In addition to any background screening required by the Contractor as a condition of employment and the requirements found in the Statement of Work, the Contractor warrants that it will conduct a criminal background screening of, or ensure that such a screening is conducted for, each of its employees, subcontractor personnel, independent contractors, leased employees, volunteers, licensees or other person, hereinafter referred to as "Person" or "Persons," operating under their direction who directly perform services

under the Contract, whether or not the Person has access to State of Florida Data, as well as those who have access, including indirect access, to State of Florida Data, whether or not they perform services under the Contract. The Contractor warrants that all Persons will have passed the Background Screening described herein before they have Access to Data or begin performing services under the Contract. The look-back period for such background screenings shall be for a minimum of six (6) years where six (6) years of historical information is available.

“Access” means to review, inspect, approach, instruct, communicate with, store data in, retrieve data from, or otherwise make use of any data, regardless of type, form, or nature of storage. Access to a computer system or network includes local and remote access.

“Data” means a representation of information, knowledge, facts, concepts, computer software, computer programs or instructions, whether it is exempt, confidential, or personal health information. Data may be in any form, including but not limited to, storage media, computer memory, in transit, presented on a display device, or in physical media such as paper, film, microfilm, or microfiche. Data includes the original form of the Data and all metadata associated with the Data.

The Contractor agrees that each Person will be screened as a prior condition for performing services or having access to State of Florida Data. The Contractor is responsible for any and all costs and expenses in obtaining and maintaining the criminal background screening information for each Person described above. The Contractor will maintain documentation of the screening in the Person’s employment file. The Contractor will abide by all applicable laws, rules and regulations including, but not limited to the Fair Credit Reporting Act and/or any equal opportunity laws, rules, regulations or ordinances.

19.1.1 Disqualifying Offenses

If at any time it is determined that a Person has a criminal misdemeanor or felony record regardless of adjudication (e.g., adjudication withheld, a plea of guilty or nolo contendere, or a guilty verdict) within the last six (6) years from the date of the court’s determination for the crimes listed below, or their equivalent in any jurisdiction, the Contractor is required to immediately remove that Person from any position with access to State of Florida Data or directly performing services under the Contract. - Computer related or information technology crimes

- Fraudulent practices, false pretenses and frauds, and credit card crimes
- Forgery and counterfeiting
- Violations involving checks and drafts
- Misuse of medical or personnel records
- Felony theft

If the Contractor finds a Disqualifying Offense for a Person within the last six (6) years from the date of the court's disposition, it may obtain information regarding the incident and determine whether that Person should continue providing services under the Contract or have access to State of Florida Data. The Contractor will consider the following factors only in making the determination: i.) nature and gravity of the offense, ii.) the amount of time that lapsed since the offense, iii.) the rehabilitation efforts of the person and iv.) relevancy of the offense to the job duties of the Person. If the Contractor determines that the Person should be allowed access to State of Florida Data, then Contractor shall maintain all criminal background screening information and the rationale for such access in the Person's employment file.

19.1.2 Refresh Screening

The Contractor will ensure that all background screening will be refreshed every one (1) year from the time initially performed for each Person during the Term of the Contract.

19.1.4 Self-Disclosure

The Contractor shall ensure that all Persons have a responsibility to self-report within three (3) calendar days to the Contractor any updated court disposition regarding any disqualifying offense, regardless of adjudication (adjudication withheld, a plea of guilty or nolo contendere, or a guilty verdict). The Contractor shall immediately reassess whether to disallow that Person access to any State of Florida premises or from directly performing services under the Contract. Additionally, the Contractor shall require that the Person complete an annual certification that they have not received any additional criminal misdemeanor or felony record regardless of adjudication (adjudication withheld, a plea of guilty or nolo contendere, or a guilty verdict) for the Disqualifying Offenses and shall maintain that certification in the employment file.

In addition, the Contractor shall ensure that all Persons have a responsibility to self-report to the Contractor within three (3) calendar days, any arrest for any Disqualifying Offense. The Contractor shall notify the Department Representative within 24 hours of all details concerning any reported arrest.

