted from the Contract quantity, or (3) terminate the Contract in whole or in part.
- 25. Changes.** The Customer may unilaterally require, by written order, changes altering, adding to, or deducting from the Contract specifications, provided that such changes are within the general scope of the Contract. The Customer may make an equitable adjustment in the Contract price or delivery date if the change affects the cost or time of performance. Such equitable adjustments require the written consent of the Contractor, which shall not be unreasonably withheld. If unusual quantity requirements arise, the Customer may solicit separate bids to satisfy them.
- 26. Renewal.** Upon mutual agreement, the Customer and the Contractor may renew the Contract, in whole or in part, for a period that may not exceed 3 years or the term of the contract, whichever period is longer. Any renewal shall specify the renewal price, as set forth in the

solicitation response. The renewal must be in writing and signed by both parties, and is contingent upon satisfactory performance evaluations and subject to availability of funds.

- 27. Purchase Order Duration.** Purchase orders issued pursuant to a state term or agency contract must be received by the Contractor no later than close of business on the last day of the contract's term to be considered timely. The Contractor is obliged to fill those orders in accordance with the contract's terms and conditions. Purchase orders received by the contractor after close of business on the last day of the state term or agency contract's term shall be considered void.

Purchase orders for a one-time delivery of commodities or performance of contractual services shall be valid through the performance by the Contractor, and all terms and conditions of the state term or agency contract shall apply to the single delivery/performance, and shall survive the termination of the Contract.

Contractors are required to accept purchase orders specifying delivery schedules exceeding the contracted schedule even when such extended delivery will occur after expiration of the state term or agency contract. For example, if a state term contract calls for delivery 30 days after receipt of order (ARO), and an order specifies delivery will occur both in excess of 30 days ARO and after expiration of the state term contract, the Contractor will accept the order. However, if the Contractor expressly and in writing notifies the ordering office within ten (10) calendar days of receipt of the purchase order that Contractor will not accept the extended delivery terms beyond the expiration of the state term contract, then the purchase order will either be amended in writing by the ordering entity within ten (10) calendar days of receipt of the contractor's notice to reflect the state term contract delivery schedule, or it shall be considered withdrawn.

The duration of purchase orders for recurring deliveries of commodities or performance of services shall not exceed the expiration of the state term or agency contract by more than twelve months. However, if an extended pricing plan offered in the state term or agency contract is selected by the ordering entity, the contract terms on pricing plans and renewals shall govern the maximum duration of purchase orders reflecting such pricing plans and renewals.

Timely purchase orders shall be valid through their specified term and performance by the Contractor, and all terms and conditions of the state term or agency contract shall apply to the recurring delivery/performance as provided herein, and shall survive the termination of the Contract.

Ordering offices shall not renew a purchase order issued pursuant to a state term or agency contract if the underlying contract expires prior to the effective date of the renewal.

- 28. Advertising.** Subject to Chapter 119, Florida Statutes, the Contractor shall not publicly disseminate any information concerning the Contract without prior written approval from the Customer, including, but not limited to mentioning the Contract in a press release or other promotional material, identifying the Customer or the State as a reference, or otherwise

linking the Contractor's name and either a description of the Contract or the name of the State or the Customer in any material published, either in print or electronically, to any entity that is not a party to Contract, except potential or actual authorized distributors, dealers, resellers, or service representative.

29. Assignment. The Contractor shall not sell, assign or transfer any of its rights, duties or obligations under the Contract, or under any purchase order issued pursuant to the Contract, without the prior written consent of the Customer. In the event of any assignment, the Contractor remains secondarily liable for performance of the contract, unless the Customer expressly waives such secondary liability. The Customer may assign the Contract with prior written notice to Contractor of its intent to do so.

30. Antitrust Assignment. The Contractor and the State of Florida recognize that in actual economic practice, overcharges resulting from antitrust violations are in fact usually borne by the State of Florida. Therefore, the contractor hereby assigns to the State of Florida any and all claims for such overcharges as to goods, materials or services purchased in connection with the Contract.

