

**Invitation to Bid 2018-18 for Cardiovascular Ultrasound System and Arterial Injection System**

Florida State College at Jacksonville (College) has a requirement for which your company may be qualified to submit a formal proposal in response to this ITB.

It is the College's objective to solicit the submittal of proposals from qualified firms to provide a **Cardiovascular Ultrasound System and an Arterial Injection System**.

Please follow the link below to the College's Purchasing website to obtain a copy of this **ITB #2018-18** and all required attachments.

<https://www.fscj.edu/discover/governance-administration/purchasing/bids-schedule>

Please review the ITB and attachments and follow the ITB instructions for submitting questions and other important submission requirements.

Thank you