19.2 Duty to Provide Secure Data

The Contractor will maintain the security of State of Florida Data including, but not limited to, a secure area around any display of such Data or Data that is otherwise visible. The Contractor will also comply with all HIPAA requirements and any other state and federal rules and regulations regarding security of information. Data cannot be disclosed to any person or entity that is not directly approved to participate in the scope of work set forth in this Contract.

19.3 Department's Ability to Audit Screening Compliance and Inspect Locations

The Department reserves the right to audit the Contractor's background screening process upon two (2) days prior written notice to the Contractor during the Term of the Contract. Department will have the right to inspect the Contractor's working area, computer systems, and/or location upon two (2) business days prior written notice to the Contractor to ensure that access to the State of Florida Data is secure and in compliance with the Contract and all applicable state and federal rules and regulations.

19.4 Record Retention

The Contractor shall retain a list of all Persons with Access to Data, including a statement confirming that each Person has passed the Background Screening required herein. Such a statement shall not include the substance of the screening results, only that the Person has passed the screening.

The Contractor shall create a written policy for the protection of Data, including a policy and procedure for Access to Data.

The Contractor shall document and record, with respect to each instance of Access to Data:

- 1) The identity of all individual(s) who accessed Data in any way, whether those individuals are authorized Persons or not;
- 2) The duration of the individual(s)' access to Data, including the time and date at which the access began and ended;
- 3) The identity, form, and extent of Data accessed, including, but not limited to, whether the individual accessed partial or redacted versions of Data, read-only versions of Data, or editable versions of Data; and
- 4) The nature of the access to Data, including whether Data was edited or shared with any other individual or entity during the duration of the access, and, if so, the identity of the individual or entity.

The Contractor shall retain the written policy and information required in this subsection for the duration of this Contract and a period of no less than five (5) years from the date of termination of this Contract and any Contract extensions. The written policy and information required in this subsection shall be included in the Department's audit and screening abilities as defined in subsection 19.3. The written policy and information required in this subsection shall also be subject to immediate disclosure upon written or oral demand at any time by the Department or its designated agents or auditors.

Failure to compile, retain, and disclose the written policy and information as required in this subsection shall be considered a breach of the Contract. The resulting damages to

the Department from a breach of this subsection are by their nature impossible to ascertain presently and will be difficult to ascertain in the future. The issues involved in determining such damages will be numerous, complex, and unreasonably burdensome to prove. The parties acknowledge that these financial consequences are liquidated damages, exclusive of any other right to damages, not intended to be a penalty and solely intended to compensate for unknown and unascertainable damages. The Contractor therefore agrees to credit the Department the sum of \$1,000 for each breach of this subsection.

19.5 Indemnification

The Contractor agrees to defend, indemnify and hold harmless the Department, the State of Florida, its officers, directors and employees for any claims, suits or proceedings related to a breach of this section. The Contractor will include credit monitoring services at its own cost for those individuals affected or potentially affected by a breach of this section for a two (2) year period of time following the breach.

SECTION 20. PERFORMANCE BOND

The Department will not require the Contractor to furnish a performance bond or other form of security for the faithful performance of work under this Contract.

SECTION 21. NO OFFSHORING AFFIDAVIT

Unless otherwise agreed in writing, the Contractor and its subcontractors will not perform any of the Services from outside of the United States, and the Contractor will not allow any State of Florida Data to be sent by any medium, transmitted or accessed outside of the United States.

The Contractor agrees that a violation of items listed above will result in immediate and irreparable harm to the Department and will entitle the Department to a credit of \$50,000 per violation, with a total cap of \$500,000 per event. This credit is intended only to cover the Department's internal staffing and administrative costs as well as the diminished value of Services provided under the Contract and will not preclude the Department from recovering other damages it may suffer as a result of such violation. For purposes of determining the damages due hereunder, a group of violations relating to a common set of operative facts (e.g., same location, same time period, same off-shore entity) will be treated as a single event. A violation of this provision will also entitle the Department to recover damages, if any, arising from a breach of this section and constitutes an event of default.