31. Dispute Resolution. Any dispute concerning performance of the Contract shall be decided by the Customer's designated contract manager, who shall reduce the decision to writing and serve a copy on the Contractor. The decision shall be final and conclusive unless within twenty one (21) days from the date of receipt, the Contractor files with the Customer a petition for administrative hearing. The Customer's decision on the petition shall be final, subject to the Contractor's right to review pursuant to Chapter 120 of the Florida Statutes. Exhaustion of administrative remedies is an absolute condition precedent to the Contractor's ability to pursue any other form of dispute resolution; provided, however, that the parties may employ the alternative dispute resolution procedures outlined in Chapter 120.

Without limiting the foregoing, the exclusive venue of any legal or equitable action that arises out of or relates to the Contract shall be the appropriate state court in Leon County, Florida; in any such action, Florida law shall apply and the parties waive any right to jury trial.

32. Employees, Subcontractors, and Agents. All Contractor employees, subcontractors, or agents performing work under the Contract shall be properly trained technicians who meet or exceed any specified training qualifications. Upon request, Contractor shall furnish a copy of technical certification or other proof of qualification. All employees, subcontractors, or agents performing work under the Contract must comply with all security and administrative requirements of the Customer and shall comply with all controlling laws and regulations relevant to the services they are providing under the Contract. The State may conduct, and the Contractor shall cooperate in, a security background check or otherwise assess any employee, subcontractor, or agent furnished by the Contractor. The State may refuse access to, or require replacement of, any personnel for cause, including, but not limited to, technical or training qualifications, quality of work, change in security status, or non-compliance with a Customer's security or other requirements. Such approval shall not relieve the Contractor of its obligation to perform all work in compliance with the Contract. The State may reject

and bar from any facility for cause any of the Contractor's employees, subcontractors, or agents.

- 33. Security and Confidentiality.** The Contractor shall comply fully with all security procedures of the United States, State of Florida and Customer in performance of the Contract. The Contractor shall not divulge to third parties any confidential information obtained by the Contractor or its agents, distributors, resellers, subcontractors, officers or employees in the course of performing Contract work, including, but not limited to, security procedures, business operations information, or commercial proprietary information in the possession of the State or Customer. The Contractor shall not be required to keep confidential information or material that is publicly available through no fault of the Contractor, material that the Contractor developed independently without relying on the State's or Customer's confidential information, or material that is otherwise obtainable under State law as a public record. To insure confidentiality, the Contractor shall take appropriate steps as to its personnel, agents, and subcontractors. The warranties of this paragraph shall survive the Contract.
- 34. Contractor Employees, Subcontractors, and Other Agents.** The Customer and the State shall take all actions necessary to ensure that Contractor's employees, subcontractors and other agents are not employees of the State of Florida. Such actions include, but are not limited to, ensuring that Contractor's employees, subcontractors, and other agents receive benefits and necessary insurance (health, workers' compensations, and unemployment) from an employer other than the State of Florida.
- 35. Insurance Requirements.** During the Contract term, the Contractor at its sole expense shall provide commercial insurance of such a type and with such terms and limits as may be reasonably associated with the Contract. Providing and maintaining adequate insurance coverage is a material obligation of the Contractor. Upon request, the Contractor shall provide certificate of insurance. The limits of coverage under each policy maintained by the Contractor shall not be interpreted as limiting the Contractor's liability and obligations under the Contract. All insurance policies shall be through insurers authorized or eligible to write policies in Florida.
- 36. Warranty of Authority.** Each person signing the Contract warrants that he or she is duly authorized to do so and to bind the respective party to the Contract.
- 37. Warranty of Ability to Perform.** The Contractor warrants that, to the best of its knowledge, there is no pending or threatened action, proceeding, or investigation, or any other legal or financial condition, that would in any way prohibit, restrain, or diminish the Contractor's ability to satisfy its Contract obligations. The Contractor warrants that neither it nor any affiliate is currently on the convicted vendor list maintained pursuant to section 287.133 of the Florida Statutes, or on any similar list maintained by any other state or the federal government. The Contractor shall immediately notify the Customer in writing if its ability to perform is compromised in any manner during the term of the Contract.
- 38. Notices.** All notices required under the Contract shall be delivered by certified mail, return receipt requested, by reputable air courier service, or by personal delivery to the agency

designee identified in the original solicitation, or as otherwise identified by the Customer. Notices to the Contractor shall be delivered to the person who signs the Contract. Either designated recipient may notify the other, in writing, if someone else is designated to receive notice.

