1			<p>We understand that the RFQ requires only the Mechanical, Electrical and Plumbing engineering services to be represented in the response. We wish to verify the following options are acceptable and will not disqualify or penalize the submission:</p> <p>a) Inclusion of additional engineering sub-consultants under the other categories represented in the PQS form that provide services that are likely to be incidental to MEP minor projects. These categories include geotechnical, structural, architectural, etc.</p> <p>b) Inclusion of additional engineering subject matter expert (SME) sub-</p>	<p>a) Only the qualifications of the prime firm will be considered as a response to the Request for Qualifications.</p> <p>b) See a). Additionally, please see definitions as set forth in Section 6 of the PQS Form.</p>