39. Leases and Installment Purchases. Prior approval of the Chief Financial Officer (as defined in Section 17.001, F.S.) is required for State agencies to enter into or to extend any lease or installment-purchase agreement in excess of the Category Two amount established by section 287.017 of the Florida Statutes.

40. Prison Rehabilitative Industries and Diversified Enterprises, Inc. (PRIDE). Section 946.515(2), F.S. requires the following statement to be included in the solicitation: "It is expressly understood and agreed that any articles which are the subject of, or required to carry out, the Contract shall be purchased from the corporation identified under Chapter 946 of the Florida Statutes (PRIDE) in the same manner and under the same procedures set forth in section 946.515(2) and (4) of the Florida Statutes; and for purposes of the Contract the person, firm, or other business entity carrying out the provisions of the Contract shall be deemed to be substituted for the agency insofar as dealings with such corporation are concerned." Additional information about PRIDE and the products it offers is available at <http://www.pridefl.com>.

41. Products Available from the Blind or Other Handicapped. Section 413.036(3), F.S. requires the following statement to be included in the solicitation: "It is expressly understood and agreed that any articles that are the subject of, or required to carry out, this contract shall be purchased from a nonprofit agency for the Blind or for the Severely Handicapped that is qualified pursuant to Chapter 413, Florida Statutes, in the same manner and under the same procedures set forth in section 413.036(1) and (2), Florida Statutes; and for purposes of this contract the person, firm, or other business entity carrying out the provisions of this contract shall be deemed to be substituted for the State agency insofar as dealings with such qualified nonprofit agency are concerned." Additional information about the designated nonprofit agency and the products it offers is available at <http://www.respectofflorida.org>.

42. Modification of Terms. The Contract contains all the terms and conditions agreed upon by the parties, which terms and conditions shall govern all transactions between the Customer and the Contractor. The Contract may only be modified or amended upon mutual written agreement of the Customer and the Contractor. No oral agreements or representations shall be valid or binding upon the Customer or the Contractor. No alteration or modification of the Contract terms, including substitution of product, shall be valid or binding against the Customer. The Contractor may not unilaterally modify the terms of the Contract by affixing additional terms to product upon delivery (e.g., attachment or inclusion of standard preprinted forms, product literature, "shrink wrap" terms accompanying or affixed to a product, whether written or electronic) or by incorporating such terms onto the Contractor's order or fiscal forms or other documents forwarded by the Contractor for payment. The Customer's acceptance of product or processing of documentation on forms furnished by the Contractor for approval or payment shall not constitute acceptance of the proposed modification to terms and conditions.

43. Cooperative Purchasing. Pursuant to their own governing laws, and subject to the agreement of the Contractor, other entities may be permitted to make purchases at the terms and conditions contained herein. Non-Customer purchases are independent of the agreement between Customer and Contractor, and Customer shall not be a party to any transaction between the Contractor and any other purchaser.

State agencies wishing to make purchases from this agreement are required to follow the provisions of s. 287.042(16)(a), F.S. This statute requires the Department of Management Services to determine that the requestor's use of the contract is cost-effective and in the best interest of the State.

44. Waiver. The delay or failure by the Customer to exercise or enforce any of its rights under this Contract shall not constitute or be deemed a waiver of the Customer's right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

45. Annual Appropriations. The State's performance and obligation to pay under this contract are contingent upon an annual appropriation by the Legislature.

46. Execution in Counterparts. The Contract may be executed in counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

47. Severability. If a court deems any provision of the Contract void or unenforceable, that provision shall be enforced only to the extent that it is not in violation of law or is not otherwise unenforceable and all other provisions shall remain in full force and effect.
